WANTED: Young ladies wanted for waitresses and counselors at King's Teens Banquet on Friday, February 10, at Expedition Hall in Seattle Center. See Tom Crabtree for details or call VA2-6352.

STUDENT VEHICLES: We want to thank you for your cooperation concerning the parking of your automobiles on the streets. It has been noted that there are some vehicles parked on the tennis court side of the street by Perks Hall. Please remember this area is closed to students parking. You are also reminded of the speed limit on the campus. We are concerned for the safety of everyone and 20 miles per hour is fast enough. Please men, let's leave the gravel on the road and not flying through the air. Thank you.

BASKETBALL GAME: There will be a game against Central Assembly of God of Salem, Oregon on Saturday, January 21st at 3:00 p.m. A bus load of young people are coming from the church and this has been traditionally a "fun-day". We will all want to make them very welcome on the campus. You will want to attend the game and cheer the Eagles on to victory.

LOST: A tan rain coat was inadvertently taken from the chapel on Tuesday evening. It belongs to Mr. Hoops, who was a visitor in the service. His name is on the inside of the coat. It could be that it was mistakenly taken by another visitor or by one of our own students. Will you please check to see if you do have the wrong coat. Thank you.
