# CAMPUS LIFE

*Northwest has some of the most supportive people around. We have activities from sporting events to Spring Banquet and Roomies Night Out.*

**T**he years a student spends in college are packed with life-changing choices. Whatever your talents and abilities are there's a way to utilize and develop them at Northwest!

Whether you sing or play in a traveling music group, participate in soccer, volleyball, or on the national championship men's and women's basketball teams; whether you take photographs for the yearbook, act in a traveling drama ministry team, speak in a local nursing home, lead worship in chapel, or hand out coats and blankets to Seattle's homeless; whether you serve as a student leader planning social activities or leading the missions convention, there's a place for YOU to be involved at Northwest.

*Northwest has prepared me for service in any realm. I can walk confidently into any job situation knowing that I have been properly trained in Christian ethics and values.*

*Donald L. • Business, '94*
