Subject: Blaine's Pope Grant Project

Blaine Charette has completed his study of the Spirit in Matthew's Gospel under the 1997 Pope Grant. He has submitted the requested four copies of the written product; I will leave a copy with Chris Anderson, in Dr. Flowers' office, for you to look over.

I will send you a copy of the required written report as soon as I receive it. Then, unless there is some negative response, I will assume acceptance and have the balance of the funds disbursed to Blaine.
