ASSIGNMENT: LIFE - A FILM ON ABORTION-

Friday, 1:20-2:15 in F-7. A documentary concerning proabortion and prolife positions. This presents an excellent expose' of abortion in American in a direct and forceful manner without capitalizing on the strong emotions that come with the topic. Interviews with people who have had abortions, doctors, nurses, and counselor who have been involved in abortions, and great National leaders all provide understanding of the scope of the issues and the feelings involved. If at all possible, you should see this film. Note: There are

a few scenes that are accurate but are very shocking. There are scenes of aborted babies, and footage of an actual abortion. Please be forewarned of this and prepare yourself accordingly.

N.C. GIRLS THIS IS FOR YOU:

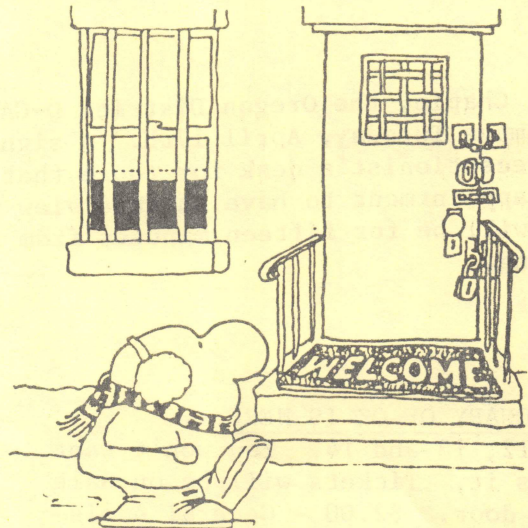

If you are worried about "steatopygia" come tonight to the L-building at 7:30. Thank you!

TAHITI INVASION:

In response to evangelist Gene Martin's request, Northwest College is seeking to develop a group of ten students who will go to Tahiti on approximately a two-week "invasion" in support of the new church there. John Young, resident dean of men, will be leading the group. In order to gain advantageous airfares a group of a minimum of ten is desired. The cost will be approximately \$1,200 for airfare and subsistence while there. Students who are interested in this evangelistic summer ministry efforts should contact the Dean of Student's office and make application there. Further information will be available.
