## Four Buildings in Process at Houghton

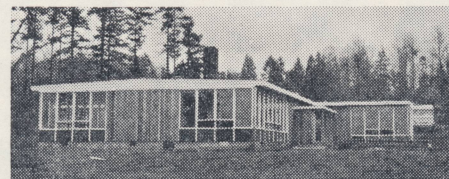

NEW BUILDINGS NOW UNDER CONSTRUCTION

Four one-story classroom buildings, which will house the Chapel (until the permanent Chapel is built), Administration Quarters, Offices for Faculty, and Classrooms, are expected to be completed in the next six weeks. When completed they will be attractively finished in Mission Granitex (off-white bricks with flecks of black and gold). The curtain walls will be finished in four-foot-wide full-length window sections with the lower half a black baked-on enamel panel. These panels are found to be more durable and economical than wood. They will be factory installed.

Time vs. Elements has made the use of prefabricated floors and roofs necessary. Mr. H. J. Secrist, construction superintendent, had each of the four buildings ready so that the floors could be laid in four days. The same pattern was followed in preparation for the roofs which were prefabbed in Seattle including built-in insulation. Roofing time for the four buildings was five days! Without such advantages the Houghton Campus Project would be delayed and considerably more expensive to build.

### Student Union Building Nears Completion

The Associated Student Building, nearing completion, is one of the most encouraging sights on the College grounds at Houghton. Completing a building project is like the finish of a race—it is the most exciting part. Only the plumbing, installation of light fixtures, taping and painting remain to be done on this building. Completion could have been accomplished at a much earlier date but workmen prefer to leave inside detail-work for inclement weather when work outside is impractical. This Student Building will contain the Book Store, Snack Bar, Lounge, Recreation Room, and Conference Room which will serve as a temporary classroom.

The beautiful Student Union Building as it nears completion.

### THE UNFINISHED TASK

The desert MUST blossom—the site MUST be developed, by Sept. 30th! Officials have stated that the unfinished task is indeed great. Two Dormitories, a Food Service Building and a Library Building are still in the “site” stage.

Over two hundred students are expected on the College Campus in September. Houghton housing is not sufficient nor suitable for so many students. The need for erecting dormitories is critical.

Food services are as essential as dormitory space thus the Food Service Building, of necessity, must be ready when school opens in the fall. Not only would eating off campus be expensive for the students but also impractical due to the limited restaurant facilities in Houghton.

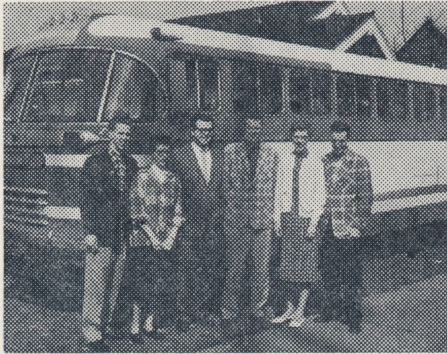

The two-story Library Building, a vital part of any campus, will serve a multiple purpose. Not only will it be a Library with at least 15,000 volumes, but also a Study Hall seating 100 people. A Classroom, Mimeograph and Print Shop, Storage and Workroom will be included in this building. Estimated

cost, \$45,000.

It is obvious that this is not the time to sit back and say, "See what we have done" however amazing it may appear. Because of the time element, the need for completion of these four buildings is urgent. We must continue to work, pray, and give until the goal has been reached. Let us go Forward!

## GREYHOUND BUS GIFT TO N.B.C.

A group of N.B.C. students pictured by the new Greyhound bus.

A generous individual, who wishes to remain anonymous, together with the Freshman and Junior classes, gave a total of \$1839.80 for the purchase of a 37-passenger Greyhound bus. The company wanted several hundreds of dollars more than this final purchase price but their general manager, giving the school a considerable discount, made the purchase possible.

The new bus, which is an excellent repair, answers a great need for the new campus. Not only is it needed for choir tours and school activities but also, when the College is at Houghton, it will be of great value to the students and faculty alike. Students working in the Kirkland and Bellevue areas will have to have some transportation to and from work, especially those who do not have their own cars.

## Choir Tours State

Sowing in song and reaping in souls was the recent activity of the N.B.C. Choir as it made a state-wide tour in the interest of Speed-the-Light. Seventy souls knelt at altars for salvation and seven were baptized in the Holy Spirit as night after night the choir, under the able leadership of Harold Smith, sang the praises of God and Rev. Norman Gardner proclaimed the Word.

The best remedy for a sick church is to put it on a missionary diet.

## Insurance Promotes College IDAHO

Mr. Bill Lentz of the First Assembly of God Church in Lewiston is selling the Insured Savings Plan designed especially to raise funds, interest free, for the building program on the new campus. Mr. Lentz, an earnest Christian and laborer in the Lewiston church, is a man of vision desiring to help build the College by his sales effort.

## MONTANA

State Vice President of the Montana Realtors Association, Mr. Ben Shennum, has chosen to promote and sell Franklin Life Insured Savings for N.B.C. His plan is to work exclusively in Montana. His assistance in this field brings us that much closer to the campus goal of readiness by September. Mr. Shennum, a very active layman in the Scobey Assembly of God, is also a member of the Gideons.

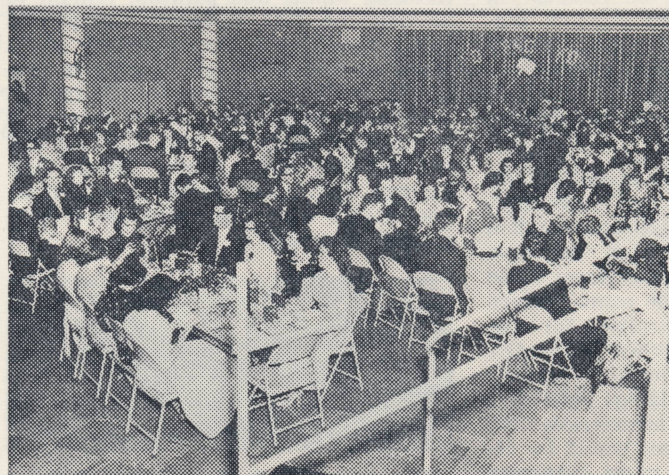

## CALVARY TEMPLE AND N.B.C. SHARE FUNDS

A settlement with Calvary Temple on the sale of the school has been reached. It was agreed that all proceeds over \$75,000 would be divided between the school and the church. The N.B.C. share of the transaction was \$48,950.00.

## Sophomores in Business

N.B.C.'s Sophomore Class has entered the business world in a determined effort to erect a memorial arch at the entrance to the new campus. The energetic Sophs sold hot dogs, coffee and punch during Student Day on the Campus and netted approximately twenty dollars. The completed Sophomore Arch is expected to cost \$750, a great part of which has already been collected by the industrious class.

Guests pictured at the recent All-School Banquet.

## Problem Pays Dividends

Seemingly miles of cement foundations (left by a former housing project) were as sand in the wheels of progress to the building program on the campus at Houghton until God made them a blessing in disguise. The old concrete fulfills the need of the Alaska Steamship Company who is planning to construct a breakwater for boat moorage on Lake Washington. A bid quoted to the Alaska Steamship Co. for removal of said foundations was \$17,000. They have given N.B.C. \$1000 for an option on the concrete, thus it appears that a plague is to be lifted from our land and at a good price! God is good.

## Gaglardi Reveals Need

Philip Gaglardi, British Columbia's Minister of Highways, speaking at the All-School Banquet.

In his message at the All-School Banquet, British Columbia's Minister of Highways, Philip Gaglardi (from the class of '40) revealed the need of the hour as an individual walk on the Highway of Holiness. Personal relationship to the Lord of the Harvest is an essential prerequisite to going into the highways and byways declared Mr. Gaglardi.

Approximately 270 people were in attendance at the All-School Banquet given March 13th in the University Congregational Church. The theme, "So Send I You," was effectively carried out in lovely decorations, song and word. District officials, faculty, guests and student body alike enjoyed the excellent food as well as the wonderful evening of fellowship.

## ALUMNI NEWS AND VIEWS

Riley and Florence Kaufman, '38, are enrolled in Yale University where they are studying Chinese. They are on furlough after a term of service with the Far East Broadcasting Company in Hong Kong. Upon conclusion of their study they expect to return to Hong Kong. Marie Johnsrud, '41, is preparing to return to her field in French West Africa after completing a year's furlough. Letters and bulletins received from N.B.C. missionaries in Cuba express joy over the change in the government. Communications to this effect have been received from Rachel Maser Nieto, '41, and Louise Walker, '56, Rachel Nieto writes, "We praise the Lord for the bearded Cuban rebels. God surely did help them win the revolution, and we can live a decent normal life now..." Ethel Roberts, '57, is teaching in the grade school department at the Bible Institute in Manacas Las Villas, Cuba. Leonard and Mrs. Lanphear, '46, are preparing to return to Indonesia during the early part of the summer in order to meet the deadline date within which they must return according to government regulations. Morris and Elinor Hayes, '52, have resigned as pastors of the Assembly of God Church in Marinette, Wisconsin in order to join the T. L. Osborn Evangelistic Party. Benny Birkeland, '47, and congregation at Bellevue have broken ground and have commenced construction on their new church edifice. President C. E. Butterfield was the special speaker at the Holy Week services sponsored by the Ministerial Association in Everett. Gordon Hurtt, '57, is the new pastor at Republic, Washington. Gordon has been Christian Education Director at the Richmond Assembly of God Church in Seattle for the past year.

...

### N.B.C. VITAL STATISTICS

Born to Alfred and Ruby (Gilleland) Doctor, a son, Alfred Charles Jr., on January 7th; to Robert and Gerry Swope, '50, a daughter in November; to Leon and Norma '56 (Swing) Baublitz their firstborn (no details known); to Curtis and Judith Farrington, a boy, John Curtis; to Floyd and Virginia Bjorklund, '48, a boy, Eugene Lynn; to Elroy and Myrtle Eudailey, a daughter, Cheryle Dawn; to Ronald and Linda Rider, '58, a daughter, Rhonda Lynn on February 11th; to Mr. and Mrs. Leroy Ebanks, a daughter.

...

Dorothy Falconer, '46, was married to Mr. Archie Fox in December. They reside in the Los Angeles area.

...

Mrs. George Lindemulder (nee Alice Barrans, '48) writes from Columbus, Montana, and indicates that they have

recently adopted four small Indian children. Jeanne Finch, '44, is visiting in the Northwest after an illness which made it necessary for her to leave her missionary work in the Kentucky mountains.

...

Dr. Henry H. Ness, first principal and president of N.B.C., has resigned the pastorate of the First Assembly of God Church in Oakland, California. Eugene and Mrs. Ness, '58, have accepted a call to be associate pastors at Bethel Church, San Jose, California.

...

Gordon and Marilyn (nee Johnson '47) Marker have returned from Bolivia and are currently staying in Willmar, Minnesota. Walter Buck, '44, is the new pastor at Billings, Montana First Assembly of God. A recent alumnus visitor at N.B.C. was William Ulin, '46, together with several members of his Indian congregation from Little Boston Indian reservation near Bremer-ton.

...

Norman Gardner, '43, is on the field representing Northwest Bible College in public relations and in behalf of the campus program.

### A.S.B. OFFICERS ELECTED

The new Associated Student Body of officers for the coming school year were elected recently. They are as follows:

- Don Jacobson, President
- Bill Aho, Vice-President
- Mary Ballenger, Secretary-Treasurer

The officers are looking forward to a good year on the new campus

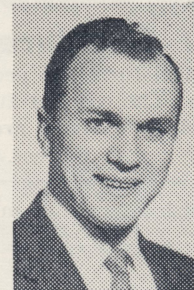

## New Instructors Complete First Year

Rev. Robert C. Dalton and Rev. Daniel B. Pecota have finished their first instructional year with the Northwest Bible College.

Mr. Dalton came to the college from Waxahachie, Texas, where he taught at Southwestern Bible Institute for five years. He received his B.S. degree from Wheaton College, his B.D. from Eastern Baptist Theological Seminary, and his Th.M. degree from Texas Christian University.

Rev. Pecota received his B.A. degree from Southern California Bible College and his B.D. degree from Fuller Theological Seminary. Mr. Pecota is a candidate for his Th.M. degree at Fuller where he held a teaching fellowship for two years while finishing his work there.

\*

### VOLUNTEER HELP

There is a great need for all types of tradesmen — carpenters, electricians, etc. — to help finish the buildings in preparation for the coming school year.

For those who wish to give free services, the college will provide housing and meals while they are on the job.

## SPEED - THE - SITE

"Let Us ARISE AND BUILD"—Neh. 2:18

AMOUNT \$..... Date.....

I, hereby, pledge to the Northwest Bible College the Sum of \$..... for the construction of buildings at the new Campus site. This amount will be paid as follows:

|              |              |
|--------------|--------------|
| 1959 \$..... | 1961 \$..... |
| 1960 \$..... | 1962 \$..... |
| 1963 \$..... |              |

Signature..... Phone.....

Street..... City-State.....

This pledge will be paid in:

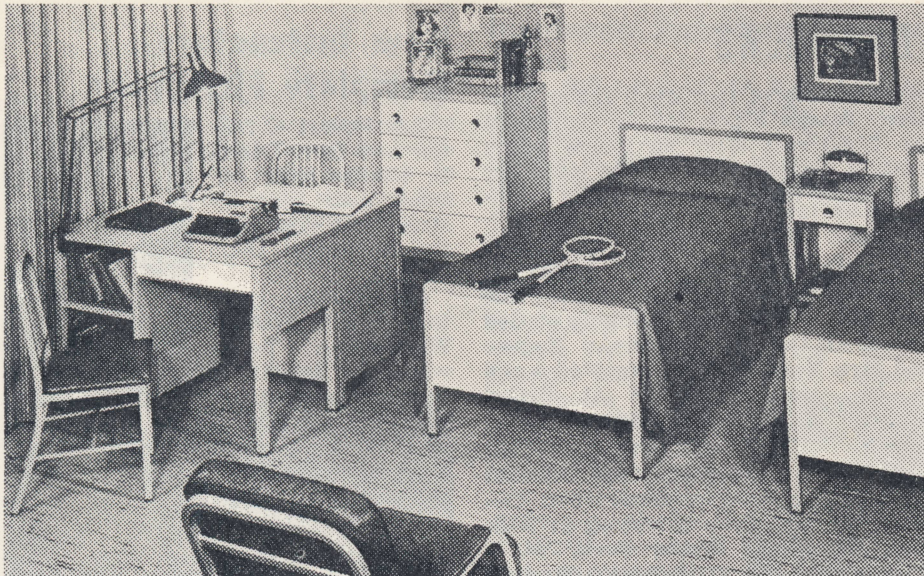

|                  |                |
|------------------|----------------|
| CERTIFIED PLEDGE | Cash.....      |
|                  | Labor.....     |
|                  | Materials..... |

.....  
Campus Planning Commission

Would you pledge cash, labor, or material to help build the College?

If so, please indicate on the above form the amount of your pledge and mail immediately to the Northwest Bible College. If you can include any amount of the pledge it will be greatly appreciated.

### Furniture Needed!

Pictured above is steel furniture needed to furnish each room of dormitories for men and for women. The cost for furnishing per person is \$300.00.

Individuals or church groups who are interested may take part in this project by furnishing a room or a part thereof.

I would like to furnish a room for men  women . I am enclosing a check for \$..... for this purpose.

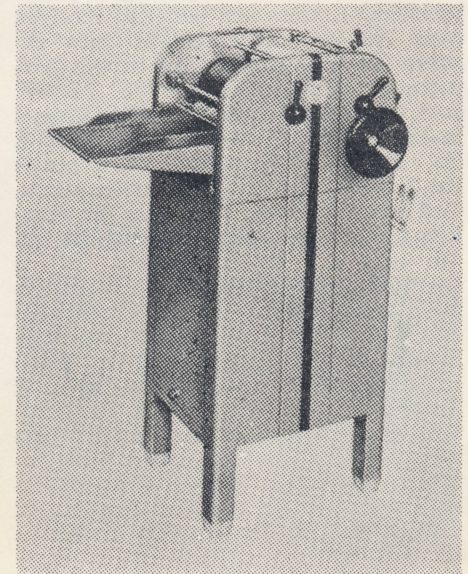

Name .....

Street..... City..... State.....

All gifts are tax deductible.

### C.A.'s Have Project

For a project the Spokane Hi C.A.'s purchased a Multilith Offset Press for the College. The original cost for this machine was \$1200; however, they were able to purchase it for less. The school has been in need of this type of equipment and will immediately put it in service printing forms for the Registrar, letterheads, envelopes and questionnaires as well as a variety of other printed material.

Multilith offset press donated by the Spokane Hi C.A.s to the college.

### N.B.C. CLOSING EXERCISES

#### Class Night

Friday  
May 22, 1959

7:30 P.M.

at the

College Auditorium  
E. 69th and 8th Ave. N. E.

#### Baccalaureate Service

Sunday  
May 24, 1959

3:00 P.M.

at the

College Auditorium  
E. 69th and 8th Ave. N. E.

#### Commencement

Friday  
May 29, 1959

7:30 P.M.

at

Calvary Temple  
E. 69th and 8th Ave. N. E.
