JESUS

LIFE

President Hurst was working at the headquarters in Springfield, Missouri, one day when the telephone rang. It was the board of trustees calling from Northwest College. They wanted to know if he would come to serve at the College.

Rev. Hurst had always had a strong urge to be in the educational field. His goal was partially fulfilled at both North Central Bible College, and Central Bible College where he had served on the faculties. He accepted the invitation, and came to Northwest.

Today, President Hurst feels that he has more or less reached his goal in life. He has purposed to serve God and to be in God's will. This, for him, includes being in the educational field, especially at Northwest College.

He grew up in a minister's home. In fact, his wife tells us that he cut his teeth on an Assembly of God pew!

Dr. and Mrs. Hurst have been blessed with two children—one of whom attends Northwest—and three dogs.

He has shown himself to be an appreciative and encouraging friend to faculty and students. A talented administrator and speaker, he is the leader of our college.

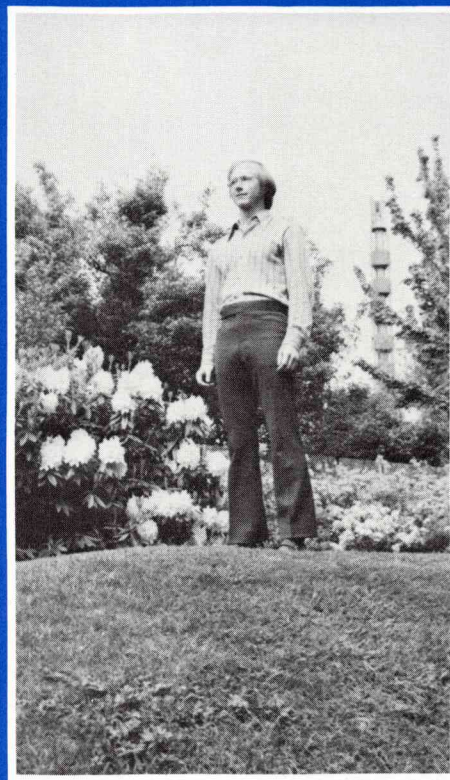

One last comment directed to President Hurst: Aren't you glad you answered the phone on that fine day?

What has Northwest meant to you? Was it just a school to which you belonged to or was it a place where you have grown into a whole person? As you look back upon this year, your time at "good old N.C.," I hope it reflects cherished memories. N.C. this year has been what you've made it. Was it a time of growing, yes if you've grown; a time of learning, yes if you've learned; a time of happiness, yes if you were happy; a time when you helped, yes if you helped someone. Remember N.C. this year was what you made it and that's what you'll always remember.

We can show people around us what God has done for us by our present day life. The outward appearance is just God's frame of what the real picture is. The real you is what you are inside, God's person.

I hope when you look back upon this annual and see your "cute little picture," you'll see someone that's grown in the Lord. Remember those late nights writing that term paper or that splash in the pond, or the passing around of the candle to see who got engaged in the dorm. These were all good times. But I hope you remember those blessed times in Chapel when we worshiped the living God and met Him there daily. I hope you, as a person, are still worshiping the living God and meeting with Him every day.
