

Dear Friends,

Congratulations on completing your second week of classes! I hope it has been great so far.

Next week in Chapel

Monday is our NU focus Chapel. we will have a special guest with us, Ray Levesque who will share on the topic of *Cultural Intelligence*. On Wednesday, we have the great honor of hearing from our debate team led by Professor Gary Gillespie. We are looking forward to hearing their debate on current immigration issues. Lastly, Friday is the Crew Introduction Chapel. You will have the chance to meet all of your amazing crew leaders and hear about their crews. We have some incredible groups lined up this year so don't miss the opportunity get involved in one.

Human Trafficking

Last week you raised a total of \$244 toward the fight against Human Trafficking. We are off to a great start! You each were also given the opportunity to set a personal goal for what you would like to contribute to this, during this semester. We have combined each of your goals to give us a school-wide total that we hope to reach by December. We will present this total to you in chapel next Friday.

Pursuit

We are excited for what God is doing in our pursuit services on Monday nights! It is a great time to be refreshed and soak in God's presence. *Crossing* will be leading an all worship night next Monday. We hope to see you there!

Scripture

“Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need.” Hebrews 4:16

I've spoken with many of you who are facing difficult situations with finances and/or feeling the anxiety of being away from home. We took a moment to pray for this in chapel today but I encourage you to take confidence in what God is willing and able to do in your life. He is our provider!

Enjoy your weekend!

Pastor Phil
