Bessie Guy Mc Mullen

Bessie was in the second Bible School graduation at Calvary Temple, Seattle.

after grad. Bessie, Dorothy Amundsen and another lady went to work (minister) among the Indians at Neah Bay for 3 1/2 yrs. (Bessie said no men would volunteer so they went.)

Bessie and Dorothy then ministered in Hillcrest abt Bremerton for 14 years (as well as still serving at Neah Bay for a period of time.) They were assistants to the pastor, but for long periods of time when the pastor was away on "Fetter Rain" assignments they were in charge of the services as well. They did not receive a salary - only an love offering (on a Sunday evening) a month.

From Bremerton Bessie and Dorothy went to assist in ministry in California for 2 1/2 yrs before coming to Northwest College.

Bessie served at N.C. for 30 years before retiring at age 76.
