Offering

This last week you raised \$480.81, which leaves us with \$2445.88 left to go towards our \$6500 goal! With just four more opportunities to give in Chapel, be prayerfully considering how you can give financially to the cause against human trafficking.

The attached requests from week 11 are prayed over each week by our Revival Prayer team. Stop by the Chapel next Thursday night at 9pm and be a part of praying for our community.

Story of the Week

"My cousin just had her baby about 5 days ago. Doctor's said he was supposed to die in the womb at 3 months into her pregnancy because he was in a bad condition and had a hole in his heart. But, she stuck through it and went into a c-section and the baby was born. When he was born, his breathing was very slow. Doctor's came in and told her that he was a miracle baby. He still had a hole in his heart and the very next day went in to surgery. Thank God that the surgery went well. He's still in the hospital and will be in there for a couple more weeks; the hole is still there and he is connected to a pace-maker. The baby's name is Josiah. My pastor went to visit my cousin and read to her and her husband the story of Josiah from the bible. As she was reading it, the baby would smile! I thought this was just so amazing! It brought me to tears! This is a miracle from God! God helped me realize that life is so short and we shouldn't take it for granted! I live every day like it's my last and to be thankful that I don't have to be fighting for my life every day like this innocent baby has had to be doing since he was born or like other people that are suffering. I just thank God for opening my eyes and helping me appreciate life more and all the blessings that he gives me when I deserve them the least. "
