## JUNIOR CLASS GIFT

As the custom has been in the past, the Junior Class of 1950-51 presented the school with its memorial gift. The gift is usually presented on Class Night, but this year's Junior Class wanted to share with the rest of the school in receiving the gift early and so Gerald Lopas, Junior Class President, presented their gift to Brother Butterfield in chapel on Tuesday, May 8.

The class gift is a large life-sized picture of Brother C. C. Beatty, our late Dean Emeritus.

The graduating class wanted to give something which would meet a need of the school and they felt that this picture would do much to inspire students to serve God. "We need what Brother Beatty had, his love for souls and compassion for young people, plus his determination to always trust God. This is why the Gleaners of 1951 are presenting this picture to the students of Northwest Bible College," said Brother Lopas as he made this presentation.

To friends of Brother Beatty, don't forget your donations to the Beatty Memorial Fund.

## PRESIDENT'S MESSAGE

May God's blessing rest upon the graduating class of NBC. It is our sincere prayer that these young men and young women will be God's choice vessel of service for His own glory. We will be anxiously awaiting reports of their activities in the ministry.

As we separate temporarily in our earthly journey, it is with that "Living Hope" that we shall soon be joined again in the presence of our blessed Master.

It is our earnest desire that all of the underclassmen will return again in September to renew their preparation for the Lord's work. It has been a good year that we have spent together being enriched in our hearts by the presence of our dear Lord and we look forward to next year in expectancy to the further revelation of Himself to us.

May God bless the many faithful ones who have stood with us in their prayers and their support this past year. The district brethren, the faculty and staff of the college, alumni, parents of the students and a host of friends, have made their various contributions to the success and progress of the school.

We are all determined by God's grace and help to work together to make our college a better school in every way to glorify God in pursuing His purposes and fulfilling His will as He reveals His will to us.

Sincere Christian love to all.

C. E. BUTTERFIELD,  
President.

## CHAPEL NOTATIONS

Visiting speakers at NBC during the past month were:

Rev. H. T. Kazen

Mrs. Mabel Gwinn, of Gospel Recordings, Inc.

Rev. Glenn Horst, from Springfield.

Rev. and Mrs. Everett Hale, missionaries to Bolivia.

Rev. Merle Glew

Rev. John Tappero

Rev. Allan Berg

Rev. W. J. Atkinson

## MISSION BANDS

We are happy to report that the missionary giving at NBC this year has exceeded any former year. The total amount handled was \$2,599.47 with disbursements of \$2,248.25.

Most of the bands received money for various projects. Some were: India, \$100 for a public address system; Islands of the Sea, \$100 for building fund; Alaska, \$200 for airplane repairs; Homeland, \$50 fare for Jeanne Finch to Kentucky; Oriental, \$500 building fund for native Japanese church; Africa, \$200 building fund for church in Belgian Congo. Also many individual missionary speakers received different amounts from the missionary fund.

We pray that God may use each of the dollars given to the fullest extent for the building of His kingdom.

## Editorial

"I was SO MAD, I just couldn't help it. I simply blew my top." The words brought the memory of a lively discussion.

"Meekness," said Brother Jones, "is the ability to govern yourself under strong provocation." We were sitting at the dinner table, and someone had rebelled against the idea of meekness being becoming to a Christian. The picture of a Mr. Milquetoast; afraid of the sound of his own voice, appealed to no one.

This word meekness, so often associated with the idea of being subdued, hesitant and colorless, is, rather, a positive result of the activity of the Spirit of God. It is one of His fruits. It is a form of *expression*, not a negative quality. Moses, called the meekest of all men by God Himself, was not indifferent to the charges of Miriam, the complaints of the Israelites, the rebellion of those who should have been wholeheartedly with him. He certainly had strong provocation.

Vincent in his *Word Studies* contrasts man's idea of meekness with that of the Christian. The self-control of the Christian does not stem from the natural disposition. It is not condescension, but an outgrowth of a spiritual relation to God. The meekness of the Christian, he says, springs not from a sense of inferiority to man, but a sense of the inferiority of the sinful creature to the Holy God. "He considers opposition, insult and provocation as God's permitted chastening demanded by the corruption and infirmity of sin."

Meekness is ACTION, not inaction. It closes a mouth in time of temper; it forgives an insult; it restores the erring; it exercises patience in opposition.

It is much more interesting to act than to be passive. The Spirit works in you; fruit comes from His working. You work together with Him and the activity produces growth.

Moses substituted self-action for meekness once. He fell where he was strongest. He struck the rock in anger, instead of speaking to it. He got the same result we do when we choose our own way. He lost his spiritual blessing.

Provocation demands action. "I have to do SOMETHING! I can't take that lying down." Alright, if it's action you need, "Bless them that persecute you and despitefully use you." That's action of the highest order. That form of meekness is far from passive, and you will feel you have been exercised, too. "The meek will He teach His way." His way was that when He was reviled, He reviled not again, but blessed.

"Meekness," said Brother Jones, "is

the ability to govern yourself under strong provocation."

Maxine Williams.

## GOSPEL TEAM ACTIVITIES

Leaders and students alike are praising God for His blessings on the many gospel team assignments this year. Souls have been saved and others reclaimed for the Lord. Following is a summary of the activities of each team this year:

Team No. 1 leader Gerald Lopas—"Our team feels enriched in the spirit as a result of the gospel team activities this year. From our street meetings to the meetings in some of the larger churches, God has blessed our ministry. We have travelled to Kelso, Tacoma, Kalama, Sedro Woolley and Marysville, giving out the good news that Jesus saves. The highlight of the year was the assignment to the Cathlamet Assembly of God. The most blessed services which we have had have been in the missions in Seattle. The services which we have held have greatly confirmed our conviction that men and women are hungry for the truth and Jesus said, "I am the Way, the Truth, and the Life!"

Team No. 3 leader Morris Mayes—"Gospel Team No. 3 is thankful for the opportunity of working for the Lord in the gospel team assignments. Each member who has participated in these assignments feels that he has obtained valuable experience in this ministry.

We are very thankful for the fruitful harvest of souls that the Lord allowed our team to reap. In one Sunday evening service alone we had the privilege of seeing seven souls accept the Lord Jesus Christ as their personal Saviour. Services such as these makes us anxious and eager to get out in full time Gospel work.

Team No. 4 leader Claire Richards—"Gospel Team No. 4 thanks the Lord for His blessing this year. We thank Him for the privilege of giving for the glorious Gospel in word, song and testimony.

"Our greatest joys were when souls knelt at the altar seeking salvation—we pray that a lasting work has been done in their hearts."

Team No. 5 leader Lindsey Hayes—"In the many services which Gospel Team No. 5 has conducted during the school year, we leave the results with the Lord. We have proclaimed the Gospel in word, in song, in deed and there our responsibility ends.

"In the ensuing months those from our team who are graduating will, we trust, enter the Lord's work elsewhere.

NBC's New Library

### LIBRARY IN NEW LOCATION

The latest and perhaps the biggest change at NBC since Calvary Temple moved into its new church building is the new location of the library.

Our library has made its progress because of the loyalty and help of many. We thank the painters who worked late one Saturday night to make the room colorful, the ones who had sore hands from tying knots in the binder twine around the books, the enthusiastic group that so quickly carried up the books, the loyal helpers who for a number of days helped sort and shelve, those who gave to purchase equipment, and Pastor Oster who took time from his pastorate to complete our counter. We could not have done it alone. "We thank God on our remembrance of you."

Maxine Williams and the Library Staff

### PINK AND BLUE COLUMN

Babies seem to choose the most inconvenient time to arrive. Jim Hamann learned that when his baby chose to arrive in March during our unseasonal snow. Unable to drive his car up an icy hill Jim made a desperate call to friends who soon arrived and transported Phyllis to the Swedish Hospital where on March 8 Paul Christian entered the world.

Our Editor has been successful in recruiting a new addition to the staff of the N.B.C. Courier. This young fellow, David Lee, arrived by way of the Doctors Hospital on April 24 and weighed in at seven pounds and thirteen ounces. His mother, Lily Lanphear and big sister, Linda Marie, are working hard to teach him the ways of good reporting, and the latest word received is that this aggressive young fellow has them awake all hours of the night with his latest news.

Mr. and Mrs. Richard Evans announce the birth of a daughter at the Ballard General Hospital, April 5, 1951. The baby girl was named Karen Ruth and she weighed six pounds and twelve ounces at birth.

Mr. and Mrs. Leonard Emory are the proud parents of a boy, Doyle Maynard, born Tuesday, May 22, at Doctors Hospital. Doyle weighed nine pounds and fourteen ounces.

Mr. and Mrs. Glen Ahrens who attended school in '49-'51 are the parents of a daughter, Janice Darlene, born May 22, in Tacoma.

Glen was called back into the service during the first quarter of this year and is now stationed at Fort Lewis.

### N.B.C. TO HAVE NEW PULPIT

N.B.C. will have a new pulpit in the main auditorium when school begins in September.

Word has been received in Bro. Butterfield's office that Bro. Phil Gaglardi, a former student, who is now pastoring in Kamloops, B. C., will build a new pulpit for the school. The pulpit will be completed during the summer months.

Bro. Gaglardi will be the speaker for the Matriculation service in the fall and if the pulpit has arrived by this time he will be the first speaker to speak from behind it.

We would like to take this opportunity to thank Bro. Gaglardi for his interest in the school and to welcome him to NBC in the fall.

### Girls' Dorm Gets New Roof

N.B.C. has received many needed items in the past few months for which we are very grateful. The latest donation was that of Brother Fred Shamp, Bucoda, Wash., who put the new roof on the girls' dormitory.

The materials were purchased by the school and Brother Shamp donated his time and labor in putting on the roof.

Before the moving began Bro. Butterfield and a crew of unsung heroes worked until late hours one Saturday night painting and cleaning the prayer room. Then students gave their time to tie in bundles for carrying the several thousand volumes in the library. Next all the students carried up from the old location to the new one the tied bundles. According to Sis. Williams, who was clocking the procession, students carried over five thousand books and seventy chairs in fourteen minutes.

The new counter recently installed, contains the vertical file for keeping magazines, pamphlets, maps, visual aid material etc. and this counter was made by Rev. C. E. Oster of the Avondale church in Gig Harbor. Bro. Oster donated all the labor involved in making the counter.

The radio room, still in use by Calvary Temple, will be turned into the library office next year. The office will contain a lingaphone and language records for use by language students.

Another new addition to our library is a new set of American encyclopedias.

The largest and most important addition to the new library is that of the new tables and chairs which were presented to the library by the student body.

The new location of the library is a great improvement and again we are praising the Lord for the way He has met the needs of the new library.

### STUDENT COUNCIL

The Student Council of the Associated Student Body has sponsored many projects this year.

Sister Coleman

## MEET OUR DORM MOTHER

A new addition to the staff of NBC was made at the beginning of the school year in the person of Mrs. Helen G. Coleman. Mrs. Coleman is the mother of the Girls' Dormitory.

Mrs. Coleman was saved in Seattle over thirty years ago; she came into the light of Pentecost in 1927 and received her baptism in the Holy Spirit in 1929. She is an ordained minister of the Assemblies of God and has laboured with her husband in Washington and Oregon. They both went to Idaho in 1935 when it was still a part of the Northwest District and a pioneer field. She was president of the Women's Missionary Council in the Southern Idaho District for two years prior to Mr. Coleman's passing away in 1947. Her work has been chiefly for missions and with young people and children.

Although not young anymore, Mrs. Coleman loves to be around young people and says that it makes her feel quite youthful again to be among the students.

Besides being a mother to the girls, an excellent home keeper and a nurse (when necessary), Mrs. Coleman is also a wonderful cook and the girls who live at the dorm and faculty members who have visited there can testify to her ability in this field.

Mrs. Coleman has done much to make the dorm "A Home away from Home" and consequently it has resulted in the existence of a sweet spirit of love and unity throughout the entire year and God's love has been very precious to each one there.

We have certainly appreciated having Mrs. Coleman with us this past year

and are looking forward to her returning to be with us next year. May the Lord bless her is our prayer.

## SUMMER PLANS —

NBC faculty members have many summer plans. Registrar Amos Millard tells us he will remain here to hold the fort this summer. Assistant Registrar Jean Finch says that she is going to Frozen Creek, Kentucky, where she will be in gospel work.

Bro. Butterfield expects to attend two or three camp meetings in the interest of NBC. In August he will attend the General Council, meeting in Atlanta, Georgia, where he will give an address on Bible colleges, then perhaps he will attend the convention in British Honduras.

Bro. Bronson states he will remain in Seattle, but will be studying just as hard as while in school.

Bro. Ellis says he is uncertain as to what the summer holds, but hopes for a quiet rest.

Bro. DeSpain will be doing graduate work at the University of Washington.

Bro. Tangen plans a trip to California.

Sis. Williams will be going by bus to Key West, Florida, from there by plane to Victoria de las Tunas, Oriente, Cuba.

Bro. Bishop will be studying German at the University of Washington.

Bro. Cox will be busy at the Music store most of the time, however, he plans a trip to California and perhaps to the East.

Sis. Perks will be attending Northern California Camp meeting, then spending some time with Sis. Coleman in Oregon.

Miss Zoppelt tells us she will return to her home in Cleveland, Ohio, where she will attend Summer school.

Miss Roberts will be working in Seattle.

Miss Altura states she is not sure just what the summer holds for her.

Sis. Lopas is resigning her position. They plan to help in Cathlamet part of the summer. After that, their plans are uncertain, but later they hope to be in pioneer work.

## New Officers Elected

N.B.C.'s annual student body elections were held the middle of May to elect officers for the school year 1951-52.

Elected to the presidency of the student body was LeRoy Allsopp, a sophomore theology major.

## Gospel Team Activities

(Continued from Page 2)

Then we are expecting to see in school next year the under classmen that they may again go forth in gospel teams to proclaim the gospel to every creature."

Team No. 6 leader Hubert Rhymes—"Gospel Team No. 6 began the year with a total of twenty-seven members. Many wonderful services were enjoyed as we launched out together to win souls for Jesus. On several assignments out of town we enjoyed the blessed moving of the Holy Spirit as the Word of God was brought forth by students from every class in school.

"We are truly praising God for His faithfulness to us and for all the blessings He has given us. We are happy for each soul that has been won to Christ and are looking forward to another great year next year."

Team No. 7 leader Howard Lanphear—"As leader of Gospel Team No. 7 I can say for each member that we have really enjoyed putting forth effort to work for the Lord this past year.

"All the praise and glory is given to God for the souls saved and hearts that have been blessed through the singing, playing and preaching of the Gospel of Christ.

"Our prayer at the end of this year is, 'Oh, God, may I give myself wholly for your use in whatever you would have me to do. If I have learned anything it is only by your grace and may it ever be used for your glory and honour.'"

We must cultivate such a spirit of trust and obedience towards God that we shall put Him first whether the times are smooth or rough.

## Inter-Communication System For N.B.C.

The Associated Student Body approved the purchase of a twenty-one station inter-communication system from student body funds. The equipment will be purchased at the wholesale price of about \$300. The system will be installed by Lloyd Portin and Bill Rhymes who are qualified radio technicians.

## Alumni Notes

Donald ('49) and Mina Craig are now pastoring in New Plymouth, Idaho.

Robert ('50) and Geri Swope have taken the pastorate at Brooks, Ore.

Herman ('49) and Viola Englegau, the former pastors at Brooks, have now received their missionary appointment to Africa.

White are the fields for the harvest,  
Workers are all too few;  
Souls are awaiting the message,  
Christ still depends upon you.

## Trio Travels

The girls' trio consisting of Lois Hutchinson, Ethel Meyer, and Shirley Detling, recently accompanied Brother Butterfield to Richland where they represented NBC at a tri-city C.A. gathering. Brother Butterfield spoke in the morning service at the Richland Assembly and the trio again sang.

Last weekend they also accompanied Brother Butterfield to Longview where they sang for a Youth for Christ rally. They also participated in a radio broadcast earlier in the evening. Brother Butterfield was the speaker at the rally.

## Recent Showers

Minnie Dee Brubaker, who will become the bride of Alvin Peterson on June 7, was honored recently at a shower given by members of the girls' dormitory.

Another shower on Monday, May 28, honored Darlene Kendall who will become the bride of Lester Cleveland in August. Miss June Farstad and her mother of Everett were joint hostesses for the affair which was held in the lower auditorium.

**NEW CATALOGS  
OFF THE PRESS**

The new 1951-52 Catalogs are now off the press and will soon be mailed out to those on our mailing list. A copy will gladly be sent to anyone requesting one. Requests should be addressed to the Registrar, Northwest Bible College, East 69th and 8th Ave. N.E., Seattle 5, Washington.

The new catalog is the largest which the school has ever published and contains expanded information as well as pictures of the teaching staff and personnel.

We are encouraging those who expect to enter Bible College next fall to make their applications for admission now. On the basis on which the school is presently operating our facilities will not accommodate a large student body such as was formerly accommodated when the school was operating on the Bible Institute basis. Although it is not known exactly how many students will be entering the school next fall, we anticipate an increased enrollment. For this reason we urge those looking forward to entering Bible school to make application without delay.

Another reason for suggesting immediate application concerns our young men who feel the call of God upon their lives for Christian service. According to the Selective Service Act of 1948 provision is made for the classification of ministerial students as class IV-D for exemption from military service while pursuing a full-time course of logical instruction in preparation for the ministry or while pursuing a full-time course of instruction leading to entrance into a Theological school. From a recent quarterly letter issued from the executives offices of the General Council of the Assemblies of God we take the following excerpt:

"The student in Bible school and the student who notifies a Bible school that he intends to attend that school (or in other words that he is a pre-enrolled as a student) is entitled to deferment, but

it will not be surprising if some students will have difficulty to establish their status under the law with local draft boards. This word is passed on to the pastors of our churches as a friendly warning."

It is evident that the element of time in this matter may be an important one in many cases which will be coming up in the future. We have already had experience to this effect during the past year, and in view of this experience and in view of what we anticipate for the future, we wish to encourage our young men in this category to establish their connection with the school through application for admission *without further delay*.

Because of the great need for trained and consecrated Christian leadership we are sending out this call to all who will hear and respond to the opportunity afforded to train for some phase of the Lord's work while "it is yet day, for the night cometh when no man can work."

Money was allotted for inconspicuous purposes such as maintaining the insur-  
ance on the bus and keeping it in oper-  
ating condition.

More noticeable additions to school property are the new tables and chairs for our library, new song books with the school name stamped in gold on the front cover, and 16 mm. Bell & Howell movie projector. A fund that we feel has been a real blessing to all of God's

people as well as a material help to the students is the allotment for gospel team work.
