

This is the first distribution of a semi-weekly publication of announcements and information for the students and staff of Northwest Bible College. It has two primary purposes: first, to provide a means of making announcements of general significance, and second, to provide a means of giving you information without taking an undue amount of time from the chapel services. The current plans are to distribute these announcements on Tuesday and Friday morning. Any announcement to be included should be left at the reception desk in the Administration Building no later than 8:20 on the day that it is to be included. If it is turned in later than this time it will be included in the next issue if the announcement is still of value.

It is hoped that by furnishing announcements and information in this manner an additional service may be provided for you and that the chapel services may be improved by the deletion of numerous announcements.
