NORTHWEST PERSPECTIVE

Northwest College is a regionally-accredited, Christian coeducational undergraduate institution offering baccalaureate college education under the control of the Alaska, Montana, Northwest, Southern Idaho, and Wyoming districts of the Assemblies of God. The Oregon district also cooperates in its operation. All these districts are represented on the College's Board of Directors.

Accreditation and Educational Affiliations

Northwest College is accredited by the Northwest Association of Schools and Colleges (regional). The College is endorsed by the Commission on Christian Higher Education of the Assemblies of God and the Association of Christian Schools International.

The College holds membership in the Coalition of Christian Colleges and Universities. The Coalition is committed to cultivating communities of educational excellence in which the Lordship of Jesus Christ is central. Membership in this esteemed association of Christian colleges and universities provides opportunities for personal and professional enrichment for students, faculty, and administrators.

Northwest College is affiliated with the Institute of Holy Land Studies, a division of Jerusalem University College, in Jerusalem. This Institution offers specialized training in the fields of geography, archaeology, the history of the Holy Land, and Judaeo-Christian studies. Credits earned at the Institute are accepted at Northwest College, where applicable. Details may be secured from the Academic Affairs Office.

The College is also approved by the Board of Education and Superintendent of Public Instruction of the State of Washington to prepare elementary and secondary education teachers and recommend for certification. It is a member of the American Association of Colleges for Teacher Education.

The College is approved by the Federal and State Governments for student aid programs and for the training of international students. It is also approved by the State Approving Agency for the training of veterans under the U.S. Code, Title 38, Chapters 30, 31, 32, 34, 35, and Title 10, Chapter 1606 and by Washington State for training in Vocational Rehabilitation. It is listed in the current bulletin, "Accredited Higher Education Institutions," published by the U.S. Office of Education.

History And Location

Northwest College was founded by the Northwest District Council of the Assemblies of God and opened to students on October 1, 1934. The District Presbytery appointed Dr. Henry H. Ness to be the first president. The College was housed in the facilities of Hollywood Temple, Seattle, Washington, for the first twenty-five years of its existence. Dr. C.E. Butterfield succeeded Dr. Ness in 1949, and Dr. D.V. Hurst assumed the presidency in 1966 and served through 1990. He was succeeded by Dennis A. Davis, who served as the fourth president of the college from 1990 - 1998. Dr. Don Argue is the fifth president of Northwest College.

Originally known as Northwest Bible Institute, its institutional name was changed to Northwest Bible College in 1949, and to Northwest College of the Assemblies of God in 1962. Each change represented a stage in its curricular development.

Academically the College progressed from a three- to a four-year curriculum in 1948, and in 1955, a Liberal Arts division was organized. Milestones of academic development and progress were marked by the achievement of professional accreditation by the American Association of Bible Colleges in 1953, and in 1973 by the granting of regional accreditation by the Northwest Association of Schools and Colleges.

In May, 1992, Northwest College became the eighty-fifth college approved for membership in the Coalition for Christian Colleges and Universities, an association of Christcentered colleges and universities of the liberal arts and sciences.

In 1958, the College secured a new thirty-five acre campus in Kirkland, in the greater metropolitan area of Seattle. Since then 21 more acres have been added to make the present fifty-six acre campus. Located at 108th Avenue N.E. and N.E. 53rd Street just ten miles from downtown Seattle, the campus is an ideal setting for study, recreation, and inspiration. The campus is also near to industry and close-at-hand employment opportunities.

Over the years, the College's graduates and former students have engaged in full-time Christian service in professional, business, or vocational occupations in fulfillment of their educational objectives at the College.

COLLEGE MISSION

The mission of Northwest College is to provide, in a distinctly evangelical Christian environment, quality education to prepare students for service and leadership.

The college experience should:

- 1. develop the whole person through general studies integrated with biblical knowledge;
- 2. include professional and vocational skills in the student's preparation for service in the world;
- 3. help to fulfill the Great Commission and to propagate the historic faith of the sponsoring church.

Educational Philosophy

Northwest College's concept of education is distinctively Christian in the evangelical sense. It recognizes the authority of the Bible as a divine communication of truth. It views humanity as having been created by God with intellectual, physical, social, and spiritual potentialities which require development and needs which require fulfillment if the individual is to be a whole person whose life is useful, complete, and satisfying.

As a morally responsible being whose choices and actions determine usefulness to the Creator and to humankind, as well as the ultimate ends of one's existence, the individual has a need to recognize and appreciate righteousness, beauty, and truth wherever one finds them. Education should develop moral, spiritual, intellectual, and aesthetic awareness and values.

As a creature of God, each person is an individual of intrinsic worth and dignity. In a society of free persons it is essential that each learn to respect humankind and understand their views while maintaining one's own integrity. The individual must have knowledge of one's culture and of self, in order to solve the complex problems of modern life.

Northwest has a commitment to truth and believes that all areas of true knowledge are ultimately compatible. The accumulative experience of humankind has resulted in a residue of tested wisdom and knowledge communicated. True knowledge may be discovered, too, through the careful and reverent scientific scrutiny of nature and of humanity. Neither the past nor the present has a monopoly on truth.

Educational Goals

In view of its distinctive philosophy, Northwest College seeks to provide education which will introduce the student to the organized fields of learning and will acquaint one with the Christian theistic view of the world and of humanity and one's culture. Such an education is intended to develop the whole person in a balanced and useful manner.

Since Northwest believes that responsible actions in the present are dependent in part upon knowledge of humanity's past experience, it seeks to communicate to the student what may be known of people's cultural heritage. It seeks to impart knowledge, stimulate awareness, and develop appreciations.

Northwest seeks to cultivate Christian character in its students. It offers a core of biblical and theological studies as the foundation for faith, practice, and spiritual maturation. It desires that each student shall maintain a right relationship to God and to humanity, and be prepared to act responsibly and maturely in contemporary society.

Northwest is concerned with the intellectual development of its students. It desires that its students will learn to evaluate and use knowledge, so that they can continue to make new discoveries throughout life.

Northwest recognizes that people are social beings and that they are debtors to society; no one stands alone or exists without purpose. It seeks to awaken social understanding and concern and to motivate its students to commit their lives to worthy goals of service to God and humanity. At the same time it endeavors to stimulate in its students a social and moral perceptiveness that will make them worthy and constructive critics of contemporary society.

Northwest realizes the importance of physical and mental fitness, and encourages its students to participate in healthful activities and to develop habits which will contribute to their physical well being. It seeks to give them a better understanding of humanity's biological and psychological constitution.

Community Affirmation Statement

Northwest seeks to relate biblical Christianity to every area of life, both on and off campus: to academic disciplines, to co- and extracurricular activities, in the residence halls, in the local community, and in one's personal life. It assumes that all members of the Northwest community desire meaningful involvement in the process of Christian higher education as they seek to express their faith in the context of an Assemblies of God college. Faculty and staff members commit themselves to be facilitators and learners in this educational endeavor. Students, by enrolling, join with them in accepting the responsibilities of membership in this community.

Northwest Perspective

Northwest Perspective

Since Northwest holds that the Scripture is the infallible rule for faith and conduct, the Bible will always be the authority in all matters pertaining to personal and corporate behavior. The College believes that its statement of faith and its statement of principles regarding behavior find their basis in the Bible. This affirmation attempts to provide a means to understanding the nature of this community of believing learners and to encourage a sincere commitment to it.

We affirm the Lordship of Christ over all of life and thought; our responsibility to love God with all our being and neighbor as ourselves; our obligation to seek righteousness, to practice justice in all situations, and to express mercy to all; our need to exercise Christian freedom responsibly and lovingly and our dependence on the empowering of the Holy Spirit if we are to faithfully fulfill what God requires.

We affirm the biblical description of attitudes and behavior unfitting for a Christian: "The acts of the sinful nature are obvious: sexual immorality, impurity and debauchery, idolatry and witchcraft, hatred, discord, jealousy, fits of rage, selfish ambition, dissensions, factions and envy, drunkenness, orgies, and the like" (Gal. 5:19-21a, NIV). Through the help of the Holy Spirit we strive to allow none of these to be part of our behavior. We affirm also the biblical description of attitudes and behavior fitting for a Christian: "But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control" (Gal. 5:22-23a, NIV). We seek to maintain a vital relationship with the Spirit so that such attitudes and behavior will be evident among us. We seek to follow Christ's example of unselfish love in our actions, attitudes, and relationships.

We strive to maintain stewardship of body, mind, time, abilities, and resources. We strive to integrate corporate worship, personal faith, and intellectual growth. Attendance of the College chapel services and faithful attendance and support of a local church are integral parts of that process.

Northwest recognizes that not all believers share the same standards in matters of behavior the Bible does not specifically address. As members of <u>this</u> community, however, we also recognize the importance of respecting the values and goals of the College and will, therefore, seek to conduct ourselves in a manner that will bring only credit to the gospel and to Northwest. Since we are also part of the larger society, and in order to "let our light shine out" we will strive to maintain good community relations in respect to governing authorities, social activities, and business dealings.

This affirmation provides a positive and constructive framework to aid one's personal development and for ongoing relationships with all other members of this community. We join with each other as we seek to live out this affirmation in a spirit of unity and openness, of helpfulness and caring.

Statement of Faith

- We believe there is one God, eternally triune as Father, Son, and Holy Spirit; who is Creator and Sustainer of the universe and of mankind, the Savior and Judge of all.
- We believe the Bible is God's written word, inspired by the Holy Spirit and thus infallible in all its statements.
- We believe God has completely, with finality, and infallibly revealed Himself in His son, Jesus Christ, the living Word, who was both fully God and fully man.
- We believe in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His literal return to this earth to establish His millennial kingdom.
- We believe the Holy Spirit indwells all who put their trust in Jesus Christ as Savior and Lord, and that through them He demonstrates in the present world the powers of the age to come.
- We believe the experience of the baptism of the Holy Spirit is for all believers today and is accompanied by the spiritual manifestation of speaking in other tongues.
- We believe mankind exists in a state of sin, which involves moral and spiritual separation from God, but that through repentance and faith they can experience restoration to God in which God declares them free from guilt and gives them eternal life.
- We believe the restored person will seek to demonstrate his love for God by a life of obedience and holiness.
- We believe there is one true and universal church embracing all true believers of all ages.
- We believe in the resurrection of the righteous to eternal fellowship with God and of the unrighteous to eternal separation from God.

Reconciliation Statement

Whereas we believe that:

every person, regardless of ability, age, gender, race, ethnicity, or religion shares equally in the image of God;

all are sinners and that we equally partake of the consequences of sin;

Jesus Christ died for all and that we equally have access to redemption;

Northwest Perspective

12 Northwest Perspective

Northwest Perspective

God is sovereign and that He calls into His service whomever He chooses and that He gifts and equips those He calls in order that they might accomplish that calling;

there is hope for all believers for fellowship with the Lord and with each other presently in His Church and in His coming Kingdom.

Be it resolved that:

we, as members of the Northwest College community, desire the equality of opportunity and respect that results from true Christian community where we cherish unity in diversity and practice mutual support as evidence of God's presence, by His Holy Spirit, in us;

we seek forgiveness for all attitudes, language, and actions that have intentionally or unintentionally contributed to discrimination regarding race, ethnicity, gender, physical ability, and age within the Northwest College community and within the society in which God has placed us;

we pledge not to engage intentionally in any act that would result in unlawful discrimination against any person, or group of persons, based upon race, ethnicity, gender, physical ability or age;

we pledge to engage our College community in activities and communications that will develop greater awareness and sensitivity to interpersonal intolerances that would be considered unacceptable by biblical teachings and would lead to tolerance that is reflective of God's character;

we further pledge to develop ongoing formal and informal opportunities to facilitate the process of reconciliation of God-honoring relationships among all people, based upon the clear call of God through the Scriptures;

we commit ourselves to dialogue, study, and affirming initiatives and actions designed to enable us to bear one anothers' burdens and rejoice in the privilege of fulfilling the law of Christ.

Campus and Buildings

The campus is a semi-wooded tract of fifty-six acres overlooking Lake Washington and the city of Seattle. A view of the snow-clad Olympics graces the skyline to the west.

Twenty buildings are located on the campus. The administrative offices are housed in the Dennis A. Davis Administrative Center on 108th Avenue at the northwest corner of the campus. Many faculty offices and classrooms are found in the Ness Academic Center comprised of Bronson, Rice, Fee, and Williams Halls.

Williams Hall houses lecture rooms, laboratories, and storage space to support courses offered in chemistry, physical science, mathematics, and biological sciences. Addi-

tional classrooms and faculty offices are located in Fee Hall which is adjacent to Williams Hall.

The Butterfield Chapel and Amundsen Music Center are situated at the southeast sector overlooking the heart of the campus. Butterfield Chapel provides a spacious and worship-centered setting for the College's daily chapel services. It also contains the classrooms, rehearsal rooms, studios, and practice rooms of the Amundsen Music Center.

Clustered around the center of the campus is Millard Hall, Pecota Student Center, and D.V. Hurst Library. Millard Hall contains classrooms, offices, and an auditorium to accommodate lectures and special events. The Pecota Student Center houses student body offices, a snack bar, the College bookstore, a recreation area, and the College radio station.

Hurst Library holdings exceed 100,000 cataloged items and additions are made each year. Over 600 periodical titles are regularly received. In order to aid students in the field of education, a curriculum library is maintained. The ground floor of the Library contains the LEAP Degree Completion Program, a computer laboratory, classroom space, and faculty offices. The Librarian is a member of the American Library Association and the Association of Christian Librarians.

Northwest Pavilion provides gymnasium facilities for physical education instruction, recreation, varsity and intramural sports, and special convocations requiring seating for up to 1,000 persons.

Two large residence hall complexes provide housing for single students: the Crowder-Guy-Perks Residence Halls for women and the Gray-Beatty Residence Halls for men. The cafeteria is located near the residence halls. "The Firs" (McLaughlin, Carlson, and Hodges) overlook the campus from the east. The seventy-eight apartment complex is for married students. Some of these apartments are two bedrooms with two baths for families. A small play area is available for children.

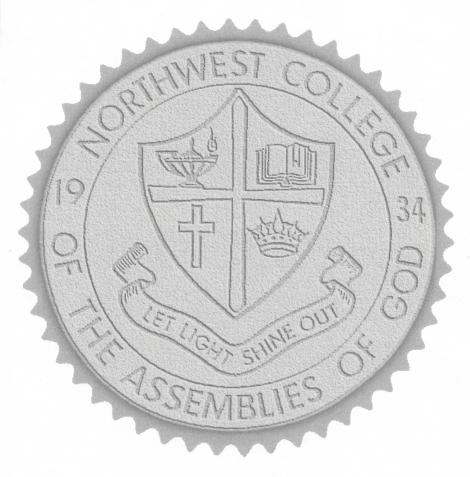

Northwest College enjoys a unique relationship with the Seattle Seahawks since their professional football training facility is located on the College campus. Among the benefits to the College is the student use of a beautiful astro-turf athletic field, covered by a "bubble" in inclement weather, and interaction with Christian athletes who are part of the Seahawks organization.

Northwest Perspective

The institutional seal of Northwest College embodies in the symbol the history, character, and purpose of the College.

It contains nine elements: The legal name of the institution; its year of founding; the Shield of Faith (Ephesians 6:16); the centrality of the Cross denoting the College's message to the world; the Lamp of Learning and open Bible denoting the foundational premise on which its total learning program is based; the small cross and crown denoting temporal and eternal aspects of the Christian life; and underlying the crest is a ribbon on which are inscribed the first words of the College Alma Mater, "Let Light Shine Out," denoting the historical purpose of the College realized in and through its student graduates who carry the gospel of Christ to the ends of the earth as laypersons and full-time Christian workers.

Academic Structure

Northwest's academic programs are structured under three divisions: Arts and Sciences, Education, and Religious and Ministerial Studies. Each division is administered by a Dean and is responsible for its various programs and course offerings, as well as those students assigned by virtue of their major. The academic programs offered by each division are listed below:

Bachelor of Arts degrees are generally constructed based upon three important segments: General College Requirements, the Major, and General Electives. Usually, the first two years of a student's program concentrate upon the General College Requirements, although some majors have introductory courses during these years. Once this foundation is established, the final two years of study concentrate upon the major's requirements.

GENERAL COLLEGE REQUIREMENTS (GCRs) 50-53 CREDITS *

The purposes of the General College Requirements are to introduce students to the broad categories of knowledge, provide concepts and skills foundational to their further studies, and help them achieve the College's Educational Goals of understanding and appreciating their world and relating their own lives to it. The College considers these requirements basic and foundational to its baccalaureate majors. Because of special needs, some majors have more prescriptive specifications for General College Requirements.

Except where otherwise indicated, courses cannot count for both the General College Requirements and the major or minor requirements.

Students who have completed the General College Requirements should be able to:

- 1. communicate effectively in English speech and writing, including research writing;
- 2. understand and appreciate the value of fine arts for recreation, worship, or service;
- 3. understand how human culture is shaped through language and literature;
- 4. understand the techniques of discovery employed by science;
- 5. understand the nature of the contributions made by the social sciences;
- 6. cultivate a Christian worldview supported by basic biblical and theological knowledge; and
- 7. engage in critical thinking and quantitative reasoning.

* Some majors may specify up to 53 credits.

DIVISIONOF ARTS &SCIENCES

LET LIGHT.

DIVISION OF ARTS AND SCIENCES

Arts & Sciences

Divisional Dean: C. David Elmes

The Division of Arts and Sciences includes subject matter in the behavioral and social sciences, business, humanities, natural sciences, and mathematics. Students can receive instruction in the communication skills necessary for effective writing and speaking in the English language and in reading, speaking, and writing in modern foreign languages. They can develop understanding and appreciation for literature and the fine arts, and cultivate their skills in those disciplines. They can become acquainted with past and present social forces which shape their community, in order to better understand people and exert a positive influence upon society. They can gain enhanced appreciation of God's workmanship in the physical universe, and some basic understandings of the methods of science.

Divisional Objectives

The Division of Arts and Sciences builds upon the College's Educational Goals and the General College Requirements objectives. Students may choose one of the several majors leading to the four-year Bachelor of Arts degree, or one of the options leading to the two-year Associate in Arts degree. The specific objectives of the majors or options are listed along with their descriptions in the following pages.

The Bachelor of Arts programs instruct students in the specific skills and knowledge needed to develop successful career capabilities. Graduates should be able to integrate a Christian worldview into the practices of the careers emerging from their studies, make practical applications of theoretical foundations and principles, seek out sources for research and continuing development, and engage in lifelong learning.

The Associate in Arts provides preparatory work for transfer into other degree programs, or serves as a terminal degree for students desiring only two years of college. Associate in Arts students complete the General College Requirements and select additional course work to fulfill their own particular purposes. Success is expected in meeting the General College Requirements objectives and in the continuation of studies at transfer institutions.

BIBLICAL STUDIES CORE

As a foundation for lifelong Christian character and service, this core seeks to enable the student to grow in biblical knowledge, in understanding Assemblies of God doctrines, and in spiritual maturity.

Arts & Sciences

The student will take a minimum of 18 credits of Bible and Theology. These credits must include BIBL 1013 Exploring the Bible, THEO 1213 Christian Doctrine, either BIBL 1613 Methods of Bible Study or BIBL 2623 Principles of Biblical Interpretation, at least one 2000-level Old Testament and one 2000-level New Testament course, and at least one elective in Bible or Theology (some majors may specify the elective). It is strongly recommended that BIBL 2313 Acts and the Expansion of the Church or THEO 2503 Pentecostal (A/G) Doctrines be included in the courses chosen.

Students planning to seek ministerial credentials are advised to consult the credentialing body of their denomination in order to select course offerings that meet the ecclesiastical requirements.

SECOND MAJOR IN BIBLICAL STUDIES

The 30 credit Religious and Ministerial Biblical Studies Core may be considered a second major by students who are taking a major that does not require a minor. Those students have the option of declaring on their transcript a major in Biblical Studies as well as their professional major.

BUSINESS MANAGEMENT AND ADMINISTRATION MAJOR

Coordinating Professor: David Stoops

The major in Business Management and Administration is designed to prepare competent individuals who can perform managerial functions in the public and private sectors. The focus of the curriculum provides an educational experience for students who seek leadership positions in the business and professional world, and in various business ministries within the church and in church-related, service-oriented institutions. The Christian value system and perspective, particularly as it relates to the modern business environment, will be integrated throughout the academic program.

In addition to achieving the general goals of the College and of the Division, completing this major provides learning opportunities which enable the student to:

- 1. understand and apply principles of management and business administration, finance, analytical accounting, marketing, and business law;
- 2. become aware of oneself as a Christian leader and a manager; and of others, such as superiors, associates, and subordinates in the midst of a decision-making and problem-solving environment;
- 3. demonstrate professional management skills required for effective leadership in business and church organizational environments; and
- 4. identify, apply, and evaluate ethical standards in settings which encourage economy and effectiveness in thought and deed.

ECOINTENSIVE BIOLOGY MAJOR

Coordinating Professor: William Randolph

The major in ecointensive biology is designed for individuals who intend to use their scientific knowledge to assist those in underdeveloped areas of our country and of the world. The foundational base of the curriculum provides a broad exposure knowledge and experience in the life sciences. The elective component in conjunction with personal advising allows the individual to target the specific applicational focus.

In addition to achieving the general goals of the College and the Division, completing this major provides learning opportunities which enable the student to understand and apply objectives of the Applied Science Center, specifically to:

- 1. develop and apply ecointensive nutritional and microeconomic technology for those in underdeveloped areas of America and of the world. (Ecointensive means a technology that provides high production of vegetable, fruit, and animal matter for the purpose of providing human nutritional essentials. Ecointensive usually includes the analysis and revitalization of severely damaged soils, waters, and ecosystems.);
- develop sensitivity to human nutritional deficits, cultural diversities, and facilitate interpersonal adjustments needed for crosscultural living and service; and to gain a deeper understanding of all human needs through involvement of ASC students and personnel in ecointensive projects around the world;
- 3. develop and train in nutritional supplementation in such a manner as to assist the economic, educational, and spiritual revitalization of people suffering famine, chronic malnutrition, and economic insufficiency that denies them physical and mental security;
- 4. form networking relationships with national and international agencies, schools, colleges, seminaries, students, and professionals, to expedite crosscultural and technically valid interactions; and
- 5. identify, develop, and share with others skills which facilitate the dissemination of professional ecointensive services, particularly to those least able to afford them.

Course Sequence

Arts & Sciences

Several factors guide the sequence of courses for this major. The sequential nature of many of the required science courses mandates that the student work very closely with the science advisor. Chemistry, mathematics and the General College Requirements are foundational and often contain prerequisites and corequisites that must be taken as early as possible in one's academic program or simultaneously with other courses. Additionally, some major courses may be offered only in alternate years. Also to keep in mind is that the electives chosen by the student that are critical to this major also may be offered periodically or may have prerequisites or corequisites themselves. All these factors emphasize the importance of close student - advisor communication and relationship in course selection and course sequencing.

INTERDISCIPLINARY STUDIES MAJOR

Coordinating Professor: LeRoy D. Johnson

The Interdisciplinary Studies major provides students with the opportunity to explore a broad range of knowledge from a biblical world view. Areas of study include foreign languages, English (including TESL studies) and literature, communication, history and political science, philosophy, and religion. This degree equips students who feel called to careers other than vocational ministry. The comprehensive nature of the major may also help students prepare for graduate studies in a chosen field of interest.

In addition to achieving the general goals of the College, completing this major provides learning opportunities which enable the students to:

- 1. demonstrate proficiency in oral and written communication skills;
- 2. reason and think critically;
- 3. evaluate, integrate, and apply knowledge from a biblical world view; and
- 4. apply strategies for lifelong learning.

The Interdisciplinary Studies major is comprised of these components:

General College Requirements	53 credits
Biblical Studies Core	12 credits
Major (core courses)	45 credits
Electives (any area of study)	15 credits

The Interdisciplinary Studies core consists of 45 credits in the breadth of disciplines of the liberal arts. Students must select one of two tracks in pursuing this degree. In either of the tracks at least 20 credits must be from upper division classes. Courses taken within the major cannot duplicate courses taken in the General College Requirements.

COURSE SEQUENCE

Courses to be taken in the freshman and sophomore years are the same as the General College Requirements for all majors at Northwest College.

Arts & Sciences

The course sequence for the junior and senior years will depend upon the student's interests. The student and his/her advisor will work together to design a sequence of study that fulfills the requirements of the Interdisciplinary Studies major. Students are advised to use their 15 credits of electives to strengthen their interdisciplinary studies.

ORGANIZATIONAL MANAGEMENT MAJOR

Director: James Stewart

LEAP (Leadership Education for Adult Professionals) offers the major in Organizational Management. This program is designed to allow adult professionals to complete their degrees while remaining in their career. Since many adults desire to complete their degree but are unable to attend classes during regular class hours, the LEAP program courses are offered during nontraditional hours. A cohort of 15-24 students completes the major and nine credits of Bible / theology courses through an accelerated format.

The Organizational Management major is designed to assist individuals who are in a broad variety of professional arenas by ensuring that program graduates can:

- 1. communicate effectively in a variety of interpersonal and organizational settings;
- 2. demonstrate understanding of ways that individuals and groups influence organizational behavior;
- 3. understand and demonstrate management theories, principles, processes and skills;
- 4. comprehend and can apply components of human resource planning, personnel selection, motivation and evaluation as these factors affect organizations;
- 5. understand and have analyzed principal decision-making resources that leaders use in organizational management;
- 6. have developed an understanding of the components of the research process which allows them to integrate, synthesize, and apply knowledge;
- 7. understand and appreciate the significance of self-esteem;
- 8. communicate an understanding of ethics in a world-view context and are able to apply ethical decision-making in organizations; and
- 9. possess lifelong learning attitudes and skills.

Contact the LEAP Degree Completion Program office for additional information.

PSYCHOLOGY MAJOR

Coordinating Professor: William Herkelrath

Arts & Sciences

The Psychology Major attempts to illuminate our understanding of people in light of a distinctive Christian world view. Utilizing a broad humanities based approach, this major provides the student with a sound social science foundation from which to understand the individual in his/her environment. Special emphasis is placed upon researching biological, environmental, and social issues and their interrelationship with individual and group functioning in developing populations.

Psychology is a viable major for students:

- seeking to pursue professional studies in psychology in preparation for careers as psychologists;
- seeking careers as counselors, social workers, and therapists;
- seeking to pursue professional studies or careers in government (state department, elected office, etc.), criminal justice, or military vocations;

GENERAL ELECTIVES (14 CREDITS)

Arts & Sciences

DIVISION OF ARTS AND SCIENCES ASSOCIATE IN ARTS DEGREES

Coordinating Professor: William Randolph

The Associate in Arts degree is awarded for the successful completion of a two-year program which includes the major components of the fifty hours of the General College Requirements. Its shorter curriculum concentrates on subject matter which is general or vocational. There are two options available.

GENERAL STUDIES ASSOCIATE IN ARTS

(62 credits)

Completion of the General Studies Associate in Arts allows students to:

- 1. experience two years of foundational courses in community with other Christian students and teachers as part of their life preparation;
- 2. emphasize a subject area of particular interest through judicious choice of elective courses;
- 3. achieve the objectives of the General College Requirements; and
- 4. complete two years of general and introductory courses.

Students intending to transfer with this degree need to work closely with their advisor and the Northwest College Registrar's Office as different colleges have different requirements. While completion of this degree does not guarantee admission to another college or university, it helps to insure that a proper distribution of courses has been taken prior to transfer.

HEALTH SCIENCE ASSOCIATE IN ARTS

(63 credits)

The Health Science A.A. allows students to:

- 1. complete two years of general and introductory courses for the purpose of transfer to another institution;
- 2. achieve the objectives of the General College Requirements.

In this program students engage in introductory studies for the purpose of transferring to an institution which provides the finishing studies in nursing or other health-related fields. This degree does not guarantee acceptance into such programs, and students should make every effort to conform their course selections here to specific program requirements of their intended transfer institutions. They need to work closely with the College faculty monitoring the option, with the Northwest College Registrar's Office, and with the representatives of the institution to which they will transfer.

HISTORY

History is a desirable foundation for various courses of study in college as well as for life. Persons with a greater understanding of history have a larger perspective from which to view events of their own times. A History minor consists of 16 semester hours in history, excluding the three-credit General College Requirement and any major requirements. At least six hours must be upper division level and must include course work from both history and church history.

COALITION FOR CHRISTIAN COLLEGES AND UNIVERSITIES

ACADEMIC PROGRAMS

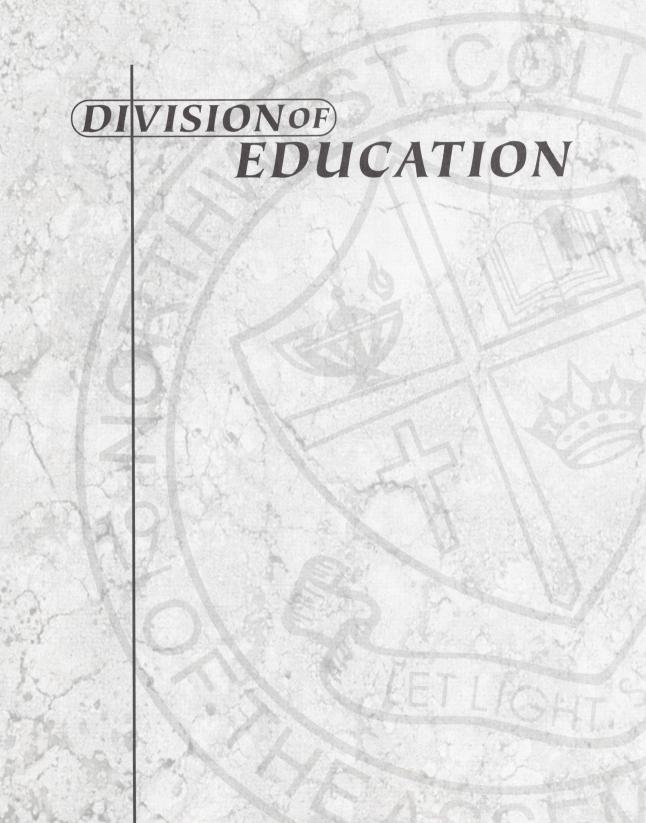

Northwest College is a member of the Coalition for Christian Colleges and Universities, an association of more than 90 private liberal arts Christian colleges and universities. Through the Coalition, a number of off-campus learning opportunities exist. These include an American Studies Program in Washington, D.C., a Latin American Studies Program in Costa Rica, the Los Angeles Film Studies Center, a Middle East Studies Program in Egypt, a Russian Studies Program, an environmental studies program, and a summer study program at the University of Oxford. Descriptions of these offerings are listed in the Courses of Instruction under Interdisciplinary Studies.

Engineering: For those students desiring to major in engineering, courses in mathematics, science, humanities, social science, and religion may be taken at Northwest College. Then students may transfer to one of the following Coalition colleges or universities which offer bachelor degrees in engineering:

Calvin College * (Grand Rapids, MI 49546) Cedarville College (Cedarville, OH 45314) Dordt College * (Sioux Center, IA 51250) Geneva College (Beaver Falls, PA 15010-2599) John Brown University (Siloam Springs, AR 72761) LeTourneau University * (Longview, TX 75607) Messiah College (Grantham, PA 17027) Olivet Nazarene University (Kanakee, IL 60901) Seattle Pacific University * (Seattle, WA 98119)

> * These schools have programs accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology.

Contact the Vice President for Academic Affairs for more information. Students also may contact the engineering departments of the Coalition colleges or universities listed above. A student wishing to pursue the engineering degree must work in conjunction with the receiving school to assure the most advantageous transfer possible.

DIVISION OF EDUCATION

Divisional Dean: Richard Blue

Northwest College is committed to graduating men and women who will have an understanding of Christian philosophy as related to the teaching profession. The majors in the Education program lead to a four year Bachelor of Arts degree designed to prepare students for initial certification by the State of Washington. This certification qualifies the student to teach in public and private schools.

Students make formal application for admission to the Education program following the completion of Phase I studies in the professional education sequence. The Division of Education Handbook specifies all written policies and procedures which must be met prior to admission to the Education program.

Students who successfully complete the teacher preparation program are awarded a Bachelor of Arts degree. Each student must select a major from the 36 credit subject area endorsements (SAE) listed below (if the Elementary Education SAE is selected, at least one additional 20 credit SAE must also be selected):

Subject Area Endorsement Majors (36 semester credits)

Details listed on pages 62-66 Biology, 4-12 Choral Music, K-12 Elementary Education, K-8 (additional credits required, details listed on page 57) English, 4-12 English as a Second Language, K-12 History/Social Studies, 4-12 Psychology, 4-12

Subject Area Endorsement Minors (20 semester credits)

Details listed on pages 67-69 Biology, 4-12 Choral Music, K-12 English, 4-12 ** English as a Second Language, K-12 History, 4-12 ** Psychology, 4-12 ** Speech, 4-12

** These SAEs are currently available, for secondary students seeking an additional SAE or for elementary student who have already completed one 20 credit SAE, at the state minimum credit requirement of 16 semester credits.

Education

Admission Criteria Summary

Some of the essential criteria follow:

- Demonstrate competence in Oral and Written Communication, Reading and Computation;
- Maintain a cumulative GPA of 3.00 for all college or university work;

Education

- Complete Phase I requirements and select General College Requirements as specified by the Program, and obtain a favorable recommendation from the Phase I faculty team;
- Achieve a specified competency level as determined by the Education faculty in spelling and computer literacy;
- Obtain a satisfactory assessment of the student's potential for success as a teacher by faculty and professionals based upon an interview, a written self-analysis, and the student's previous academic work;
- (Transfer students) Complete the same requirements for admission to the Education program as incoming freshmen. (Admission to the College does not guarantee admission to the Education program. Questions regarding transfer status and admission to the program will be handled by the Dean of Education.)

Washington State Teacher Certification

Certification is granted by the Superintendent of Public Instruction. Included is a moral fitness test. Students seeking admittance to the program must be aware that if they have a prison record or have been convicted of a serious crime, they may not be granted certification by the State. The individual is advised to speak with the Dean of Education if they need clarification in this matter. All students who complete a program in the Division of Education will take the General College Requirements, the Biblical Studies Core, Professional Studies in Education, and at least one Subject Area Endorsement. Careful planning is essential to complete course work and other requirements in their proper sequence. No additional course work is to be taken during the student teaching semester.

Following the Professional Studies sequence, the student will be given a semester-long student teaching assignment in a public or private school. The purpose of the student teaching is twofold: (1) the applicant must show competence in academic scholarship for the knowledge and skills requirements of the College and the State of Washington, and (2) demonstrate application of theory to overt teacher behavior at the classroom level of operation.

Acceptance into the program and completion of the program does not guarantee granting of a Washington State teaching certificate. In addition to satisfying the requirements of Northwest College, good moral character and personal fitness to hold such certification must be established by each student with the Washington State Office of the Superintendent of Public Instruction, Office of Professional Practice.

Divisional Goals

In addition to achieving the general goals of the College, completing this major provides learning opportunities which enable the students to:

- 1. qualify for initial certification as a K-8, K-12 or 4-12 teacher in the State of Washington;
- 2. manage a classroom;
- 3. apply the principles of current educational psychology and learning theories in the classroom;
- 4. design and present appropriate age-level instruction;
- 5. articulate a personal education philosophy;
- 6. plan further professional development; and
- 7. have a positive impact on student learning.

Special Students: Teaching Credential Only

Students holding four-year college degrees who enroll at Northwest College for the purpose of qualifying for an Initial Teaching Certificate must be advised by the Dean of Education prior to enrollment in courses. Students with four year degrees received prior to 1991 may be required to update some of their General College Requirements.

ELEMENTARY EDUCATION (125 credits)

The <u>baccalaureate degree</u> is completed when the student finishes the required 125 academic credits. The Washington <u>State Teacher Credential</u> requirements are met when the Student Teaching experience (15 credits) is successfully completed.

DIVISION OF EDUCATION CERTIFICATES

TESL CERTIFICATES

(TEACHING ENGLISH AS A SECOND LANGUAGE)

Education

Northwest College's TESL Certificate program provides students with training to teach English to speakers of other languages. It is designed to:

- 1. serve as a Subject Area Endorsement in the Education program of either 36 or 20 semester credits;
- 2. augment the Missions program by providing students from other divisions with skills that can serve as a bridge to witnessing; and
- 3. meet the requirements for Track B in the Interdisciplinary Studies major.

TEACHING ENGLISH AS A SECOND LANGUAGE BASIC CERTIFICATE

A **Basic Certificate** will be given by the College for the completion of an introductory program in TESL. Students who wish to prepare as tutors and volunteers to teach basic oral English will benefit from this certification. This basic program is also valuable for those who are considering a career in TESL. The following courses must be completed in the order listed or taken concurrently:

Certificate Requ	uiremen	ts	
ENGL	4103	Intro to TESL	
ENGL	4113	Methods and Materials for TESL 3	
ENGL	4123	Grammar for ESL	
ENGL	492x	Practicum 1-2	

TEACHING ENGLISH AS A SECOND LANGUAGE STANDARD CERTIFICATE

A **Standard Certificate** will be given by the College to students who complete the full TESL program. This will prepare the student to teach professional and business English in addition to oral English. The following courses are required for this certification and must be completed in the order listed or concurrently:

Certific	ate Requi	iremen	ts
	COMM	3433	Intercultural Communication 3
	ENGL	4103	Intro to TESL
	ENGL	4113	Methods and Materials for TESL 3
	ENGL	4123	Grammar for ESL
	ENGL	4152	Teaching Reading to ESL Students 2

	ENGL	492x	Practicum
	LANG	4013	Linguistics
	LANG	4023	Phonetics
	LANG	xxx5	Modern Foreign Language 5

A Standard Certificate will be awarded only to those who have a Bachelor of Arts degree, or to those who complete a Bachelor of Arts degree concurrently with their TESL studies. Education

DIVISIONOF RELIGIOUS &MINISTERIAL STUDIES

ETLIGH

DIVISION OF RELIGIOUS AND MINISTERIAL STUDIES

Divisional Dean: Darrell Hobson

The Division of Religious and Ministerial Studies builds upon the Educational Goals of the College expressed in the General College Requirements and the Biblical Studies Core. We recognize that all truth is God's truth and that persons discover truth by reason, by scientific and aesthetic inquiry, and by revelation. The Division affirms that the Bible is God's unique written revelation, and that the knowledge of biblical truth is the foundation of every genuine search for truth.

Students may choose one of the several majors leading to the four-year Bachelor of Arts degree or may choose a non-degree program in either the Diploma or the Certificate of Christian Studies. The specific objectives of the majors or other programs are listed with their descriptions in the following pages.

The Bachelor of Arts programs within the Division seek to provide educational opportunities to develop persons who are intellectually, spiritually, and functionally ready to engage in Christian ministry. Graduates of the division should be able to:

- 1. conduct biblical and theological research;
- 2. think critically about their world and how world issues impact Christian ministry;
- 3. communicate effectively the Christian faith, both in the Church and in the world;
- 4. demonstrate a continuing interest in lifelong learning and in the ability to apply truth to life;
- 5. approach their own spiritual lives contemplatively and reflectively;
- 6. express a genuine connection to and a caring for the world.

In addition to the programs offered, the Division provides biblical and religious studies for all students of the College. These studies are intended to help students achieve spiritual and moral character. They also enable students to appreciate and evaluate the religious aspects of their history and culture, and our Pentecostal heritage.

BIBLICAL STUDIES CORE

The College Educational Goals state, "Northwest seeks to cultivate Christian character in its students." Building upon the religious studies requirements in the General College Requirements, the Biblical Studies Core enables the student to form a foundation for faith and practice. Study of the Scriptures and theology should encourage the student toward comprehension of the revealed nature of God, growth in biblical knowledge, an understanding of Assemblies of God doctrinal positions, and development in spiritual maturity. The growth in maturity resulting from these courses should enable the student to better maintain a right relationship with God and other persons, and to exhibit a Christian character.

Religious & Ministerial Studies

The student will take a minimum of 30 credits of Bible and Theology. These credits must include BIBL 1013 Exploring the Bible, THEO 1213 Christian Doctrine, BIBL 2313 Acts and the Expansion of the Church, THEO 2503 Pentecostal (A/G) Doctrines, and 18 additional credits of Bible and Theology. These additional courses must include at least one other course in each of the areas of Biblical Introduction, Old Testament, and New Testament. Some majors may require additional credits and/or specific courses or distribution of requirements.

SECOND MAJOR IN BIBLICAL STUDIES

The 30 credits of the Biblical Studies Core may be considered a second major by students who are taking majors other than Biblical Literature or Religion and Philosophy. Those students who so choose have the option of declaring on their transcript a major in Biblical Studies as well as their professional major.

BIBLICAL LITERATURE MAJOR

Coordinating Professor: Francis C. R. Thee

The Biblical Literature major has at its center the belief that the Bible is the inspired word of God, the only foundation for our faith and practice. Because of this, the major is designed to lead the student into the proper understanding and exposition of the Bible. The major seeks to do this by giving the student a broad knowledge of the background, content, and meaning of the Bible, and by helping the student develop exegetical skills for continuing study and communication of the Bible. Course offerings begin with a survey of biblical literature integrated with biblical history and supporting courses designed to give the student a background and general frame of reference on the Bible. Advanced courses go on to more detailed examination of specific books or sections of the Bible, providing opportunity for the student to develop analytical insight into representative types of biblical literature.

This major provides learning opportunities in biblical studies, enabling students, whether in vocational Christian ministry or in other vocations, to proclaim the gospel effectively in the church and in the world. It also provides a good foundation for those who are planning to pursue graduate studies. Students may develop their vocational interests by selection of a minor or electives of their choosing. In addition to achieving the general goals of the College and of the Division, completing this major provides learning opportunities which enable the student to:

- 1. acquire a knowledge of the content and background of the Bible appropriate to the Bachelor's degree;
- 2. use appropriate methodologies for Bible study;
- 3. interpret the Bible in accordance with generally accepted hermeneutical principles;
- 4. formulate a sound biblical theology;
- 5. discriminate between competing views of truth;
- 6. implement biblical truth in his or her personal behavior; and
- 7. proclaim biblical truth with greater confidence.

CHURCH MINISTRIES MAJOR

Coordinating Professor: Dwaine Braddy

The Church Ministries major is designed to prepare students for vocational ministry in the church both locally and globally. The core courses will help the student formulate concepts of the church and ministry and develop general skills needed to engage in ministry. Concentrations facilitate a particular emphasis in ministry.

In addition to the general goals of the College, completing this major provides learning opportunities which enable the student to:

- 1. understand a biblical theology of the nature and mission of the church, and of a divine call to ministry that embraces both vocational ministers and the ministry of all believers;
- 2. comprehend the purpose and structures of the various ministry programs usually found in local churches;
- 3. facilitate ministry to people in the various stages of life;
- 4. understand the nature and function of leadership, organization, administration, and relationships as applied to the ministry of the church;
- 5. pursue maturity in Christ-likeness with a heart oriented toward winning, maturing, and developing others;
- 6. develop skills needed to engage in vocational ministry with particular emphasis in a chosen concentration;
- 7. demonstrate creativity and innovation in meeting culturally relevant needs under the guidance of the Holy Spirit; and
- 8. continue lifelong development of one's potentials and ministry gifts.

Recognizing that effective ministry depends upon competent understanding and skillful use of the Scriptures, Church Ministries requires a strong component of Bible and theology. Completing these courses provides learning opportunities which enable the student to:

- 1. understand the central message of the Bible and accept the Scriptures as the standard for Christian faith and practice;
- 2. know hermeneutical principles and Bible study methods needed to interpret correctly the Scriptures, including knowing how to use Bible study tools;
- 3. know how to apply biblical teaching to personal life and contemporary situations; and
- 4. understand the central issues of evangelical Christian doctrine and know how these are formulated from biblical teaching.

CHURCH MUSIC MAJOR

Coordinating Professor: William R. Swaffield

The Church Music major is designed to prepare the student for music ministry in the local church. The development of skills in conducting, arranging, voice, and piano are emphasized, together with the study of music theory, history, and literature. The practical aspects of church music ministry including worship leading, administration, and education are also a vital part of the program.

Since church music ministry also involves certain nonmusical skills, the curriculum includes biblical and general studies. Courses such as counseling, psychology, and sociology, for example, help the church musician relate to individuals within musical groups in ways that often go beyond musical responsibilities.

In addition to achieving the general goals of the College and of the Division, completing this major provides learning opportunities which enable the student to:

- 1. serve effectively as a minister of music in a local church;
- 2. administer a church music program;
- 3. develop various types of church music ministries, including choral, instrumental, and congregational;
- 4. implement various methods and materials in a church music education program for all ages;
- 5. demonstrate the comprehensive musicianship required for effective church music ministry;
- 6. understand the proper function and importance of music in the total ministry of the church;
- 7. work as a member of a pastoral staff, submitting to the leadership of a senior pastor;
- 8. transfer to other institutions which offer more advanced music programs or postgraduate degrees in music;
- 9. minister in areas of church life other than music, in which general and biblical studies associated with the music major would prove helpful.

RELIGION AND PHILOSOPHY MAJOR

Coordinating Professor: Darrell Hobson

The Religion and Philosophy major combines study in philosophy, religion, theology and Bible. The major encourages the student's integration of these disciplines with the goal of forming a well-balanced, thoughtful Christian world view. Graduates should be well prepared for advanced study in Seminary or graduate school. Graduates who do not choose to pursue advanced study will benefit from a broadening of their understanding as a basis for other career choices.

Bible: The graduate of his major will:

- Be aware of the general contents and central themes of the whole of Christian Scriptures;
- Be able to apply the rules of biblical interpretation in the study of Scripture; and
- Be able to better understand and exegete Scripture in applying scriptural teaching to life.

Theology: The graduate of this major will:

- Be familiar with the main themes of Evangelical Theology;
- Be familiar with the distinct emphases of Pentecostal (A/G) theology; and
- Be able to discuss and understand in depth the issues in Systematic Theology concerning the doctrines of God and Man.

Philosophy: The graduate of this major will:

- Broaden and refine reasoning skills and intellectual abilities; and
- Gain a clearer understanding of the major thinkers and developments in the history of philosophical discussion and be able to relate that understanding to the continuing exploration of philosophical issues.
- Have a knowledge of the major questions in philosophy and gain experience at employing intellectual abilities in dealing with them.
- Be able to write and speak clearly about philosophical problems and their relationship to life.

Religion: The graduate of this major will:

- Have a broadening understanding of the nature of religion and its expressions in human life;
- Be conversant with the major systems in world religions; and
- Be able to present an evangelical Christian apologetic.

Integration: The student will be encouraged to draw upon all four disciplines in developing an integrated, balance and thoughtful Christian world view.

Note: Students planning to pursue ordination with the Assemblies of God should consult with their prospective District Council regarding specific course selection and requirements.

ACADEMIC PROGRAM CENTERS

PACIFIC RIM CENTRE FOR CROSS-CULTURAL STUDIES

The Pacific Rim Centre for Cross-Cultural Studies was established at Northwest College to facilitate the College's historic commitment to global exchange with particular reference to the countries of the Pacific Rim. It is authorized by a unique covenant of ministry between the College and the Division of Foreign Missions of the Assemblies of God. The purpose of the Centre is to facilitate crosscultural understanding and friendship among global neighbors by providing opportunities for education and for the development of professional services.

Being a community of scholars and learners, the Pacific Rim Centre proposes to develop and maintain programs of instruction, research, and professional services which provide opportunities to:

- 1. develop sensitivity to cultural diversities and facilitate interpersonal adjustments needed for crosscultural living and service;
- 2. facilitate language acquisition and effectiveness in crosscultural communication;
- 3. form network relationships with international agencies, schools, and students in order to expedite crosscultural interactions; and
- 4. develop other skills which facilitate professional services cross-culturally.

To facilitate its activities in China, the Pacific Rim Centre has entered into a network relationship with the Sunrise Educational Foundation Limited located in Hong Kong. This connection makes possible the placement of people as:

- 1. university students who will study Chinese language and culture;
- 2. English teachers who will teach for one to two years; and
- 3. persons who are committed to long term professional service.

Programs Centers

APPLIED SCIENCE CENTER

The Applied Science Center exists to facilitate Northwest College's historic commitment to global involvement with countries around the world. The purpose of the Center is to facilitate crosscultural understanding, friendship, and transfer expertise in ecointensive food production and microeconomic development among our global neighbors. It will bring meaningful, low cost solutions to problems in food supply to the very poorest of the world's peoples. The Center will provide opportunities for education, training, and the development of professional services. The Applied Science Center specifically exists to facilitate nutritional and microeconomic development among the most needy groups of people on a worldwide basis.

Being a community of scholars and learners, the Applied Science Center purposes to develop and maintain programs of instruction, research, and professional service which provide opportunities to:

Programs Centers

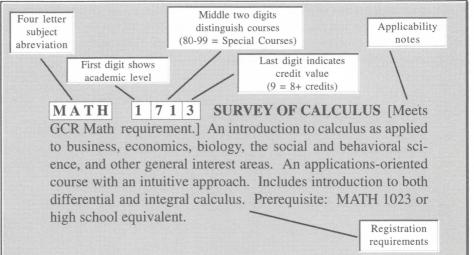

- 1. develop and apply ecointensive nutritional and microeconomic technology for those in extreme poverty. (Ecointensive means a technology that provides high production of vegetable, fruit, and animal matter for the purpose of providing human nutritional essentials. Ecointensive usually includes the analysis and revitalization of severely damaged soils, waters, and ecosystems.);
 - develop sensitivity to human nutritional deficits, cultural diversities, and facilitate interpersonal adjustments needed for crosscultural living and service; and to gain a deeper understanding of all human needs through involvement of ASC students and personnel in ecointensive projects around the world;
 - 3. develop and train in nutritional supplementation in such a manner as to assist the economic, educational, and spiritual revitalization of people suffering famine, chronic malnutrition, and economic insufficiency that denies them physical and mental security;
 - 4. facilitate language acquisition and cultural awareness that will lead to effectiveness in crosscultural communication;
 - form networking relationships with national and international agencies, schools, colleges, seminaries, students, and professionals, to expedite cross cultural and technically valid interactions;
 - 6. identify, develop, and share with others skills which facilitate the dissemination of professional ecointensive services, particularly to those least able to afford them;
 - 7. assist in placing students, teachers, and professionals in response to current demands for this service;
 - 8. give our Fellowship an outlet of ministry opportunity in response to the many that have expressed a desire to serve.

CENTER FOR ADULT LEADERSHIP STUDIES

Northwest offers several programs designed for those adults who cannot attend classes in the traditional format. Specifically, the LEAP (Leadership Education for Adult Professionals) office offers a degree completion program through an accelerated format. Also offered through Northwest's campus is a Master of Arts degree in Biblical Literature, through an arrangement with the Assemblies of God Theological Seminary. These classes meet on campus for one week every four months. Information on these programs is available through the LEAP office.

SPECIAL COURSES

- **Independent Study Courses** Identified with an "IS" and a code of $\underline{x80x}$ $\underline{x83x}$. They have the identical course title and description as the catalog course, but are offered when a student requires a course in a semester in which it is not offered through classroom instruction.
- **Topic Courses** Identified with a "TOP" and a code of $\underline{x84x} \underline{x89x}$. They are periodically included in the schedule to enrich the curriculum and are not listed specifically in the catalog. A professor instructs a semester-length structured class regarding a specific topic. These may be repeated for credit on different subjects.
- **Project Courses** Identified with a "PRO" and a code of <u>x90x x91x</u>. They allow the student and professor to define a specific task which will be graded for credit. Projects over different material may be repeated for credit.
- **Guided Research Courses** Identified with a "GR" and a code of <u>x92x</u>. They allow the student to do research in a discipline under the direction of the professor. The research usually follows a specific research format. Guided research on different subjects may be repeated for credit.
- **Directed Readings Courses** Identified with a "DR" and a code of $\underline{x93x}$. They allow the student the opportunity for additional in-depth reading in an area of interest, under the direction of the professor. Directed readings on different subjects may be repeated for credit.
- **Internship and Practicum Courses** Identified with a "INT" and a code of $\underline{x94x} \underline{x96x}$. They allow the student a length of time at a specific location(s) where he/she makes application of the broad-range of theoretical learning while under the direct supervision of a professional in the discipline.
- **Field Experience Courses** Identified with a "FLD" and a code of <u>x97x</u>. They allow the student to do short-term, on-site observations and evaluations in a discipline. Field experience courses may be repeated for credit.
- **Student Teaching** Identified with a "ST" and a code of $\underline{x98x} \underline{x99x}$. They allow the student an extended time in the setting for which they have academically prepared, usually in a public or private school, under the direction of a professional in the field.

Courses

COURSES OF INSTRUCTION

<u>REGULAR CURRICULUM COURSES</u> - Regular offerings of the College (usually offered at least once every two years) are listed below. Each semester a Semester Course Schedule is produced listing the offered courses, available from the Registrar's Office. The <u>last digit</u> of the course code denotes the <u>credit value</u> of the course.

ART EDUCATION

- **ARTE 1022 ART APPRECIATION** This course explores the form and function of art as it exists in different cultures. Exemplary works of art are introduced. Art projects using a variety of materials and techniques are produced.
- **ARTE 1302 DESIGN IN VISUAL ARTS** An introduction to the elements and principles of visual communication. Through a series of art projects, students learn basic skills in five studio areas as they gain experience in visual language. Though students will participate in critical analysis that requires verbal and written communication, the course is geared toward the practicing artist.
- **ARTE 2012 TECHNIQUES OF ART PRODUCTION FOR TEACHERS** Provides the Elementary Education major with hands on experiences in art production. Students will produce a large variety of works in six studio areas including drawing, painting, printmaking, ceramics, sculpture and fibers. Special emphasis will be placed on demonstrating techniques in front of a group. Prerequisite: instructor permission for non-education majors.

Courses

BEHAVIORAL SCIENCE

- **BSCI 2003 BEHAVIORAL SCIENCE RESEARCH METHODS** Emphasis on general research methodology at both conceptual and applied levels. Consideration is given to topics such as the scientific study of human, behavior, the formulation of research problems and hypotheses, research design, statistical inference, decision making, and the writing of research reports. Prerequisite: PSYC 1013 and concurrent enrollment in BSCI 2001. (Same as PSYC 2003 Experimental Psychology Methods)
- **BSCI 2001 BEHAVIORAL SCIENCE RESEARCH METHODS LABORATORY** Emphasis on designing, conducting, and analyzing the results of experimental data. Most experiments involve studies in human learning, memory, and cognition. Prerequisite: PSYC 1013 and concurrent enrollment in BSCI 2003. (Same as PSYC 2001 Experimental Psychology Laboratory)
- **BSCI 3103 PSYCHOLOGICAL TESTING AND MEASUREMENT** A foundational course for anyone who, with additional training, intends to use educational or psychological tests or evaluations. This course develops concepts and skills used in the development, selection, administration and interpretation of psychological tests and nontesting means of evaluation. Prerequisite: PSYC 1013. (Same as PSYC 3103)
- **BSCI 3243 INTERPERSONAL COMMUNICATION** A course designed as a selected overview of human communication focusing on the various contexts where communication between people takes place. Students will better understand interpersonal communication both as a concept and as something we experience in our everyday lives. Successful understanding of why we communicate (theory) and how we communicate; that is, the behaviors which increase our ability to understand or "make sense" of our environment (skills), will improve the quality of our private and professional relationships with others. Prerequisites: COMM 1212 Fundamentals of Speech Communication, ENGL 1013 English Composition I and ENGL 1023 English Composition II. (Same as COMM 3243)

- **BSCI 3423 CULTURAL ANTHROPOLOGY** This course is an introductory study of the cultural values and differences of the various peoples of the world. The study seeks to develop an understanding of and an appreciation for the ways people of various cultural backgrounds perceive reality and relate to each other. Particular application is made on how these insights prepare individuals for crosscultural living and ministry. (Same as MISS 3423)
- **BSCI 3433 INTERCULTURAL COMMUNICATION** Findings from the fields of communication, psychology, sociology, linguistics, and anthropology are combined with the study of characteristics of various cultures to provide the student with a basis for effective communication in all cultures. Prerequisite: SOCI 1113. (Same as COMM 3433, MISS 3433 and SOCI 3433)
- **BSCI 3561 STUDENT DEVELOPMENT TRAINING** Peer counseling, relation building, leadership training, administration of discipline and other areas of student development will be studied. (Open only to Resident Assistants or with permission of the instructor.) May be repeated for a total of 4 credits.
- **BSCI 3571 STUDENT LEADERSHIP SEMINAR** A seminar designed to train student leaders in leadership philosophy and skills related to student positions. Basic leadership skills are applied to specific tasks. (Open to students who desire a College leadership position.)
- **BSCI 4523 LEADERSHIP** A seminar course which focuses upon managerial leadership, leadership of social movements, and informal leadership in peer groups. The course content concentrates on leadership behavior within organizations, on the interaction of people, motivation, and leadership and on the integration with theological insights. (Same as BUSM 4523)
- BSCI 4622 or 4623 ADVANCED SEMINAR IN BEHAVIORAL SCIENCE (2 or 3 credits) Advanced study of a topic in behavioral science.
- **BSCI 4633 BEHAVIORAL SCIENCE SENIOR PROJECT** A culminating, synthetic learning experience in which students apply the learning gained in the General College core, the Biblical and Theological core, and the Behavioral Science core courses to an integrated study project in the field of behavioral science. Students will meet in a seminar format for ongoing discussion of their individual projects. Required for Behavioral Science majors in Track B. Permission of the instructor and senior standing are required.
- **BSCI 4943 PRACTICUM IN BEHAVIORAL SCIENCE** Field education placement involving 12 clock hours minimum weekly under supervision of competent personnel plus one-hour weekly seminar on campus, or a summer field education placement experience involving 180 clock hours minimum under supervision of competent personnel. Student integrates behavioral science practicum with prior and concurrent course work. Includes class presentations and simulations or practice situations that combine knowledge and skill utilization. Open only to students with major in Behavioral Science. Senior standing and permission of instructor required.
- **BSCI 4953** ADVANCED PRACTICUM IN BEHAVIORAL SCIENCE Additional field experience. Same requirements as BSCI 4953. May not be taken concurrently with BSCI 4933. Open only to students with major in Behavioral Science. Senior standing and permission of instructor required.

BIBLICAL LITERATURE

- **BIBL 1013 EXPLORING THE BIBLE** [A prerequisite for all other Bible courses.] (Students with extensive prior knowledge of the Bible may have this waived by special examination. This must be done prior to taking other Bible courses.) A course designed to acquaint the student with the structure of the Bible and its essential literary features, historical background, and central themes. The course will help the student understand the plan of redemption evident in both Testaments.
- **BIBL 1613 METHODS OF BIBLE STUDY** An introduction to basic approaches to the study of the Bible within an inductive study framework. Application of the methods is made to selected Bible passages. Prerequisite: BIBL 1013.

- **BIBL 2113 PENTATEUCH** [Satisfies the Biblical Studies Core 2xxx Level Old Testament course requirement.] A detailed study of the Pentateuch—Genesis through Deuteronomy—with special emphasis upon the covenant of God with Israel. Specific attention is given to the history of Pentateuchal studies. Prerequisite: BIBL 1013.
- **BIBL 2123 HISTORICAL BOOKS** [Satisfies the Biblical Studies Core 2xxx Level Old Testament course requirement.] An introduction to, and analysis of, each of the historical books of the Old Testament, giving outline studies and the central theme of each book from Joshua to Esther. Prerequisite: BIBL 1013.
- **BIBL 2133 PROPHETIC LITERATURE** [Satisfies the Biblical Studies Core 2xxx Level Old Testament course requirement.] A study of the Old Testament prophets. Careful attention is given to the forms of expression in the prophetic literature, and to the message of the prophets. Prerequisite: BIBL 1013.
- **BIBL 2143 POETIC LITERATURE** [Satisfies the Biblical Studies Core 2xxx Level Old Testament course requirement.] A study of the Old Testament poetic books—Job, Psalms, Proverbs, Ecclesiastes, Song of Songs. The central focus of the course is upon the nature and function of Hebrew poetry, and the message/content of each of the books. Prerequisite: BIBL 1013.
- **BIBL 2313 ACTS AND THE EXPANSION OF THE CHURCH** [Satisfies the Biblical Studies Core 2xxx Level New Testament course requirement.] An exegetical study of the Book of Acts and the origin, establishment, expansion, and teaching of the early Church. Emphasis will be given to the content of the book, the journeys of Paul and the settings of the New Testament epistles. This course is recommended as background for the Pauline Epistles and General Epistles. Prerequisite: BIBL 1013.
- BIBL 2323 SYNOPTIC GOSPELS [Satisfies the Biblical Studies Core 2xxx Level New Testament course requirement.] A study of the first three Gospels with emphasis on the person, work, and teachings of Christ. The study is approached from the perspective of Mark's presentation of the framework of Jesus' ministry. Prerequisite: BIBL 1013.
- **BIBL 2333 JOHANNINE LITERATURE** [Satisfies the Biblical Studies Core 2xxx Level New Testament course requirement.] A study of the Gospel and the Epistles of John and their special contributions to our understanding of the life and ministry of Christ and of the Christian message. Prerequisite: BIBL 1013.
- **BIBL 2343 PAULINE EPISTLES** [Satisfies the Biblical Studies Core 2xxx Level New Testament course requirement.] A study of Paul's letters individually and collectively from the perspective of their occasions, messages, and contributions to the total pattern of Pauline and New Testament teachings. BIBL 2313 recommended as preparation for this course. Prerequisite: BIBL 1013.
- **BIBL 2353 GENERAL EPISTLES** [Satisfies the Biblical Studies Core 2xxx Level New Testament course requirement.] A study of Hebrews and the letters of James, Peter, and Jude, giving special attention to their occasions, distinctive messages, and contributions. Bible 2313 recommended as preparation for this course. Prerequisite: BIBL 1013.
- **BIBL 2623 PRINCIPLES OF BIBLICAL INTERPRETATION** A study of the crucial importance of sound biblical interpretation to the ongoing process of teaching and preaching, including the history, science and practice of biblical interpretation. Gives special attention to the general principles which apply to Scripture as a whole and to the specific principles which deal with certain types of biblical material. Not open to freshmen. Prerequisite: BIBL 1013.
- **BIBL 3002 FLYING SEMINAR** A course to prepare students for an on-site tour of selected Bible lands at the conclusion of the semester. The seminar is a survey of the Bible lands with special emphasis on their biblical, historical, geographical, archaeological, and cultural associations. Prerequisite: BIBL 1013.
- **BIBL 3013 HOW WE GOT THE BIBLE** A study of the production, collection and transmission of the Holy Scriptures including attention to the various historic English translations and their backgrounds. Prerequisite: BIBL 1013.

Northwest College Academic Catalog - 1998-1999

- **BIBL 3023 GEOGRAPHY OF BIBLICAL LANDS** A study of the geographical features of the biblical lands with emphasis on the interrelation of the people and events in the Bible with their locations within the topography and geography of the land. (Same as GEOG 3023) Prerequisite: BIBL 1013.
- **BIBL 3033 ARCHAEOLOGY OF BIBLICAL LANDS** A survey of modern archaeological methods and of the outcomes of archaeological discoveries relating to the world of the Bible and bearing on the interpretation of both the Old and the New Testaments. (Same as RELG 3033) Prerequisite: BIBL 1013.
- **BIBL 3523 BIBLICAL CONCEPTS OF LEADERSHIP** [Limited to degree completion students.] A study of the concepts of leadership in the context of the Scriptures. Application of the concepts for both personal and career goals is investigated. Prerequisite: BIBL 1013
- **BIBL 3533 FOUNDATIONS OF ETHICS: HEBREW WISDOM LITERATURE** [Limited to degree completion students.] A study of Job, selected Psalms, Proverbs and Ecclesiastes. Emphasis is on the genius of Hebrew poetry and the doctrinal depth, spiritual value and ethical implications of these books. Prerequisite: BIBL 1013
- **BIBL 4492 REVELATION** A study of the book of Revelation and its message; includes an introduction to apocalyptic literature. Sometimes combined with a study of Daniel. (It is recommended that this course be scheduled near the end of the student's Bible studies, after he/she has had maximum exposure to the rest of Scripture as background for understanding this work.) Prerequisite: BIBL 1013.
- **BIBL 484x-489x BOOK STUDIES** These courses provide more detailed study of selected Old Testament and New Testaments books. Prerequisite: BIBL 1013.

BUSINESS

- **BUSM 2102 INTRODUCTION TO BUSINESS** Surveys the major segments of the general environment of business affairs including design, production, distribution, monitoring, and financing of the goods and services needed by the public. INTERDISCIPLINARY STUDIES

- **IDIS 3208 AMERICAN STUDIES SEMINARS** An interdisciplinary examination of selected topics in the American political, historical, and cultural context. Involvement, Domestic Policy Issues, Economic Policy Issues, and International Policy Issues. Any term, limited enrollment. May be credited as free electives or as departmental credits when accepted by individual departments.
- **IDIS 3404 LATIN AMERICAN STUDIES SERVICE/TRAVEL** A two week hands-on experience working in a servant role in the Third World. Opportunities are available in a variety of areas, including education, economic development, health, agriculture, and environmental stewardship. Three weeks of travel in other Central American countries exposes students to the rich diversity of countries and cultures in Central America.

- **IDIS 3416 LATIN AMERICAN STUDIES SEMINARS** Explore many of the challenges facing Latin America in the light of biblical truth. Seminars are nontraditional, interdisciplinary, and allow personal interaction with experts on Latin American history, politics, economics, and religious life. During the spring semester the tropical science and global sustainability seminar offers students the chance to study the unique physical resources of Central America.
- **IDIS 3426 LATIN AMERICAN STUDIES SPANISH CLASSES** (Credit amount is based on student's level of study.) The Instituto de Lengua Espanola (The Spanish Language Institute) in San Jose places students in a class according to ability and provides daily language classes for the first six weeks. Interaction with host families and local Costa Ricans also develops language skills.
- **IDIS 3604 INSIDE HOLLYWOOD: The Work and Workings of the Film Industry** An examination of the creative and operational aspects of the film business, taking full advantage of studio tours, location filming, and a variety of guest lecturers from a cross-section of the industry.
- **IDIS 3614 KEEPING CONSCIENCE: Ethical Challenges in the Entertainment Industry** This course will probe the common personal, professional, and public ethical issues that function within the entertainment business, with specific attention directed to film production. This examination will intentionally emerge from the perspective of the central moral themes of the Christian tradition.
- **IDIS 3624 FILM IN CULTURE: Exploring a Christian Perspective on the Nature and Influence of Film** A survey of film and the film industry that highlights film's influence on, and reflection of, American culture during the late 19th and 20th centuries. Particular emphasis will be placed on Christian perspectives of culture.
- **IDIS 4948 AMERICAN STUDIES INTERNSHIPS** A part-time work experience in Washington, D.C. in a professional setting within the student's major field of concentration. Students may select placements in such areas as communication arts, urban ministries, marketing and corporate enterprises, law firms, trade associations, federal agencies, or political offices. Any term, limited enrollment. Credit is granted at the discretion of each department.
- **IDIS 4954 LOS ANGELES FILM STUDIES CENTER INTERNSHIPS** A nonpaying internship in some aspect of the Hollywood film or television industry as arranged by the LAFSC. These internships are primarily in an office setting such as development companies, agencies, personal management companies, production offices, etc.

LANGUAGES

-BIBLICAL LANGUAGES-

- LANG 2115, 2125 BIBLICAL HEBREW I, II (5, 5 credits) A study of the vocabulary and grammatical forms of biblical Hebrew. Special emphasis is given to acquiring an extensive vocabulary. The course is designed to prepare the student to do limited translation work in the Old Testament and to understand commentaries based on the Hebrew. Since the second term will include translation and exegesis of biblical passages, the five credits in LANG 2125 may count as Biblical Literature credits. The five credits in LANG 2115 may be used to meet the language arts requirements listed under General College Requirements. The two preceding provisions do not apply if these courses are taken as part of the Biblical Languages minor.
- LANG 2215, 2225 NEW TESTAMENT GREEK I, II (5, 5 credits) A course designed to provide the student with the essentials of the grammar, syntax, and vocabulary of New Testament Greek. The second term includes reading and exegesis in I John. A knowledge of the basic principles of English grammar is an indispensable preparation for this study. The five credits in LANG 2225 may count as Biblical Literature credits. The five credits in LANG 2215 may be used to meet the language arts requirements listed under General College Requirements. The two preceding provisions do not apply if these courses are taken as part of a Biblical Languages or New Testament Greek minor.

Northwest College Academic Catalog - 1998-1999

- LANG 3013 NEW TESTAMENT GREEK EXEGESIS I Reading of a selected New Testament book along with study of advanced grammar and syntax, and introduction to areas of exegesis. Special attention is given to noun and verb syntax. These credits may count as Bible electives, if not taken as part of a NT Greek minor. Prerequisite: LANG 2225.
- LANG 3023 NEW TESTAMENT GREEK EXEGESIS II Study of a selected New Testament book along with continued study of grammar and syntax, and introduction to areas of exegesis. Special attention is given to verb and clause syntax, and to development of exegetical skills. These credits may count as Bible electives, if not taken as part of a NT Greek minor. Prerequisite: LANG 3013.
- LANG 3203 HEBREW-ENGLISH STUDIES As a basis for biblical studies, this course seeks to provide the student with an awareness of the essential concepts of biblical Hebrew. Introduction to these concepts will enable the student to more effectively use the standard reference works in Old Testament studies which require some understanding of Hebrew.
- LANG 3303 GREEK-ENGLISH STUDIES A course designed to give the student an awareness of the essential concepts of New Testament Greek and to enable the student to use more effectively the standard reference works that require some understanding of Greek.

-MODERN LANGUAGES-

- LANG 1015 ELEMENTARY SPANISH I This course for beginners or students who have had 1 year of high school Spanish stresses pronunciation, vocabulary building and accurate grammar. It also builds the four basic language skills: reading, writing, hearing and speaking. The first classes of the term are essential.
- LANG 1025 ELEMENTARY SPANISH II This course for students who have successfully completed Elementary Spanish I or two years of high school Spanish emphasizes conversation, grammar and vocabulary building, all within a rich cultural context. Biblical scriptures are read and praying in Spanish is learned. Music and art of the Spanish world are introduced. The first classes of the term are essential.
- LANG 1055, 1065 ELEMENTARY FRENCH I, II (5, 5 credits) French I is for beginners. French II is a continuation of French I. The emphasis is on conversation relating to everyday situations and French culture. The essentials of pronunciation and grammar are presented as found in conversations, the text, and short selected verses from La Bible. Students are required to spend at least 25 minutes per day outside of class listening to the audiocassette tapes, which accompany the text and are available at the library. Supplementary activities include French songs, slides and films.
- LANG 2013 INTERMEDIATE SPANISH I This course for students who have had three or four years of high school Spanish or have successfully completed Elementary Spanish II or have the instructor's approval, focuses on advanced grammar, further vocabulary building, written composition and conversational exercise. Hymns, the Bible and prayer are enjoyed.
- LANG 2023 INTERMEDIATE SPANISH II This course teaches more advanced grammar with complex syntax along with further vocabulary building in specific contexts. The student will tell Bible stories and pray in Spanish. Prerequisite: Successful completion of LANG 2023 or approval of instructor.
- LANG 4013 LINGUISTICS An introductory course in the study of language. Language origins, phonetics, phonology, syntax, language acquisition, and a survey of language universals will be studied.
- LANG 4023 PHONETICS This course is the study of speech sounds and their articulatory features, as well as sound patterns. The course is intended for those who expect to teach a language, especially English as a Second Language. Prerequisite: LANG 4013 and junior standing or permission of instructor.
- LANG 4714 METHODS FOR TEACHING ENGLISH AS A SECOND LANGUAGE (See EDUC 4714 for description.)

LANG 4950 LANGUAGE LEARNING PRACTICUM (0 credits) The student will enroll in a modern language course and work with both the language teacher and the TESL teacher. In addition to experiencing the language learning process, the student will be required to keep a journal and write a paper from a highly intentional observation and reflection focus for the TESL teacher. Taken in conjunction with second semester of modern language.

MATHEMATICS

- MATH 0990 MATH PREP-LAB (0 credits) A basic computer assisted arithmetic review and practice program. Learning PLUS software is used. A diagnostic test is used to place students in the program. There is a one time \$25.00 fee for the Learning PLUS program which contains the mathematics as a subsection.
- **MATH 1023 INTERMEDIATE ALGEBRA** [Meets the General College Requirement for quantitative reasoning.] A course directed toward developing an understanding of and a proficiency in elementary algebraic processes. Comparable to second year high school algebra.
- MATH 1103 BASIC CONCEPTS IN MODERN MATHEMATICS [Meets the General College Requirement for quantitative reasoning.] A study of the applications of basic mathematical concepts. An emphasis is given to problem solving, proportions and percents, probability and statistics, and the formulas of geometry. The course is considered a foundational study in preparation for higher levels of quantitative reasoning. Prerequisite: Placement Test score greater than 70% or a review in the Learning Plus program in the computer lab.
- MATH 1213 PRE-CALCULUS [Meets the General College Requirement for quantitative reasoning.] A study of exponential, logarithmic, and trigonometric functions, inequalities and graphing. This course prepares students for calculus. Prerequisite: 2 years of high school algebra or MATH 1023.
- **MATH 1513 MATHEMATICS FOR ELEMENTARY EDUCATION** [Meets the General College Requirement for quantitative reasoning.] A foundation course for students majoring in Education. This course includes developing an understanding of number systems, the strengthening of skills in the arithmetic processes, and the expanding awareness of the concepts of geometry. Equally important, the course emphasizes a creative look at problem solving and the building of positive mathematical attitudes. Prerequisite: Instructor Permission if not an Elementary Education major
- MATH 1713 SURVEY OF CALCULUS [Meets General College Requirement for quantitative reasoning.] An introduction to calculus as applied to business, economics, biology, the social and behavioral science, and other general interest areas. An applications-oriented course with an intuitive approach. Includes introduction to both differential and integral calculus. Prerequisite: MATH 1023 or high school equivalent.
- MATH 1743 CALCULUS I [Meets General College Requirement for quantitative reasoning.] An introduction to the ideas of limits, derivatives, and integrals. The approaches, techniques, and applications of the derivative of algebraic and transcendental functions are the emphasis of this first course.
- MATH 1753 CALCULUS II [Meets General College Requirement for quantitative reasoning.] Continues the study of Calculus I, as the student might have had in high school or in a previous calculus course, with the emphasis on the approaches, techniques, and applications of integration. Algebraic and transcendental functions form the basis of the course along with the study of differential equations and special techniques of integration.
- **MATH 2003 STATISTICS** [Meets General College Requirement for quantitative reasoning.] An elementary course in descriptive statistics emphasizing procedures commonly used in measurement, evaluation, and research in the social and behavioral sciences, as well as in business, education, and theology. Included are the basic concepts of sampling distributions, probability, statistical inference, regression and correlation.

MISSIONS

- **MISS 2403 INTRODUCTION TO MISSIOLOGY** A foundational study of the interdisciplinary science of missiology. The study includes a survey of the biblical foundations of the Christian responsibility for mission, the distinctive features of Assemblies of God missions history and philosophy, and the organization, structure, and programs of Assemblies of God missions. Prerequisite: CMIN 2002
- **MISS 2423 BIBLICAL THEOLOGY OF MISSIONS** A survey of the biblical foundations for the Christian mission. It begins with the Old Testament antecedents to the Christian mission and examines how they prepared the way for the coming of Jesus Christ and for the proclamation of the Christian gospel.
- **MISS 3203 THE MISSIONARY VOCATION** A study of the practical aspects of crosscultural missionary life and work. Consideration is given to the missionary call, qualifications and preparation for missionary ministry, making satisfactory psychological and cultural adjustments to overseas living, dynamics which affect the missionary's personal life and family relationships, various aspects of missionary ministry, and factors related to the missionary on furlough.
- **MISS 3412 HISTORY OF MISSIONS** A study of the history of Christian missions and the historical context of the expansion of Christianity. Special emphasis is given to Assemblies of God and other modern missions and the development of effective principles of missions. Biographies of famous missionaries are also studied. (Same as CHIS 3412)
- **MISS 3423 CULTURAL ANTHROPOLOGY** This course is an introductory study of the cultural values and differences of the various peoples of the world. The study seeks to develop an understanding of and an appreciation for the ways people of various cultural backgrounds perceive reality and relate to each other. Particular application is made on how these insights prepare individuals for crosscultural living and ministry. (Same as BSCI 3423)
- **MISS 3433 INTERCULTURAL COMMUNICATION** Findings from the fields of communication, psychology, sociology, linguistics, and anthropology are combined with the study of characteristics of various cultures to provide the student with a basis for effective communication in all cultures. Prerequisite: SOCI 1113. (Same as BSCI 3433, COMM 3433 and SOCI 3433)
- MISS 3503 INTRODUCTION TO WORLD RELIGIONS An introduction to the major living world religions. Such matters as the genesis, historical development, cultural expansion, and salient features of the belief system of each religion are considered. Particular attention is given to the encounter of the Christian faith with these religions. (Same as RELG 3503)
- **MISS 4103 INTRODUCTION TO TESL** An introduction to theory, methods, and practical aspects of teaching English to speakers of other languages. The course is designed for volunteer teachers or tutors both in this country or in foreign countries, as well as giving an overview of the field for those considering TESL as a career. Prerequisite or taken concurrently: ENGL 4013. (Same as ENGL 4103)
- **MISS 4113 METHODS AND MATERIALS FOR TESL** This course will examine and critique methods and materials for teaching English as a second language. Attention will be given to principles of student needs and choosing appropriate methods and materials. Practice in developing and adapting ESL materials in the context of specific methodologies will be a part of the learning experience in this course. Prerequisite or taken concurrently: ENGL 4103. (Same as ENGL 4113)
- **MISS 4313 PRINCIPLES OF CHURCH OUTREACH AND DEVELOPMENT** A study of the principles and contemporary methods of church outreach and development. Emphasis will be placed on the biblical philosophy of church growth the evangelistic work of the church, and the methods of discipleship that incorporate, motivate, equip, and mobilize people in the church for growth and ministry. (Same as PMIN 4313)

- MISS 4353 CHURCH PLANTING AND URBAN OUTREACH A study of the principles and contemporary methods of church planting. Emphasis will be placed on the biblical philosophy of church planting, the church planter, the steps and support necessary to start a church, understanding the community/culture, and the life cycles of a new church. (Same as PMIN 4353)
- MISS 4403 PRINCIPLES AND STRATEGY OF MISSIONS A study of the church's missionary task and guidelines for doing missionary work with particular emphasis given to world evangelization and church planting from the perspective of the indigenous church concept. Such matters as how to recognize and describe a people group, how to determine the receptivity to the gospel of a people group, and how to take advantage of kinship and relationship webs to facilitate world evangelization are studied. Strategies for urban ministry in crosscultural missions are also investigated.
- MISS 4433 CHRISTIAN EDUCATION IN MISSIONS A study of the interface of the two disciplines: Christian education and missiology. The implications for Christian education of the church's mandate to "make disciples of all nations" are investigated. Practical approaches to new convert orientation, spiritual life nurture, and training lay workers for involvement in Christian service are considered. Models for educating national ministers and church leaders, such as Bible institutes, theological education by extension, and correspondence courses, are examined.
- MISS 4452 MINISTRY IN URBAN CONTEXTS A course in ministry in urban contexts. World urbanization and its impact on missions, evangelism, and the church will be studied.
- **MISS 4662 MODERN RELIGIOUS CULTS IN AMERICA** A course giving a broad awareness of the phenomenon of religious cults in America life. This course enables the student to define and understand the nature of cults, and to communicate the Christian faith to members of the cults. (Same as RELG 4662.)
- MISS 4742-4793 MISSIONS SEMINARS (2 or 3 credits each) Selected topics taught by experienced missionaries who are on temporary leave from the foreign field. Such topics as the following may be included: *Theological Education by Extension, The Missionary Family, The Holy Spirit in Missions, Survey of Major World Religious, Unreached People of the World, Contemporary Theologies of Missions.*

MUSIC

- **MUSI 0990 PIANO PROFICIENCY** (0 credits) (Pass/Fail) (1 day per week) A course designed to assist those students who are deficient in basic piano skills. These basic skills include the sight-reading of treble and bass clef notation, the harmonizing of simple melodies, the playing of all major and harmonic minor scales, the playing of all major and minor cadence chords, the playing of all major, minor, augmented, and diminished inversions and arpeggios.
- **MUSI 1012 FUNDAMENTALS OF MUSIC** An introduction to written and aural music theory including notation, scales, key signatures, rhythm, intervals, and simple chord constructions.
- **MUSI 1022 MUSIC APPRECIATION** (Meets 3 days per week) The development of skills in listening to and understanding different styles of music with emphasis on the changing components of Western art music. Lab required.
- **MUSI 1061 MASTER CHORALE** [Satisfies the General College Requirement for fine arts.] This is a group of vocalists and instrumentalists who are chosen by audition each fall. Members are expected to enroll for the full year and must maintain a 2.0 grade level and satisfactory citizenship and financial records. Early in the fall semester purchase of a special clothing outfit is required.

- **MUSI 1071 HIS PRAISE** [Satisfies the General College Requirement for fine arts.] This is a touring ensemble of approximately 16 select vocalists and instrumentalists chosen by audition each fall. Members are expected to enroll for the full year and must maintain a 2.0 grade average, and satisfactory citizenship and financial records at the College. Early in the fall semester purchase of music and a special clothing outfit is required. Corequisite for Church Music majors only: MUSI 1061.
- **MUSI 1081 ORCHESTRA** [Satisfies the General College Requirement for fine arts.] This ensemble is open by audition with instructor at the beginning of every semester. The group performs at special concert events and traveling ministries during the academic year as well as at the commencement exercises. Opportunities for chapel accompaniment and solo work are also available.
- **MUSI 1091 NORTHWEST SINGERS** [Satisfies the General College Requirement for fine arts.] This is a touring choir of approximately 24 select vocalists chosen by audition each fall. Members are expected to enroll for the full year and must maintain a 2.0 grade average, and satisfactory citizenship and financial records at the College. Early in the fall semester purchase of music and a special clothing outfit is required. Corequisite: MUSI 1061.
- **MUSI 1113 WRITTEN THEORY I** This is course is concerned with the development of skills in the harmonization of simple melodies, involving triads in root position and inversions, chord progressions, non-harmonic material, analysis and form. Prerequisites: Music 1012 or a passing grade on the Music Placement Test. Corequisite: MUSI 1131.
- **MUSI 1123 WRITTEN THEORY II** This is a written theory course concerned with the further development of harmonization of melodic material. Seventh chords with inversions are part of this course. Prerequisites: MUSI 1113; Corequisite: MUSI 1141. Piano Proficiency Test I must be passed in order to receive credit for MUSI 1123.
- **MUSI 1131 AURAL THEORY I** (Meets 2 days per week) This is a class in sight singing (score reading), ear training, and melodic dictation. Instruction relates to the recognition and singing of intervals (m2 and p5), triads, major/minor/modal scales, and rhythms in simple meter. Corequisite: MUSI 1113.
- **MUSI 1141 AURAL THEORY II** (Meets 2 days per week). A continuation of MUSI 1131, but with more emphasis on sight singing (score reading). Includes introduction to complex rhythms. Instruction in the recognition and singing of all intervals within the compass of an octave, all triads, and dictation involving basic chord progression. Prerequisite: MUSI 1131; Corequisite: MUSI 1123.
- **MUSI 1151 VOICE CLASS** A course designed to assist students deficient in basic vocal technique and elementary music theory. The primary goal of this course is to prepare students for private voice lessons and skilled participation in choral activities. Vocal technique lessons include breath support and endurance, tonal placement, articulations and phrasing. Intervals, scales and sight-singing will be practiced and related to part-learning. As an added bonus for the church musician, this course will include English diction for the singer. Students will learn the I.P.A. (International Phonetic Alphabet), and use it to produce pure vowels and consonants, thereby enhancing their vocal performance.
- **MUSI 2012 MUSIC FUNDAMENTALS FOR ELEMENTARY TEACHERS** [Meets the General College Requirement for fine arts for Elementary Education majors only.] An introduction to basic music theory including pitch and rhythm notation, scales and key signatures, and simple chord constructions. Develops performance skills on the piano, autoharp, and various rhythm instruments that can be used in the elementary classroom. A waiver test is available prior to entry to the professional sequence.
- **MUSI 2032 MUSIC AND WORSHIP** A study of the basic techniques involved in conducting hymns and choruses, and an examination of the role of the worship leader in congregational singing and the planning of worship services. Fundamentals of pitch and rhythm notation will be included as well as Biblical teaching on the functions of music in worship.

- **MUSI 2042 ESSENTIALS OF SONG WRITING** A study of basic song writing techniques; includes a review of melody, rhythm, and harmony; effective utilization of chord progressions; setting texts to music; and production of accurate and functional lead sheets. Prerequisites: MUSI 0990, MUSI 1012 or permission of instructor.
- **MUSI 2113 WRITTEN THEORY III** This course includes the study of predominant, secondary dominant, and ninth chords, as well as various modulation techniques. Prerequisite: MUSI 1123; Corequisite: MUSI 2131.
- **MUSI 2123 WRITTEN THEORY IV** This course includes the study of altered chords and other advanced harmonic techniques. Certain contemporary techniques are explored as they relate to church music. Prerequisites: MUSI 2113; Corequisite: MUSI 2141. Piano Proficiency Test II must be passed in order to receive credit for MUSI 2123.
- MUSI 2131 AURAL THEORY III (Meets 2 days per week) This course includes the sight singing (score reading) of chromatic and modulating melodies, and the dictation of four-part harmonic phrases containing simple triads in all inversions. Prerequisite: MUSI 1141; Corequisite: MUSI 2113.
- **MUSI 2141 AURAL THEORY IV** (Meets 2 days per week) A continuation of MUSI 2131 (score reading) including dictation of four part passages that modulate and/or contain seventh chords. Pre-requisite: MUSI 2131; Corequisite: MUSI 2123.
- **MUSI 3113 CONDUCTING I** A study of choral conducting techniques and principles of interpretation. Some attention will be given to instrumental conducting and rehearsal techniques. The course includes a good deal of practical conducting activity. Prerequisites: MUSI 1123 and MUSI 1141.
- **MUSI 3123 CONDUCTING II** This course explores more sophisticated choral conducting techniques, with some attention to advanced instrumental conducting. Also included are stylistic considerations and the combining of choral and instrumental forces. Prerequisite: MUSI 2123, MUSI 2141 and MUSI 3113.
- **MUSI 3153 PHILOSOPHY OF CHURCH MUSIC** The major purposes of this course are (1) to develop an understanding of the heritage and foundations of church music from Old Testament times to the present, (2) to consider persons and sociocultural factors that have affected the formulation of church music theory and practice, and (3) to help students formulate their own philosophy of church music. Prerequisites: MUSI 1123 or permission of instructor.
- **MUSI 3223 MUSIC HISTORY AND LITERATURE II: after 1750** (Meets 4 days per week) A study of the development of art music in the Western world during the Classical, Romantic, and Twentieth-century time periods. Representative instrumental and vocal literature is analyzed within the sociocultural setting. Prerequisites: MUSI 1123 or permission of instructor. Lab required.
- MUSI 3313 MUSIC ARRANGING This is a course in the analytical study and techniques of arranging music for the church. Although choral arranging is stressed, attention is given to instruments as well. Prerequisite: MUSI 2123.
- **MUSI 3423 CHURCH MUSIC ADMINISTRATION** A course in the organization, administration, supervision, and direction of a church music program. Attention is given to areas such as role of the music minister, rehearsal techniques, the music library, the instrumental program, professional ethics, service planning, the music committee, church music facilities, public relations, time management, repertoire, musical productions, and sound systems. Prerequisite: MUSI 3153.
- **MUSI 3511 SERVICE ACCOMPANYING** A practical course designed to apply keyboard technique and theory toward the development of a church music accompaniment style. Student demonstrations and analyses of individual hymn-playing styles will be included. Prerequisite: Piano Proficiency Test II.

- **MUSI 4112 CHURCH MUSIC EDUCATION** A practical course in developing a music education program for the local church. The purposes, organization, and implementation of a music education program for all ages will be emphasized with special attention given to the development of graded choirs and the music academy. A survey of available resources will also be included. Prerequisites: MUSI 1123, MUSI 1141, or permission of instructor.
- **MUSI 4223 MUSIC HISTORY AND LITERATURE I: before 1750** (Meets 4 days per week) A study of the development of art music in the Western world during the Middle Ages, Renaissance, and Baroque time periods. Representative instrumental and vocal literature is analyzed within the sociocultural setting. Prerequisites: MUSI 1123 or permission of instructor. Lab required.
- **MUSI 4311 SENIOR RECITAL** Each music major who has reached senior status is required to present a public recital in which he or she has opportunity to demonstrate ability to prepare and conduct a choral and instrumental presentation suitable for church use. The recital may also demonstrate the recitalist's vocal or keyboard ability. Conducting recitalists must have completed MUSI 3123 and MUSI 3313. Applied recitalists must continue private instruction for credit until their recital is presented. Detailed instructions appear in the Music Department Handbook and the course syllabus. Prerequisite: Piano Proficiency Test II.
- MUSI 4842 4893 SPECIAL TOPICS IN MUSIC (2 or 3 credits) A seminar for directed study of selected topics in the field of church music. Topics would include such courses as: Elementary Music Methods and Piano Pedagogy.
- **MUSI 4712 CHORAL MUSIC METHODS** Explores the philosophy of choral music education, the development of the singing voice, and vocal pedagogy techniques. Surveys current teaching methods, rehearsal techniques, and choral repertoire suitable for grades 4 through 12. Taken in conjunction with EDUC 4172 to total 4 credits in Music Methods. (See EDUC 4712 for further description.)
- **MUSI 4942 INTERNSHIP** A practicum in church music administration. It is designed to give the student firsthand experience in the practical aspects of directing and administering a church music program. It is expected that the intern will be involved in as many church music experiences as possible, and be responsible for at least one major area (the directing of a choir, for example). Attendance at a weekly seminar is required. May be taken as a summer class. Prerequisites: MUSI 3113, MUSI 3423, junior status, and approval of the supervising professor.

Special Note: Groups of two to six students may function as gospel teams (which minister locally during the school year) or summer ministry teams (which travel more extensively representing the College). Summer ministry teams are chosen by audition and receive scholarships (in addition to their expenses) for their 10 weeks of travel.

APPLIED MUSIC

Applied music is offered in voice, piano, organ, guitar, and orchestral instruments. Fourteen 30 minute lessons with a minimum of five hours of practice per lesson are evaluated as one unit of credit. Registration in applied music carries with it a lesson contract engaging an instructor's time for the semester. An extra fee is required.

Private lessons are designed to meet the individual needs of the students. Instruction is offered at the beginning, intermediate, and advanced levels. The appropriate level of instruction is determined by the instructor at the beginning of each semester. The Applied Music specialization is offered in piano, voice, and orchestral instruments. Private instruction for performance majors will be offered at the intermediate and advanced levels only.

A. PIANO

- **APMU 1011 BEGINNING PIANO** Instruction begins with the reading of basic pitch and rhythm notation and continues until the student can read and perform easy classical and sacred literature. Keyboard harmony includes all scales, cadences, inversions, and arpeggios that are part of the Piano Proficiency Exams I and II.
- **APMU 2011 INTERMEDIATE PIANO** Appropriate classical and sacred literature will be studied with emphasis on stylistic interpretation and technical proficiency. Both sight reading and performing skills will be encouraged. Technique development will include four-octave scales, and diminished and dominant seventh chord inversions and arpeggios.
- **APMU 3011 ADVANCED PIANO** Complex piano literature will be studied in-depth and performed in a polished manner. Technical proficiency will include an emphasis on velocity.

B. VOICE

- Private voice study teaches correct singing technique and breath control. This includes the literature of other languages (no previous experience necessary) and of various styles and periods of vocal music. The ability to read music and sing basic exercises on pitch are prerequisites of private study. Students judged deficient in this area by their instructor will be required to complete MUSI 1123 and MUSI 1141 before registering in voice courses.
- **APMU 1021 BEGINNING VOICE** Requires an ability to read at least the staff of one's voice (treble for women; bass for men.) Also needed are a basic understanding of rhythmic values and pitch intervals.
- **APMU 2021 INTERMEDIATE VOICE** The student must possess the above abilities in addition to demonstrating his/her ability to sing a basic English and Italian Art Song. (Language coaching is given by the instructor.)
- **APMU 3021 ADVANCED VOICE** The student must be skilled in all of the above, and in addition be able to sing a piece from the German Lieder repertoire. No student will be classified as advanced unless he/she demonstrates a definite ability to continue growth musically and vocally.

C. OTHER APPLIED MUSIC OFFERINGS

APMU 1031, 2031, 3031 Organ APMU 1041, 2041, 3041 Guitar APMU 1051, 2051, 3051 Violin APMU 1061, 2061, 3061 Viola APMU 1071, 2071, 3071 Cello APMU 1081, 2081, 3081 Flute APMU 1091, 2091, 3091 Clarinet APMU 1101, 2101, 3101 Bassoon APMU 1191, 2191, 3191 El. PASTORAL CARE

PCAR 3533 PASTORAL CARE AND COUNSELING An introduction to the field of pastoral care and counseling. Attention is given to the role and function of the pastoral care of persons with physical illnesses, personal adjustment problems, family conflict, premarital preparation, marriage adjustment, the aged, youth conflicts, death and bereavement, etc., and to the use of religious resources and Scripture.

- **PCAR 3543 MARRIAGE AND FAMILY** A study of the emphasis on the modern family and constructive ideals for a successful marriage and parenthood. Attention will be given to the dysfunctional family including intervention strategies. (Same as SOCI 3543 and PSYC 3543)
- **PCAR 4532 PASTORAL CARE IN THE HOSPITAL** Basic therapeutic principles of hospital ministry with special emphasis on problems related to pastoral care of the physically ill and dying. Explores psychological, sociological, and spiritual components of illness and of death and dying. Includes consideration of suffering and the will of God, pain, grief, anger, and adjustment.
- PCAR 4543 RESPONSE TO CRISIS SITUATIONS Intensive study of selected crisis problems and intervention strategies. (Same as PSYC 4543)
- **PCAR 4951 PRACTICUM IN PASTORAL CARE** Field education placement involving 4 clock hours minimum weekly under supervision of competent personnel plus one-hour weekly seminar on campus, or summer field education placement experience involving 60 clock hours minimum under supervision of competent personnel. Student integrates pastoral care practicum with prior and concurrent course work. Includes class presentations and simulations or practice situations that combine knowledge and skill utilization. Open only to students with minor in Pastoral Care. Senior standing and permission of instructor required.
- **PCAR 4961 ELECTIVE PRACTICUM IN PASTORAL CARE** Additional field education placement experience. Same requirements as PCAR 4951. May not be taken concurrently with PCAR 4951 or PCAR 4972. Open only to students with minor in Pastoral Care. Prerequisites: senior standing and permission of instructor.
- **PCAR 4972 HOSPITAL MINISTRY PRACTICUM** Field education placement in a hospital setting involving 8 clock hours weekly under the supervision of a competent hospital chaplain. Special emphasis on pastoral care to the terminally ill and their families. Open only to students with minor in Pastoral Care. Prerequisite: PCAR 4532.

PASTORAL MINISTRIES

- **PMIN 3303 PASTORAL LIFE AND CALLING** A course emphasizing biblical models of pastoral ministry, the call to pastoral ministry, and pastoral relationships and ethics. Special attention will be given to Assemblies of God church polity and organization.
- PMIN 3313 HOMILETICS I A study of the preparation, outlining, and delivery of sermons. Prerequisite: COMM 1212 and BIBL 2623.
- PMIN 3323 HOMILETICS II A course designed to put into practice the homiletical principles studied in Homiletics I. Special emphasis is given to the preparation and delivery of videotaped sermons in class. Prerequisites: PMIN 3313 and BIBL 2623.
- PMIN 3502 PASTORAL TECHNIQUES This lab course focuses on pastoral functions in the ceremonies and rites of the local church. Such matters as the ordinances of Baptism, the Lord's Supper, infant dedication, marriage, funerals, and installation of officers are considered. Field trips to a mortuary and to local churches are included. Prerequisites: at least junior status and PMIN 3303.
- **PMIN 4313 PRINCIPLES OF CHURCH OUTREACH AND DEVELOPMENT** A study of the principles and contemporary methods of church outreach and development. Emphasis will be placed on the biblical philosophy of church growth the evangelistic work of the church, and the methods of discipleship that incorporate, motivate, equip, and mobilize people in the church for growth and ministry. (Same as MISS 4313)

Biblical, moral, and ethical concerns are identified for particular health issues. Students receive a First Aid Certificate through a lab experience.

POLITICAL SCIENCE & CONTEMPORARY ISSUES

PSCI 2503 AMERICAN GOVERNMENT An introduction to American National Government. It includes a study of the three branches of the federal government. Major public policy issues are also examined, including social welfare, civil liberties, civil rights, and foreign affairs.

- **PSCI 2553 HISTORY OF CONSTITUTIONAL LAW** A historical study of the constitutional law of the United States. This course examines how the Supreme Court of the United States has interpreted major constitutional issues throughout the history of the court. Included are examinations of the right to privacy, freedom of speech, freedom of religion, and the doctrine of equal protection.
- **PSCI 3213 HISTORY OF POLITICAL PHILOSOPHY I** A historical study of the social and political writings of major philosophers in the ancient and medieval time periods. Works by the following philosophers will be read: Plato, Aristotle, Augustine, and Aquinas. (Same as PHIL 3213)
- **PSCI 3223 HISTORY OF POLITICAL PHILOSOPHY II** A historical study of the social and political writings in the modern time period. Works by the following philosophers will be read: Machiavelli, Hobbes, Locke, Rousseau, and de Tocqueville. (Same as PHIL 3223)
- **PSCI 3502 INTERNATIONAL RELATIONS** A course intended to look at global topics and relations between nations. The course studies the tensions between national interests and the increasing global dependence. Power, economic interests, and human rights are topics that will be examined as well.
- **PSCI 3612 CRUCIAL ISSUES IN CONTEMPORARY SOCIETY** A course designed to look at some contemporary issues such as politics, war, hunger, etc., and discuss how Christians should live in light of these issues.

PSYCHOLOGY

- **PSYC 1001 STUDY SKILLS** A course dealing with proven methods of effective study designed to assist students in achieving academic success in college.
- **PSYC 1013 GENERAL PSYCHOLOGY** An introduction to the basic principles of human behavior and to elementary principles of human development, awareness, learning, motivation, personality, and social influence.
- **PSYC 2003 EXPERIMENTAL PSYCHOLOGY** Emphasis on general research methodology at both conceptual and applied levels. Consideration is given to topics such as the scientific study of human behavior, the formulation of research problems and hypotheses, research design, statistical inference, decision making, and the writing of research reports. Prerequisite: PSYC 1013 and concurrent enrollment in PSYC 2001. (Same as BSCI 2003 Behavioral Science Research Methods)
- **PSYC 2001 EXPERIMENTAL PSYCHOLOGY LABORATORY** Emphasis on designing, conducting, and analyzing the results of experimental data. Most experiments involve studies in human learning, memory, and cognition. Prerequisite: PSYC 1013 and concurrent enrollment in PSYC 2003. (Same as BSCI 2001 Behavioral Science Research Methods Laboratory)
- **PSYC 2203 HISTORY AND SYSTEMS OF PSYCHOLOGY** An historical review and philosophical analysis of the development of psychology as a discipline. Emphasis is given to the relationship between specific historical antecedents and contemporary trends in psychology. Prerequisite: PSYC 1013.
- **PSYC 2513 PERSONALITY THEORIES** A study of the enduring human personality characteristics that often distinguish one person from another. Extensive consideration is given to biological, psycho-dynamic, social, cognitive, and trait-descriptive theories of personality structure and functioning. The course also introduces students to a variety of personality scales and inventories designed to identify important individual differences in personality. Prerequisite: PSYC 1013.

- **PSYC 2523 DEVELOPMENTAL PSYCHOLOGY I** Surveys child development from conception through pre-adolescence, focusing on the interacting processes of physical, cognitive, social, emotional and moral development within sociocultural contexts, including parent-child relationships. Includes an introduction to the observation, measurement and evaluation of children. Prerequisite: PSYC 1013.
- **PSYC 2533 DEVELOPMENTAL PSYCHOLOGY II** Surveys human development from young adult through death, focussing on the interfacing processes of physical, cognitive, social, emotional and moral development within sociolcultural contexts, including developmental tasks and transitions associated with developmental stages. Prerequisite: PSYC 1013.
- **PSYC 2553 PSYCHOLOGY OF LEARNING** A course concerned with the study of human learning in the educational setting. Correspondence work or CLEP tests will not be accepted for Teacher Education requirement. Prerequisite: PSYC 1013.
- **PSYC 2603 INDUSTRIAL/ORGANIZATIONAL PSYCHOLOGY** A study of organizational behavior, selection procedure, performance appraisal, human factors, engineering, and consumer behavior. Students undertake a significant research project. Prerequisite: PSYC 1013.
- **PSYC 2653 SOCIAL PSYCHOLOGY** A study of the theories and methods of social interactions in the development of personal and group behavior. Topics include attitudes, communications, prosocial, and anti-social behaviors. Prerequisite: PSYC 1013.
- **PSYC 3103 PSYCHOLOGICAL TESTING AND MEASUREMENT** A foundational course for anyone who, with additional training, intends to use educational or psychological tests or evaluations. This course develops concepts and skills used in the development, selection, administration and interpretation of psychological tests and nontesting means of evaluation. Prerequisite: PSYC 1013. (Same as BSCI 3103)
- **PSYC 3203 COGNITIVE PSYCHOLOGY** A survey of research and theory in the study of human cognition. The course covers the acquisition, representation, and use of knowledge with emphasis on the processes of memory, language, and decision-making. Prerequisite: PSYC 1013.
- **PSYC 3403 DEVELOPMENTAL DISABILITIES** An overview of the identification, etiology, course, and treatment of human developmental disabilities. Students are given opportunity to meet and interact with people with various developmental disabilities. Prerequisite: PSYC 1013.
- **PSYC 3453 PHYSIOLOGICAL PSYCHOLOGY** An introduction to research on the brain and physiological processes that have become very important in psychology. The course explores the physiological roots of perception and consciousness, learning and memory, sleep, emotion, sexuality, neurological disorders and psychopathology. The course includes an introduction to the work of clinical neuropsychologist and cognitive neuroscientists. Prerequisite: PSYC 1013.
- **PSYC 3533 PASTORAL PSYCHOLOGY** An introduction to the field of pastoral psychology. Attention is given to the role and function of the pastoral care of persons with physical illnesses, personal adjustment problems, family conflict, premarital preparation, marriage adjustment, the aged, youth conflicts, death and bereavement, etc., and to the use of religious resources and Scripture. Prerequisite: PSYC 1013.
- **PSYC 3543 MARRIAGE AND FAMILY** A study of the family as a social institution including an emphasis on the modern family and constructive ideals for a successful marriage and parenthood. Attention will be given to the dysfunctional family including intervention strategies. (Same as PCAR 3543 and SOCI 3543)
- **PSYC 3553 PSYCHOLOGY OF ABNORMAL BEHAVIOR** A study of etiology, assessment, diagnosis and treatment of various forms of abnormal behavior from various psychological perspectives. Prerequisite: PSYC 1013.

- **PSYC 3563 PSYCHOLOGY OF RELIGION** An examination of the relationships between psychology and religion. This course includes discussions of how several major psychologists have attempted to explain religious faith and practice. Students examine frameworks that have been proposed for relating Christian beliefs about persons and psychological explanations. Consideration is given to students' own Christian faith (Same as RELG 3563)
- **PSYC 4303 SCHOOLS OF COUNSELING AND PSYCHOTHERAPY** Introduction to the schools of psychotherapy and counseling. Attention is given to the theory and practice of the major schools including, but not limited to: Psychoanalysis, Rational-Emotive Therapy, Cognitive Behavioral Modification, and Reality Therapy. Prerequisite: PSYC 2513.
- **PSYC 4403 SEMINAR IN PSYCHOLOGY** A seminary style course designed to consider contemporary and controversial issues in psychology as they relate to the Christian individual. Prerequisite: PSYC 1013.
- **PSYC 4453 SEMINAR IN ECO-PSYCHOLOGY** A research course focussing on the integration of ecology and psychology and the historical and contemporary issues that are currently impacting us today. There is an emphasis on looking at how third world developing countries are impacted by man and the environment. Migration patters and the formation of super cities in developing countries will be evaluated and researched. Prerequisite: PSYC 1013.
- **PSYC 4543 RESPONSE TO CRISIS SITUATIONS** Intensive study of selected crisis problems and intervention strategies. (Same as PCAR 4543)

PSYC 4714 METHODS FOR TEACHING PSYCHOLOGY. (See EDUC 4714 for description.)

- **PSYC 4743 PSYCHOLOGY THESIS I** The first part of a culminating, synthetic learning experience in which students apply the learning gained in the core courses to an integrated study project in the Psychology field. Students meet in a seminar format for on-going discussion of their individual projects. Psychology Thesis I and II are designed to be a two-semester experience. Prerequisite: instructor's permission.
- **PSYC 4753 PSYCHOLOGY THESIS II** A continuation of Psychology Thesis I. Prerequisite: PSYC 4743 and instructor's permission.
- **PSYC 4943 PSYCHOLOGY PRACTICUM I** The first part of a student's practical training through local agencies. In Practicum I, students receive preparation for and are placed in their practicum site in a local mental health or social service agencies in order to obtain training in specific psychological skills. The specific site is coordinated through the Psychology Department. Practicum I and II are taken sequentially, allowing a full two semesters of learning experiences. Prerequisite: instructor's permission.
- **PSYC 4953 PSYCHOLOGY PRACTICUM II** A continuation of a student's practical training through local agencies. Prerequisite: PSYC 4943 and instructor's permission.

RELIGION

- **RELG 3293 GENERAL APOLOGETICS** A study of the various bases for the Christian faith. This course explores the relationships between faith and reason and helps the student develop a sound a biblical defense for the Christian world view.
- **RELG 3403 PHILOSOPHY OF RELIGION** A philosophical approach to questions raised by religious belief. This course will explore philosophical understandings of: the relationship between reason and belief, reason and revelation, the meaningfulness of religious language, the existence and nature of God. It also looks at three related problems: 1) the problem of evil, 2) the immortality of the soul, and 3) the nature and possibility of religious experience. (Same as RELG 3403)

- **RELG 3503 INTRODUCTION TO WORLD RELIGIONS** This course is an introduction to the major living world religions. Such matters as the genesis, historical development, cultural expansion, and salient features of the belief system of each religion are considered. Particular attention is given to the encounter of the Christian faith with these religions. (Same as MISS 3503)
- **RELG 4503 METHODS IN THE STUDY OF RELIGION** A focuses on the various methods employed in the study of religion. Special attention is given to the study of the classical theorists in the study of religion.
- **RELG 4562 PSYCHOLOGY OF RELIGION** A study of religious characteristics, problems, and needs of the individual as viewed from a psychological and theological perspective, with attention given to integrative study. Consideration is given to the history of the subject and role of religious attitudes, beliefs, and practices in personality development and adjustment. (Same as PSYC 4562)
- **RELG 4662 MODERN RELIGIOUS CULTS IN AMERICA** A course giving a broad awareness of the phenomenon of religious cults in America life. This course enables the student to define and understand the nature of cults, and to communicate the Christian faith to members of the cults. (Same as MISS 4662)

SCIENCE

- SCIE 1103 PRINCIPLES OF BIOLOGY Study of biological principles relating to living organisms. Basic chemical structure, cellular and subcellular morphology, energy utilization, reproduction and development, and ecological interrelationships are examined. Requires concurrent enrollment in SCIE 1101 Biology Lab or instructor permission.
- SCIE 1101 PRINCIPLES OF BIOLOGY LABORATORY Study of biological processes, microtechnique, physiology, and dissection appropriate to the SCIE 1103 course. Requires concurrent enrollment in SCIE 1103 Principles of Biology or instructor permission. One two-hour lab per week.
- **SCIE 1153 HUMAN BIOLOGY** Basic biology of human life including an overview of microscopic and gross anatomy, growth and development, sexuality and genetics, physiology of major body systems, and brief familiarization with more common illnesses and their courses. Requires concurrent enrollment in SCIE 1151 Human Biology Laboratory. Student may not receive credit for both SCIE 1153 and SCIE 2203, 2213.
- SCIE 1151 HUMAN BIOLOGY LABORATORY Basic biology of human life laboratory appropriate to SCIE 1153 Human Biology. Requires concurrent enrollment in SCIE 1153 Human Biology. One two-hour lab per week.
- SCIE 1183 PHYSICAL AND EARTH SCIENCE I Survey of principles from mechanics, heat, light, sound, electronics, electricity, and astronomy to give the student a better understanding of our physical universe and civilization.
- SCIE 1193 PHYSICAL AND EARTH SCIENCE II Survey of principles from chemistry, geology, meteorology, energy, and environment.
- SCIE 1204 COLLEGE CHEMISTRY I An introductory study of atomic and molecular structure, equations, stoichiometry, solutions, equilibrium and some descriptive chemistry. Three hours lecture and one two-hour lab per week.
- SCIE 1214 COLLEGE CHEMISTRY II A study of elementary organic chemistry and biochemistry. Three hours lecture and one two-hour lab per week. Prerequisite: SCIE 1204 or permission of instructor.

- SCIE 2053 GENERAL BIOLOGY I A study of scientific method, chemistry of living organisms, and cellular morphology and physiology. This course includes an introduction to genetics, ecology, and taxonomy. Prerequisites: High school chemistry or higher, or concurrent enrollment in SCIE 1204 College Chemistry I; concurrent enrollment in SCIE 2051 General Botany Laboratory I.
- SCIE 2051 GENERAL BIOLOGY I LABORATORY Biology Laboratory appropriate to SCIE 2053 General Biology I. One two-hour lab per week. Prerequisite: concurrent enrollment in SCIE 2053 General Biology I.
- SCIE 2063 GENERAL BIOLOGY II Continuation of SCIE 2053 General Biology I. This course includes the study of morphology, physiology, and systems of zoological and botanical organisms. Ecology and interrelationships form a central focus. Prerequisite: SCIE 2053 General Biology or instructor permission; concurrent enrollment in SCIE 2061 General Biology II Laboratory.
- SCIE 2061 GENERAL BIOLOGY II LABORATORY Biology Laboratory appropriate to SCIE 2063 General Biology II. One two-hour lab per week. Prerequisite: concurrent enrollment in SCIE 2063 General Biology II.
- **SCIE 2104 MICROBIOLOGY** A study of microscopic organisms, including viruses, bacteria, fungi, algae, protozoans, and parasitic worms. Focus primarily on their structure, physiology and how they interrelate with other organisms in beneficial and/or harmful ways. Study will be given to understanding how modern microbiologic techniques can be used to protect and benefit living things. Three two-hour lab/lecture sessions per week. Prerequisites: previous or concurrent enrollment in SCIE 1204 and 1214 or previous science experience and permission of the instructor.
- SCIE 2113 GENERAL BOTANY An introduction to plant taxonomy, morphology, energy processes, reproduction, and ecological interrelationships. Requires concurrent enrollment in SCIE 2111 General Botany Laboratory. SCIE 1103 is recommended as background for this course.
- SCIE 2111 GENERAL BOTANY LABORATORY Botany laboratory appropriate to SCIE 2113 General Botany. Requires concurrent enrollment in SCIE 2113 General Botany. One two-hour lab per week.
- SCIE 2123 GENERAL ZOOLOGY An introduction to the animal kingdom. An overview of tissue, organ and organ system operations. Includes morphological, taxonomic, and ecological relationships. Requires concurrent enrollment in SCIE 2121 General Zoology Laboratory. SCIE 1103 recommended as background for this course.
- SCIE 2121 GENERAL ZOOLOGY LABORATORY Zoology laboratory appropriate to SCIE 2123 General Zoology. Requires concurrent enrollment in SCIE 2123 General Zoology or instructor permission. One two-hour lab per week.
- SCIE 2203 HUMAN ANATOMY AND PHYSIOLOGY I Studies the design and functions of the human body. Begins with cell, tissue, and membrane functions and continues with the integumentary, skeletal, muscular, endocrine and nervous systems. Requires concurrent enrollment in SCIE 2201 Anatomy I Lab. SCIE 1103 recommended as prerequisite.
- SCIE 2201 HUMAN ANATOMY AND PHYSIOLOGY I LABORATORY Anatomy laboratory appropriate to SCIE 2203 Anatomy I. Requires concurrent enrollment in SCIE 2201 Human Anatomy and Physiology I. One two-hour lab per week.
- SCIE 2213 HUMAN ANATOMY AND PHYSIOLOGY II Continues the study of the systems of the human body. Includes the circulatory, lymphatic, respiratory, digestive, renal, and reproductive systems. Requires concurrent enrollment in SCIE 2211 Human Anatomy and Physiology II Lab. Prerequisite: SCIE 2203 or permission of instructor.
- SCIE 2211 HUMAN ANATOMY AND PHYSIOLOGY II LABORATORY Anatomy laboratory appropriate to SCIE 2213 Anatomy II. Requires concurrent enrollment in SCIE 2213 Human Anatomy and Physiology II. One two-hour lab per week.

Course Descriptions [course credit = last digit of code] 143

- SCIE 2703 PRINCIPLES OF ECOINTENSIVE SCIENCE Foundations of chemistry, nutrition, philosophy, and microeconomic development as it applies to ecointensive food production. Includes ecological recovery of damaged environments, food production and preservation, genetics, and stock selection. Requires concurrent enrollment in SCIE 2701 lab. Permission of instructor required. (Same as BUSM 2703)
- SCIE 2701 PRINCIPLES OF ECOINTENSIVE SCIENCE LABORATORY Laboratory appropriate to SCIE 2703 Principles of Ecointensive Science. Requires concurrent enrollment in SCIE 2703 or instructor permission. One two-hour lab per week. (Same as BUSM 2701)
- SCIE 3143 GENETICS The study of the chemical basis for heredity and the resultant patterns will be examined. Use and implications of these technologies will be discussed. SCIE 1103 Principles of Biology is recommended as a prerequisite for this course. Prerequisite: High school chemistry or higher, or concurrent enrollment in SCIE 1204 College Chemistry I.
- SCIE 3141 GENETICS LABORATORY A laboratory appropriate to SCIE 3143 Genetics. Prerequisite: concurrent enrollment in SCIE 3143 Genetics.
- **SCIE 3153 ECOLOGY** An introduction to ecological principles and the effect of society on them. The individual's role is examined, giving emphasis to cause and effect of behaviors to the interrelationships of nature. SCIE 1103 Principles of Biology is recommended as a prerequisite. Prerequisite: concurrent enrollment in SCIE 3151 Ecology Laboratory.
- SCIE 3151 ECOLOGY LABORATORY A laboratory appropriate to SCIE 3153 Ecology. Prerequisite: concurrent enrollment in SCIE 3153 Ecology.
- SCIE 3163, SCIE 3164, SCIE 3165 NORTHWEST ECOLOGY A course that surveys topics such as local Puget Sound issues, rain forest ecology, nuclear power plant ecology, and the volcano ecology of Mt. Saint Helens. Includes half day field trips to local sites and multi-day trips to the Olympic Rain Forest and Mt. Saint Helens. Requires extra fees to cover travel, food, lodging, and lab supplies. Includes lab experience. Prerequisite: permission of instructor.
- **SCIE 3172 URBAN AREA ECOLOGY** A course that surveys ecological issues of the Greater Seattle area. Includes half day field trips to local sites. Requires extra fees to cover travel and supplies. Prerequisite: permission of instructor.
- SCIE 3702 ECOINTENSIVE AGRICULTURE An introduction to ecointensive food production technology based on ecological balancing. Special emphasis is given to community development in stressed and damaged environments. Includes principles of value added products and self sufficiency. Prerequisites: SCIE 2703 and/or instructor permission. (Same as BUSM 3702)
- SCIE 3752 INTRODUCTION TO AQUACULTURE An introduction to ecointensive food production of protein based on intensive aquaculture. Special emphasis is given to integration of technology into stressed environments and use of by-products in productive ways. Prerequisites: SCIE 2703, SCIE 3702 and/or instructor permission. (Same as BUSM 3752)
- SCIE 4133 THEORIES OF EVOLUTION A course designed to acquaint the student with some modern evolutionary theories of the origins and development of the universe and life. Comparison is made with biblical creation. SCIE 1103 and SCIE 1183 and/or SCIE 1193 are recommended as background for this course.
- SCIE 4401 LABORATORY MANAGEMENT AND SAFETY METHODS I Instruction in laboratory management and safety protocols and responsibilities. Includes basic techniques of establishing and maintaining a science laboratory in a manner that provides a safe environment. Prerequisite: a minimum of 16 hours of Science course work that includes laboratory experiences, and instructor permission.
- SCIE 4411 LABORATORY MANAGEMENT AND SAFETY METHODS II Continuation of SCIE 4401 and includes a practicum in science laboratory management. Prerequisite: previous or concurrent enrollment in SCIE 4401 and instructor permission.

Courses

- SCIE 4552 SCIENCE, TECHNOLOGY, AND SOCIETY Discusses the roles of technology and values in science. Includes examination and hands on application, operation and use of technology in science teaching, e.g.: computer, laser disk, and laboratory analysis equipment. Prerequisite is a minimum of 16 hours of science course work that includes laboratory experiences, and instructor permission.
- SCIE 4702 4703 ECOINTENSIVE AGRICULTURE FIELD APPLICATIONS (2-3 credits) Field laboratory applications of SCIE 3702. Student will participate in a project and develop managerial skills in project feasibility, analysis, operations, and evaluation. Prerequisite: SCIE 3702 and instructor permission. (Same as BUSM 4702 and 4703)
- SCIE 4752 4753 ECOINTENSIVE AQUACULTURE FIELD APPLICATIONS (2-3 credits) Field laboratory applications of SCIE 3752. Student will participate in a project and develop managerial skills in project feasibility, analysis, operations, and evaluation. Prerequisite: SCIE 3752 and instructor permission. (Same as BUSM 4752 or 4753)

SOCIOLOGY

- **SOCI 1113 SURVEY OF SOCIOLOGY** An introductory study of the basic concept of societal groups, institutions, and interrelationships. Some consideration is given to problems of contemporary society.
- SOCI 2133 SOCIAL PROBLEMS A study of problem areas in society such as poverty, hunger, inadequate health care, child abuse, delinquency, crime, and mental illness.
- **SOCI 3433 INTERCULTURAL COMMUNICATION** Findings from the fields of communication, psychology, sociology, linguistics, and anthropology are combined with the study of characteristics of various cultures to provide the student with a basis for effective communication in all cultures. Prerequisite: SOCI 1113. (Same as BSCI 3433, COMM 3433, and MISS 3433)
- **SOCI 3543 MARRIAGE AND FAMILY** A study of the family as a social institution including an emphasis on the modern family and constructive ideals for a successful marriage and parenthood. Attention will be given to the dysfunctional family including intervention strategies. (Same as PCAR 3543 and PSYC 3543).

THEOLOGY

- **THEO 1213 CHRISTIAN DOCTRINE** A study of basic Christian doctrines as found in the evangelical expression of the Church, with which the Assemblies of God in broad perspective, identifies itself. The statement of Fundamental Truths of the Assemblies of God constitutes the overall frame of reference for the course. This course is a prerequisite to all other theology courses with the exception of THEO 3533.
- **THEO 2503 PENTECOSTAL (A/G) DOCTRINES** This course is intended to follow the basic Christian Doctrine and precede the Systematic Theology courses offered at Northwest. It will focus directly on pneumatology, the doctrine of the Holy Spirit, and on eschatology, the doctrine of last things. It will also function as a defense of the classical Pentecostal and/or Assemblies of God beliefs in these areas. Prerequisite: THEO 1213.
- **THEO 3533 STUDIES IN CHRISTIAN THOUGHT** [Limited to degree completion students.] A systematic study of Bible doctrines, such as God, Christ, the Holy Spirit, man, sin, salvation, and related topics. These themes will be examined as found in the evangelical expression of the Church, with which the Assemblies of God in broad perspective, identifies itself.
- **THEO 4213 SYSTEMATIC THEOLOGY I** An introduction to the study of theology and an examination of the doctrines of the Scriptures; of God, especially His nature and Godhead; of angels; of man, in particular his creation, nature and fall; and of sin, its nature and consequences. Prerequisite: THEO 1213.

Northwest College Academic Catalog - 1998-1999

Courses

THEO 4223 SYSTEMATIC THEOLOGY II An examination of the doctrines of Christ, His nature and work; of salvation, provided only by Christ and experienced by man through faith; of the Church, its nature, ordinances, and mission; and of eschatology, including the Second Coming of Christ, the Millennium, and the judgments. Prerequisite: THEO 1213.

YOUTH MINISTRIES

- YMIN 2313 FOUNDATION FOR YOUTH MINISTRY The learner is introduced to adolescent culture and psychology, the role of adult leadership, and the purposes and program structures of youth ministry. (Same as EMIN 2313)
- YMIN 2353 YOUTH MINISTRY DESIGN A study of the process of planning, organizing, and leading a ministry. The study provides opportunities for the student to develop skill in designing ministry structures that are based on biblical purposes, and congregation and community needs. Prerequisite: EMIN 2203 or YMIN 2313.
- YMIN 3312 CHURCH CAMPING AND RECREATION These are two of the most popular and perhaps the most powerful tools an individual can use in shaping the life of a young person. The student will learn how to design and conduct church camping and recreation ministries. (Same as EMIN 3312)
- YMIN 3323 EVANGELISM AND DISCIPLESHIP The student will develop strategies for training and implementing evangelism and discipleship in the local church youth ministry. Prerequisite: CFOR 1022. (Same as EMIN 3323)
- YMIN 3333 CREATIVE COMMUNICATION WITH ADOLESCENTS A course to develop students' imagination and creativity in communicating with teenagers. Basic communication skills will be modeled: reading aloud, body language, story telling, Socratic discussion, drama, music and video. Lesson plans will then be developed which seek to implement these skills with teenagers. (Same as COMM 3333)

STUDENT LIFE INFORMATION

ETLIGHT

STUDENT LIFE

Student Handbook. The Student Handbook is issued yearly by the Dean of Students in cooperation with student leaders. It contains the policies and guidelines for students attending Northwest College.

Student Housing. Northwest is a residential campus. All single students under age 21 must live on campus unless they are: 1) commuting from parents or an approved adult relative's residence, 2) working a job which provides room and board, or 3) junior status (60 credits). Fourteen days after the official date that room and board charges begin, there will be no prorated refund for those who move off campus. Prior to the fourteen days there will be a \$100 charge plus loss of board and room deposits. Any requests for exemption to this policy should be directed to the Administrative Services Office. The College maintains five residences on the campus, two for housing men, and three for housing women. Furnished for two students each, all rooms have single beds, mattresses, desks, chests of drawers, bookshelves, and chairs. Students provide their own bedding, pillows, rugs, and other items. Each residence has automatic coin-operated laundry facilities. (A room reservation deposit is required.)

Married Student Housing. The College maintains seventy-eight resident student apartments designed for married students with or without children. They consist of thirty-six units with 1 bedroom/1 bath, twelve units with 2 bedrooms/1 bath, and thirty units with 2 bedrooms/2 baths. Application can be made through the Administrative Services Office. The College also assists married students in finding suitable housing in the community.

Health Service. The College provides a nurse and health center. The nurse is available at regular scheduled times. A student group health plan is made available to all students should they desire coverage.

Special Diet. (Special consideration requested for medical reasons.) When, because of medical or health conditions, students are required to have a special diet, they should submit a written notice from their doctor to the Student Life Office. The doctor's statement should provide all information regarding restrictions/requirements. Every effort is made to meet the special requirements of diet when health is a factor. The College reserves the right to charge for special diet provisions if necessary.

Automobiles. Permits are necessary for the operation and parking of student vehicles on campus. Vehicles must be registered with the Student Life Office. Violation of vehicle regulations may result in fines and/or cancellation of the permit. It is expected that students bringing cars on campus will have them properly insured and properly licensed with the state in which they are registered. Drivers must be familiar with the Washington State Driver's Handbook. **Student Life**

Guidance and Counsel. The College maintains a Counseling and Career Development Office to assist the students' development academically, vocationally, socially, and spiritually. All appointments for personal or career counseling are made through the Counseling and Career Development Office. Each student is also assigned to a faculty advisor for guidance during the academic year.

PRINCIPLES AND PRACTICES OF CHRISTIAN CITIZENSHIP

As an institution of the Assemblies of God, Northwest College has standards for student behavior based on biblical precepts and principles, the doctrinal statements of the church, and on widely-held practices within the fellowship.

The student handbook is published to acquaint students with the way of life at Northwest College. It will tell them what they can expect of the College and what the College expects of them as they seek to prepare themselves for a life of Christian service.

Christian maturity involves more than adherence to explicit scriptural statements of right and wrong. It involves a total commitment to the Lordship of Christ and a life of dynamic discipleship. The mature Christian recognizes scriptural principles that govern conduct and applies these principles to every area of attitude, conviction, and behavior.

Student Life

The Scriptures establish basic principles which should guide the development of Christian character and govern all Christian behavior. These include:

- the Lordship of Christ over all of life and thought. This involves wholehearted obedience to the moral law of God as taught in the Bible and exemplified in the life of Christ; the careful stewardship of mind, time, abilities, and funds; opportunities for intellectual and spiritual growth; and the care of the body as the temple of the Holy Spirit;
- the responsibility to love God with all our being and to love our neighbor as ourselves. This means that unselfish love should be the motive in all of life's decisions, actions, and relationships;
- the responsibility to seek after righteousness, to practice justice in all dealings with one another, in social institutions, and to help those in need;
- the need to exercise freedom responsibly, lovingly, and sensitively within the framework of God's moral law in relationship to the Assemblies of God fellowship at large and to other communities; and
- access through Jesus Christ to the forgiveness of God and to the help of the Holy Spirit in doing heartily what God requires (Romans 14:4-10, 15:1-3; Phil. 1:20-27; 1 Cor. 8:7-10; Col. 3:23; 2 Cor. 6:14-18; James 1:27, 4:4; 1 John 2:15-18).

When students apply for admission, they must indicate that they have made a personal commitment to Jesus Christ as Lord and Savior and that they are willing to live by the community rules adopted by the College. This means abstaining from practices morally wrong such as stealing, use of profane, vulgar language, sexual sins, dishonesty, cheating, gambling, pornographic literature, the possession of or use of illegal drugs, or alcoholic beverages.

Students of Northwest College are expected to recognize their responsibility to God by careful use with their time and to engage only in such activities as may contribute to their spiritual, moral, intellectual, and physical well-being. They should avoid questionable entertainment and activities including those which diminish a person's moral sensitivity. Nothing should be viewed or listened to which contains unacceptable views or portrays Christian principles in a negative light. As Christians we must realize the importance of being an example of Christian living both on and off campus.

In keeping with the College's goal of guidance toward holy living the following are attitudes and actions affirmed and encouraged: "But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control" (Galatians 5:22-23b, NIV).

The College will promote Christian citizenship in instruction, corrective confrontation, and discipline, when necessary for the purpose of development of Christian lifestyle in the students. An acceptable citizenship record also includes financial responsibility to the College and must be maintained in order to qualify for graduation or participation in student offices or extra-curricular assignments.

The College reserves the right to modify and amplify the standards and dates set forth in the Student Handbook and to use its discretion in the interpretative enforcement of all ideals and standards of conduct, however communicated.

The College Administration also reserves the right to require any student who is considered to be out of harmony with the goals and the spirit of the College to withdraw, including involuntary administrative withdrawal.

Northwest College is committed to a policy of non-discrimination with regard to race, color, national origin, sex, age, marital status, or physical disability. Persons having questions regarding College policies relating to these matters should contact the Vice President for Administrative Services.

STUDENT ACTIVITIES

"And Jesus increased in wisdom, and stature, and in favor with God and man" Luke 2:52.

Northwest College, through its programs and activities, seeks to develop the whole person—mental, physical, spiritual, and social.

All School Banquet. An evening in springtime is set aside for a semi-formal gathering at which students, faculty, and staff enjoy social and spiritual fellowship.

Associated Married Students. All married students are members of this organization which provides opportunities for social, intellectual, and spiritual growth for married students and their spouses.

Associated Men Students and Associated Women Students. These include all Northwest College men and women respectively. They seek to promote social, intellectual, and spiritual growth of the student through their activities.

Associated Student Body. Each student is a member of the Associated Student Body. Membership of the Student Council includes the officers of the Associated Student Body, the officers of each class, the Associated Men Students, the Associated Women Students, Married Student Association, KNCR (the College radio station) President, and the KARISMA (yearbook) Editor. The Council guides and promotes student activities and projects.

Student Life

Chapel. Chapel at Northwest College is held daily and attendance is required. An attendance record is maintained and a grade of "S" or "F" is assigned depending upon the attendance record. Students who plan to work during the school term should plan their schedule to include chapel.

Church Attendance. While at Northwest College, students should make a choice of a church home where they will be available for participation. Students are encouraged to become an active part of their church.

Christian Service. Students at Northwest College are preparing themselves to help others through Christian ministry. All students are encouraged and expected to participate in some aspect of the Student Ministries and Missions programs, and in local church ministry.

Convocation. Traditionally, the new school year is formally opened at this time. Officials, ministers, alumni, and friends join faculty and students for this occasion.

Fall Social. In the fall of each year, the Associated Student Body sponsors an informal evening of fun, related to seasonal themes such as harvest time.

Intercollegiate Athletics. Northwest College is a member of the National Christian College Athletic Association (NCCAA) and the National Association of Intercollegiate Athletics (NAIA). Sports offered include men's and women's basketball, men's soccer, women's volleyball; men's and women's cross country, and men's and women's track and field.

Intramurals. The Administration and the Associated Student Body jointly sponsor an intramural program for men and women. The intramural program seeks to give positive opportunity for athletic competition within the College life setting. The campus facilities include the gymnasium, tennis courts, an athletic field, and an outdoor Basketball court.

Karisma. The College yearbook is produced by a staff of student editors who work with academic and staff advisors. Students can apply for editor positions in the Student Life Office.

Missions Convention. The annual Missions Convention provides missions emphasis and fellowship. Missionaries from the area and on deputational assignment are invited as special guests. This function is an Associated Student Body activity with special arrangements being under the supervision of the Student Ministries/Missions Coordinating Committee.

Student Ministries. This organized student outreach consists of a variety of ministry opportunities - Children's Ministry, Campus Ministry, Community Ministry, Evangelism Ministry, Gospel Team Ministry, Prison Ministry, Youth Ministry, and Airport Ministry. Included in this outreach of Student Ministries are Internship opportunities providing practical experience in specific areas of Christian Education, Missions (including summer and short-term assignments), Pastoral Care, Pastoral Ministry, Church Music and Youth Ministry. Student teams selected and approved for summer ministry also provide an outreach of service for interested and qualified students.

Spiritual Emphasis. Every day spiritual values are emphasized in chapel. In addition several weeks are set aside for special emphasis and growth. The Spiritual Emphasis Weeks focus on commitment. The Missions Emphasis Weeks highlight world evangelization. Other special emphases are scheduled through the year such as the Staley Lectures and the Church Ministries Lectureship Series.

World Missions. Northwest College students are given opportunity and encouragement to be active in world missions. This ministry provides outreach and counsel for projects, fairs, brunches, conventions, prayer groups and internships, all related to world mission ministry.

ADMISSIONS INFORMATION

LET LIGHT

ADMISSIONS

Admission to Northwest College is granted to applicants meeting the College admissions requirements without regard to sex, race, color, age, national or ethnic origin, or physical disability. However, admissions are made on a selective basis according to the following criteria:

- 1. Character. All applicants must give evidence of sound moral character. Evidence of that character includes a vital experience of salvation through faith in Jesus Christ. Applicants are admitted only upon satisfactory recommendations from sources specified on the College Admissions Application form.
- 2. High School Graduate. Applicants must be graduates of a recognized high school. The following years of preparatory work are recommended: English, 4; Math, 3; Social Studies, 2; Science, 2; Foreign Language, 2; and Electives, 3. Applicants may be admitted on the basis of satisfactory scores on the General Educational Development Tests as established by State Competency Standards.

Home schoolers are strongly encouraged to present transcripts and a diploma from a recognized home school organization, or complete the GED tests. Students who are home schooled, but show the ability to benefit from college coursework by scoring at the 75th percentile or above on the SAT or ACT (for college-bound students), may also be admitted.

A limited number of mature persons who are not graduates of a high school may be admitted on a selective basis as special students. However, special students are not allowed to earn degrees, diplomas, or certificates at the College.

3. International Students. All international students whose primary language is not English will be required to submit a TOEFL (Test of English as a Foreign Language) score as a part of the application process (College Code: 4541). A minimum score of 500 is needed for admission to the College.

Admissions Standings

Regular Student Status. A regular student is a student who meets all admissions requirements for matriculation into a degree program at the College. Regular standing is granted approved applicants who have achieved a minimum cumulative GPA of 2.3 in their high school or college course work (if a transfer student) and satisfactory test scores.

Probation Student Status. Probation status may be granted to a limited number of selectively admitted students who, in the judgment of the Enrollment Services Committee, show promise of benefit from the opportunity to pursue work at Northwest College. A minimum incoming cumulative GPA of 2.0 is normally required for admission on probation.

Admissions

Special Student Status. A special student is a student who enrolls for a limited course load (not more than nine hours) and who is not pursuing a degree at the College. The individual may take courses for audit or for credit after regularly-enrolled students have registered.

A special student in the Certificate in Christian Studies program is allowed to enroll for a full load in the Christian Studies program. To qualify for the certificate, however, the individual must meet the same requirements as regular students.

Admissions Application Procedure

- 1. Application. Application for admission is made on the form provided by the College. Forms may be secured by addressing the Office of Enrollment Services. Application deadlines are August 1 for Fall and December 15 for Spring. Students whose files are not completed by those dates will normally not be admitted for that semester. No assurance of acceptance should be assumed until the applicant receives a letter of approval from the Office of Enrollment Services. The non-refundable application fee of \$30.00 must accompany the application before it will be considered. The applicant will send or deliver reference forms provided by the College to the appropriate persons. In the event that an applicant falsifies or withholds information on the admissions application, the College reserves the right to revoke, suspend, or modify an admissions approval.
- 2. **Transcripts.** It is the responsibility of the applicant to see that an official high school transcript and official transcripts for any college work completed are sent to the Office of Enrollment Services. This may be done by filing a letter of request with the schools concerned.

After the application, application fee, reference forms, SAT or ACT scores, and transcripts have been received, the Enrollment Services Committee will evaluate the application. Applicants will be notified by mail whether or not they are accepted.

- **3. Health Forms.** Approved applicants are to complete and return certain health forms: an emergency authorization form is to be completed in all cases and turned in together with a medical history report. The College reserves the right to require a medical report from the applicant's physician where questions about physical or mental health emerge.
- 4. Enrollment Deposit. An enrollment confirmation deposit must be submitted by all students accepted for admission. Residence hall students must submit an addi-

tional deposit to hold a room. Deposits and confirmations of enrollment plans should be submitted as early as possible. Deposits for fall semester enrollment are refundable or deferrable to a future semester upon written notice of cancellation or deferral received by August 1st. Those canceling for the spring semester must give written notice of cancellation or deferral at least one week prior to the beginning of classes to receive a refund or to defer the deposit to a future semester. Thereafter refunds are granted only for reasons of extreme illness or emergency.

5. **Reapplication.** Former students who have been out of enrollment for one semester or more must complete an Application for Re-Entry and submit one current reference. They will not be required to obtain new transcripts other than for college work taken during the interim away from Northwest College. Students who are returning only to graduate without additional course work must also complete the reapplication process.

Entrance Tests

For purposes of admissions evaluation, guidance, scholarship eligibility, and counseling, applicants must take the ACT (American College Tests, College Code: 4466) or the SAT (Scholastic Assessment Tests, College Code: 4541).

Normally these tests are available at high schools on a set schedule. Arrangements should be made to take them as early as possible. Transfer students coming in with a minimum of 20 transferable semester credits from an accredited college or university are exempted from submitting test scores.

Advanced Standing

Northwest College accepts credits earned through the Advanced Placement Testing Program (AP), International Baccalaureate (IB), the College Level Examination Program (CLEP), the Defense Activity for Non-Traditional Educational Services (DANTES), and Running Start. Recommendations regarding college credit are made by the Registrar. For credits earned through testing while a matriculated student refer to *Academic Policies and Information, Alternative Ways to Earn Credit.*

Military Credit

Those having had military service may petition the Registrar's Office for physical education credit upon presenting appropriate documentation. Admissions

Transfer of ICRC Associate in Arts

Northwest College accepts the A.A. degree from those colleges in the State of Washington whose degree requirements conform to the guidelines of the Intercollege Relations Commission. The degree will cover many of the College's general studies requirements, and will confer 60 semester units of work in transfer to Northwest College. **Transfer of Credit From Regionally or AABC Accredited Colleges and Universities**

Students desiring to transfer to the College from another institution accredited by one of the six regional associations or by the Accrediting Association of Bible Colleges (AABC) must follow the general instructions for admission and must see that transcripts of previous college work are sent to the Office of Enrollment Services. Course work in parallel courses or areas of instruction will be considered for transfer provided that they show a grade of C or better.

A limit of 20 semester credits from extension and correspondence courses may be applied to a four-year program at the College or a pro-rata thereof to programs less than four years in length. All credits earned through correspondence must be completed prior to the beginning of the final semester preceding graduation. Students should take no more than two correspondence courses concurrently, and correspondence courses taken during the academic year should be considered to be part of the student's total academic load.

Transfer of Credit From Non-Regionally or AABC Accredited Colleges and Universities

Admissions

Academic work presented from colleges and universities that are not accredited by one of the six regional associations or by the Accrediting Association of Bible Colleges (AABC) is subject to the following limitations and guidelines:

- 1. transfer from all such sources is limited to a total of 30 credits;
- 2. courses are considered on a course-by-course basis;
- 3. acceptance of such credits is dependent upon the College's evaluation of the equivalency of coursework and level of instruction;
- 4. all such transfer credit is considered at the time of admission or readmission to the College;
- transfer credit from such sources must be validated by completion of a minimum of two semesters enrollment and 30 credits at Northwest College with grades of 2.0 (C) or better, and possibly by examination;
- 6. only evaluations and commitments made in writing by the Registrar's Office will be considered as being applicable;

- 7. college-level work considered occupational or remedial is not recognized for transfer; and
- 8. enrolled students desiring to transfer credits from such institutions must obtain prior approval from the dean of the division into which the credits are to be transferred.

Residency Requirements

At least one academic year (with a minimum of 30 semester credits) must be completed at Northwest College, and the final semester of work before graduation must be taken on campus irrespective of the amount of previous work completed at Northwest College. One-third of the major requirements must be completed in residence at Northwest College.

A student registered at Northwest College may not receive credit for a concurrent enrollment at another institution without approval. Students interrupting their programs at the College may, upon returning, graduate under the requirements of the catalog in effect during the semester in which they first enrolled, provided graduation is within six years from the end of that semester. (The summer semester may count as a part of the semester before or after it.) However, a student may graduate under the requirements of the current catalog. It is expected that the requirements of the catalog chosen will be followed as a whole.

FINANCIAL INFORMATION

FINANCIAL INFORMATION

Costs

Northwest College is a private, church-related college. Therefore, no operating funds from taxes or public funds support its operation. Each student is charged tuition and certain fees which cover about eighty-five percent of the cost of his/her education. The remainder of the costs is provided by gifts from friends of the College, supporting districts, endowment income, and other earnings. For a list of the tuition charges and fees, see the *Tuition and Fee Schedule* on page 160-161. (For a list of applicable LEAP Degree Completion Program charges and fees, see the LEAP Program Catalog.)

Room And Board Information

The board/room charge is required of all students living in the residence halls, and entitles students to meals beginning on the Thursday evening before semester classes begin and expiring with the noon meal the day after final examinations each semester. The College reserves the right to change the rates during the year if it is deemed necessary.

Educational Benefits

Northwest College is approved as an educational institution for the training of veterans or their dependents. Application should be made at their local Veteran's Administration Office for Certificates of Eligibility. Those qualifying under the extended Social Security Act should apply for benefits at their local offices of the Social Security Administration. The College will make the proper certifications as to enrollment and attendance after the student has enrolled in the College.

Financial Policy

Recognizing the necessity for the prompt payment of all school fees, not only as a good business principle but for the sake of character development, the Department of Education of the Assemblies of God has set forth the following financial policy:

In order to improve our present educational institutions and to guarantee their future, each student is expected to reimburse the school for the full amount of his obligation on or before the close of each semester. No final examinations will be taken until a satisfactory arrangement has been made with the Administrative Services Office. No diplomas, certificates, degrees, or transcripts shall be expected or received until satisfactory payment is made for all school obligations. Students will not be eligible to participate in commencement ceremonies until all accounts are paid in full.

social and cultural functions.

Payment of Accounts

The regular school year is divided into two semesters of approximately four months each, and tuition is based on the semester. It is the policy of the College that there can be no outstanding past due account at registration. All past due and old accounts must be settled or alternate arrangements must be agreed upon with the Administrative Services Office prior to registering for the following semester. Negotiations other than full payment cannot be handled during registration since it would create unnecessary delays for other students.

Tuition, fees, and dormitory room and board charges are to be paid in full before the first day of classes each semester unless prior arrangements have been made with the Administrative Services Office. All students must sign a contract/promissory note agreeing to payment terms prior to the start of classes each semester.

Deferred Payment Plan

The College Board of Directors has approved an alternate semester payment plan with flexible, but certain, terms. Dependent on evidence of ability to pay, students may be offered this Deferred Payment Plan. This payment schedule will be calculated by sub-tracting disbursable financial aid from total semester charges. The resulting net semester cost, which is eligible for this Deferred Payment Plan, will be due as follows (There is no deferred payment plan for Summer School):

FALL	SPRING
40% - prior to First Day of Classes	40% - prior to First Day of Classes
20% - September 25	20% - February 25
20% - October 23	20% - March 23
Remaining balance due November 25	Remaining balance due April 25

Financial Information

Finance Charge

A finance charge of 12% (APR) will be assessed on Fall semester student account balances at the end of October, November, December, and each subsequent month. A finance charge of 12% (APR) will be assessed on spring semester student account balances at the end of February, March, April, and each subsequent month. Finance charges will be added to the next scheduled payment.

Late Fee Fall Semester. Fall Semester balances will be assessed a Late Fee on balances which exceed 20% of total semester charges on October 31, and any balance remaining on November 30 and on the last day of subsequent months.

Late Fee Spring Semester. Spring Semester balances will be assessed a Late Fee on balances which exceed 40% of total semester charges on February 28, and 20% of the

total semester charges on March 31, and any balance remaining on April 30 and on the last day of subsequent months.

Late Fee is \$50.00. If the late amount is less than \$50.00, the Late Fee will be 100% of the late amount.

Students failing to meet the payment schedule may be suspended from classes or school. No Northwest College scholarships or discounts will be awarded to any student who does not have all prior accounts paid in full by the first class day of the semester. Students are required to pay in advance for the Summer Sessions. The payment of accounts policy also applies to those qualifying for veteran's benefits.

The College reserves the right to assign delinquent accounts to an agency for collection and/or attach student's credit report. The venue of defaulted Federal Perkins Student Loans shall be in King County, State of Washington or as determined by the holder of the defaulted Promissory Note.

Cancellation of Registration

The Registration Cancellation policy applies to all semesters. Note that private music lesson fees (after the contract is signed) and housing deposits have cancellation penalties not indicated below. See the Academic Calendar for the applicable First Day of Class.

CANCELLATION	STUDENT OWES
Cancellation received prior to First Day of Class	\$25 Registration Fee

Financial Information

Withdrawal from College

Adjustments will be made on the accounts of students who withdraw from college during the semester subject to the following conditions:

- 1. the student must have officially withdrawn from college;
- 2. NC Awards/Scholarship credit will not apply during the semester of withdrawal;

164 Financial Information

- 3. exit clearance from Resident Hall Personnel is required for dormitory students;
 - a) Room and board charges are pro-rated by the day from the official opening of the Residence Hall;
 - b) Residence Hall deposit is not refundable;
- 4. fees other than the General Fee are nonreturnable;
- 5. tuition and the General Fee will be charged according to the chart below based upon withdrawal date. Tuition and the General Fee are charged based on the highest number of credits during the semester;

Per day during the first week of classes	
During second week 25.0%	During sixth week 75.0%
During third week 37.5%	During seventh week 87.5%
During fourth week 50.0%	After seventh week 100.0%
During fifth week 62.5%	

A student who is absent from all classes for more than two weeks consecutively without contacting the Registrar or Vice President for Academic Affairs to explain the reason for his or her absences may be dropped from all course enrollments with grades of "F" and administratively withdrawn from the College. In this case, the official withdrawal date for financial obligation purposes will be two weeks after the last date of class attendance as certified by faculty and verified by the Registrar's Office.

Summer College. Students withdrawing from college during summer session will be charged tuition and general fee as described below. Course fees are not refundable. For sessions that are longer than three weeks, the charge is 20% of tuition and General Fee for withdrawal on the first or second day. The charge is 40% for withdrawal on the third or fourth day and 60% for withdrawal on the fifth or sixth class day and 80% for withdrawal on the seventh or eighth class day and 100% after the eighth class day. For sessions of three weeks or less, the charge is 20% of tuition and General Fee for withdrawal on the first day of classes, 40% on the second day, and 100% after the second day of classes

Financial Information

Withdrawing from a Course

When a student changes his/her schedule by dropping a course, but does not withdraw from college, tuition and fees will be adjusted through the first Friday of classes. After that, there is no reduction to tuition, General Fee, or course fees.

SCHOLARSHIPS AND FINANCIAL AID

FEDERAL AND STATE GRANTS

Federal Pell Grant

A Federal Pell Grant is awarded to undergraduate students who have not earned a bachelor's or professional degree. The amount of the 1998-1999 award will range from \$400 - \$3000. The Federal Pell Grant amount varies from year to year based on Federal funding availability. The amount of grant depends upon expected family contribution, cost of attendance, number of enrolled credits, and number of enrolled semesters.

Federal Supplemental Educational Opportunity Grant

The Federal Supplemental Educational Opportunity Grant (FSEOG) is for undergraduate students with exceptional financial need. Priority is given to students who receive a Federal Pell Grant and apply by March 1 for the following academic year. The average award per year at Northwest College is \$500.

Washington State Need Grant (WSNG)

Student eligibility is determined by the Financial Aid Office according to Washington State regulations. Eligible students must be Washington State residents and enrolled in the Division of Arts and Sciences or Division of Education. The amount of the 1998-1999 award is \$2,500.

FEDERAL LOANS

Financial Information

Federal Perkins Student Loan (formerly known as National Direct Student Loan - NDSL)

The Federal Perkins Student Loan is a revolving fund administered by Northwest College and regulated by federal regulations. This loan is repayable to Northwest College at 5% interest per year. The amount of the loan is determined by financial need and availability of funds. The aggregate loan limit for undergraduate students is \$15,000.

Repayment for new borrowers begins nine months after graduation, withdrawal, or failure to attend at least on a half-time basis. Repayment of principal may be extended over a ten-year period (depending on the amount of loan or approved circumstances) with a minimum payment of \$40.00 per month.

There are deferment (payments temporarily suspended) and cancellation provisions for

special circumstances, such as: deferment provisions for: at least half-time course of study at an eligible institution; forbearance; approved graduate fellowship program; approved course of study that is part of rehabilitation training program for disabled individuals; unemployment, economic hardship. Cancellation provisions for: teaching, Head Start Programs, military service, Volunteer Service, law enforcement/correction office, nurse or medical technician, Child or Family Service Agency, total disability and death.

If a student is delinquent (as determined by the Promissory Note) in his/her Federal Perkins Student Loan or NDSL payment, he/she will not be eligible to receive deferment, cancellation provisions, nor will official academic transcripts be released.

Federal Stafford Loan Program

Subsidized Federal Stafford Loan. A Stafford Loan is a low interest loan made by a lender such as a bank, credit union, or savings and loan.

STUDENT CLASSIFICATION	MAXIMUM LOAN AMOUNT
First year students (0-29 credit hours)	
Second year students (30-59 credit hours)	
Students who have completed two years (6	50 ⁺ credits) \$5,500

The maximum loan indebtedness allowed for undergraduates is \$23,000. Repayment begins six months after the student leaves school or ceases to be enrolled on at least a half-time basis. The interest rate is variable and capped at 8.25%. Interest and principle begins at repayment. Stafford loans are subject to a 4% loan fee prior to disbursement. 3% goes to the government to help reduce the cost of the loans and 1% goes to the guaranty agency for an insurance fee.

Unsubsidized Federal Stafford Loan. The Unsubsidized Federal Stafford Loan Program has the same provisions as above with the following differences:

- Non-need based loan.
- Interest payment begins on the day the loan is disbursed.
- Student is responsible for interest accrued during in-school and deferment periods.
- Interest payments can be paid monthly, quarterly, or be capitalized by the lender and added to loan principal.
- Borrower may receive subsidized and unsubsidized loans for the same period.
- Combined total of both programs cannot exceed Federal Stafford Loan Program annual limits.
- Students must apply for subsidized loans first.

Federal Parent Loan for Undergraduate Students (PLUS)

This loan is intended for parents of undergraduate students to help meet educational costs. Repayment begins within sixty days after proceeds are disbursed to borrowers. Interest rate is variable and capped. A four per cent fee is deducted from the loan amount to cover an origination and guaranty fee. Applications are available in the Financial Aid Office. The annual limit is cost of education minus other financial aid.

Federal Work Study (FWS)

This federally-funded program provides on-campus jobs to students with demonstrated financial need. Students work an average of 12-15 hours per week (depending on the position). Positions filled by Federal Work Study students include custodial, cafeteria, grounds maintenance, and library. An interview with area supervisors is also required for placement. Applications are available in the Office of Human Resources and Job Search. Contact the Financial Aid Office for additional information.

Washington State Work Study (SWS)

This program, funded by Washington State, provides a limited number of off-campus employment opportunities to students with financial need. Students qualifying for employment in the program must be enrolled in the Division of Arts and Sciences or Division of Education. State Work Study placements must be related to academic or career goals. Contact the Financial Aid Office for additional information.

Employment

An employment service is offered to students through the Office of Human Resources and Job Search. There are many local employers who offer part-time positions. Students who wish information regarding these positions should contact the Office of Human Resources and Job Search. In addition to the employment service offered, the College employs a number of students in on-campus positions and participates in federal and state funded employment programs.

Application for Financial Aid

Apply for financial aid at Northwest College by submitting:

- An Application for Admission to Northwest College;
- A Northwest College Financial Aid Application; and
- A Free Application For Federal Student Aid (FAFSA).

The Northwest College Financial Aid Application and the FAFSA Applications are available in the Financial Aid Office. Applicants submitting the required documents by

March 1st will receive priority consideration for available funds. Students must reapply for financial aid each year.

Eligibility

To be eligible for federal and/or state financial aid, a student must be a U.S. citizen, a permanent resident of the U.S., or an eligible noncitizen. A student must have financial need as determined by the results of a processed FAFSA. A student must not owe an overpayment on any Title IV educational grant or be in default on a Title IV educational loan, and must maintain satisfactory academic progress. Full-time students receive priority consideration for campus-based funds.

Disbursement of Aid

Student financial aid is credited to accounts in equal disbursements by term. The amount disbursed each term is indicated on your award letter. Most often an award is disbursed in two equal payments, half each semester at the beginning of the term. For example, a \$1000 grant will be disbursed \$500 for fall semester and \$500 for spring semester. Student financial aid is disbursed after the add/drop period. The Washington State Need Grant funds are available for pick up by the student in the Financial Aid Office after the start of each semester.

According to federal guidelines, if a student is awarded loans for one semester, the loans will be issued in two equal disbursements, the second disbursement being half-way through the loan period.

Refund and Repayment Policies

When a student who receives Title IV funds withdraws, on or after their first day of class, during the period of enrollment for which they were charged, they are subject to the refund and repayment policy as established by the federal government. The school bases the amount of unearned tuition, fees, room and board, and other charges that must be refunded and compares the applicable calculations, using the one that yields the largest refund. Students whose parents receive a Federal PLUS loan on their behalf are considered to be Title IV recipients.

Northwest College has a fair and equitable refund policy. When a student withdraws, the Financial Aid Office will calculate and provide for a pro rata refund calculation for any student attending the school for the first time whose withdrawal date is on or before the 60% point in time in the period of enrollment for which the student has been charged. When pro rata does not apply, a refund of at least the larger of the amount provided under the Federal refund calculation or the school's refund policy will be calculated and used.

174 Scholarships and Financial Aid

Once the school has determined the appropriate refund amount, the school will return a portion of the calculated amount to the Title IV programs, if the student received assistance under any of the Title IV programs. The amount refunded back to the student aid programs will follow the order established by regulation.

When a Title IV recipient has received a cash disbursement for non-institutional costs, the school will determine whether the student was entitled to all of the cash received. If not, the school will determine what portion of the cash disbursement the student is entitled to keep, or what amount the student may receive in the case of a late disbursement or from the resolution of a credit balance. The school will determine what portion of the period of enrollment for which the student was charged for the period attended, and then determine the reasonable expenses associated with non-institutional costs for that portion. Aid will be credited to the student's account in the order prescribed by federal regulation.

Contact the Financial Aid Office for the written policy on Refund and Repayment.

Satisfactory Academic Progress

Students who receive financial aid at Northwest College must be making satisfactory academic progress in an eligible degree or certificate program. Financial aid applicants are required to meet the standards described below for all terms of attendance, including terms when no aid is received.

• A student's cumulative grade point average must be:

1000	ACADEMIC LEVEL	SEMESTER HOURS COMPLETED	CUMULATIVE GPA
Contractory of the	Freshman		1.700 GPA
Contraction of	Sophomore		1.900 GPA
100000000000000000000000000000000000000	Junior		2.000 GPA
Contraction of the local division of the loc	Senior		2.000 GPA

- To remain in satisfactory academic progress students are required to complete at least 67% of the credit hours attempted each semester.
- If students completes less than 67% of the credit hours attempted they will be placed on probation for unsatisfactory academic progress.
- Students who do not successfully complete 6 credits during one term will have their financial aid suspended for the next term.
- Students will be placed on financial aid probation for the following semester if their grade point average falls below the required level or they do not successfully complete 67% of the credits attempted.

- Students will have their financial aid canceled if they do not successfully complete 67% of credits attempted at the end of two terms, or do not successfully complete 50% of credits attempted at the end of one term, or cumulative grade point falls or remains below the required level after two terms.
- Students may appeal financial aid suspension in writing to the Financial Aid Office.

For a detailed copy of the Satisfactory Academic Progress Policy please contact the Financial Aid Office.

ACADEMIC

LET LIGHT

ACADEMIC POLICIES AND INFORMATION

Registration

All students must register on the scheduled registration dates. A fee is charged for late registration. Late registration is from Monday through Friday of the first week of classes. Students are not permitted to register for credit after Friday of the first week of the semester except by special permission of the Admissions Committee.

No one will be admitted to classes until his or her registration is completed and approved by the Registrar's Office, and tuition and fees have been paid or satisfactory arrangements have been made with the Administrative Services Office.

A student who registers for class but decides not to attend must notify the Registrar's Office in writing before the first day of class. This notification will cancel the tuition and related charges, except for the Registration Fee. See the section *Cancellation of Registration* under *Financial Information* for more information.

New Student Orientation

New students, including transfer students, are to meet at the time and place indicated in their enrollment instructions. New students will be given certain preregistration examinations for purposes of appraising scholastic preparation to insure accurate academic advising.

Class Eligibility

Before enrolling in any course the student is responsible to ensure all prerequisite courses or requirements have been fulfilled. In general, Freshmen take 1000-level courses, Sophomores 2000-level, Juniors 3000-level, and Seniors 4000-level courses. Students are permitted, however, to take courses below, and one level above, their academic standing. For example, a Sophomore may be allowed to take courses numbered 1xxx-3xxx. Any exceptions to prerequisites or eligibility for a specific course must be approved by the instructor.

Adding / Dropping Courses

Students may change their registration through adding or dropping courses by filing a properly completed Add/Drop Form in the Registrar's Office and paying the associated fee. After Friday of the first week of classes, new courses can not be added and courses can not be dropped. (See *Withdrawing from a Course* for additional details.)

Academic Information

Northwest College Academic Catalog - 1998-1999

Withdrawing from a Course

After the deadline for adding / dropping a course (the first Friday of the semester), students can only withdraw from a course. In this event, the course remains on their transcript as a permanent part of their academic record, with a permanent grade of "W", "WU" or "WS" (see *Grading*).

Withdrawing from College

Withdrawals from college (withdrawing from all courses and leaving college) may be made by obtaining the proper form from the Registrar's Office, completing it, securing appropriate signatures, and filing it with the Registrar. If it is impossible to follow this procedure because of illness or emergency, the student must notify the Registrar within one week after leaving the College. The College reserves the right to require a letter of consent of parents or guardians for students under twenty-one years of age.

A student who is absent from all classes for more than two weeks consecutively without contacting the Registrar or Vice President for Academic Affairs to explain the reason for his or her absences may be dropped from all course enrollments with grades of "F" and administratively withdrawn from the College.

Academic Load

College instructors assume two hours of outside study for each hour in class. Thus, a student carrying a fifteen-credit academic load has a forty-five hour work week. Students who must continue employment while attending college should, therefore, reduce their loads to maintain a manageable work week. A student working more than twenty-five hours per week should limit his or her academic load to 13 credits. If the student is working more than 33 hours the academic load should be limited to 10 credits.

STUDENT CATEGORY	SEMESTER CREDIT LOAD
Full-Time Student	
Part-Time Student	Less than 12 credits in a semester

Academic Information

Students must have their advisor's permission to enroll for more than 17 credits in a semester. (See also tuition schedule for over 17 credits)

Academic Standing

CREI	DITS COMPLETED SATISFACTORILY CLASSIFICATION	
1-29	semester credits completed satisfactorily Freshman	
30-59	semester credits completed satisfactorily Sophomore	
60-89	semester credits completed satisfactorily Junior	
90+	semester credits completed satisfactorily Senior	

Grading

GRADE	EXPLANATION	GRADE POINTS
	Excellent Attainment	
В		nt 3.0
С	Satisfactory Attainment	2.0
D	Incomplete Attainment but with credit allowed	1.0
F	Incomplete Attainment with no credit allowed	0.0
	Withdrawal	
WU	earning C or above) 	0.0
S P	Incomplete Satisfactory Pass Repeated Course	N.A. N.A.

Grade Points

Grade Points (or quality points) are the numerical equivalent of letter grades and are assigned for each credit earned with a given grade according to the scale indicated above. For example, an "A" in a five-credit course would give the student twenty grade points. These points express the quality of a student's performance in numerical terms for the purpose of determining scholastic achievement and individual and graduation honors.

Grade Point Average

A student's grade point average (GPA) is determined by dividing the total number of grade points earned during a given period by the number of credits for which the student was enrolled and received a regular grade during the same period. Students' semester and cumulative grade point averages are calculated and reported each semester. GPAs are calculated as follows:

SEMESTER GRADE POINTS	SEMESTER CREDITS	SEMESTER GRADE POINT AVERAGE	CUMULATIVE GRADE POINT AVERAGE	
Semester 1: 47	15			
		(47 / 15 = 3.133)	(47 / 15 = 3.133)	
Semester 2: 50			3.031	
		(50/17 = 2.941)	(97/32 = 3.031)	
Semester 3: 65				
		(65 / 17 = 3.824)	(162 / 49 = 3.306)	

Eligibility for Special Groups and Student Leadership

All participants of special groups (e.g. varsity athletics, traveling choirs, speech team) and student leadership must maintain a 2.0 GPA to qualify for membership in the group. In addition, the College reserves the right to establish minimum credit loads each semester for these students.

Academic Information

Academic Probation

Entering students whose records reflect grade averages below C level (2.3) are admitted on academic probation. Students are placed on probation if their cumulative grade point averages fall <u>below</u>:

EARNED CREDITS	CLASSIFICATION	MINIMUM GPA REQUIRED
1-29 earned credits	Freshman	1.700 Cumulative GPA
30-59 earned credits	Sophomore	1.900 Cumulative GPA
60-89 earned credits	Junior	2.000 Cumulative GPA
90+ earned credits	Senior	2.000 Cumulative GPA

Probation is not intended as a punitive measure but as a warning with opportunity for improvement. Probationary students are under the supervision of the Office of Vice President for Academic Affairs or its representative during the period of probation. In order to ensure their concentration upon academic work during the probationary period, students on probation are restricted in their academic loads (no more than twelve hours plus P.E. activity), are restricted in their participation in certain college activities, and may be restricted in their work loads. To aid them in reaching their potential, they may be required to attend special classes or counseling sessions. (A student averaging below 2.0 might be restricted, regardless of their academic standing.) When their cumulative grade point averages rise above the stated levels, students are removed from probation.

Academic Disqualification

After the spring semester, all probationary students are evaluated to determine their eligibility for further enrollment at Northwest College. If their cumulative grade point averages have been below the stated levels for two or more semesters, they are placed on academic disqualification (suspension). Exceptions may be made if the last semester's grades indicate a clear improvement and average above 2.0.

Although not directly connected to Financial Aid disqualification, often students on Academic Probation or Disqualification also have their Financial Aid status affected. Students should consult the Financial Aid section of the catalog, and confer with the Financial Aid Office for further details.

Appeals for reinstatement after academic disqualification may be directed to the Vice President for Academic Affairs on forms provided at the receptionist's desk. Normally, at least one semester must elapse after disqualification before students will be considered for reinstatement, during which time they should have reevaluated their educational plans or taken steps to improve their scholastic skills. Disqualified students may also petition for permission to enroll as Special Students to take selected courses for personal benefit.

Incomplete Grades

A student may request an Incomplete grade for reasons of illness or emergency. A written request for an Incomplete must be submitted to and approved by the professor of the course before the final examination. The Incomplete must be removed from the record by the end of the succeeding semester. Otherwise, the grade automatically converts to an "F" on the student's record.

Course Repeats

Students may repeat any course for the purpose of changing a grade. The latest completed course grade is considered the grade of record as it pertains to credit toward graduation and to the official transcript. (Grades of W, WU, and WS are not considered completed course grades.) The earlier grade is replaced by an "R" designation and the credit value is not considered toward graduation or GPA computations.

Grade Reports

Grade reports will be distributed to all students following the close of each semester. The grade reports will be mailed to the student's permanent mailing address if not picked up. To ensure delivery of grades, changes in the permanent mailing address should be reported to the Registrar's Office by the last day of instruction.

Honors

Students who earn a current grade average of 3.5 or better, while carrying twelve credits or more of courses that affect grade point average (i.e., non-pass/fail courses), are placed on the Dean's List, which is published at the conclusion of each semester. Full-time students with a current grade point average of 3.3 to 3.499 are placed on the Honors List.

Academic Honesty

Northwest College expects complete honesty from students in all areas including their academic life. Any kind of academic dishonesty is a serious violation of Christian standards, which may result in the student receiving an "F" for the course, dismissal from the course, or possibly being dismissed from the College.

Academic dishonesty includes cheating on assignments or examinations, plagiarizing (misrepresentation of another's work as one's own original creation), submission of the same (or essentially the same) paper in more than one course without prior consent of all professors concerned, and sabotaging another student's work. Any student disciplined by a faculty member for alleged academic dishonesty has the right to appeal the disciplinary action.

Alternate Ways to Earn Credit

Credit by Demonstrated Competency (CDC). Northwest College has established a program whereby enrolled students may earn college credit for learnings that have occurred outside the traditional college classroom through a portfolio method. Additional information and credit limitations are available from the Registrar's Office and the Office of Academic Affairs.

Advanced Placement (AP). Students who have completed college-level studies in high school under the Advanced Placement Program may be granted credit in comparable college courses upon enrollment. Transcripts for AP credits should be sent to the Registrar's Office for evaluation.

College Level Examination Program and Defense Activity for Non-Traditional Education Support (CLEP and DANTES). Students may apply credit from CLEP and DANTES to their degree requirements. Students may transfer, upon admission to the College, the CLEP general examinations in the humanities, mathematics, sciences and social sciences. Students who believe they have advanced levels of knowledge equivalent to course offerings may contact the Registrar's Office for details concerning these tests. Not more than a total if 30 credits of CDC, ACE, CLEP and DANTES can be applied to any degree. All credits earned through CLEP and DANTES must be completed prior to the start of the junior year. Transfer students entering with junior standing will be allowed one semester to earn CLEP and DANTES credits.

Other standardized proficiency examinations. Standardized tests which can be used to show proficiency in areas that are not covered by AP, CLEP, and DANTES may be available.

Departmental Exams. A formally admitted student may challenge certain college courses by examination without actually registering in the courses. The student is allowed only one opportunity to qualify for credit by examination in any given course. Credit by examination may not be counted toward the satisfaction of the residence requirement. Special fees are charged.

Continuing Education Unit (CEU)

The College awards the Continuing Education Unit to adults who participate in noncredit continuing education activities administered by the College. CEUs are not to be equated with the college credits applicable toward a degree. One CEU is equal to ten contact hours of participation in an organized continuing education experience. CEU credit is placed on the National Registry for Continuing Education and is useful where they may be prescribed by employment or professional training requirements.

Class Attendance

Classes are conducted with a view to helping students develop in knowledge and character, and the student's attendance is assumed. If absences occur, the student is responsible for work missed. Because classes differ in purpose and character, individual teachers determine their specific requirements in course syllabi. All faculty are to include their attendance policies, if any, and to define absences, tardies, early exits, and the effect that these may have upon grades. Appeals relating to attendance should be addressed first to the teacher.

184 Academic Information

A student who is absent from all classes for more than two weeks consecutively without contacting the Registrar or Vice President for Academic Affairs to explain the reason for his or her absences may be dropped from all course enrollments with grades of "F" and administratively withdrawn from the College.

Class absences necessitated by required participation in College-sponsored activities are excused through the Academic Affairs Office. The faculty or staff member submits a list of students participating, and the Academic Affairs Office informs teachers of times the students are to be excused.

Auditing Courses

An auditor is a person who wants to sit in a class but not be held responsible for the course work. At no time will an auditor have space priority over an enrolled student. Out of courtesy, the auditor will not participate in discussions except as allowed in consultation with the professor. Enrolling as an auditor is done during the registration period and requires the prior permission of the professor. An audit is not recorded on the class roles or on the student's transcript.

Class Schedules

Most classes are scheduled in fifty or seventy-five minute periods. Normally the instructional day begins at 8:00 a.m. and runs until 9:20 p.m. A chapel service, during which no classes meet, is scheduled at mid-morning each day. The student arranges a schedule according to the requirements of his or her own program. The College reserves the right to cancel any courses for which there is not sufficient registration.

Special Courses

Periodically, the College offers students the opportunity to register for courses that do not meet in the traditional classroom format. At times, a special Topic may be offered over a specific area of study to enrich the curriculum. At other times, a student may desire to work with a faculty member through Guided Research or Directed Readings in a specific disciplines. The Courses of Instruction section lists Special Courses and a brief definition of each. In all cases, a professor will insure the proper quantity and quality of work assigned and performed. The student's advisor must approve the registration schedule, including Special Courses. Ultimately, the student is responsible to insure that the Special Course satisfies the specific requirements of his/her degree.

Summer College

The Summer College session is designed to provide courses in areas of selected interest for enrichment and acceleration of students' progress toward graduation. The schedule is designed in a concentrated manner so as to be contained within one- to four-week

time frames. From time to time shorter seminars and workshops are scheduled with guest lecturers who have expertise in special topics of current significance or professional value. Summer internship programs and practicums are also registered as part of the summer session. A current summer session schedule may be obtained from the Registrar's Office.

Transcripts

An official copy of a student's academic record at Northwest College that bears the official seal of the college and the signature of the Registrar is referred to as a transcript. Requests for transcripts must be accompanied by the student's signature and a \$2.00 fee for each copy. Phone orders for transcripts cannot be accepted. NOTE: Financial indebtedness to the college will prevent the release of a student's transcript. If a student is delinquent (as determined by the Promissory Note) in his/her Federal Perkins Student Loan or NDSL payment, he or she will not be eligible to receive deferment, cancellation provisions, nor will academic transcripts be released.

Student Records

The Family Educational Rights and Privacy Act of 1974 (FERPA) specifies rights and privileges regarding student records. The written institutional policy adopted by Northwest College in compliance with FERPA is available from the Registrar's Office. Annual notice regarding FERPA rights is provided in the College's Student Handbook and Catalog. In accordance with FERPA, you are notified of the following:

- 1. **Right to Inspect.** You have the right to review and inspect substantially all of your education records maintained by or at this institution.
- 2. Right to Prevent Disclosures. You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of this institution to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.
- **3. Right to Request Amendment**. You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the education records according to your request.

186 Graduation

- 4. Right to File a Complaint with the U.S. Department of Education. You have the right to file a complaint with the Family Policy and Regulations Office, U.S. Department of Education, 400 Maryland Avenue S.W., Washington, D.C., 20202, concerning this institution's failure to comply with FERPA.
- 5. Right to Obtain Policy. You have the right to obtain a copy of the written policy adopted by this institution in compliance with FERPA. A copy may be obtained in person or by mail from: Northwest College, Registrar's Office, P.O. Box 579, Kirkland, Washington, 98033.

GRADUATION

Graduation Requirements

- 1. Credit hour requirements. Candidates must complete the minimum total credit hours for the degree, diploma, or certificate prescribed by the program or major in which they are enrolled.
- 2. Grade requirements. Candidates must achieve a minimum 2.0 Cumulative GPA on all courses taken at Northwest College.
- **3. Residence requirements.** Residence refers to course work completed at Northwest College. The following are required:
 - A minimum of 30 semester credits;
 - One-third of the major requirements;
 - The final semester of course work must be completed at Northwest College; and
 - All graduates, at the time of graduation, must be enrolled or eligible to be enrolled for the semester in which they graduate (see *Admissions, Reapplica-tion*).
- **4. Course requirements.** Candidates must complete all requirements of their degree or certification. (Incomplete courses are not considered completed. Candidates who receive an Incomplete grade in a course requires for graduation will have their applications shifted to the next semester.)
- **5. Graduation under a particular catalog.** A student may graduate under the requirements of the catalog in effect during the semester in which first enrolled, provided graduation is within six years from the end of that semester. (The summer semester may count as a part of the semester before or after it.) However, a student may graduate under the requirements of the current catalog. It is expected that the requirements of the catalog chosen will be followed as a whole.
- 6. Citizenship requirements. Candidates must have attained a satisfactory citizenship record, including chapel attendance requirements, as of the date of their graduation.

- 7. Financial requirements. Candidates must have all accounts with the College paid in full to be eligible to graduate and participate in Commencement activities. This includes charges for subsequent summer courses needed to fulfill graduation requirements.
- 8. Limitations.
 - Correspondence and extension work 20 credits
 - CDC, CLEP and DANTES 30 credits
 - Ensemble music 12 credits for BA; 8 credits for AA
 - Physical Education Activity Courses 4 credits
 - BSCI 3561 Student Development Training 4 Credits
 - ENGL 2711 Publication Workshop 2 Credits
 - Degrees Students may receive only one degree at a time.
 - Double Major Allowed only if no course is used to satisfy a requirement for both majors.
- **9.** Second B.A. Degree. Northwest College will grant a second Bachelor of Arts degree only if the student's second degree is substantially different from the first Bachelor of Arts degree earned at Northwest College.
 - A minimum of 30 additional semester hours will be required for the second B.A.;
 - will include all major requirements;
 - must be taken in residence at Northwest College;
 - will not include any correspondence work and CLEP credit;
 - admission into a second B.A. program will be granted only when a program contract has been formulated by the student in consultation with the student's advisor and the Vice President for Academic Affairs; and
 - course work taken prior to approval of the program contract may not be allowed to count toward the second B.A.

Student Responsibility. While the College provides advisement services to its students through faculty advisors, the Registrar's Office, and other sources, the final responsibility shall rest with the student for fulfilling all requirements for graduation, including those identified in an official program audit. This shall include requirements resulting from program modifications affecting course offerings as may be adopted by action of the faculty.

Graduation Procedures

- 1. Application Deadline. Applicants for graduation must file for graduation in writing with the Registrar's Office the semester prior to the semester of graduation and no later than the end of the first week of the semester in which they plan to graduate.
- Graduation Fee. All applicants for graduation are assessed a fixed, nonrefundable Graduation Fee to cover the costs connected with the diploma and Commencement (whether or not the student participates in the public Commencement ceremonies). If the student cancels the application for graduation, the Graduation Fee is retained and applied when the student does graduate.
- **3. Graduation Audit.** It is the responsibility of the student to arrange for an audit of his/her records in the Registrar's Office to verify remaining graduation requirements.
- **4. Course Completion.** It is the responsibility of the student to satisfactorily complete all course work and grade point average requirements as specified in the applicable academic catalog.
- 5. Course Completion Deadlines. Degrees are conferred each semester (including summer session). The deadlines for completion of all work in order to have the degree conferred are listed below. (All credits earned through correspondence must be completed prior to the beginning of the final semester preceding graduation.) Since the awarding of a degree certifies that the student has met all requirements, students who do not complete all course work by these deadlines will be reclassified as graduating the next semester, providing all course work is submitted by that semester's deadline.

SEMESTER	COURSE WORK DUE DATE
Fall and Spring Semesters	Last Day of Finals
Summer Session	Last day of Classes-August Session

Academic Information

6. Commencement Participation. No person will be presented for the public graduation ceremonies who has not been certified by the respective college officers as having satisfied each of the foregoing requirements. Exceptions can be made for pre-enrolled summer school students who will complete their requirements in the summer school session. Exceptions can also be made for those cross-enrolled in another institution in an approved enrollment where the terminus point overlaps that of the College.

Graduation Honors

- **Cum Laude.** Students who have maintained a 3.5 to 3.6 grade point average will have their degrees conferred *cum laude*.
- Magna Cum Laude. Students who have an average of 3.7 to 3.8 will have their degrees conferred *magna cum laude*.
- **Summa Cum Laude.** Students who have achieved an average of 3.9 to 4.0 will have their degrees conferred *summa cum laude*.
- Who's Who In American Colleges and Universities. Selected students from the junior and senior classes are nominated by the faculty for inclusion in this national publication each year. Selections are based on character, leadership, and academic record.
