Application forms for graduation have been distributed to those who filed notice of intent to graduate at the conclusion of the 1961-62 school year. If there are those who did not receive a copy of the application who plan to graduate this year they should contact the Registrar. Those who did receive the forms should complete and return them by the end of the current quarter (December 15).

Those who do not plan to continue in school next quarter are reminded that they are to file a notice of discontinuance with the Registrar before leaving. This should be done as soon as possible.
