SAB AND MOSAIC HOST FIRST ANNUAL ART SHOW

Photos by Billy Ransome.

Northwest University is home to many people. On March 21, SAB and MOSAIC worked together to host their first annual art show. The show represented the views of different students and faculty members, whose submissions answered the question "What does HOME mean to you?" Additionally, the hosts added a touch of elegance to the event through the thoughtful presentation of snacks and beverages alongside the layout of the artwork. This show was a formal event, and attendees were asked to dress in all black.
