

New Buildings Begun On Campus

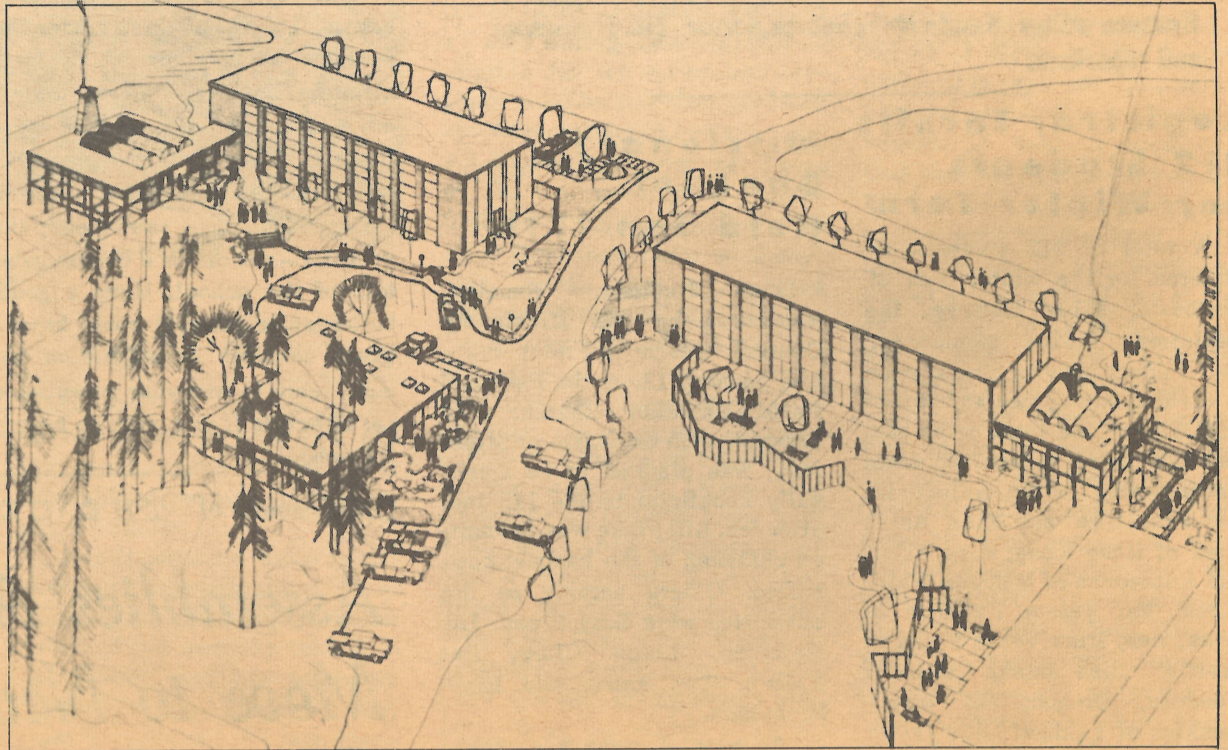

In the future, NBC will see many new buildings constructed and developed on its campus. The Board of Directors approved a financing plan for the construction of two new buildings in its meeting of January 9 and 10. This action will signal the start of construction in the immediate future with a completion date set for the time when school starts next fall.

One of the buildings will be a Men's Residence Building which will house 96 men students, and the other will be a Food Service Building. Both buildings will be of a modern style brick construction and will be located at the north edge of the campus near the intersection of 110th Ave. N.E., and N.E. 57th Street.

The architectural styling on the Men's Residence will be similar to that of the Women's Residence, which was completed in the fall of 1960. It will be a three-story building with residence quarters and a lounge on each floor. The main reception area housing a lounge with fireplace will be attached to the residence wing. The building provides for construction of a second residence wing at a future time.

The Food Service Building will be located near the new Residence Building and will be equipped with a modern kitchen facility, main and special dining rooms, and will have a basement for food storage with a service elevator from the basement to the kitchen. The building will contain approximately 3,000 feet of floor space. A provision for its expansion to meet the increased needs of the future will be an additional feature of the building.

These two structures will bring to a total of nine, the number of buildings which have been constructed by the College since it moved to its new campus in Kirkland in 1959. Preliminary work for the new buildings is currently underway under the direction of Mr. J.J. Secrist, construction superintendent, who resides in Kirkland. Architects are the firm of Bryant and Butterfield of Everett.

Architects' Plot Sketch of two new buildings to be constructed on campus of Northwest Bible College in Kirkland. Building in upper left represents proposed three-story Men's Residence hall, and building at center left is proposed Cafeteria building. The building at the right is the existing Women's Residence hall showing expansion plot for a second wing for the future.

NBC CONCERT CHOIR

PREPARES FOR TOUR

The Concert Choir, consisting of thirty members chosen by Miss Amundson, has begun again this year their practice sessions of preparation. A tentative date of March 9th through the 17th has been set for the tour. Further arrangements are still in process.

Those participating in the Concert Choir are Ron Born, Rose Brown, Sandra Christophersen, Loren Clark, Donna Engleking, Clifford Figart, Carole Flathers, Gwen Freisen, Paul Goodman, Steve Groschlose, Karen Hatloe, Norval Haugen, Bill King, Annabelle Kissner, Marjorie Kissner, Richard Larson, Larry Martin, Wanda May, Peggy Peterson, Beverly Phinney, Willamae Renfrow, Darla Sanders, Jerry Sanders, Wanda Stedtfeld, Karen Tuttle, Joan Warden, Judy Waring, Paul Wheeler, Dan Womack, and Diane Simpson, pianist.

At their first practice Paul Goodman was chosen president, Carole Flathers as secretary, Sandra Christopherson as librarian, and Norval Haugen is in charge of the equipment.

'Collegians' Sing Missions Seminar In Montana Holds Meetings

The "Collegians", Northwest Bible College's newly formed men's glee club, made their first singing appearance in the Missoula First Assembly of God Church during the recent Christmas holidays.

The 12-voice group sang during both the morning and evening services on Sunday, December 31st. These services marked the dedication of the Missoula Assembly's new educational wing. On the following night, January 1st, the students sang for the Section Two Fellowship Meeting, held in the Missoula church. The congregation's response was described as very good in all three services, and members of the group commented on the fine hospitality shown them during their stay.

Other appearances are planned, though no dates have been set. It is hoped that a spring tour will prove possible.

Miss Gwen Friesen, an NBC student who is the daughter of an Assemblies of God African missionary, accompanies the group as pianist.

The Missions Seminar, a newly-formed student organization, held its third meeting January 6 in the chapel building at Northwest Bible College. Election of officers was held; Jack O'Brien was elected president, and Gwen Friesen was chosen to be secretary. The featured speakers were Rev. and Mrs. Busby, missionaries to Indonesia. They spoke of conditions on the field and attitudes a missionary needs to adjust to these conditions. Questions asked by group members were answered by the Busbys.

At a December 9 meeting the speaker was Rev. Richard Ellis, newly appointed missionary to Argentina. Ref. Ellis emphasized the qualifications of a missionary and steps in preparing for acceptance by a mission board.

Missions Seminar is a group composed of Northwest Bible College students who feel a definite call to the mission field or who are vitally interested in missions. The advisor of the group is Miss Maxine Williams.

Registrar Enrolls 212 Students For Winter Term

A total of 212 students registered for the winter term at Northwest Bible College, the Registrar's Office announced. The student body is almost evenly divided among men and women with 52% of the total being men and 48% being women. Students matriculating in the college for the first time are Miss Annie Shen of Hong Kong; Miss Trinidad Esperanza of Manilla, Philippines; Mr. James Foreman of Wenatchee; Miss Verna Frees of Seattle; Miss Marsha Garrett of Gersham, Oregon; Mr. Wayne Sandifer of Yakima; Miss Judith Waring of Newport, Oregon; and Mr. Ben Birkeland of Bellevue. The student body represents 13 states including Alaska and Hawaii and six foreign countries.

In addition to new matriculants the following returnees enrolled during Winter Quarter for the first time this year: Rev. Glenn Campbell (pastor of Kenmore Baptist) of Bothell; Clarence Morgan of Kirkland; Carol Morford of Mollala, Ore.; Joan Warden of Nampa, Idaho; Wesley West of Seattle; Ronald Whitney of Tacoma; Pat Hall of Sunnyside, Wash.

WOMEN CARRY HEAVY ACADEMIC LOADS

The women in NBC carry heavier loads than do the men, a report from the Registrar's Office indicates. The 103 women are enrolled for a total of 1471 credit hours making for an average load per student of 14.9 credit hours. The 117 men in NBC carry a total of 1580 credit hours, making for an average of 13.9 credit hours per student. The all-school average is 13.88 credit hours per student for the autumn quarter. The academic load carried by the greatest number of students (both men and women) is a 15-hour load (carried by 71 students), while the average full-time load carried by both men and women is 14.28 credits.

Missionary Banquet Held Jan. 12th

The Missionary Banquet, sponsored by the Missionary Council, was held Friday evening, January 12, in the Redmond Faith Lutheran Church. The banquet, with emphasis on Missions, was planned to be spiritually beneficial to the 115 that attended. Bill Finke was appointed chairman of the banquet committee. Others serving on the committee were Gary Olsen, Jim Peterson, Loren Clark, Pat Kelley, Tom Mason and Ernie Nicholson.

An oriental theme was carried out. Statues of Buddha, nutcups on miniature tossed cushions, Chinese lanterns and a water fountain was part of the decorations. There was also a bamboo backdrop referred to by the committee as "The Hut". All who attended the banquet commented on the excellent job done by the Missionary Council.

Tennis Court To Be Constructed

Supported by the student body, a tennis court will be constructed soon for use in the spring. A single concrete court, costing \$2400 had been planned but an asphalt court can be built for half the cost. Thus, a double court can be built for the same amount of money.

It will be financed by a \$1000 coming from the student car that was sold, \$100 from the social fund, and almost \$2300 from the students themselves. For the next two quarters, students have been charged an extra \$3 for each quarter.

One of the tentative locations is the section of land in back of the girls' dorm. The Student Council is now checking into different asphalt companies and into different places that have had an asphalt court for three or four years.

Editorial

by Paul Goodman

It comes to the mind of the editor that there may be students here at NBC who don't realize their right to have a voice in the affairs of their college. We all know that the principles of our country are based upon the right of the individual to have a voice in the government. Here at NBC we have the same privilege.

Each school year the various classes of the school elect officers to represent their class in the student governing body of the school. On top of this, student body officers are chosen to represent the whole student body to the administrators of the school's affairs. These officers are your voice in the school. In them you have invested the power of representing your ideas and desires. However, how are they supposed to know how you feel unless you tell them? At least once a month your class is given the time to meet and discuss your ideas; this is the time for you to express yourself—not off in a corner gab-fest tearing down the administrators of the school. Many a good idea has been squandered in a bull-session when it could have been put to good use had it been given sensible consideration and been presented properly. You must learn to use your potential and channel your ideas in the proper direction if you want to have your voice in the government of the school.

Assemblies Accomplishes Move to New Building

The gigantic task of moving the international headquarters of the Assemblies of God from the building it has occupied for the past 43 years to a new \$3 million office building at 1445 Boonville Avenue has been completed.

Work on the moving, involving approximately 250 workers, their desks, files, and supplies, was begun Saturday before Christmas. Tons of materials have been moved from 434 West Pacific Street, a location that has been expanded as the organization has grown.

During Christmas vacation, students of Central Bible Institute who remained on campus, accomplished most of the moving. The Rev. J. Otis Harrell, General Manager of the Gospel Publishing House, was in charge of the moving.

The Assemblies of God occupied the old building, an abandoned meat market and grocery store, in the spring of 1918 after moving from St. Louis, Mo. At that time, less than a dozen employees were associated with the denomination's offices which today has approximately 550. An estimated half of the employees serve in the Gospel Publishing House, printing plant, which adjoins the new administration building.

During the 43 years, the Assemblies of God has enlarged its headquarters building five times, increasing its size from 45 to 65 feet to contain almost 50,000 square feet of space. Beside the original building, 21 offices of the church have

been housed in a former Safeway store building at 1640 Boonville Avenue.

Besides general office areas, the 1560,000 square feet of space in the new building includes an auditorium, seating 654 persons, a cafeteria for 350 persons, conference rooms, storage, and other service areas. The structure is one of the most modern in the nation.

Plans call for a week of dedication activities for the building February 25-March 2. The formal dedication, open by invitation because of the expected large attendance, will be Friday morning, March 2, at 10:30 o'clock in the building's auditorium.

PETERSON

Miss Hattie Hammond

Miss Hattie Hammond of Hagertown, Maryland was the winterquarter Spiritual Emphasis speaker at NBC. Miss Hammond is a well-known speaker in the Assemblies of God and has travel-

ed extensively throughout the world. This week marked her fourth visit to our campus for special services. Last year she was guest speaker at five of our Assembly of God schools throughout the nation.

Miss Hammond's ministry emphasizes the deeper things of the Spirit in the Christian life. The nature of her services tended to be informal and her messages instructive. Many students report great benefits derived from these Spiritual Emphasis meetings.

Drama Club Elects Officers

Bill Finke was elected president of the NBC Drama Club at the January 24 meeting. Other officers are Stuart Collins, vice-president and Pat Bowman, secretary-treasurer.

Bill Finke announces that they are reviewing possible plays which might be presented during the spring quarter.

Did anybody notice Stan Morlin coming to basketball practice with a mop to mop up the dribbles?

DEAN'S HONOR LIST FOR AUTUMN QUARTER

The Dean's Honor List of students who had achieved grade-point averages of 3.30 or better during the autumn quarter was announced by the Dean of Education, J.W. Lackey, this week at Northwest Bible College. Nineteen students were on the list including two who achieved a 4.00 average (all A's). To be eligible for the honor list students must be full-time students and have achieved not less than a 3.3 grade point average. Those on the list were: Miss Juanita Belcher of Boring, Oregon with 3.50; Miss Ione Beihl of Sunnyside, Wash. with 3.30; Miss Dolores Bowerman of Columbia Falls, Montana with 3.77; Mr. Roy Brewer of Electric City with 3.56; Mr. Warren Bullock of Sheridan, Oregon with 3.81; Miss Elizabeth Glandon of Fairbanks, Alaska with 3.40; Miss Inis Groschlose of Julietta, Idaho with 4.00; Miss Ann Gunnarson of Seattle with 3.56; Miss Carol Hayes of Goldendale, Wash. with 3.56; Miss Carol Hayes of Goldendale, Wash. with 3.53; Mr. Gary Henley of Spokane with 3.33; Miss Anna-Belle Kisser, of Columbia Falls, Mont. with 3.93; Mr. Ronald Mason of Spokane with 3.47; Miss Donna Mathison of Woodburn, Oregon with 4.00; Miss Julee Milner of Glenrock, Wyo. with 3.31; Mr. David Pearson of Marysville with 3.31; Miss Willamae Renfrow of Yakima with 3.78; Mr. Ronald Tuttle of Yakima with 3.78; and Mr. Lowell Wood of Seattle with 3.82.

Prayer is a wish turned to God.

MISS DORMALEE BUNN

PASSES AWAY

Miss Dormalee Bunn, accountant at Northwest Bible College for the past three years passed on to her eternal reward on December 12 after a lingering illness with an incurable type of cancer. Many prayers had been offered in behalf of Sister Bunn's healing during this time, but the circumstances surrounding her passing seemed to make it clear that God had other plans for her. Her life had been devoted and given to the work of the Lord. After her graduation from Northwest Bible College in 1947 she engaged in Indian work in the Northwest District and thereafter worked in the accounting department for the Church Extension Plan in Salem, Oregon. In 1959 she came back to her alma mater to join the office staff where she gave efficient service up until her leave of absence last fall from which she never returned. Her home was in Salem, Oregon. Funeral services were conducted jointly by officials of the Oregon District, Church Extension Plan, and her pastor in Salem. In respect to her request concerning her funeral arrangements a memorial fund has been established for expressions of sympathy in lieu of floral gifts. She designated that the fund should be used for a memorial gift to the Northwest Bible College.

LILLIAN TRASHER

DIES IN EGYPT

Miss Lillian Thrasher, 74, mother of more than 8,000 orphans in Egypt during the past 50 years, is dead. She leaves a family of 1,400 whom she gave her constant love and attention until her death.

Affectionately known as the "Nile Mother," Miss Trasher was a veteran missionary of the Assemblies of God and director of the world-famous orphanage in Assiot, Egypt, which she founded approximately 50 years ago.

Notice of her death was received at the denomination's international headquarters here in a simple radiogram which reported, "Mama Lillian died today" (Sunday, Dec 17). The Rev. Joseph Brown, missionary of the Assemblies of God, left the U.S. immediately to represent the organization although Egyptian laws require burial the same day a person dies.

Sports Highlights

The first basketball game of the season was played Monday night, January 8 at Redmond Junior High. NBC rolled to a 46 to 29 victory over the Clyde Hill Baptist team.

The game started rather slowly with NBC falling behind 8 to 6 at the end of the first quarter. By the half things looked pretty much the same as they had at the end of the first quarter. The score read Clyde Hill Baptist 19, NBC 14. In the second half NBC found their second wind and began to roll. With the help of some sharp ball handling, NBC took the lead at the end of the third quarter 37 to 24. In the fourth quarter the team ran all over the Baptist team, taking what ever steam they had left

out of them. The winning score was NBC 46, Clyde Hill Baptist 29.

The NBC Stars also won their second game on Jan. 19. This time they were pitted against the sharp-shooting team of the Kirkland Nazarene church. From a close half-time score of 31 to 28 in favor of NBC, the Stars surged forward for a final score of 59 to 39.

Roy Brewer led the team with a total of 20 personal points, although Steve Groscoe, Lowell Wood, and Leroy Hunt were all in there with high personal scores. The deft ball handling of Paul Wheeler kept the Nazarene team hopping to keep up. The team's combination of height and speed seems to be a big factor in their excellent win record so far.

Annual Staff Plans '62 Karisma

Preparations have begun for the 1962 edition of the KARISMA, student yearbook of Northwest Bible College.

The annual is edited this year by Miss Sharon Luehrs, a junior from Anacortes, Washington, whose NBC major is Christian Education. Others on the editorial staff are Assistant Editor Julee Milner (Glenrock, Wyoming), and Literary Editor Mary Lou Thomsen (Centralia, Washington). Miss Pat Kelley of Yakima, Washington, is Business Manager, while Robert Nazarene of Scottsbluff, Nebraska, is Advertising Manager.

It was learned that a number of features being planned for the 1962 KARISMA which promise to make it strikingly different from most past annuals include a new layout arrangement whereby student body pictures may be grouped by subject majors rather than by classes. Miss Luehrs, however, declined to make most of the changes public at this time.

The name KARISMA is taken from a Greek word meaning "spiritual gifts". It has been used traditionally on all Northwest Bible College annuals since 1948.

A late May delivery date is planned.

Roving Reporter

QUESTION: What Is Your

Philosophy of Life?

JAN CASON: When thinking of a goal, a person thinks about what tomorrow holds for him rather than what is in today, but living is a day by day thing for today is tomorrow's yesterday. My goal is to have a day by day walk with the Lord and to continue walking in His will and following His Spirit.

LOWELL WOOD: To me, the ideal life is one of perfect balance and spiritual equilibrium. This balance and equilibrium represents God's perfect will for each one of our lives - the ultimate - the "summum bonum" of life. It is utterly futile to even think of fulfilling God's perfect will without a personal encounter with Jesus Christ. We must experience the transformation of being "born again." Before committing our lives to Christ we are spiritually unbalanced and void of equilibrium. Ah, but when we find Him we find balance in our relationship to God and our fellowman. And then as we live the Christian experience, it is absolutely necessary that we maintain a vital intimacy with Christ. He is the only One Who can guarantee our sense of balance. "... for without me ye can do nothing." BUT "I can do all things through Christ which strengtheneth me." (John 15:5b; Philippians 4:13)

JIM HENNING: I am the happiest when in the will of the Lord, whatever it may be. My goal is to do all things to the best of my ability for the furtherance of His Kingdom.

DONNA MATHISON: My goal is to be a Missionary to Mexico, draw closer to Christ and be in a place where He can speak to me that I may obey His call.

EVERETT MCKINNEY: Young people often look at life with great enthusiasm and anticipation. Some feel that real life consists of having been born in America; a land of plenty, a land of freedom, a land in which there are great possibilities and opportunities for young people to really go places.

Christ tells us in John 10:10 that real life begins with Him. He says, "I am come that they might have life, and that they might have it more abundantly". My philosophy of life goes hand in hand with the apostle Paul's, "For to me to

Assemblies of God

Makes Rapid

Growth in 1961

SPRINGFIELD, MO. - The Assemblies of God, with international headquarters in Springfield, has moved from ninth to eight rank in number of ministers out of 259 denominations reporting to the 1962 volume of the Yearbook of American Churches.

Work of the Pentecostal-missionary church began 47 years ago and has mushroomed into one of the fastest growing denominations in the world. Growth can be credited to an active home missions and Sunday school program, officials explain.

Though its number of churches has increased, the denomination remains in eighth rank, church-wise. Congregations number 8,233 in the U.S. and some 11,901 abroad. Membership of the American Assemblies of God is approximately 508,602. The denomination has advanced from 27th to 26th rank, membership-wise. However, many of the churches do not emphasize membership.

Other statistics recently included in the Yearbook of American Churches placed the Assemblies of God 11th in Sunday school enrollment and sixth in Sunday school workers, one position nearer the top than in 1961.

The denomination ranks fifth in foreign missions and first in foreign Bible schools.

Holiday Accident

Involves Students

Five students from Northwest Bible College were involved in a one car accident, 2½ miles east of Ellensburg, Washington on January 2, 1962. Ron Born, the owner of the car, Bill King and Marjorie Kisser received minor scratches and bruises. Pat Bowman and Anna Belle Kisser were sent to the hospital. Anna Belle is suffering from a cracked vertebrae. We are all thankful that no one was hurt more seriously.

live is Christ." Real life to me is having Jesus Christ in my heart and the call of God on my life. This real life is fulfilled by walking day by day in the will of God and ministering His Word week by week in preparation for a lifetime of work in His service.

LILY BARLOW: You only get out of life what you put into it. My main goal is to live my life for the Lord the best I can and be in the center of His will.
