The Mark & Huldah Buntain School of Nursing Dedication

It's time to celebrate! Join the faculty, staff, and the Buntains on Friday to mark the beginning of this exciting new program.

In September, the first students will begin their studies in the Mark and Huldah Buntain School of Nursing. "When we announced the nursing school just over a year ago we did not have money, faculty or accreditation. All we had was a vision inspired by God! We started by faith, and today we have a great nursing faculty, regional accreditation and the money we need for the first year of the program," stated President Argue.

Pledged and actual support for the nursing school now total over \$1.5 million from sources including alumni, friends of the College, Mission of Mercy, and the Northwest District Women's Ministries.

"These gifts not only begin to meet a definite need, they are an incredible vote of confidence!" said Argue. "They underscore an axiom that has been proven in my life over and over again... Where God guides, He provides."
