

A black and white photograph of a shepherd with a dog herding sheep in a field under a bright sun. The sun is positioned at the top center, creating a lens flare effect. The sheep are scattered across the field, and the shepherd is visible in the middle ground. The overall scene is peaceful and rural.

*Oh What a Holy Night*

*Northwest University*

*Jazz Concert*

*Friday, December 4, 2009, 7:30 p.m.*
