

KARISMA 1981

Doc Swaffield

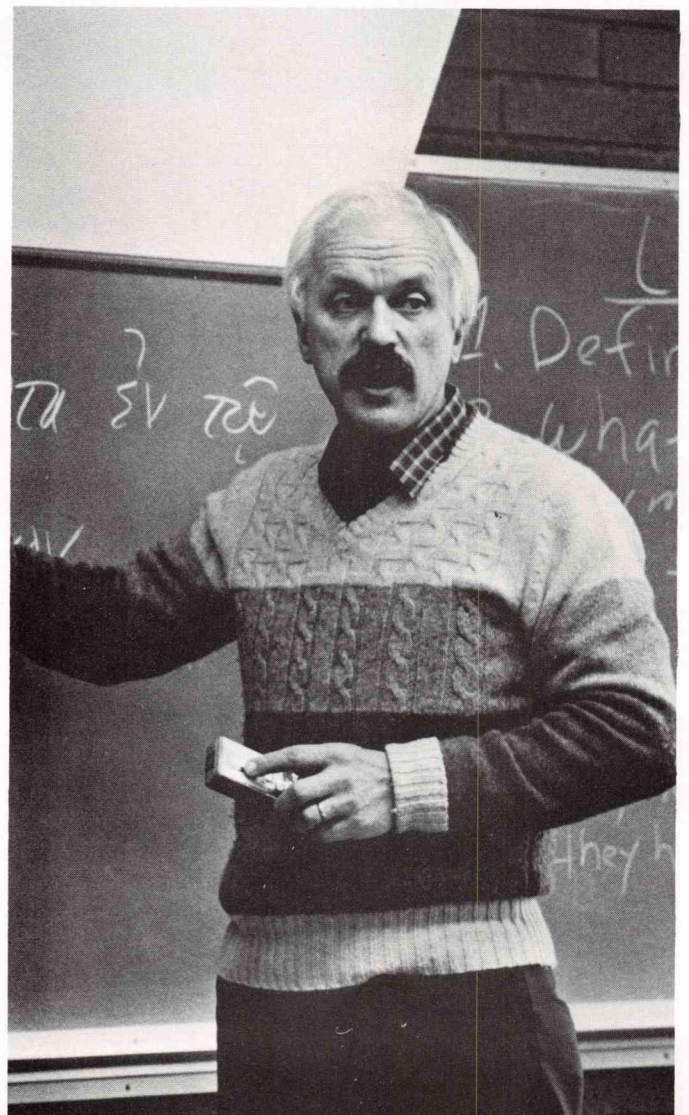

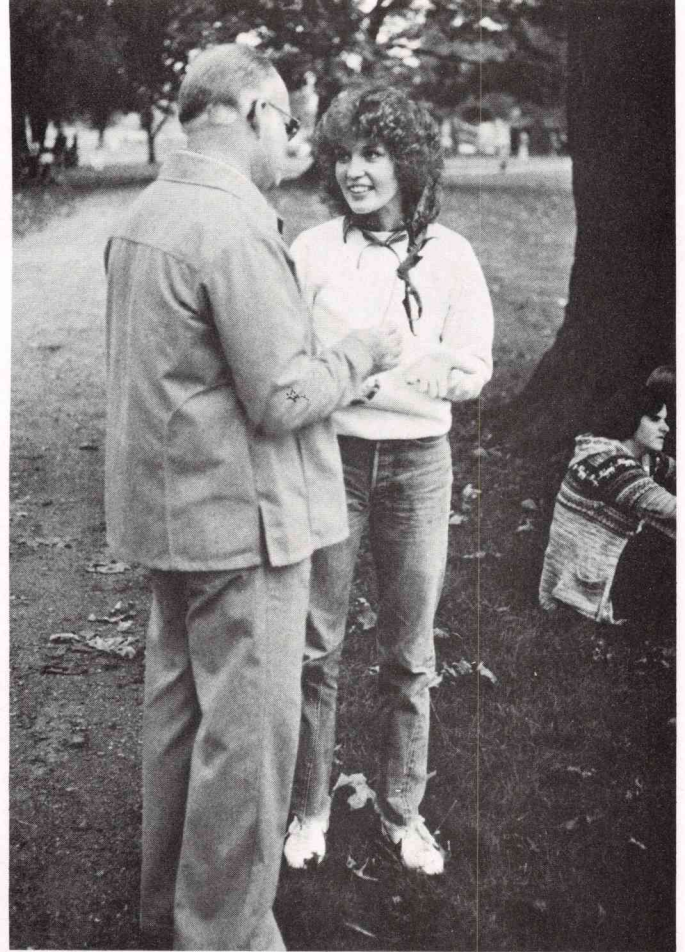

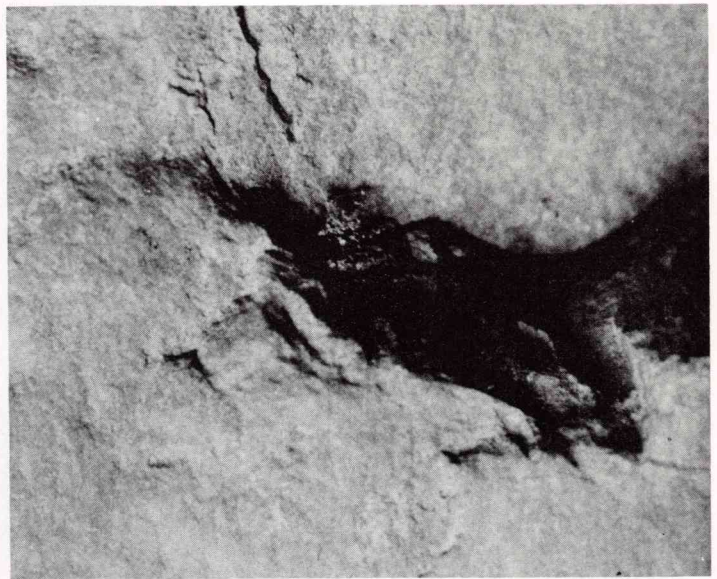

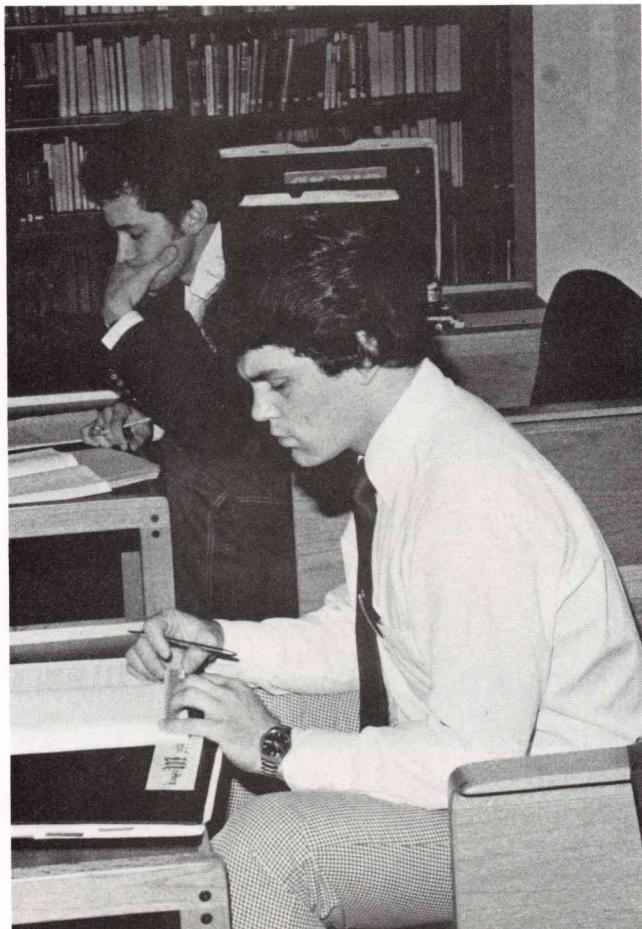

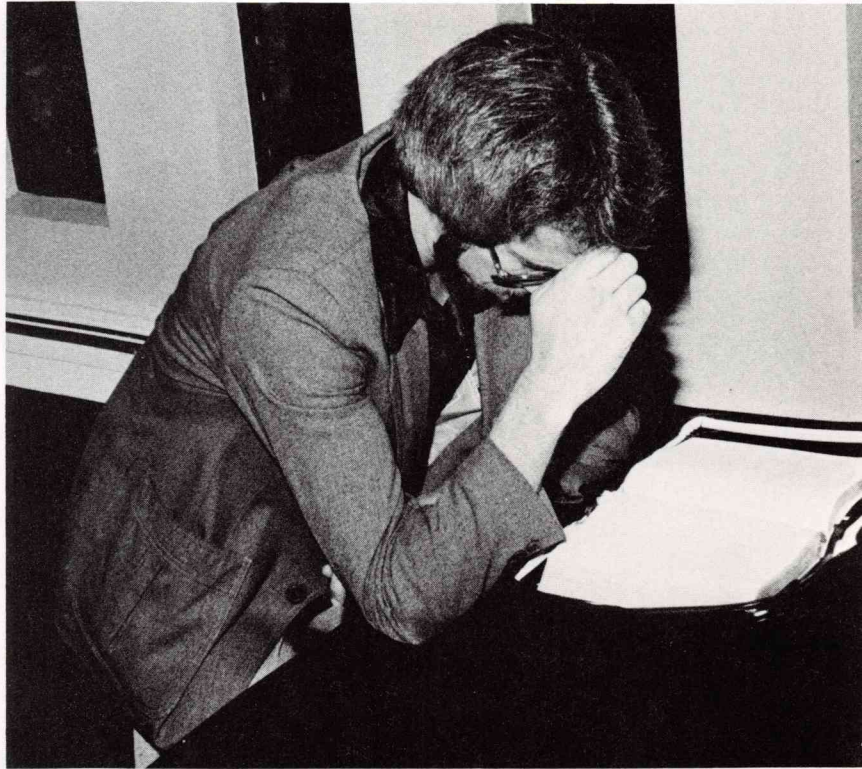

The sound of music filters through the air, and as the music flows the beat increases. Then there is the firm TAP, TAP, "start again from the top please" as William (DOC) Swaffield strives for that moment of perfection. Doc Swaffield is a perfectionist, but it is perfection that has brought the Music Department at N.C. wide acclaim. In the ten years that Doc Swaffield has been on staff here at N.C. he has been a model for attaining the highest goals possible in the field of music. TAP, TAP, one more time please, from the top.

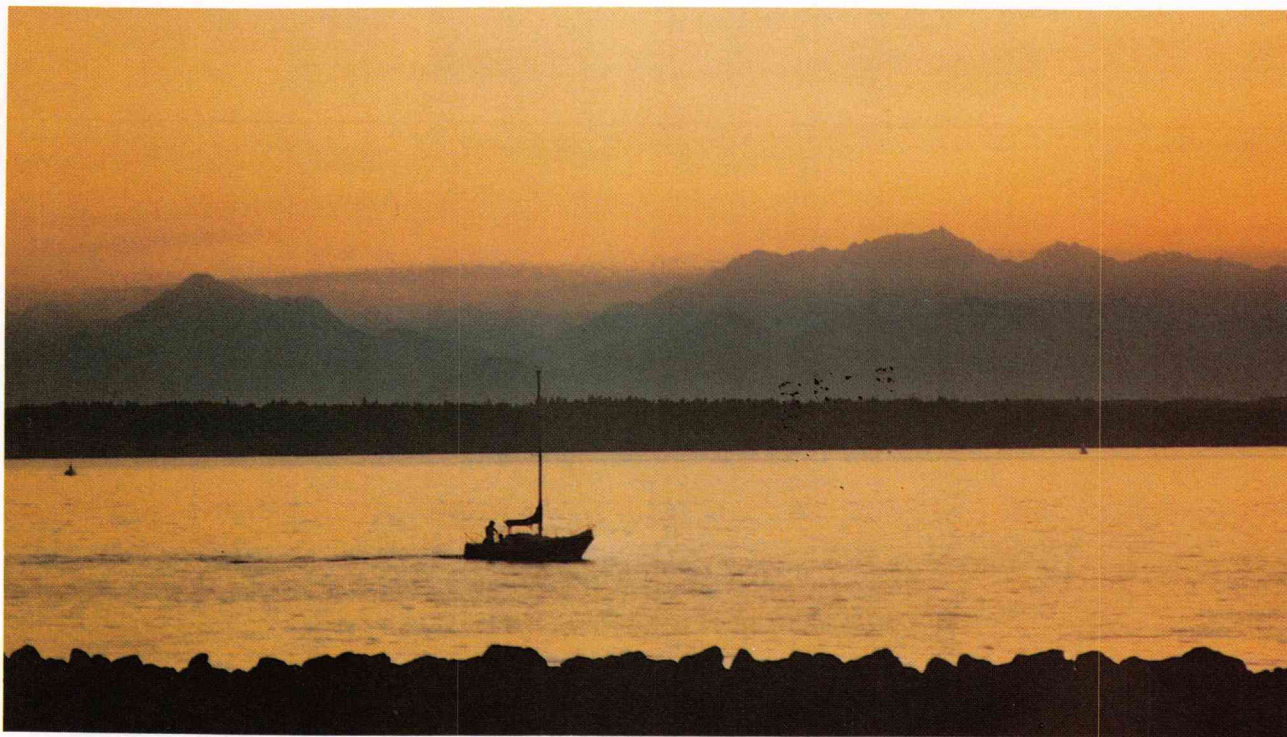

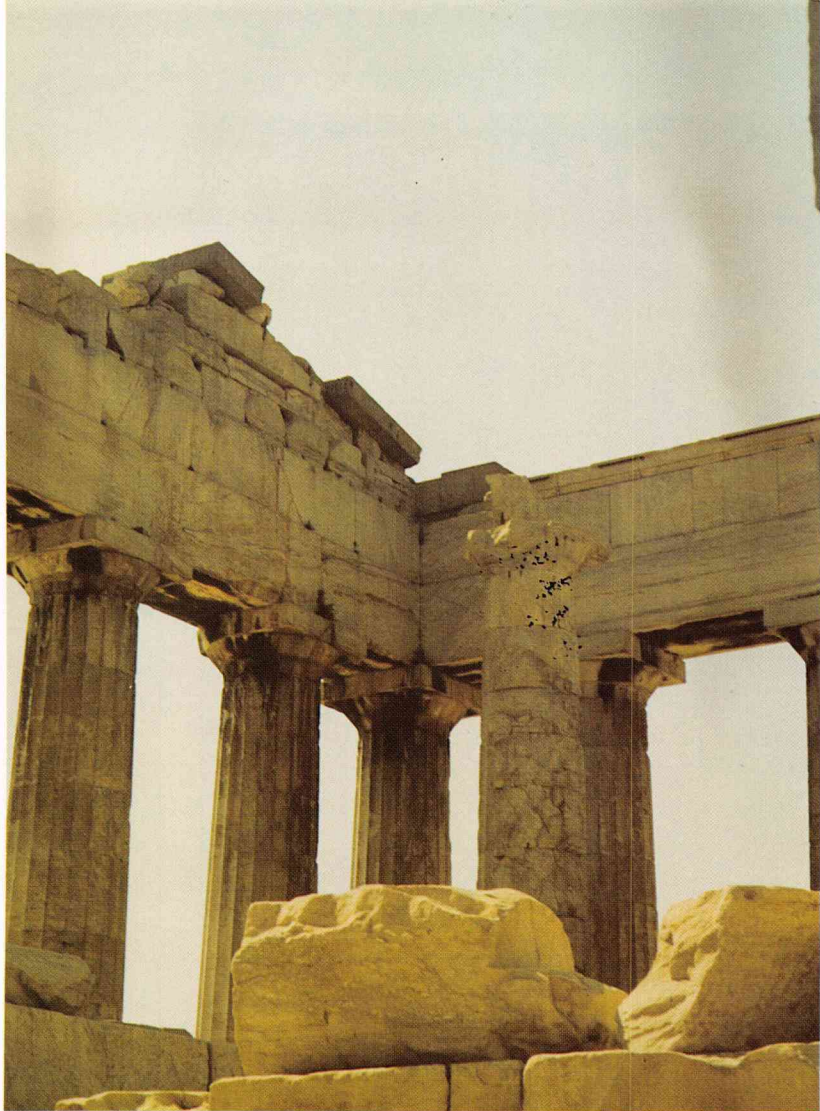

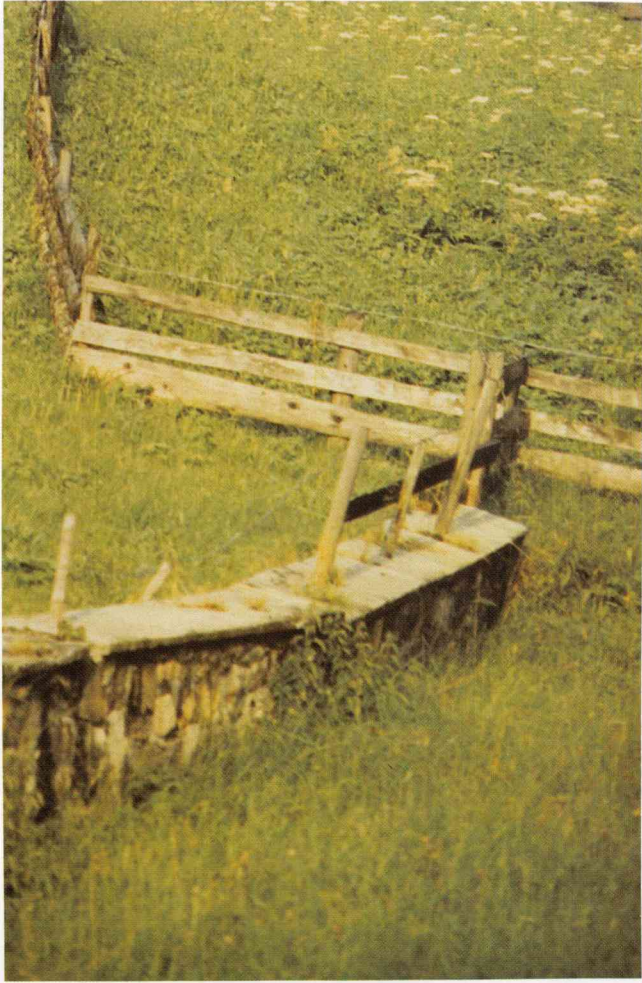

"Doc Swaffield"

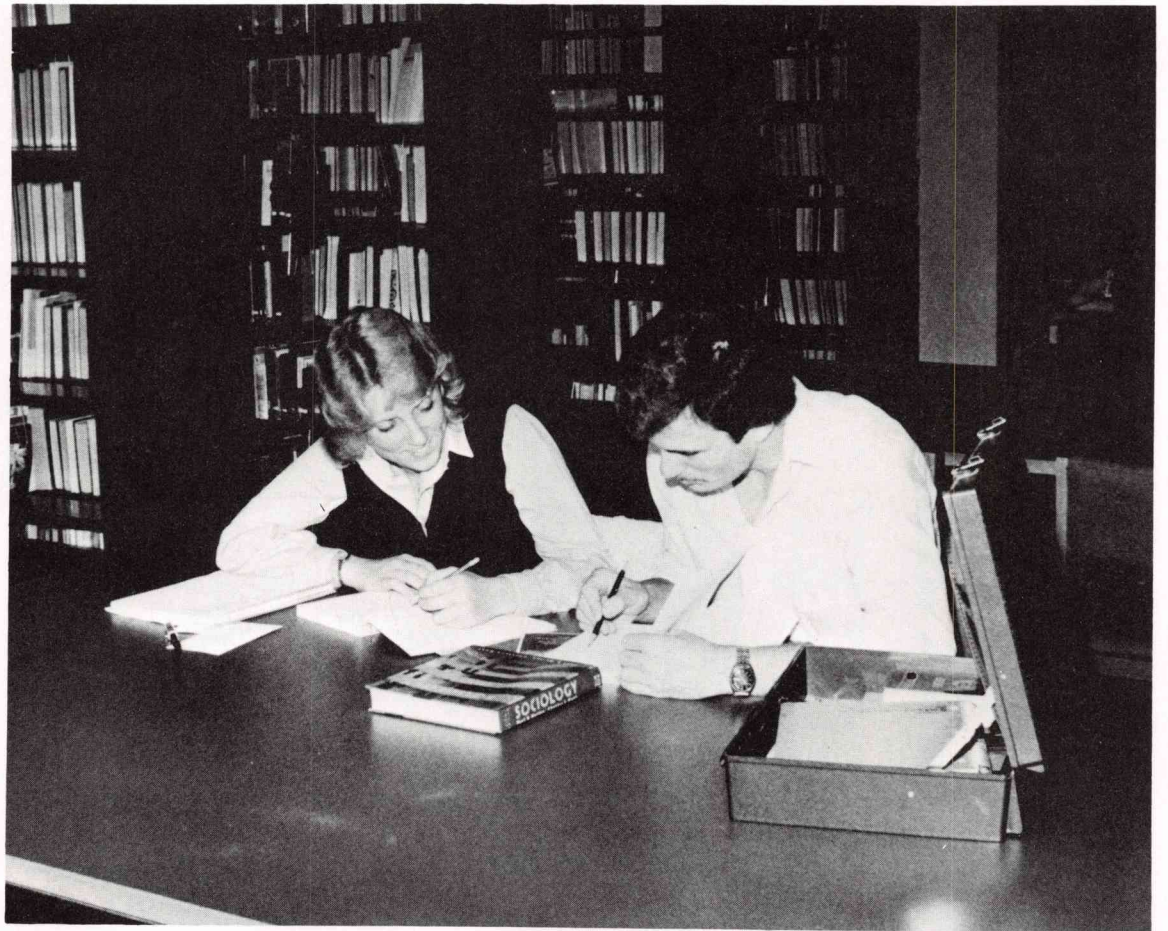

I pray that the eyes of your heart may be enlightened . . .

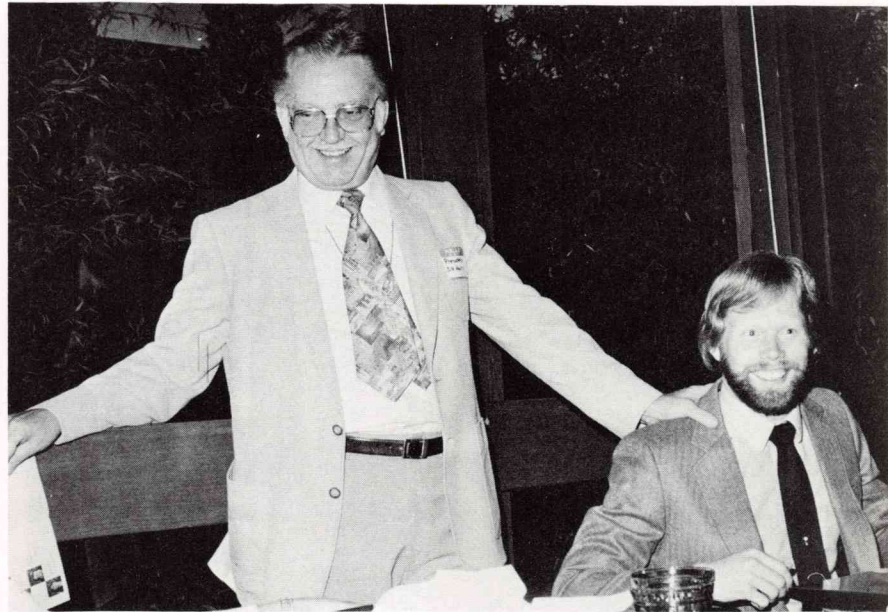

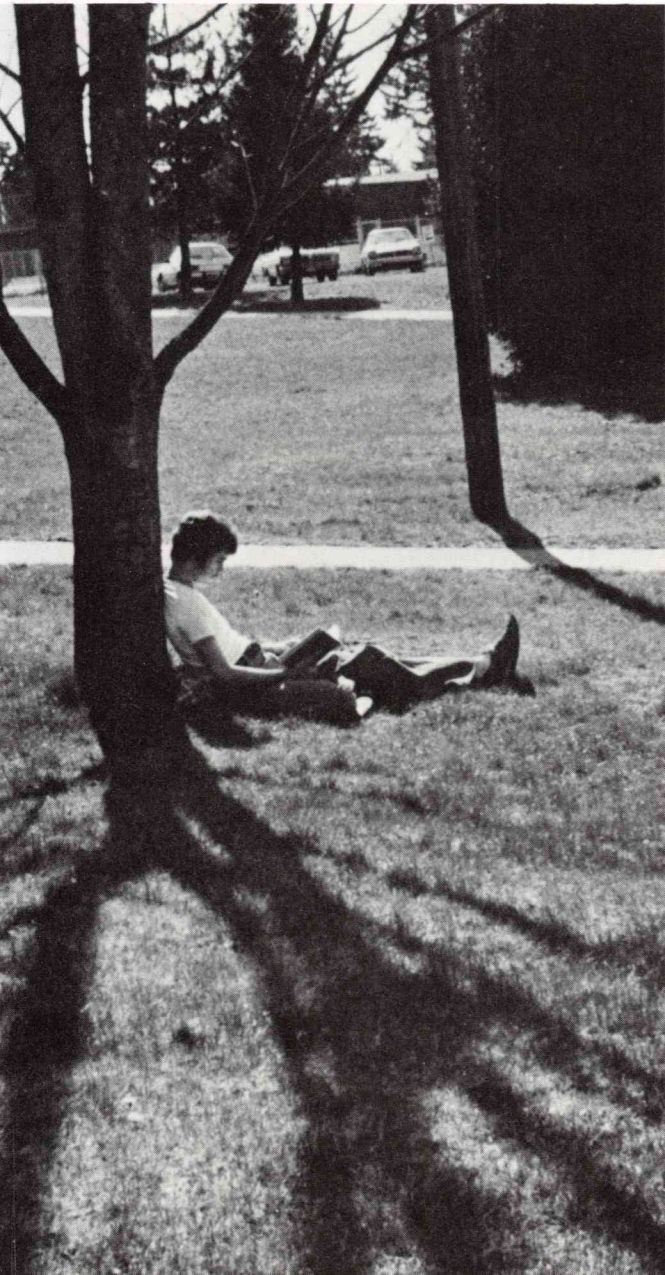

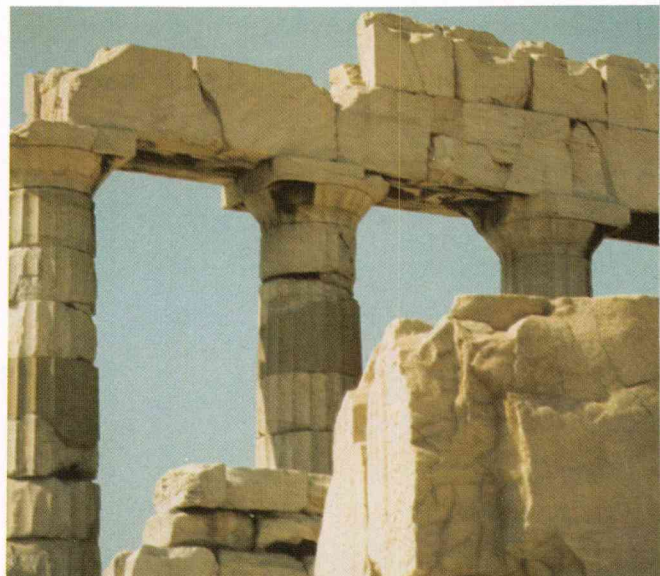

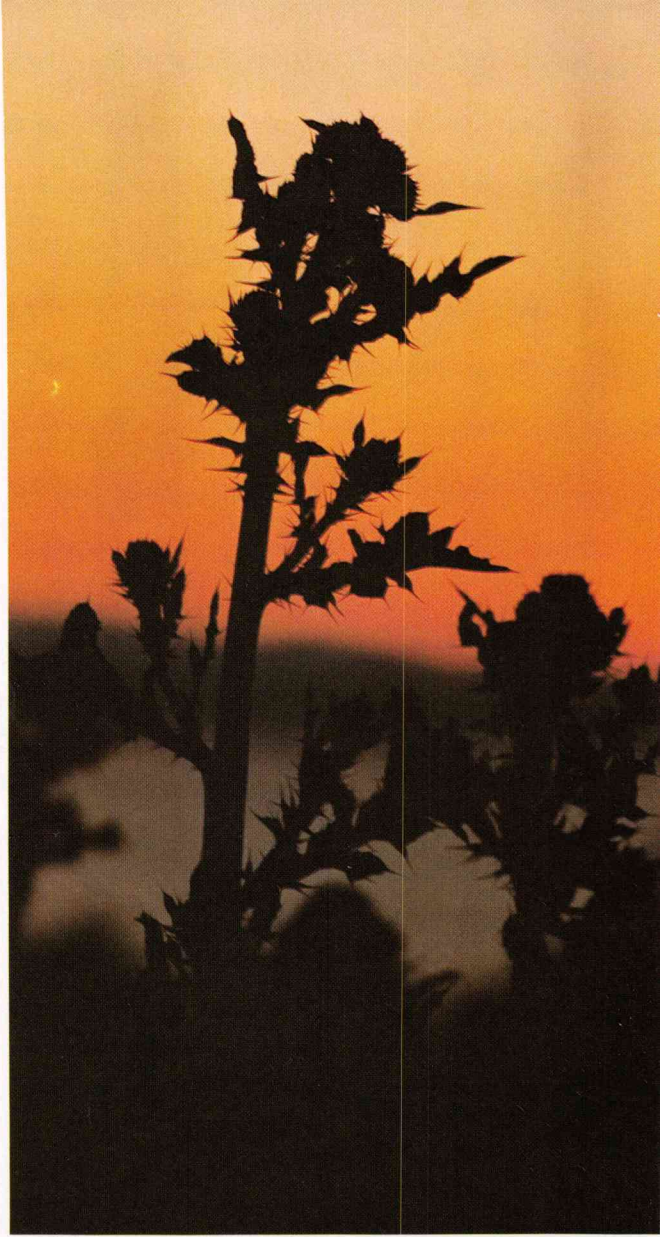

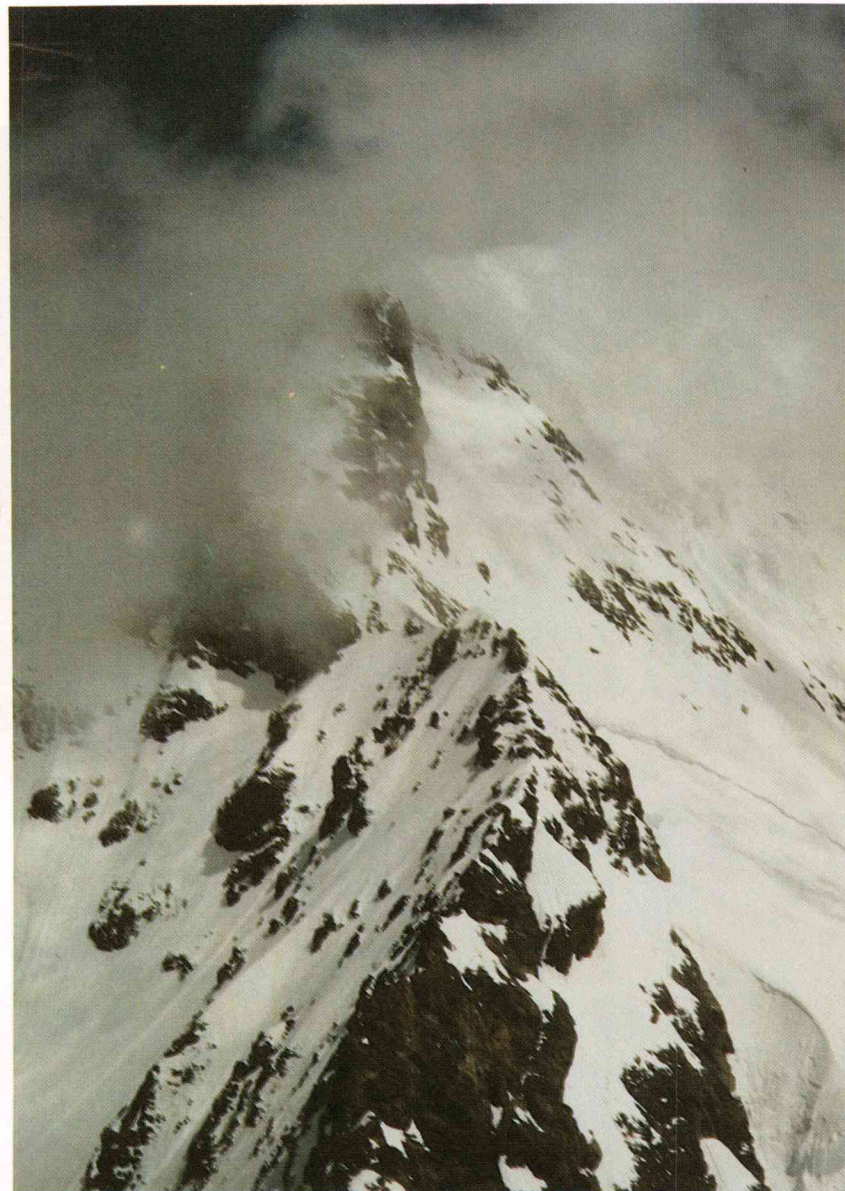

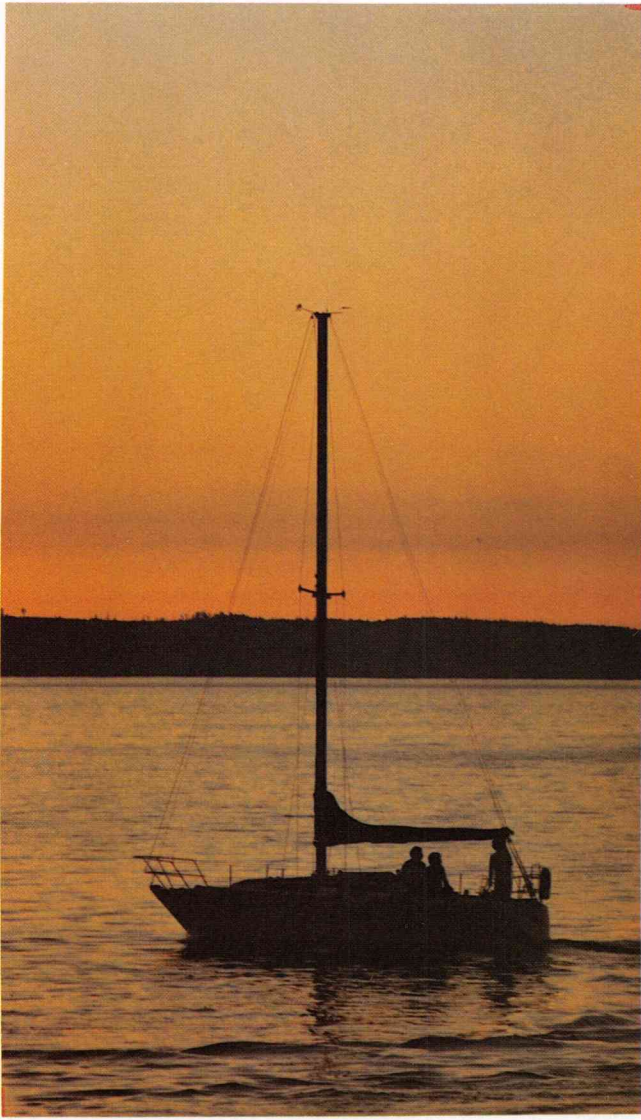

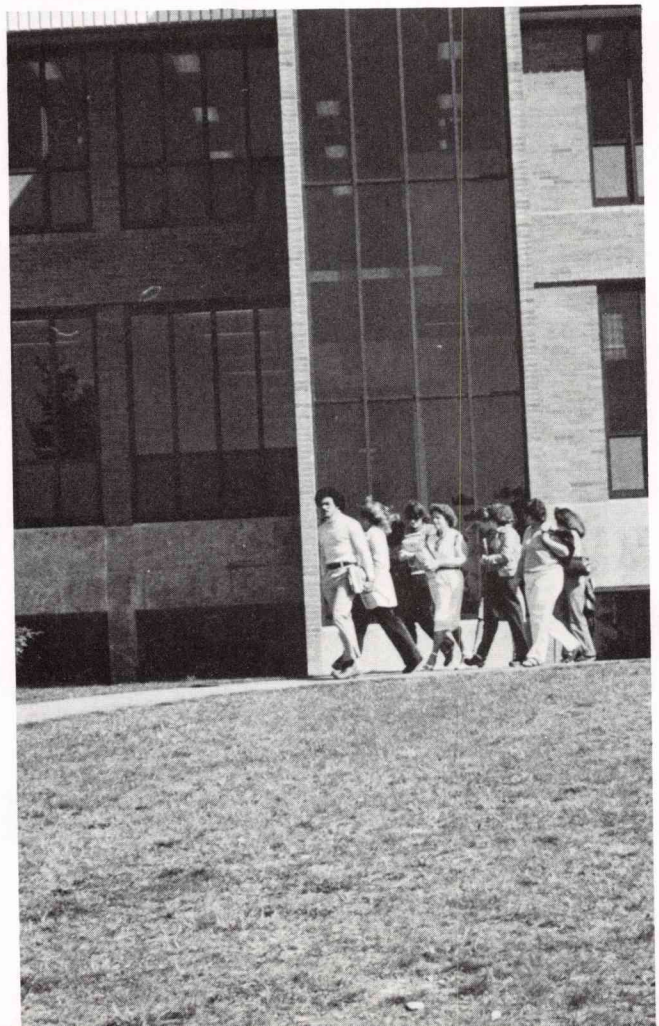

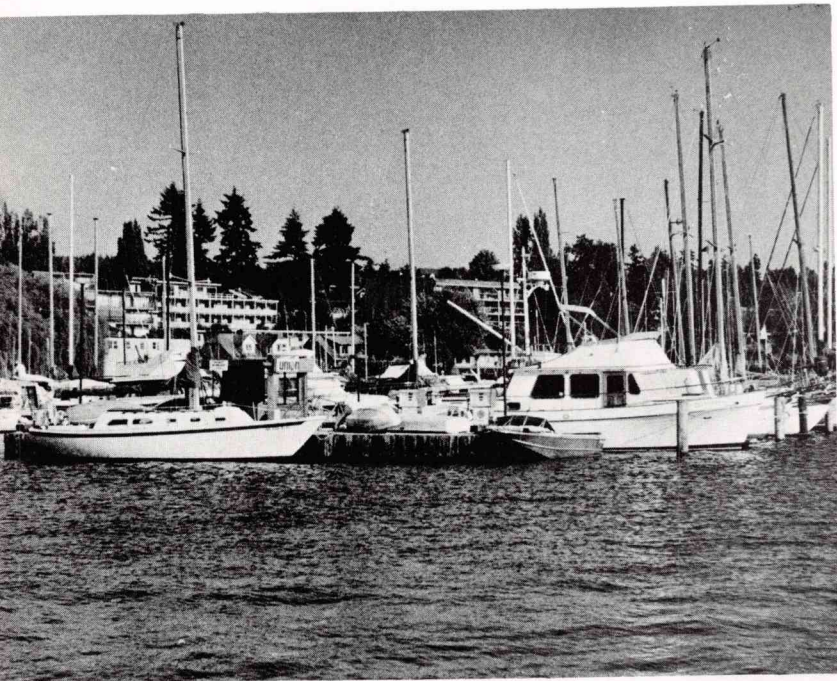

... so that you may know
what is the hope of his
calling...

... what are the riches of the glory of His inheritance in the saints, and what is the surpassing greatness of His power toward us who believe.

I pray that the eyes of your heart may be enlightened, so that you may know what is the hope of his calling, what are the riches of the glory of His inheritance in the saints, and what is the surpassing greatness of His power toward us who believe.

EPHESIANS 1:18,19 (NASV)

A person wearing a light-colored hoodie and dark pants stands on a wooden deck, looking at a tablet or book. The deck is made of weathered wooden planks. In the background, there is a body of water, a dark building on the left, and a line of trees on the right. The scene is captured in a soft, slightly desaturated light, possibly during dawn or dusk.

THE FLIGHT OF YOUTH

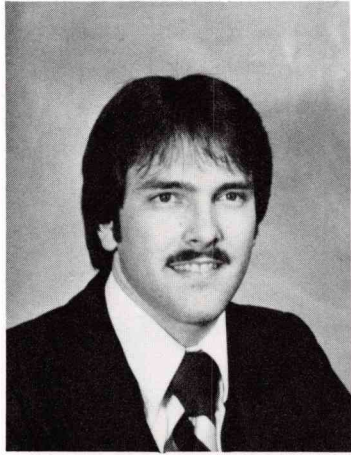

There are gains for all our losses,
There are balms for all our pain:
But when youth, the dreams, departs,
It takes something from our hearts,
And it never comes again.

We are stronger, and are better,
Under manhood's sterner reign:
Still we feel that something sweet
Followed youth, with flying feet,
And will never come again.

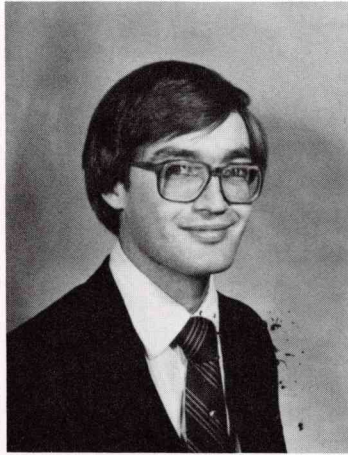

Something beautiful is vanished,
And we sigh for it in vain:
We behold it everywhere,
On the earth, and in the air,
But it never comes again.

Richard Henry Stoddard.

SPRING-80

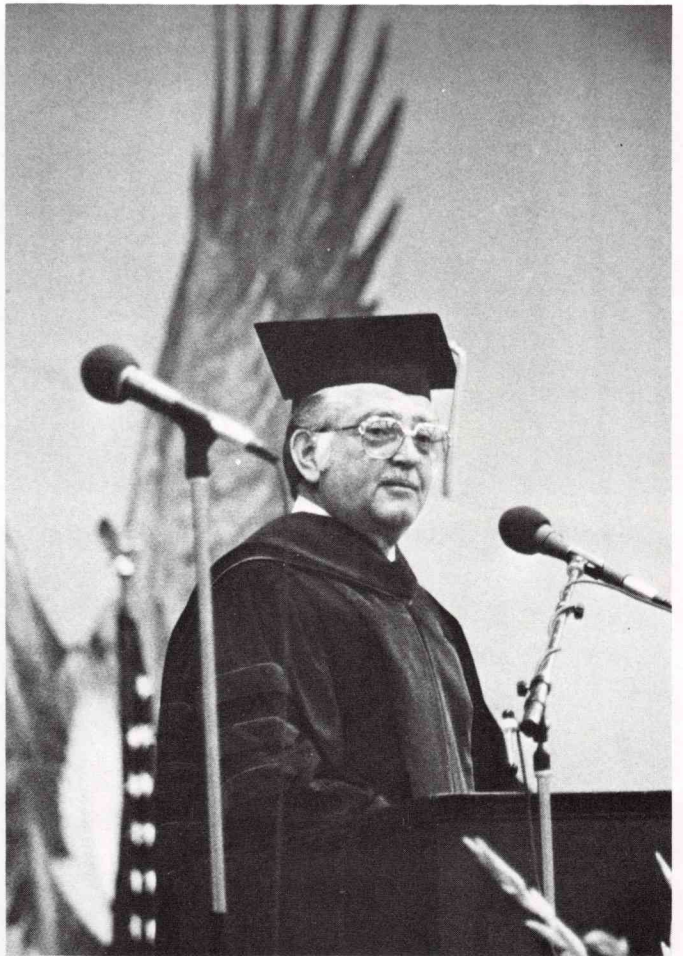

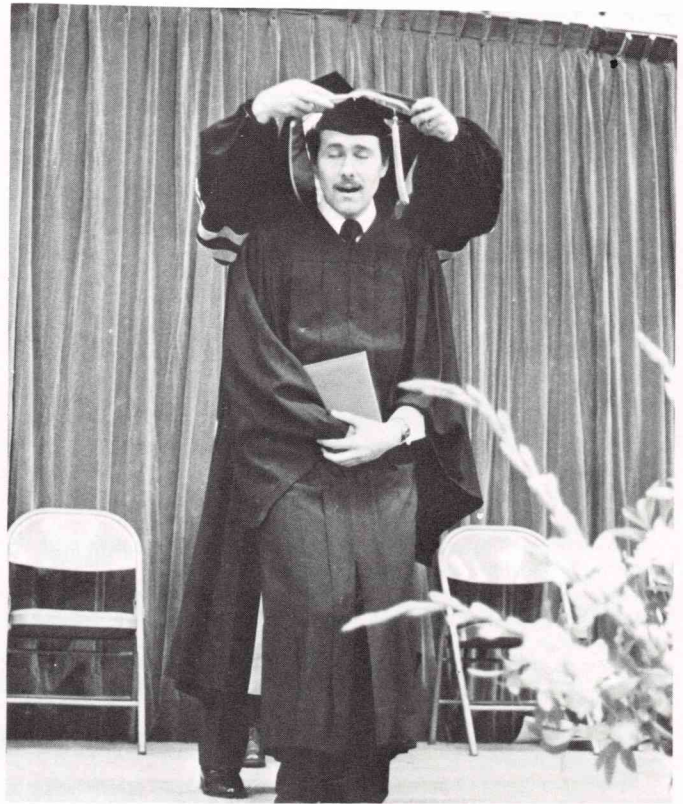

Graduation

With each step we take, it brings us that much closer to the day known by some as Graduation Day.

The ceremonies for the graduating class of 1980 took place on May 25th in the Northwest Pavillion.

As Rev. Carlson spoke the words the Lord laid on his heart, the graduating class looked back on the past — remembering the long hours of study along with the many good times and then looked forward to practicing what we had been taught and doing the work that Christ has intended for us to do.

Campus Day

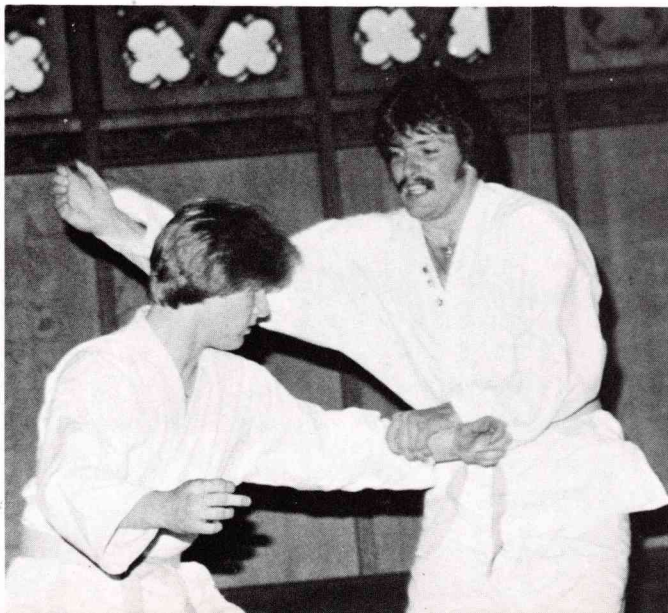

They came in masses and they came in swarms and little by little they filled up the dorms.

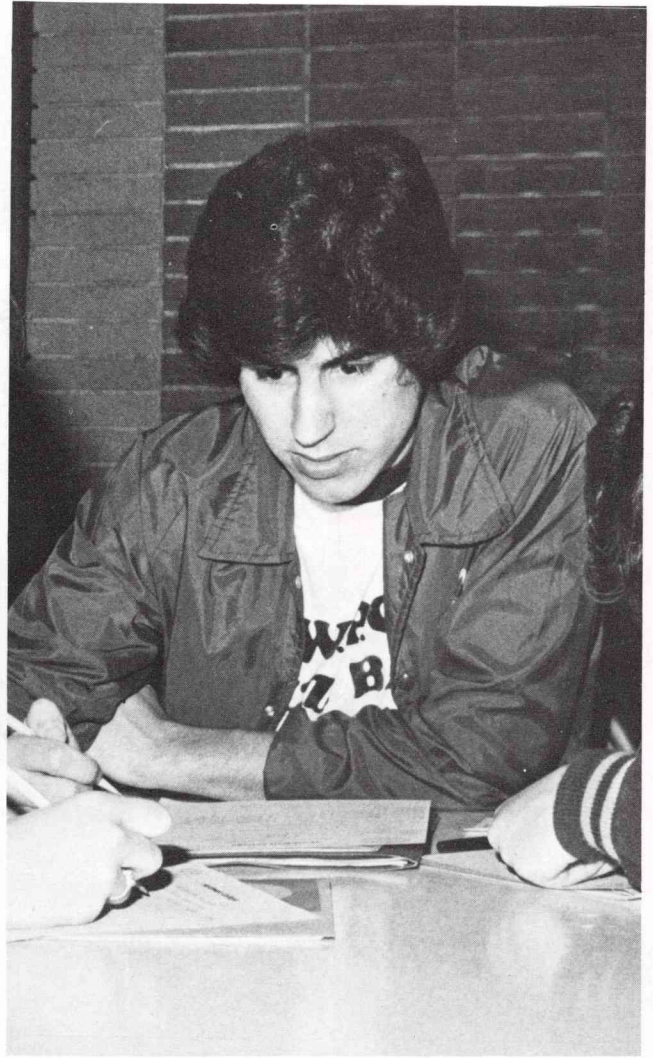

They were wide eyed and restless while waiting to score. Because they knew that soon they would be walking those hallowed doors.

Campus Day for Spring 1980 was much more than the above. There were orientations, workshops and activities to keep prospective students busy at all times.

It seems that every year more and more students flock to Northwest College for Campus Day.

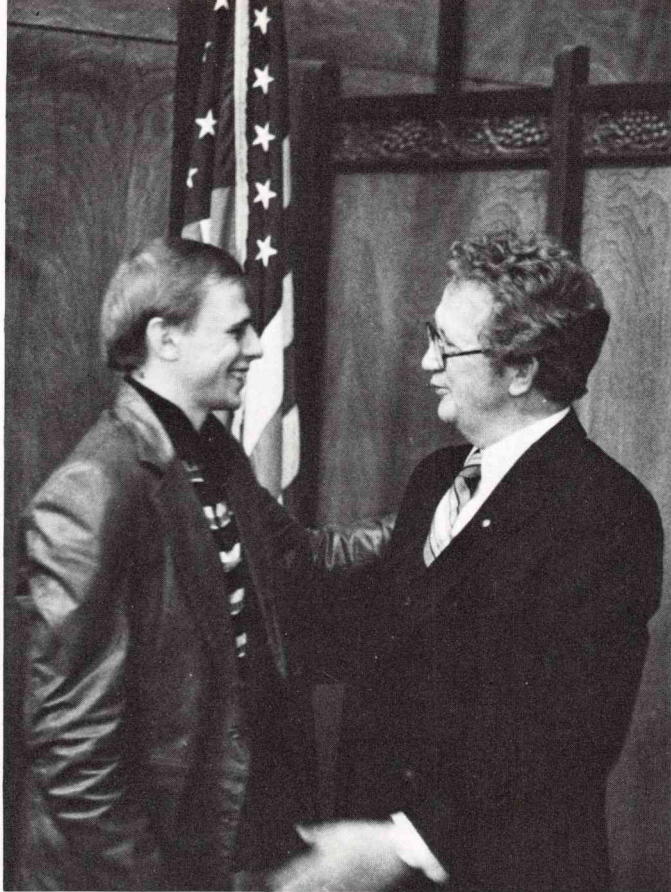

And for a single day prospective students look over the campus faculty, and administration. Knowing that soon they will walk through the hallowed halls of N.C.

Spring Spiritual Emphasis Week

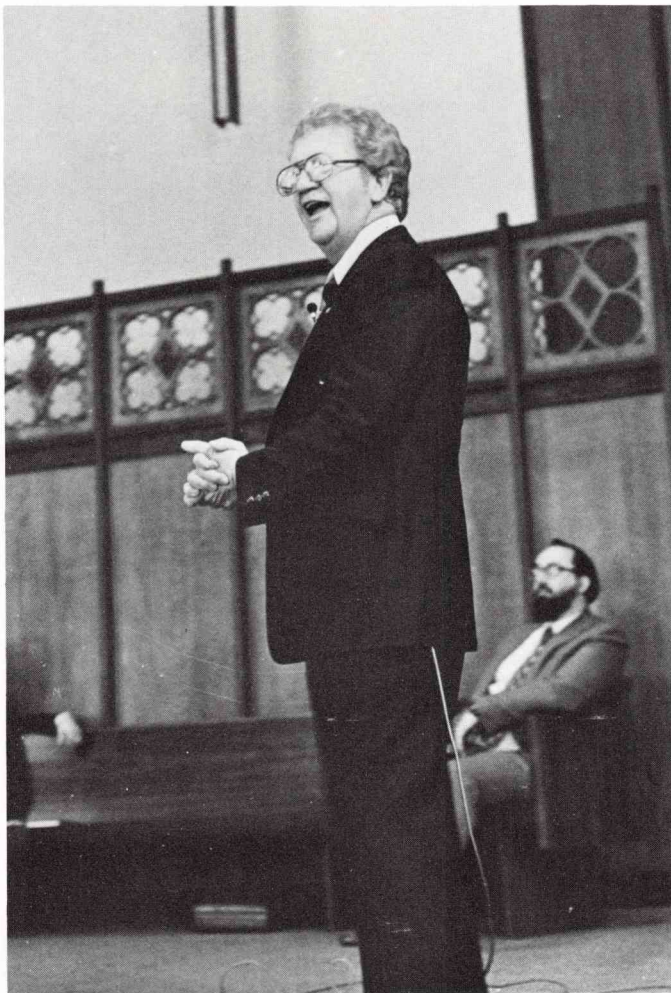

The entire student body was sitting on the edges of their seats. Each and every ear was tuned in on the words of God, which were being presented by Reverend Murray McLees.

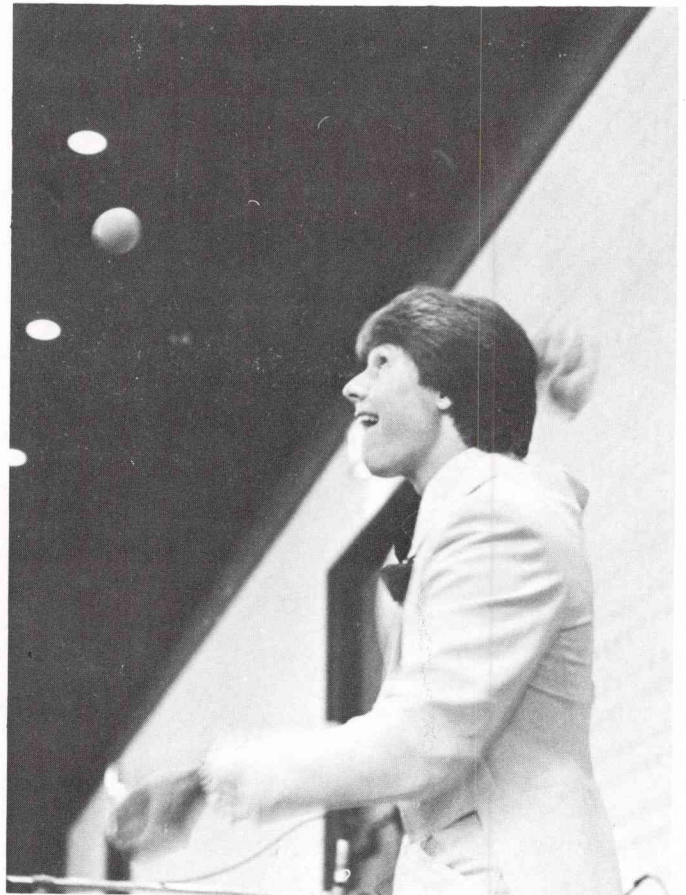

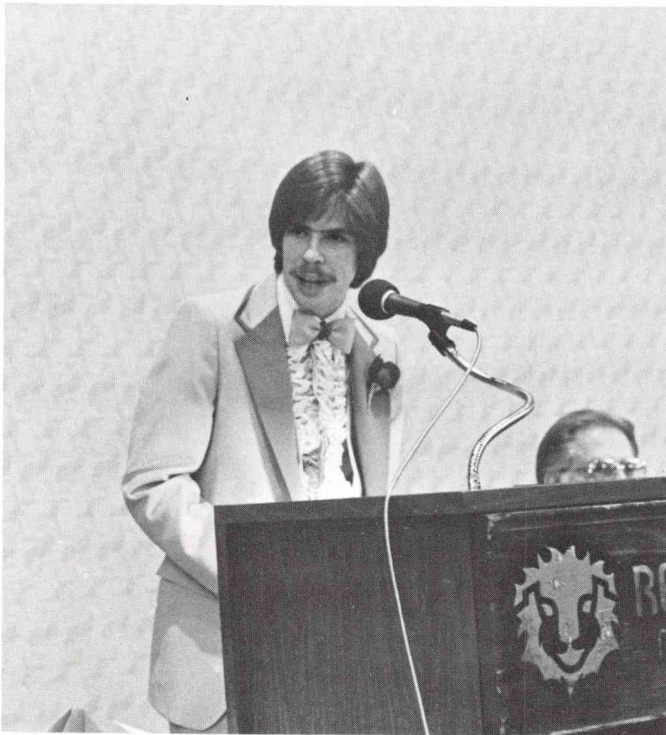

The Rev. McLees hails from Willamete Christian Center in Eugene OR.

Even though Brother McLees is pastoring one of the largest and fastest growing churches in the State of Oregon, he could still communicate with young people, and communicate he did. It may be true that Pastor McLees in a physical sense is not a big man. But when we as students looked at his Spiritual being he was a true giant.

The students here at N.C. Hung onto every word so that we to could become Spiritual Giants.

Spring Banquet - 80

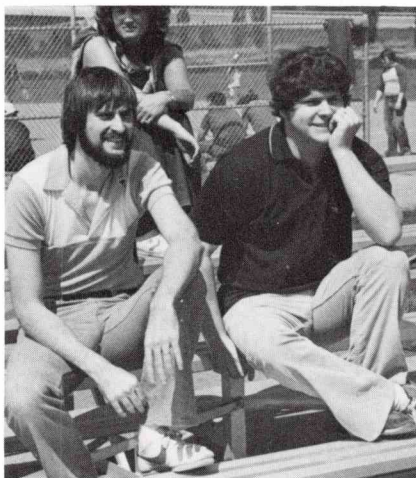

The ties never seemed quite straight and the colors for the dress just didnt seem right. The Northwest College campus was flowing with the anticipation of the formal of the year. Yes, it was time once again for Spring Banquet 1980.

The Red Lion Motor Inn at Sea-Tac Airport was the site for this years banquet.

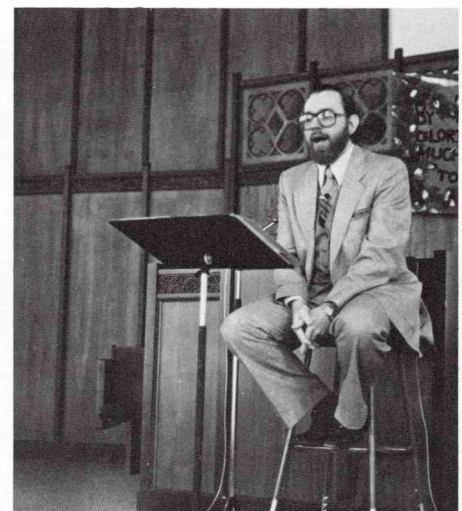

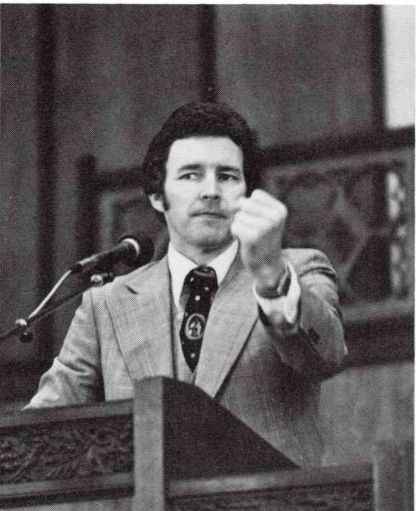

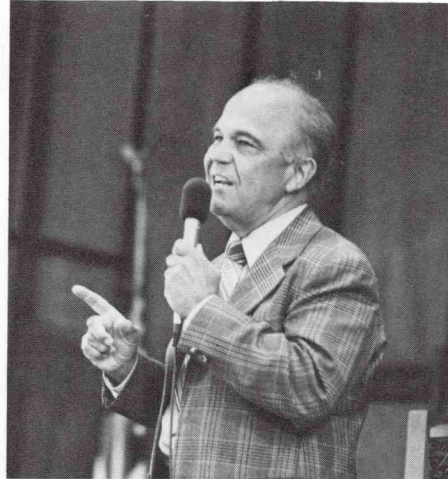

Anticipation filled the banquet room, because the people that had set up this years banquet (mainly Jim Duncan and Jolynn Croft) knew that first impressions were very important. And those impressions were very good. Kelly McDonald, Senior Class President gave his welcome. While guest speaker, singer and songwriter Johnny Fischer gave us a message both in song and testimony. All in all it was a very well planned 1980 Spring Banquet.

Our President

What a joy the light of knowledge brings!

To learn

To change

To grow

To become

The fruit of knowledge rightly applied blesses those who learn ... and those whom the learned touch! In the world of human affairs this is so.

But when it is a knowledge of Him, our risen Lord! When it is a growing awareness of Him and His ways ... His acts ... His Purposes! When it is a knowledge of His unfolding plan for those who follow Him ... and a realization and possession of His promises, what indescribable joys and blessings this brings!

To know His Hope

His Glory

His Power

To Know Him

To see "the light of the knowledge of the glory of God in the face of Jesus" ... to see ... to receive ... to change ... to become like Him as one partakes of His nature ... that's what the Christian life is all about!

To know

To be like Him, and

To be with Him!

as He promised.

That's what the Apostle prayed for himself and for those to whom he ministered.

For its' not just enough to know ... to be enlightened with knowledge.

But, to know Him,

The center of all learning

of all living,

of all Eternity.

It's this enlightenment

That sets free!

That fulfills

His purpose in us!

This is the prayer we pray for the graduates ... for all the students of Northwest—that they may be "enlightened" by His Spirit!

Lay Council

The backbone for Northwest College, the Board of Directors and Lay Council are the driving forces that push an support young people as they prepare for the ministry.

Each year there is a banquet. Not only for fellowship and prayer, but the starting of the annual fundraising drive for campus development.

Let us remember that without the support of the Board of Directors and Lay Council Northwest college would still be a dream.

FALL-80

They came from all corners of the earth, moving into the hallowed pathways of the Northwest College campus. The freshmen and new students will make up more than half of the entire student body.

The freshmen were seeing the world for the first time on their own, while new students were here for a continuation of past educations.

The Welcome included Orientations, Chapel services, a Bonfire and the new student picnic.

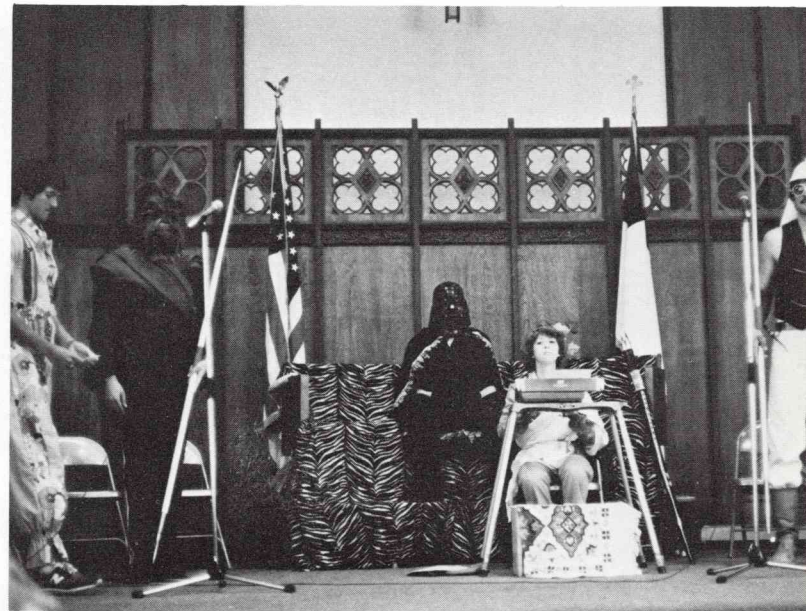

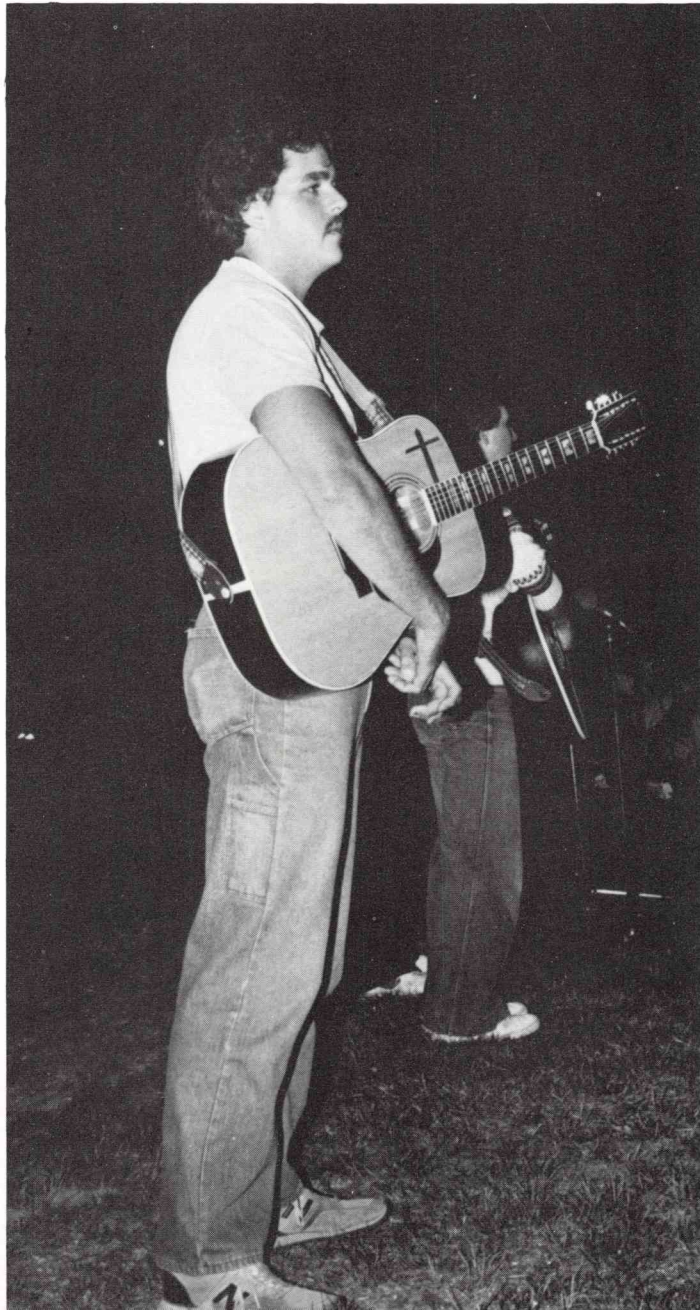

New - Student Welcome

Each was directed in making the new students feel at home in a new environment and different world.

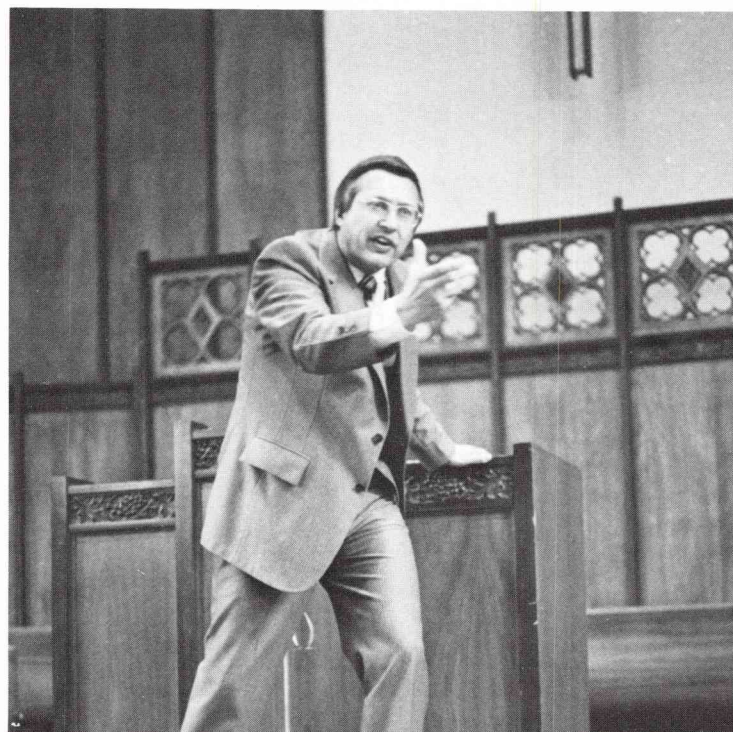

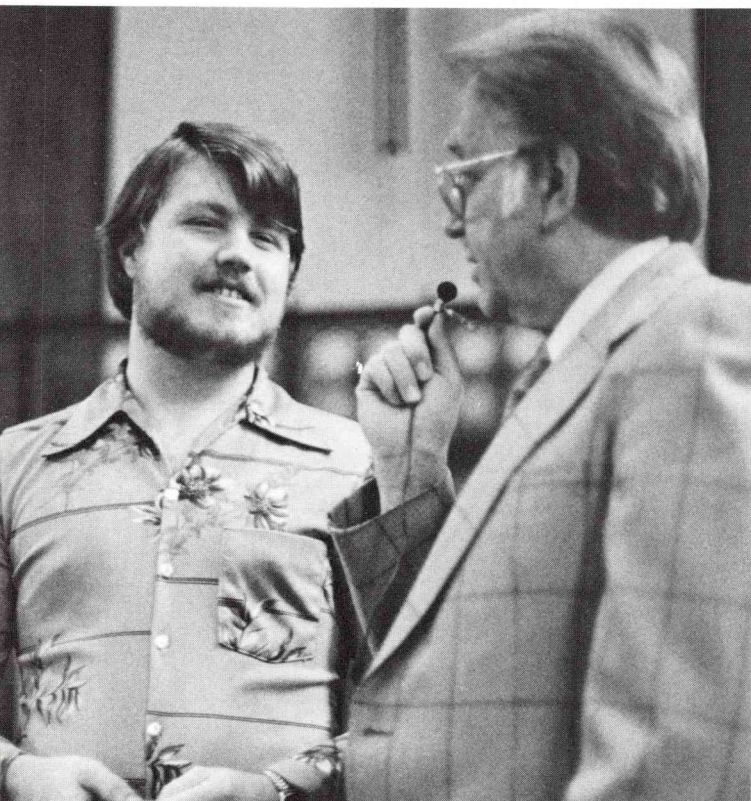

As we look on the new students, we must realize that God has a specific plan for each one.

Fall Spiritual Emphasis Week

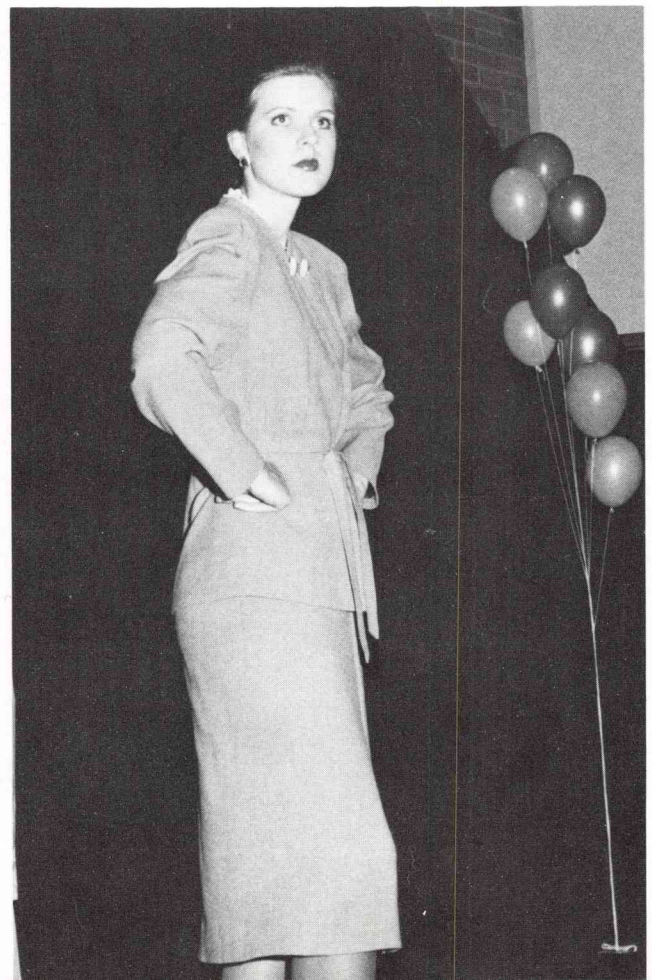

The sidewalks and roads were swarming with students as they made their way the chapel. What could bring about such a massive gathering? None other than the first Spiritual Emphasis Week of the new school year.

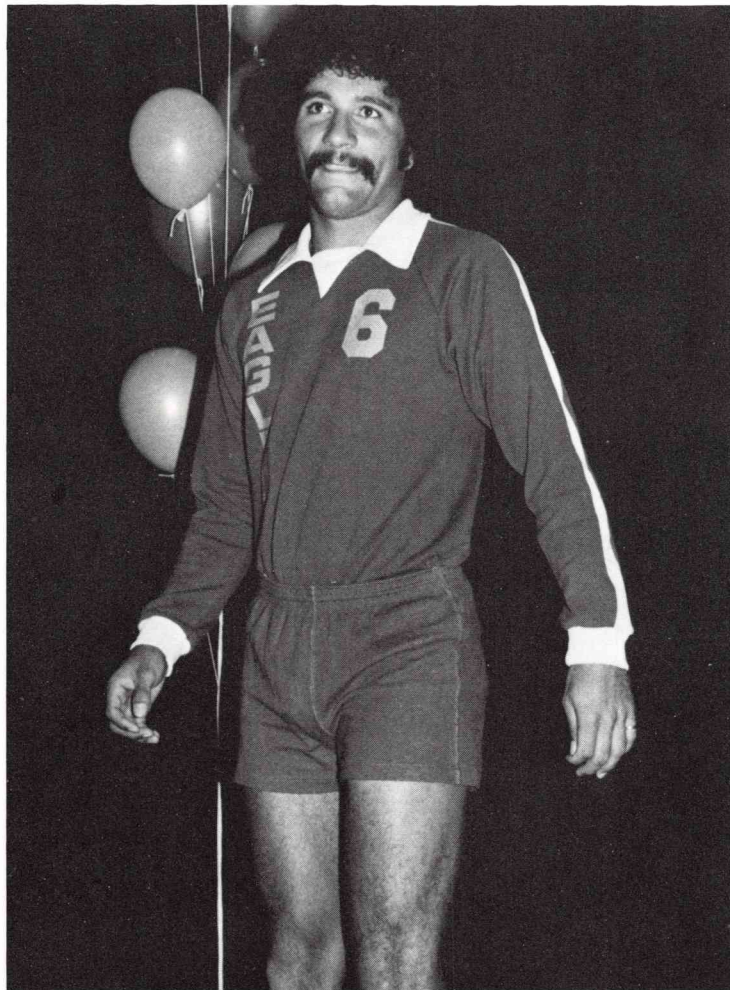

The speaker for this first meeting was the Rev. Denny Davis, from the Peoples church in Salem, Oregon. A Alumni from Northwest college. Rev. Davis spoke on Christian living in terms that we as students could use in every day life and for years to come.

Winter Spiritual Emphasis

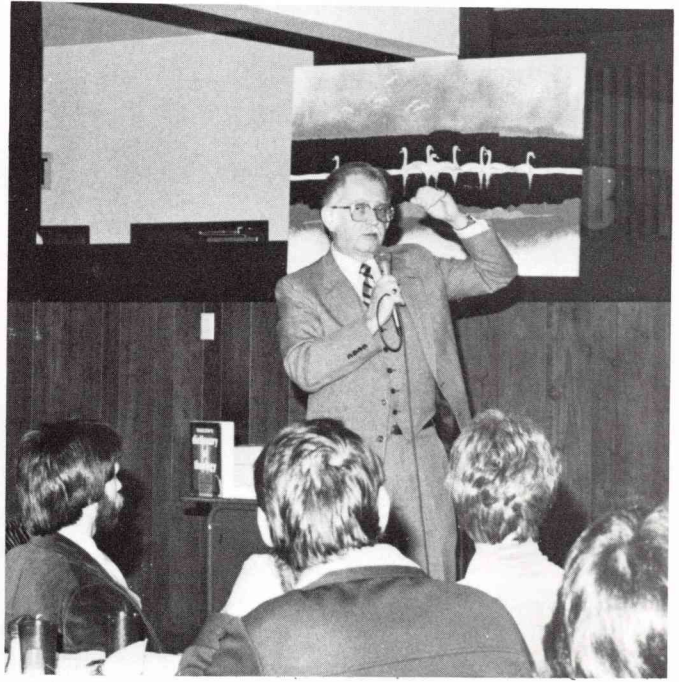

Fall quarter Spiritual Emphasis week guest was Linfield Crowder. One could listen for hours to the messages of this man. A very unique speaker in the sense that he preached exactly what God has ordained him to speak. Every message was direct and could be applied to the immediate future. Rev. Crowder has traveled extensively as an evangelist, his God-given sermons touch the lives of each person that he comes in contact with. Thank You Linfield Crowder, it was truly a great week.

Another year for the Karisma has come and gone, the experience for me has been a growing one, a time that I will not soon forget. There were times when sleep was hard to come by but I did not seem to mind. The task that had been put before me seemed to flow like a stream, but soon I was flowing with that stream, and the stream became a part of me. The time spent was well worth it and each hour enlightened my eyes to what God has planned for each of us here at Northwest college. The following exerpt puts my thoughts into a nutshell . . .

**IN CLEAR DAYLIGHT, SHALL WE SEE
WHERE WALKED THE SINLESS SON
OF GOD; AND AIDED BY NEW
STRENGTH FROM THEE, PRESS ON-
WARD IN THE PATH HE TROD.**

I would like to express my thanks to my staff and especially to our advisor Mrs. Stewart who continued to have faith in me.

PASTOR GEORGE SMITH

The will of God for you ...

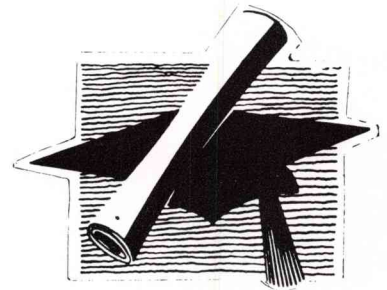

Where does God want me to go? What job should I take?" are questions a lot of dedicated Christian graduates will be agonizing over about now. Interestingly the Bible dwells little on such questions. When the will of God is discussed, it talks rather of what you should be. So our challenge, and prayer, for the Class of '81 : BE the person God wills you to be. The rest will follow.
