**Reasons to Consider Northwest's  
Summer College:**

1. Smaller classes - more discussion - maybe even field trips - Whoopy!
2. A couple of hours a day for two or three weeks - you're classroom-work is finished!!
3. Tuition is \$260/credit. This reflects a rolled-back to the 95/96 summer rate!!
4. You can choose to use a Payment Plan, allowing the costs to be spread out through the end of June.
5. Summer College allows you to have a lighter load during fall and spring semesters - your roommate will appreciate your not being so grumpy.
6. Summer College may allow you to graduate earlier!!

Register now — don't wait until summer — courses without sufficient enrollment may be canceled.
