June 2000

To Northwest Bible College Class of 1970

Dear Alumni Friends:

This is the year..... for your **Thirty Year Class Reunion**. It has been **thirty years** since the Class of 1970 graduated from Northwest College and the class has an opportunity to reunite this year.

Your class can come together during the **Northwest College 2000 Alumni Weekend, September 28-30**. Some wonderful events are being planned, including the dedication of the ***Mark and Huldah Buntain School of Nursing***. There will be several class reunions, an alumni & friends banquet, a prayer breakfast, and other exciting activities at the college. Mrs. Buntain will be the speaker at the School of Nursing dedication and at the alumni and friends banquet.

I am quite sure that your class will want to have a time together **celebrating thirty years** and have the opportunity to meet again to reflect on the Lord's blessings through all those years. **I'm requesting that you consider taking leadership for your class reunion.** **Please contact the alumni office.** We can work together to make your class reunion a delightful time for all. I have included a list of the class members shown on our computer database. If you have any corrections or additions about names or addresses, we would be happy to receive them.

Please think about your reunion opportunity, contact someone in your class and contact the alumni office either by email, phone or writing. We will assist you, work with you and we look forward to hearing from you.

Blessings!

Thora Jean Bulger
Alumni Services Director

***Some added information for you:** I will be retiring from the alumni director position in just a few weeks. I really desire to work with you in getting your reunion planned and positioned in the alumni weekend schedule. My successor will be Mr. Christian Lindbeck, NC graduate, Class of 1996. Christian will begin working with me and joins our office on June 26.*
