NORTHWESTERNERS' SING AT W.M.C. RETREAT

Dr. D.V. Hurst

From The President

Spiritual Emphasis Week Speaker: Pastor With A Shepherd Heart

During the Fall Quarter Spiritual Emphasis week, (September 29-October 2). Northwest College students and faculty heard the Reverend Dale Carpenter, pastor of the Stone Church Assembly of God in Yakima, as he communicated something of the meaning of the ministry to the needs of the day. In a word, he expressed through experience and teaching something of the ideals and the genius of the Pentecostal ministry—a pastor with a shepherd's heart and who lives and ministers in the continuing realities of the supernatural and a life-style of simple faith, and a disciplined personal life.

The Reverend Mr. Carpenter is father of senior student at the College, Mr. Calvin Carpenter. Born and reared in the wheat country of Eastern Washington, Pastor Carpenter told of his call to the ministry—a call that took him to northern Alberta for Bible training. It was here where he met his wife, Mary Lou Taitinger, sister of the Reverend Robert Taitinger, present General Superintendent of the Pentecostal Assemblies of Canada.

After his training in Bible College, Pastor Carpenter entered the evangelistic ministry in the Northwest District of the Assemblies of God and later served for several years as the District Youth Director for the Northwest District. His first pastorate and also his present one, is the Yakima Stone Church. One of the leading churches in the district, the congregation recently completed a \$500,000 sanctuary and plant and continues in an aggressive evangelistic outreach.

Commenting on the week's series with Pastor Carpenter, College President D.V. Hurst said, "He met the students where they live and pointed toward the joys of the

ministry. He was infectious as he portrayed what the ministry and serving God is all about. He showed the man of God to be very human, very joyful and very rewarded in his work. Through 'pages from a preacher's notebook', he gave vignettes of pastoral experience and provided rich insights into the rewards of relating to people in ministry. His portrayal of Biblical narratives made them come alive. The Spirit moved and God blessed. It was a rich week!"

The College's winter series will bring to the campus, the Reverend Otis Keener, recently of Hong Kong, for the annual missionary emphasis week at the College.

Pastor's Workshop In Counseling

THEME: CONSCIENCE
GUILT
GRACE

Nov. 11, 1975

2:00 P.M.

COST: Single \$10.00

Wife \$ 2.50

Cost includes meal

Speakers:

Chaplain M.O. Whitaker

Veterans Hospital

Dr. Jack V. Rozell

Associate Professor of

Pastoral Care at N.C.

Minister of Counseling at

Neighborhood Church, Bellevue.

Those First Few Days

N.C. Costs Lowest Among Private Colleges

A College Costs survey conducted by the Washington Natural Gas Company reveals that among the eleven accredited private colleges in the State of Washington, Northwest College's costs are lowest for the 1975-76 academic year. The survey takes into account the package cost of tuition and fees and room and board. Ranking at the top of the cost ladder was Whitman College in Walla Walla with a package cost of nearly \$3900 for the year. Northwest College's package cost is \$2341, and is the only one less than \$3000 per year. The average package cost among the 11 colleges surveyed was around \$3300 per year—about \$1000 per year higher than that at Northwest College.

Commenting on the cost of education at Northwest College, College President Dr. D.V. Hurst noted that "it has always been part of the educational philosophy of the College to seek balance in the factors of quality education and the availability factor—i.e. to put quality education within the reach of the constituency whom the College seeks to serve."

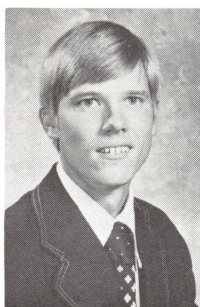

BEOG

Students have received \$105,000.00 in BEOG grants for this Academic year. This will be increased as new students coming in the Winter and Spring quarters receive their grants.

There is a certain intensity about registration.

ASB President Dan Anderson

Dan Anderson spent the summer in Portugal working for Christ. He sent back word that he was having a great time in the country, that the work in Portugal was fantastic. As he was working on the Bible school, each day they saw progress being made towards its completion. He sent word that he was looking forward to a fantastic year, that he was expecting the student body to grow in Jesus Christ and that would be the one thing that would make this year count the most.

Dan is a very dedicated young man doing a wonderful job leading our student body this academic year.

Northwest College Has All-Time Record Enrollment

An all-time record enrollment of 627 students have enrolled at Northwest College for the Autumn Quarter, 1975. The students come from 27 states, Canada, and 8 foreign countries, the Registrar's office reports. The roster shows that 55% are Washingtonians, and the remaining 45% come from out of state. The count by states is as follows:

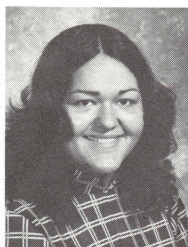

Washington-344	Kansas-1
Oregon-98	Kentucky-1
Montana-39	Nevada-1
Idaho-34	New Jersey-1
California-23	New York-1
Alaska-20	North Carolina-1
Colorado-13	North Dakota-1
Wyoming-7	Pennsylvania-1
Hawaii-6	South Carolina-1
Canada-6	Texas-1
Minnesota-4	Hong Kong-1
Arizona-2	Kenya, Africa-1
Massachusetts-2	American Samoa-1
Missouri-2	Korea-1
South Dakota-2	Marshall Islands-2
Utah-2	China-1
Wisconsin-2	South Africa-2
Indiana-1	Guyana, South America-1

By classes, the largest increases occur in the upper classes with Juniors increasing 36% over last year and Seniors by 50% over last year. This is the fifth consecutive quarter that the College has experienced an all-time record for that particular quarter, the Registrar's office reports.

Miss Guy

Faculty member, Miss Bessie Guy, who is commencing her 20th year here at Northwest College, was selected by Marquis Publishers to be a subject of biographical record in "Who's Who in American Women" (1975-76 edition). Miss Guy serves the college as Dean of Women, Housing and Employment Co-ordinator and teaches in the C.E. Department. Prior to entering college work, she was assistant in several churches in Washington and California.

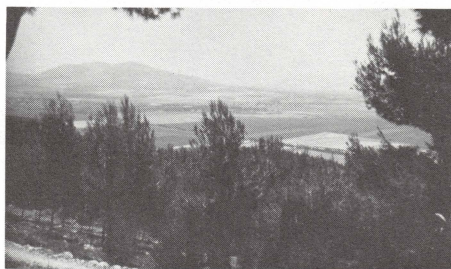

ASB Secretary Joann Burros Looks For A Year Of Great Growth

"My goals for this year are set towards the 'giving theme' of oneself to the Lord. This includes giving oneself to the ministry in whatever capacity it might be. Another one of my goals is that of growth. We are all young growing Christians and as student officers, we need to set our goals to aid this Christian growth. This past summer has really aided in my own personal growth. God has shown me many great and wonderful things."

JoAnn worked full-time as an intern this summer in New York. Her ministry was reaching deaf souls for Christ. She experienced the wonderful thrill that comes from seeing a deaf person saying, "Yes, I want Him!" She has a deep interest in working with those who are deaf and helping them find Christ.

FLYING SEMINAR

Pictured is the Valley of Esdraelon (Megiddo) from a hillside vista near Nazareth representing a citadel of Israel's ancient history, its agricultural productivity in the present, and apocalyptic climax in the future. (Rev. 16:16). Across this valley, our Lord, as a boy must have seen the trade caravans crossing the "hub" of Israel's highway system. In the foreground is to be seen a tree plantation, the product of the regathered nation of Israel, itself likened in the Scriptures to a revitalized tree. This is one of many sites in Israel and Jordan that the Northwest College Flying Seminar (March 10-21) will visit in the College's 7th Annual tour of the Holy Land. For full-color brochure giving details, write to Northwest College, P.O. Box 579, Kirkland, WA 98033 or telephone 822-8266, ext. 45.

President Hurst Family Camp Speaker

Dr. D.V. Hurst, Northwest College President, was guest speaker for the annual Rose Hill Presbyterian Family Camp held at the church's retreat center at Buck Creek campgrounds near Mt. Rainier on September 13-14.

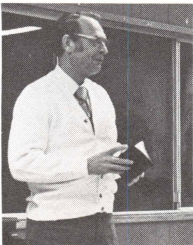

Dr. Hurst reported that the camp registered a total of nearly 150 persons from the aggressive Rose Hill Church. Commenting on the experience, Dr. Hurst said, "It was thrilling to share with these good folk in devotional group setting, fellowship, and services. I've never seen such good planning for an event of this kind. These people are **alive and active** in their church."

Speaking at retreats has been a long-standing experience for Dr. Hurst. He is a frequent Bible Conference speaker at some of the largest denominational conferences in the nation, and was one of the founders of a Men's Fellowship retreat held in Banff in the Canadian Rockies where he has been the retreat speaker since 1952.

WMC Retreat Great Success

Once again ladies from many of our Northwest District churches came on campus. The occasion was the annual District W.M.C. Retreat. As in the past, it proved to be a time of great spiritual blessing. Sister Crawford, the District W.M.C. President, is to be commended on another very fine retreat.

G. Gaymond Carlson, Assistant General Superintendent of the Assemblies of God, speaks at the faculty retreat.

John Pope

Promoted

Dr. John Pope received notice from the Department of the Air Force recently that he has been promoted to the grade of Lieutenant Colonel in the United States Air Force Reserve. The letter said, "You were selected over many eligibles in recognition of your training, performance, and dedication."

Dr. Pope serves at McChord Air Force Base on a reserve status while performing full-time duties at Northwest College. We extend our congratulations to Dr. Pope on this promotion.

It takes a lot of unloading!

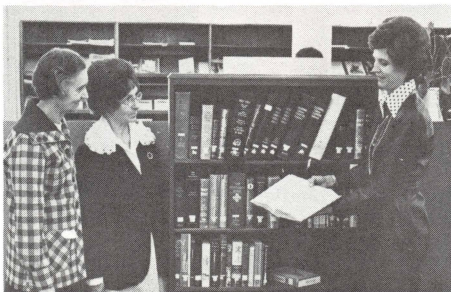

Northwest College Annuities

Northwest College is thoroughly committed to evangelical Christian doctrine and patterns of conduct. In and out of the classroom, the College endeavors to present these principles to the students and foster their application in daily living. Thus, administration and faculty maintain a personal interest in the spiritual growth of each student. There is the additional concern for his intellectual development, social awareness, and confidence, physical well-being and preparation for his life work.

Spiritual growth is encouraged by a Christian spirit, which permeates every campus activity. The primary aim is to foster Christian character that will find natural expressions in distinctly Christian behavior.

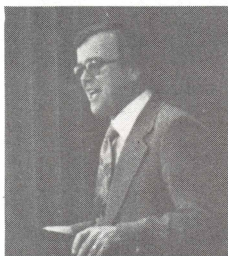

Your gift annuity will not only provide a secure income for you, but will help young people to secure a Christ-centered education. This will enable them to fulfill God's highest for their lives.

Ness Memorial Bible Collection Grows

The Henry H. Ness Memorial Bible Translation collection in the library of Northwest College has grown to 54 catalogued translations, editions, and different volumes, a report from the College Librarian shows. The Collection was established as a memorial by the family and friends of Dr. Ness following his decease in 1970. He was the founder and first president of the College between the years 1934-49.

During his ministry, Dr. Ness had a special interest in Bible translations and often used various translations in his sermons to make clear the meaning of a passage.
