An Accordion Band is being formed. Anyone interested in playing in this band is asked to meet Monday evening in the lounge of the Ladies' Residence at 6:00 p.m. The picture will be taken for the annual at that time. Girls are asked to wear light blouses and dark skirts for the picture.

Practices will be held one evening per week for one hour. Members of the band do not have to be professional--just interested and willing to learn. Anyone who can play is encouraged to attend. The band will be directed by Wanda May.
