The **Northwest College Alumni Association** is honored to present this fabulous event for the ongoing purpose of building the scholarship endowment fund. These efforts provide scholarships for students who may not otherwise have an opportunity for higher education. At Northwest College, students receive a quality college education in a setting that challenges their *hearts*, trains their *heads*, and engages their *hands*.

The alumni association raised over \$75,000 in 1999 towards a goal of over **\$200,000**. With your participation, we hope to achieve that goal this year.

We are excited to have the AG Foundation as our Title Sponsor for the second year as well as many other great companies and organizations that will join with us. We hope you are one of these companies! The following pages describe various ways of participating. Please, carefully read them and choose one that best matches your company/organizations ability to join this worthy effort.

Please use the enclosed sponsorship registration form for your convenience.

If you have any questions please contact Jim Hill at 425.417.4643.

The event will be at Bear Creek Country Club this year. Below is a description of this great course.

Featuring one of the nations finest layouts, Bear Creek delights players of all skill levels. An architectural masterpiece, the golf course at Bear Creek features 18 distinctively different holes and four sets of tees from which to enjoy each one. From the back tees, Bear Creek is consistently ranked as one of the region's most challenging courses for both professionals and amateurs.

Bear Creek's undulating fairways and contoured greens are strategically protected by more than 100 bunkers and includes water hazards on 11 of the 18 holes. The surrounding forest, lakes and waterways provide picturesque scenery from every hill and turn of this classic Pacific Northwest golf course.
