Crises! It's time for all Christians to take action! The King County libraries have decided to shelve Madonna's book entitled, "Sex". This will allow an adult or even a child to read and look at explicitly sexual pictures at any time. We need to come against this in prayer and in action. Please take 10 minutes and call the following libraries and tell them that you do not support this decision. If they are opposed enough, they may reconsider. Please, do not delay!
