

Dear NU Family,

This morning, my heart is filled with the hope of Jesus Christ's resurrection, and the reality of suffering and tragedy in our world. Please join me in praying for Belgium, Pakistan, and the many other difficult situations around the globe. Let us put our trust and faith in the King of Kings and Lord of Lords, who promises that when the old order of things has passed away, He will "wipe every tear from [our] eyes. There will be no more death or mourning or crying or pain" (Revelation 21:4).

This week in chapel, we will begin "The Talk": a series devoted to exploring God's design for human relationships. We will be hearing from Carrie Abbott, founder of the Legacy Institute, Dr. Clint Bryan, and Dr. Sarah Drivdahl. We hope and pray that this is a time to ask thoughtful questions about our interpersonal interactions, to dig deeply into Scripture for answers to those questions, and to encourage and help one another on the journey with the power of the Holy Spirit. Tonight in Pursuit, you will have the chance to hear the Choralon's perform their Spring presentation. The choir has had a wonderful tour this semester. **Tonight is going to be great!**

"Just as our bodies have many parts and each part has a special function, so it is with Christ's body. We are many parts of one body, and we all belong to each other... Don't just pretend to love others. Really love them. Hate what is wrong. Hold tightly to what is good. Love each other with genuine affection, and take delight in honoring each other." Romans 12:4-5, 9-10 (NLT)
