GOD BLESS YOU!!

We know no word more fitting to address you,
No song, no poem we've ever heard
Is sweeter than just "God bless you".
In these three little words may you find
All the joy the whole wide earth possesses;
For there can truly be no joy
Unless indeed, God blesses.

We might wish you wealth or wish you health,
Or that good fortune might caress you.
But wealth might bring sorrow,
Or even health fail tomorrow;
So we simply say, -- "GOD BLESS YOU".

"As cold waters to a thirsty soul, so is
good news from a far country." Prov. 25:25.

IN THE ABSENCE OF REV. NESS, OUR PRINCIPAL, REV. KROGSTAD WRITES--

Dear Juniors:

The months have passed swiftly since we bade one another farewell, and it is with real eagerness that we are anticipating the coming of September 30 when associations will be renewed and we shall have the privilege of welcoming our former students, as well as the new ones, back to the great family of Northwest Bible Institute.

The office informs me that our applications this year are running approximately double those of last year on this same date. From all appearances we are going to have the largest student body in the history of N.B.I. and a very interesting one. A large number of these will be G.I.s. In addition to this we have a student already here from the Island of Jamaica, and it is possible that several will be present from the Scandinavian countries, which in addition to our Canadian friends will make this a truly international school.

Since June 1 it has been my privilege to work with Rev. Ness in the capacity of Associate Pastor of Hollywood Temple in acceptance of an invitation from the church. In addition to preaching frequently, my work includes three radio broadcasts weekly, the editing of a weekly mimeographed bulletin, and the Gospel Visitor which is our monthly church paper.

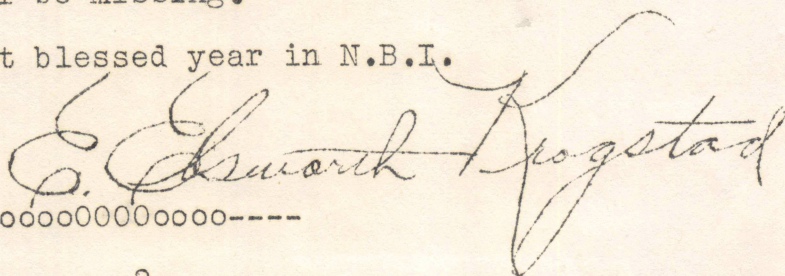

As you may have heard, Rev. Ness has accepted an invitation from the National Committee for Christian Leadership to serve on a committee of three which is conducting Bible conferences amongst statesmen in European capitols for the express purpose of appealing to leaders of nations to repent and turn to God as the way out of the chaotic condition in which the world finds itself in this hour.

This is the first time that an Assemblies of God minister has had such a marvelous opportunity of witnessing before the royal families of Europe, as well as their governors, and we should earnestly pray God's blessing upon him. Before he returns, which he expects will be around October 1, he will have visited England, Norway, Sweden, Denmark, Holland, Germany, Belgium, France, Switzerland, and Italy.

He is also representing the Assemblies of God in contacting churches in Germany and Italy with whom communications have been lost due to the war.

Rev. Ness left Seattle July 28 flying to New York, from thence to Oslo, and in the meantime with the full responsibility of Hollywood Temple's services and various activities dependent upon me, I am finding that the days pass quickly, and already I am looking forward to the time when we will be joined by our happy N.B.I. family. I hope that when the bell rings not one of you will be missing.

Yours for the biggest and most blessed year in N.B.I.

OUR N.B.I. DEAN GREETS US--

Dear Juniors:

Because of some misunderstanding regarding the preparation of this news bulletin, we are late in reaching you. No doubt you will be glad to get even belated news.

If you are like me, you are lonesome for one another and are looking forward to the opening of school when we can renew our fellowship which has been interrupted by the summer vacation. Cheer up, it won't be long until the morning bell will summon us to stand before Dorothy and call our numbers. Won't that be great?

The indications are we will have a very large enrollment this fall. Applications are coming in constantly. We have many more than ever at this time of year. You have had a wonderful class, but it looks like the oncoming group will outstrip you numerically.

You know of the trip of Brother Ness to Europe. Pray much for him. He plans to be back to welcome you when you come "Home" this fall.

Whatever else you do, be sure to keep prayed up. Such strange things are happening that we cannot tell what a day may bring forth, and it stands us in hand to be always prepared. "What a friend we have in Jesus".

Looking for you on or before September 30th, and praying God's richest blessing upon you, I am

Your brother in Christ,

C. C. Beatty

OUR PRESIDENT WRITES FROM TOLEDO, OREGON--

Dear Classmates:

Greetings in Jesus' name!

"Seek ye first the kingdom of God, and His righteousness; and all these things shall be added unto you." Matt. 6:33.

"Looking unto Jesus the author and finisher of our faith." Heb. 12:2.

Nothing could be better for us as a class and as individuals than to seek the heavenly things and to keep our eyes fixed on Jesus. May God bless each one of you individually and as a class and draw you ever closer to our blessed Jesus!

God has been good to my wife and I. We came to Oregon immediately after school was out and took part in the D.V.B.S. here. Pastor Gustafson and his wife took a short vacation in Washington after D.V.B.S. commencement and left us in charge of the church here while they were gone. God blessed the services greatly, praise His name! and it was indeed a privilege to bring the word to His people.

We've been in Toledo all summer helping in the work wherever possible and doing personal work, distributing tracts, and witnessing for Jesus as He gives us grace.

We will see you at N.B.I. this fall, God willing. In the meantime, let's keep looking up.

Sincerely in Christ,

Brother and sister Edal Jacobson

A NEWS ITEM FROM OUR VICE-PRESIDENT AND HIS WIFE--

Dear Classmates:

Greetings in the precious name of Jesus!

How anxious we were for vacation to start, but I believe the anticipation of the opening day of school is even keener. What we really long for is that great day when we shall see Him face to face.

We have been at Duvall since the first Sunday in June. To date we have had no outstanding results, but the people are getting the burden for the lost and we believe God will stir the community soon.

Early in September, we are having the noted pastor, evangelist, and teacher, Brother E. E. Fullerton, for two weeks of meetings. We were made happy to find a man of his reputation who would come to such a small place as Duvall. His messages are rich in spiritual food value and his meetings are blessed of God. Visit us especially while Brother Fullerton will be with us and come expecting a blessing from Heaven.

We earnestly covet your prayers during the next few weeks, especially that souls will be convicted in their hearts and will turn to the Lord.

May I refer you to Philippians 3:13-14. Let us like Paul forget those things which are behind; the fact that God did bless us while we were Freshmen and that we have the best talent in the school. In fact, let us put aside the thought that now we are juniors and are more advanced than we were a year ago. Let us come not as "The Juniors of N.B.I.", but as people hungering for more of the Lord Jesus Christ in our lives. Then we will not be the "Has beens" of N.B.I., but we will be a band of aggressive soul winners for Him and we shall be able to measure up to His standard for His believers as He gave it in Mark 16:17-18.

May the Lord bless you each one, and we'll be seeing you soon.

Yours in Christ,

Virginia Floyd Bjorklund

CONCERNING OUR SECRETARY--

Dear Classmates:

Just think! It's almost time for school to open again, but not too soon for me. I've enjoyed hearing from you now and then this summer and the students write interesting news.

Well, let's see: I'm still trying to be Sunday School superintendent at South Prairie, and right at present am canvassing around here for new students. So far have met with success. (Also have almost persuaded a couple to come to Bible School. He has a call into the ministry).

I'm working in a cannery off and on, but the work of the Lord is far more interesting, even when things are discouraging.

The Lord bless you--I'll see you this fall.

Sincerely,

Mildred

NO. 1 RESPONDS FROM WHITE SWAN--

Dear Classmates:

I am living in White Swan with my folks. I am driving truck for my father and hope to drive in the hop harvest in the valley somewhere. I supplied as Young Folks leader and Sunday School Superintendent at White Swan while a former student, Lois Hayes, was teaching D.V.B.S. at Winthrop, Washington. Now she wants me to keep the job. What do you think of that?

Yours in Christ,

Jamnie Adams

NO. 2 SENDS GLAD TIDINGS FROM SAN FRANCISCO--

Fellow Students of N.B.I.:

This is a breezy city and cool and comfortable like Seattle. I'm having a good time--and find myself serving the Lord every moment of my spare time. It is nice to know that He is with you everywhere.

I see, visibly, as it were, many students--new and old--coming from all directions toward that focal of all points, N.B.I., and hearkening to the beaconing Voice of the New Semesters of 1946-47. I hear voices saying: Will you be there? and you? and Newcomer too? That should be our theme song from now on in: "I'll be there; will you?"

K. Aho

P.S. Write to Youth for Christ, P. O. Box 123, S.F. Cal. for a free "B" ration book. (Every student should have one, and mark my word a clever little surprise awaits you.)

NEWS FROM LOS ANGELES--

Greetings to each Classmate in Jesus' name:

He certainly is wonderful. I haven't done much of anything I'm ashamed to say, but the Lord has permitted me to lead a few testimony meetings and also lead singing this summer. I'm ready and willing to do whatever God wants me to do even though it be small or big. The Lord is certainly wonderful. He helps us through every thing. One of my favorite verses is Phil. 4:13: "I can do all things through Christ which strengtheneth me."

One thing, if we put our trust in Jesus, and He sees we want to do His will, He will always be by our side ready to lift us up. Praise His precious name. I hope to see each one of you this coming year.

God bless each one of you.

Your sister in Christ,

Beverly Alsop

WHERE? OH, WHERE CAN SHE BE--

Mildred Anderson--we haven't heard a word from you or about you since May 29. Be looking for you on September 30. We know you won't fail us then.

-----oooo0000oooo-----

NO GOOD THING WILL HE WITHHOLD FROM THEM THAT WALK UPRIGHTLY--

Dear Classmates:

This summer has been full but very enjoyable to me with a lovely class of primary girls in D.V.B.S. which were afterwards given to me for a Sunday School class. They also gave me charge of children's church which we started only this summer on Sunday evenings before the evening service while the older folks have a prayer meeting. I believe this has been a help to the church too in encouraging the older folks to come early to bring their children and then pray before the evening service. We know God answers prayer.

We surely do praise the Lord here in Chewelah for His might power to save souls. Recently I have been thrilled to see lives transformed through the grace of God in our regular services. Most of those saved have been young people, and nearly all of them want to be baptised in water as soon as possible--so I have already attended two lakeside baptismal services this summer, and we are planning another next Sunday if the Lord tarries. It is wonderful to see how the new converts take their stand for Christ.

One of those recently saved was my brother who was in the marines and visited school with me one day. I requested prayer then for him. Praise the Lord. I thank God for the privilege of living for Jesus and serving Him.

I have also been working in a fine Christian home. I'm looking forward to coming back to N.B.I. this fall, and trusting I'll see each one of you back with a real love and zeal for God.

Yours for souls,

Alice Barrans'

VICTORY AT GIRLS' CAMP--

Dear Classmates:

Much to my surprise I found myself living in Seattle for the summer working at the Covey Laundry. I'm still keeping up my Sunday School class at Mukilteo. The happiest day of this summer was when two of my students received the Holy Ghost at Girls' Camp. I'm praising the Lord for that--it helps my class a lot. I am looking forward to my Junior year at "good old N.B.I."

FROM WAY BACK IN BEACH, NORTH DAKOTA--

Dear Classmates:

God is moving in Beach. We are working with Bro. John Will and his wife here. The Lord has blessed us having five souls saved one hight two weeks ago. The Post Office Building we owned has been sold and we are holding our services in the City Hall. We plan to build a new church just as soon as possible and get it completed before winter. The people are hungry for more of God and the prayer meetings are the Old Fashioned Holy Ghost kind.

We are looking ahead to a great harvest when we get in our new building. We broke the old record of 31 two weeks ago in Sunday School, having 44 that day. We don't expect to be back to school this fall, but we will be praying for the best Junior Class N.B.I. ever had.

Pray for us that we remain in God's will. We are anxious to see the Freshman news in print.

LOOKING FORWARD TO SEPTEMBER 30--

Fellow-Classmates:

Although I am not in any Christian work this summer, I can thank the Lord for His many blessings and nearness to me.

I miss school and the fellowship we have together there, so I am anxiously waiting for September 30 to arrive. In the meantime, I am a temporary stenographer at the O. P. A. here in Seattle.

I hope to see every one of you back at N.B.I. this fall.

Greetings Brothers and Sisters in Christ:

I am rejoicing because I can still shout "Victory". Praise God! God has been so good to me.

Privilege was granted me to labor in the kitchen at Camp Meeting, and not without pay. God richly blessed my soul. Praise His name! My prayer now is that God is using you also.

GREETING YOU FROM TOUCHET--

Dear Friends in Christ:

I have been enjoying the blessing of working for Christ here in Touchet and also doing pastoral work and just speaking for my Lord wherever I may be.

I am working on my parent's farm, and then just working for the Lord whenever I get an opportunity. I have been preaching a few sermons, but most of my work is just personal work. I did not help out in Bible School because I had to work.

It has been a blessing work with the Christ's Ambassadors from the Assembly of God in Walla Walla. They hold meetings every Tuesday night in a little country church, and it is showing results in a very good attendance of young folks who really love the Lord.

I have plans of doing evangelistic work the latter part of the summer, and then seeing you all at good old N.B.I. next year. I had a grand time at school last year, and am grateful for the many blessings God bestowed upon me during the school term.

I ran into Albert Newlan a few weeks ago at the church in Walla Walla. He is one of the Juniors of last year. He is working on a ranch near Walla Walla.

Wishing you all the blessings of Christ and that He will bless you in your work for Him.

A friend in Christ,

AN EXCERPT FROM A PERSONAL LETTER--

God is surely blessing our meetings here at Roseburg. This will be the third night and is God really blessing. The success of a service is not how we preach or our wonderful philosophy, but as Paul says in I Cor. 2:4 and prayer. We set a time for prayer. We pray four hours a day, and many times the Lord blesses and we pray 5 or 6 hours a day. Oh, it is so wonderful. We have healing services once a week and we fast one day a week. I mean all day. Does God really bless us? Oh, it is wonderful. The Lord is so precious to me.

Sincerely in Christ,

Wayne

I'm here in Rio Dell, California with my oldest sister, and we are pastoring the "Assembly of God Friendly Tabernacle". We've been here since June 27th. God has certainly been blessing. Our Sunday School has been growing. The first Sunday we came we had twenty-nine in Sunday School, and it has gone up to forty-three. We thank God for the increase, and we know it was an answer to prayer.

Many have raised their hands for prayer. Pray with us and for us that God will really work in this town. We will be here as long as we feel it is God's will.

NEWS FROM MARSING--

Greetings Classmates:

Just a few lines for the Freshman news.

First of all, I am looking forward to another god year at N.B.I. and to seeing you and all the other students in the near future.

We have had a busy summer here at Marsing. For two months we were holding services six nights a week--Sunday night service, Monday at Labor Camp (open-air service), Tuesday prayer-meeting and Bible study, Wednesday open, Thursday again at the Labor Camp, and Friday Night Young Peoples' Meeting. On Saturday night we have held street meetings downtown. The Labor Camp broke up a month ago, however, and so we are no longer holding those services.

I have been privileged to teach a class and serve as Sunday School Superintendent the past two months, for which I give thanks unto the Lord.

Dear Friends:

I have been quite busy since school was out this spring. I have been working since about June 10 and expect to go to work again soon.

Dear Friends:

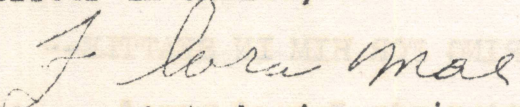

Greetings in Jesus' name!

I can truly say the Lord has been good to me this summer.

The first month of my vacation I was home and helped in Daily Vacation Bible School--had a very nice class. I had the primary group and I sure enjoyed working with them.

I am looking forward to seeing you in school next year. May the Lord bless each and every one of you as you are laboring for Him.

INTERESTING NEWS--

Dear Classmates:

Greetings in the name of the Lord!

I am looking forward to N.B.I. opening again in about another month. Had a good summer--working hard. Been working on the railroad most of the time--working between Portland, Spokane, Vancouver, B.C., enjoying myself traveling at least.

By the way of interest, had the pleasure the other evening of singing at Frank and Peggy's wedding. Of course, you all know they got married or do you. Anyway, we saw them off to a good start, and know that you all wish them your blessing. This will prove to be more interesting news to you than anything about myself.

God willing, I intend to be back with you in about another month from now.

Looking forward to another year of real spiritual blessing with the Lord, I am

A NOTE OF REJOICING FROM KALISPELL--

Dear Classmates:

"Trust in the Lord with all thine heart." Proverbs 3:5.

Soon after N.B.I. closed in May, I taught the Beginner class in V.B.S. at the Campbell Hill school-house near Renton, Washington in which my sister was in charge. I had an average of eighteen in my class each day. The Lord surely blessed in a wonderful way.

I have been home on the farm for a little over a month now, and really have enjoyed every day. Jesus is so real to me wherever I go.

For about a week and one-half last month nine Christian girls, including myself, went cherry picking on the East Lake Shore of beautiful Flathead Lake. It was with pleasure that we cooked, worked, slept, and really lived together for that time in an old log house. Getting up at four o'clock every morning wasn't so welcome, but they say 'early to bed, early to rise; makes you healthy, wealthy, and wise'. I can't say how true that was with us though!

Working outdoors in the fresh air sure has done a great deal of good for me. The closer I draw to God the more wonderful the works of His hands seem to be. We serve such a great and almighty God!

I have done some personal work for the Lord and spoke at the C.A. service one evening since coming home.

Brother LeRoy Sanders and wife just closed an evangelistic campaign here. God truly used them in an outstanding way. Souls were so moved by the Holy Spirit and several were saved. The glorious message of the soon coming of Jesus was brought forth in a very heart searching way, too. Oh, that we may be true servants for Him and be ready for His soon return! It thrills my soul.

Hoping to see you all in N.B.I. this fall if all works out to God's glory.

Keep praying for He is coming soon.

A sister in Christ Jesus,

Helen Holmquist

GREETINGS FROM SEATTLE--

Dear Classmates:

I've been here all summer working down town at Mannings. The meetings which I attended at the Silver Lake Bible Camp were very uplifting and spiritual. On Saturday evenings I've been playing my accordion and helping out in White Center, and then on Sunday at Lake City. I have a class of primary boys and girls.

WORKING AT ERNST HARDWARE--

Dear Fellow-Classmates:

All of my summer, except three weeks, has been spent working in the office at Ernst Hardware down-town.

I had the privilege of teaching a class of primarys at the Longivew D.V.B.S. and the Lord's blessing was upon us.

I thank the Lord for his blessings this summer and the wonderful times spent at Victory Tabernacle in West Seattle.

Your classmate,

Evelyn Johnson

THANKS FOR A SEATTLE LETTER--

Dear Classmates:

I am wondering what all of you are doing this summer. I know there are many people being influenced as we are all scattered out shining

for Jesus.

I stayed in Seattle about four weeks after school, then I came to St. John to help harvest a large wheat crop. I expect to go to apple harvest after leaving here.

I had one outstanding experience. I have traveled alone quite a bit. I pick up quite a few people. I picked up two fellows on one occasion. I started talking to them about the Lord. One of them seemed interested in becoming a Christian. Before we got to our destination he prayed through to a real experience in the Lord. It surely encouraged my heart to see a young fellow like that really get through to Jesus as His personal savior.

Keep praying and praising the Lord. I'll be looking forward to seeing you all next fall.

A brother in Christ,

Oliver Johnston

Editor's note: August 24 is the date set for Artie Stone to become Mrs. Oliver Johnston. Congratulations and best wishes.

LONGVIEW NEWS ITEM--

Greetings Classmates:

I worked two weeks in D.V.B.S. at my home church, the Longview Revival Tabernacle, in Longview. I taught the Junior girls, besides doing other work during chapel period. I really enjoyed this work (and it is really work) and my soul was greatly blessed to be of use to my Lord.

During the summer, I have been asked to speak and lead singing and help in my home church. At the present time I am teaching the Junior girls in our Sunday School.

The Lord has been good to me and blessed me financially as well as spiritually. Up to the present time, I still haven't found a job because most of the employers want permanent work and I don't feel that I should take a job unless I let my employer know that I am only planning to work two months. I feel God will work this out and provide for me.

I know God wants me back at N.B.I. next fall, and I'm looking forward to it with excitement at meeting all of my N.B.I. fellow students once more.

God bless you!

Helen Marie Johns

AIR MAIL FROM NEBRASKA--

Dear Classmates:

Greetings in Jesus' name!

We enjoyed a very nice trip back to Nebraska. We reached our home safely and truly the Lord's guiding hand was upon us. We stayed two weeks with our parents.

The seventeenth of June Miss Gayle White and I went to Ord, Nebraska, to conduct a Daily Vacation Bible School. We had a very successful ten-day school. The Lord's blessing was upon us each day. When we finished that school, we went to the North Nebraska Camp and conducted Children's Church there. God's blessing was truly stamped upon every meeting we held.

Pray for us that we might accomplish that which God would have us to do.

Yours in the Service of the Lord,

A BUSY SUMMER--

Dear Friends:

At the present time D.V.B.S. is in full swing at the N.E. Chapel, and it is my privilege to be helping in this work. We are having very good attendance and many are being blessed.

At Bro. McLaughlin's church in Tacoma, we also had a blessed time during the D.V.B.S. Over two hundred children attended and I surely believe that God is working among the young folk in these closing days.

Besides this Young People's work that I enjoy so much, there is the necessity of earning that tuition fee due this fall. Consequently, I'm very busy, and the weeks are quickly passing by.

Yours for souls,

Ethel Krosley

Dear Classmates:

Greetings in Jesus' name!

We have not been doing much in the line of work for the Lord. The first two weeks of summer vacation I taught D.V.B.S. out at Bellevue. We did not have a record attendance, however, since it was my first experience at this type of work, I believe I learned more than the Junior boys I had the privilege of teaching.

The rest of the summer I have been selling insurance.

If you want our capable registrar to earn any more boxes of candy, please tell her that you would like a life insurance policy. She will in turn refer you to me. If I sell you some life insurance, she will receive a box of candy.

SOUNDS OF PRAISE FROM RAINIER VALLEY--

Since leaving school, I have found myself on three different jobs, but now feel quite permanently employed at the Continental Can Co., which job I can retain while attending N.B.I. this winter.

The Lord has been blessing me richly this summer, and gloriously re-filled me with His Spirit on July 11 at Silver Lake Bible Camp. I can hardly wait for the day when we start back to good old N.B.I. God is blessing at the Rainier Valley Assembly of God, which I call my church home, and souls have been converted, for which we praise the Lord.

One of our young sisters, who was saved during our revival meeting held by Brother Roy Rupp on May 23, was filled with the Spirit at Silver Lake on July 5 and is to be baptized in water at Seward Park on August 18th.

We are surely going to miss Bro. and Sis. Magnus Udd when they leave for Africa, but we know that God's blessing will rent upon the new pastor when he comes.

May God richly bless you all.

THE LORD WATCH BETWEEN ME AND THEE, WHEN WE ARE ABSENT ONE FROM ANOTHER--

Dear Classmates:

I'm really not doing much this summer. The first two weeks after I returned home I helped in the D.V.B.S. in my home church, I enjoyed it a lot.

The first of July I went to work for the Washington Water Power Co. I'm cashiering which was the same position I had before I went to N.B.I. There just happened to be an opening through the summer months, and I praise the Lord for supplying my needs.

Including Elaine South and I, there will be eight, possibly nine of the young people going to N.B.I. next year from The Prayer League Tabernacle, Lewiston, Idaho.

We're having a wonderful Revival now. A. C. Valdez is the evangelist. Several have been saved and reclaimed.

We'll see you soon--I can hardly wait.

FROM CALGARY--

Dear Freshmen:

Greetings in Jesus' name!

The Lord's been blessing us in a great way in Revival Meetings the past two weeks. Many young people have come back to the Lord.

Our D.V.B.S. started last Monday. The average attendance is 147.

Camp was a time of blessing with Ted Ness, Minneapolis, and Bro. Balliet, of N.C.B.I., as our speakers.

My two sisters were married, and I had my appendix out, all inside of five weeks. The Lord was good and I feel fine now.

Myrtle Westrum, a Junior, was in Calgary, and I got homesick for all of the students.

May God bless you all and keep you.

SEATTLE REPORTING--

Dear Classmates:

Last Friday evening several young people, approximately 25 or 30 of us, attended a get together acquainted social at the home of Miss Norton, formerly of Mobridge, South Dakota. Several orchestra numbers were rendered, and a couple songs by the Olson Brothers quartet, also from the Pentecostal church here, formerly from South Dakota, my home state. We sang some gospel choruses and had several Bible quizzes, and a delicious lunch, climaxed with a rousing testimony meeting led by Brother Arneson, from Tacoma, and sermonette by Joe Walsh, one of our Senior students.

I've been attending the services at Brighton Assembly, of which Brother Bishop is the Pastor. Several souls have found Christ precious to them, and one recently was baptized in the Holy Spirit.

FROM OUT WHERE THE WEST BEGINS--

Greetings N.B.I. Classmates:

I do hope that you are enjoying your summer vacation very much, most of all the blessings of the Lord.

I met some of the Senior graduates at the Montana Camp Meeting. Among them were Bro. and Sis. Thompson, who are now partoring the Assembly of God church at Whitehall, Montana, also Iva Aaker, who with her co-worker are out in Child Evangelism work.

I have been teaching the Primary Sunday School class. I feel it a great privilege to be able to teach these small children about the

Lord Jesus. We also have our out-stations where we sing the gospel of Christ. Many precious souls have been won to the Lord just through this work.

Even though some of us are not doing anything great for the Lord, still we can be faithful in whatever type of work He gives us to do.

Keep looking up and let your lights shine for Jesus wherever you are.

May God bless each one of you. If God wills, I will see you all again in October.

BUSY FOR THE LORD--

Dear Classmates:

The first two weeks in June, Ruth Dudley, John Hoskins, Fern, and I conducted a D.V.B.S. here in our home church. We had splendid attendance and certainly did enjoy working with the children.

The last two weeks in June I held a D.V.B.S. in Kendrick, Idaho, which is about 40 miles from here. The other three students were busily engaged in other things, so they weren't in Kendrick with me.

By the way, the first Thursday that I was in Kendrick, I came home to be in the wedding of Johnny and Ruth. It certainly was a beautiful one.

I began work as secretary in the sales department of Daddy's business the first week in July. Sunday nights I go with a young couple who are starting a new work in a small town about an hour's drive from

here. The work there certainly provides a good opportunity for experience.

Here in the church we're in the midst of a revival with Bro. A. C. Valdez from Arizona. The Lord is blessing in a wonderful way.

I certainly am anxious to get back to N.B.I. this fall.

May the Lord richly bless all.

In His service,

Elaine

VICTORY AT FRUITLAND--

Greetings in the name of Jesus!

This summer has been a busy one for me. In June I taught in a Daily Vacation Bible School, and in July I supervised in our girls' camp at Fruitland, Washington. The blessing of the Lord was upon us. Thirty girls were saved, and twenty-seven filled. It is indeed a blessing to work for the Lord.

I am looking forward to my return at N.B.I.

ENJOYING THE PRESENCE OF THE LORD--

Dear Fellow-Freshmen:

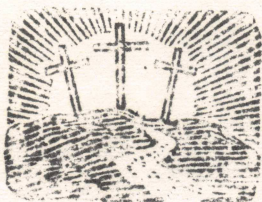

"Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ."

I haven't much to report about myself, but truly the Lord is wonderful. Psa. 57:7 is my testimony, and is that not the secret of triumph in the Christian life? "My heart is fixed." Whether or not I shall be able to come to Bible School this fall, I am going all out for Christ by His sufficient grace. The presence of the Holy Spirit within is sweet.

I enjoyed teaching in D.V.B.S. here in Bethany Temple, and am active in the jail and street work as usual. I love my Sunday School class and

every one of the girls, whose ages are from twelve to fourteen.

Thank God for the way He is outpouring His Spirit upon true believers everywhere. Let us pray one for the other, and keep "looking unto Jesus, the author and finisher of our faith", for He will perfect that which concerneth us.

"No mistake can ever be
With His own will to choose for Thee."

WITNESSING FOR CHRIST--

Dear Juniors:

Greetings! - from sunny when it doesn't rain California.

Am having a lovely vacation getting my toes warmed up again. It's good to be home and see the old friends, and to witness a wonderful spirit of revival in our local assembly.

Have had many precious opportunities to witness for Christ, and am rejoicing to find that at last some of my dearest relatives are hungering for God, and are groping for the Light. How sweet it is to point them to the Great Light--our lovely Christ!

Am playing Sunday mornings in the Christian Church here, and assisting during the week, my jolly friends, the local morticians. Received two invitations to visit my sister in New York again this summer, but declined to leave home after being away for the winter. Went to camp meeting instead. (Bro. J. S. Williams surely gave us the works!)

Dr. Chas. Price is scheduled for a big meeting here in October. Can't miss that. He's from the old home town.

Incidentally, I ran into K. Aho at the Glad Tidings Baccalaureate in San Francisco. Surprise!

Enough for now. May the Lord bless you, and guide each of us in His perfect will for the coming year.

L. Wallace J. Leonard

AN INTERESTING SUMMER--

Greetings:

The Lord has been so good to me I feel like traveling on. This summer has been a great summer for me. It has been a time of proving God's power in answer to prayer.

Working for the Lord is wonderful. I have been teaching a class of eight year old boys, attending and singing for jail services, and testifying for the Lord on the street corners--also I have gone to hospitals where we hold a service for those who have T.B.

Another event of the summer has been the fulfillment of the scripture, "It is better for a man not to be alone". Yes, I, too, like others got married. The Lord has truly led us together that we might work for Him in His harvest field. Praise the Lord! On our honeymoon we visited Canada and enjoyed their beautiful scenery.

Upon returning I heard of a job here in Seattle which will last through the rest of the time while I am in school. I sure "Praise the Lord" for answering prayer on that line.

We are now residing here in Seattle at the "Married Couples Dorm".

With just a little over a month to go until school starts, I can only pray but one thing that this year will be a greater year than ever before at good old N.B.I.

Yours till we meet on Heaven's shore,

Eugene Trueling

We are enjoying the moving of the Lord in a wonderful way in the meetings lately and believe that He has great things in store.

I am looking forward to returning to school at N.B.I. again this fall, Lord willing.

As soon as school was out I went home and went to work. I worked at the Quick Freeze (Frozen Food Product).

I attended the Camp Meeting at Silver Lake.

We just finished our D.V.B.S. with Lillian Hanson and Betty Johnston serving as directors. We had over 130. I taught the five year olds. Wednesday was decision day, and you should have been here to see many of the children here weeping at the altar. There were several that really got through.

NEWS FROM GAYLE WHITE UNDER MAUDIE KAUFMAN

-----oooo0000oooo-----

WE HEAR FROM BREMERTON--

Dear Classmates:

Well, the summer is disappearing fast, but most of all the Lord is growing sweeter as the days go by.

No, I haven't been working, that is as far as pay check and that sort of thing goes, but I have been helping fix up my folks home. I painted the garage and even the roof. I slipped several times, but somehow I

ped before I came to the edge. One of the men from our church said I should nail myself to the roof, but somehow you don't move around too fast that way.

We were going to have Bible school at our church, but the termites changed our minds. They have a way of doing that you know. It is by the grace of our Lord that we didn't have one of the worst disasters for the termites were really very much in the construction of unconstructing our churches underpinning. Of course, we couldn't have children running around where they were working.

I am getting ready to have one of these Bible classes in our home. They call them Booster Bands.

Oh, yes, I was up at Silver Lake for Bible Camp. Fun isn't the word for it. I enjoyed every moment of it. I printed the menus and ran the store. I was everlastingly running out of milk, spelling a word wrong on the menus, or the kids were locking me in the store, or something, but I guess that is what it takes to make camp meeting interesting. It seemed like I was leaving a little chunk of paradise behind in coming home, but all good things come to an end.

I tented with four other girls while at camp, and I'll never forget how the two Dimond girls prayed. They are the daughters of Mr. and Mrs. Dimond, who are missionaries of Central America. I prayed first, because the girls asked me to, and I prayed my very selfish prayer -- God bless my loved ones, and you know keep everything going just fine for me, etc. When the girls prayed I noticed how they hopped and skipped around the world. I have made my little world just a little bigger and not so selfish since then.

Well, bye bye for now, and the Lord willing I'll see you on the campus of N.B.I.

Your sister in Christ,

Arlene Wilkins

GREETINGS FROM THE NORTHLAND--

Dear Classmates:

The Lord has been blessing in the North land this summer in the Daily Vacation Bible Schools. The children have turned out in larger number than before and have eagerly taken part in every activity of the school.

While Bro. Townsend and his family were away, we, two other workers and myself, had a fine school of forty-six boys and girls and some of them seemed to be sincere in taking their stand for the Lord.

The radio work was a great experience, and the Lord helped in a marvelous way. The Lord also blessed in the regular services and the people responded to the blessings of God.

We had an excellent school in South Fort George, a suburb of Prince George, with a turnout of forty-six boys and girls. Last year the chil-

dren didn't respond so well, but this year they were eager and serious in every activity. They were serious on decision day and there seemed to be some who meant business with God.

In the school just finished in Quesnel, there were sixty-four children enrolled and most of them attended faithfully every day. Some of these were saved last year, and their lives still show they are going on with God. Some this year seemed to mean business.

The last two weeks of August there will be a two week school in Vanderhoof, and we look for a good turnout there.

While waiting for this school, there is plenty to do in Prince George helping with the work. It is great to work for the Lord, but it will be great to be in school again and renew our friendships.

Your brother in Christ,

Jim Wilson

WE WON'T LOOK BACK

We won't look back; God knows the fruitless efforts,
The wasted hours, the sinning, the regrets:
We leave them all with Him who blots the record
And mercifully forgives, and then forgets.

We won't look forward; God sees all the future,
The road that, short or long, will lead us home,
And He will face with us its every trial,
And bear with us the burdens that may come.

But we'll look up--into the face of Jesus,
For there our weary hearts can rest, our fears are stilled;
And there is joy and love and light for darkness,
And perfect peace, and every hope fulfilled.

DEAR JUNIORS:

In the early history of N.B.I.--

A "Class News" was published and mailed to students scattered over various states. As one young Christian girl read of her classmates, she felt burdened. She realized that perhaps "all" were "standing in the need of prayer". As she read the different news items, she placed her index finger on each name and brought that individual to the attention of Our Heavenly Father. When she returned to school, hearts were deeply touched as she gave her testimony to the student of how "The One Who Never Forgets" had laid it upon her heart to remember them in prayer.

"Pray one for the other".

God be with you 'till we meet on September 30.

Sincerely in Christ
