Students who use N.E. 53rd Street as an access street to the highway (State No. 1) are cautioned regarding the "No left turn" signs which have recently been posted. This street is now open only to south-bound traffic for ingress or egress onto or from N.E. 53rd. We have noticed Houghton police checking at the corner for violators, and we do not deem it advisable that students of Northwest Bible College should forcibly have to contribute to the treasury of the town of Houghton on this account.
