ARE YOU REGISTERED TO VOTE ?

Each election major decisions are won or lost by our vote or our failure to vote. It is very important that we as Christians do all that we can to speak out for the cause of the gospel. One of the many ways we can do this is by prayfully allowing God to lead us as we vote. So get involved, stand up for God, and vote this year. If you are not already registered to vote in this year's election, you can do so in the library. You must be registered by Friday, October 2, 1992 to be eligible for the November election.
