## ATTENTION:

Students who have taken Early Childhood Education courses! If you have taken both Introduction to E.C.E. and Fundamentals of E.C.E., then you are eligible to take Practicum I and II in the winter and spring quarters. Those courses are prerequisites for Practicums I and II. However, if you have taken only one of those courses and have had considerable experience in the Early Childhood Education setting, then you can with permission of Dean Mrs. Clark possibly take Practicum I and II. Many of our students have worked at a Day Care Center or a Preschool and earned credit at the same time. Practicums I and II require five hours in the E.C.E. setting each week for ten weeks and one hour of class per week (TBA) besides. Please see Mrs. Clark to make an appointment for an arrangement for a Practicum experience as soon as possible. Thank you!

## ATTENTION BASIC YOUTH CONFLICTS STUDENTS!

The test for those students who took BYC for credit will be administered this Saturday, November 5, at 10:00 a.m. in F-7. You will need to bring your summary questions, #2 pencil, \$2.00 testing fee, and a BIBLE.
