

Dear Friends,

Another week has quickly gone by! Fall is setting in and it's hard to believe that we are already halfway through September! I trust that you were profoundly impacted by Nita Belle's message today and challenged to get involved in the effort against Human Trafficking. If you would like more information regarding what you can do within our community, contact [embargo@northwestu.edu](mailto:embargo@northwestu.edu).

### **Next Week in Chapel**

**Monday**, we will be introducing this semester's LifeGroups! Come hear from our current leaders, and find out where you can get involved! **Wednesday**, President Castleberry will bring a compelling word as he continues taking us through the book of John. **Friday**, we have the privilege of welcoming Michael Medved, an outstanding communicator and radio personality that will be tag-teaming with Northwest University's Debate Team.

### **Pursuit – Monday Nights at 9pm**

We had a powerful night with Crossing last Monday. This Monday, Kenosis from Mars Hill Ballard will be leading us in an all-worship Pursuit. Come be a part of what God is doing on Monday nights!

### **Scripture Focus**

The verses on the back of the Prayer Focus Card are important reminders of the promises that God gives us as His people. The focus verse for next week is from Ephesians 3:20. Take some time this next week to truly reflect on what this passage means to you.

*“Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us, to Him be the glory in the church and in Christ Jesus to all generations forever and ever. Amen.” – Ephesians 3:20*

### **Prayer**

What a blessing to know that we are a part of a praying community! Attached is this week's prayer list; take a moment, look over this list, and join with us in believing what God can do within our community.
