## President Dr. Don Argue

Don Argue, Ed. D., became President of Northwest University on July 1, 1998. After nine years of loyal service,

Argue is retiring. His impact on this university is tremendous. He has helped to increase enrollment and add multiple undergraduate programs. Argue has paved the way for growth at NU. He will always be remembered for the work he put towards completing and funding the building that serves as the Center of Graduate and Professional Studies. Argue has also successfully led NU to expansion. He is one man who views life through a panoramic lens; he sees potential and runs after it. We are forever grateful for the vision he has captured.

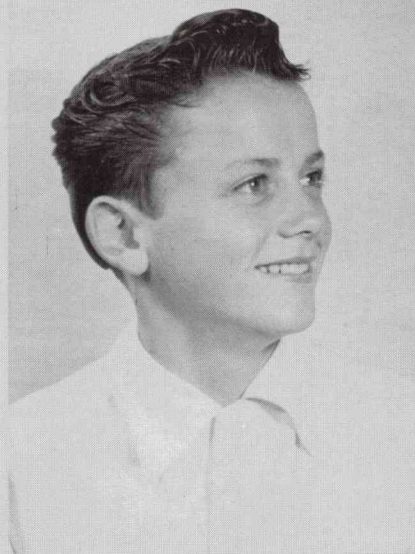

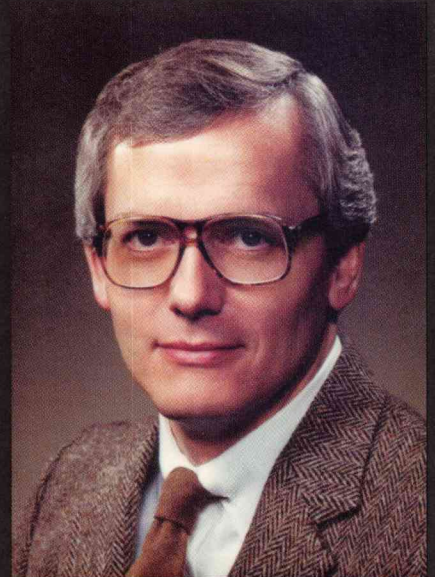

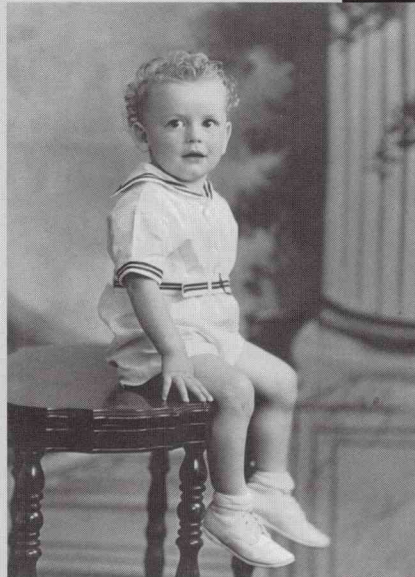

“One thing I admire about our president is that his vision for the school is clear and obvious: Carry the Call. In a deeply personal way, this challenge has served to shape my own personal goals. Through his teaching I have come to realize that ministry is not an occupation, it is a lifestyle.”

-Jed Gosnell

“I admire Dr. Argue for his leadership and his evident love of God that influences all that he does. He is an excellent leader who is extremely dedicated to whatever he is doing, whether that is leading a university, raising funds, or praying for the needs of others. He is also one of the most gracious and encouraging people I know and the greatest boss I have yet to work for. He will be missed.”

-Harmonie Vallerand

Thank you, Dr. Argue, for serving us for so long. You have left a profound impact upon this school and we will never forget you.

# panoramic

Unending possibilities arrive when we perceive the world through a different paradigm. When we look through a panoramic lens, life becomes phenomenal. People with different personalities become pieces of greater participations and practices. We are all part of a prodigious body. We all partake in the paramount power developed in one. When we view life in the bigger picture the puzzle pieces begin to fit. Now is the prime time to unite. We must prestigiously walk in partnership together. Let us not pass by prominent opportunities. We shall prevail over pitfalls and overcome problems. With a panoramic perspective we shall pave the way for God-filled promises. Let us press on!

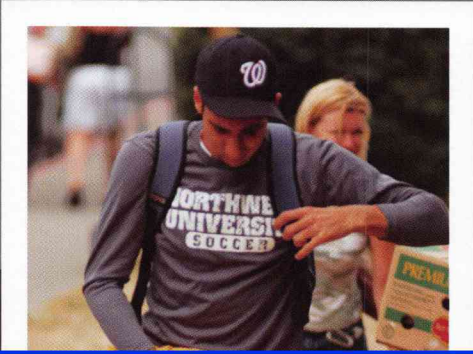

# performances

6-7	orientation
8-9	talent show
10-11	fall plays
12-13	homecoming
14-15	floor olympics

Orientation brings together all of the freshman's hopes, fears and anticipations. It is where their questions are answered and best friends are made. Individuals from the athletic teams, information services, alumni and teachers help students through the whole process.

# orientation

The 300 boys welcome new members Peter and Greg to the floor.

## New Northwest Eagles

A group of freshman gather together for a barbecue after settling into their new homes.

# fall plays

*The Nina Variations* directed by Meghan Young and assistant director Bethany Shaw was an adaptation of a scene from Checkov's *The Seagull*.

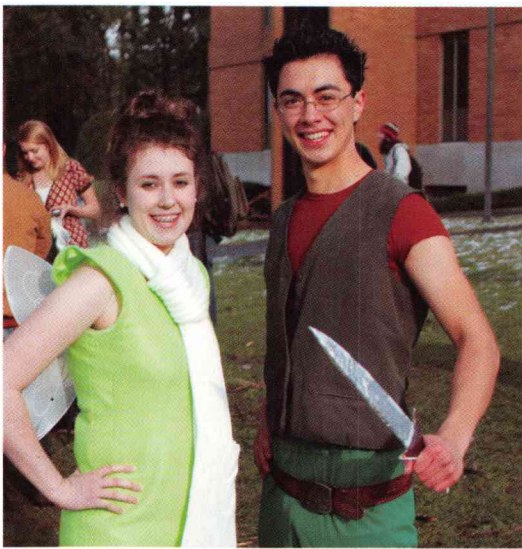

Young said of the play, "It's a unique twist on the quintessential unrequited love story. We're all dealing with that in one way or another. The characters in the play are of college age and have a lot to say about long life and losses."

Eagle's Week 2007:

# floor olympics

Alice in Wonderland...300

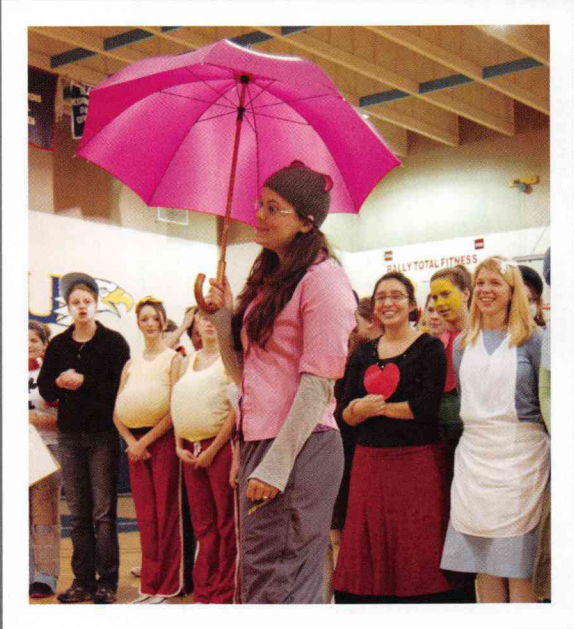

Go, 200!

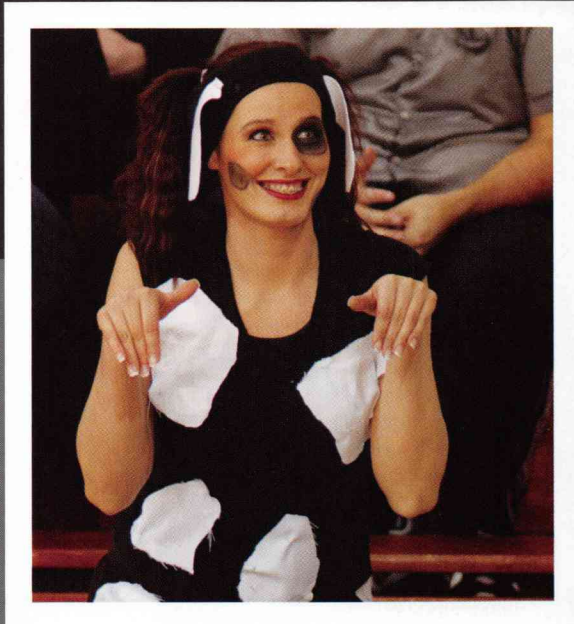

Foul Fairy Stephen

Robin Hood...100

Floor olympics may be summed up as a frenzy. Brother and sister floors compete against their rivals and are judged according to skill, screams, and bribery. The floor to take “the eagle” home this year was the 300 floor led by Heidi Wolnyack and Scott Brown.

# chamber & concert

Chamber and Concert Choirs combined December 8th and 9th to present "Gloria," by John Rutter. This annual Christmas performance was directed by Bill Owen, and accompanied by the Northwest orchestra and organist Diane Lemcio.

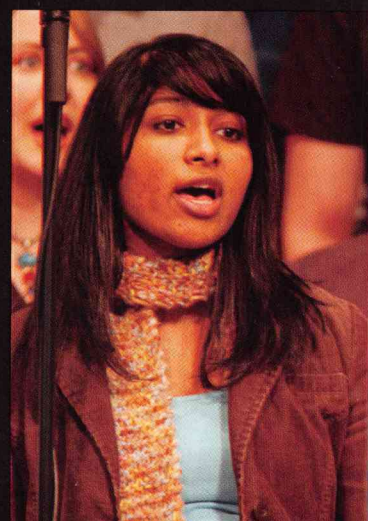

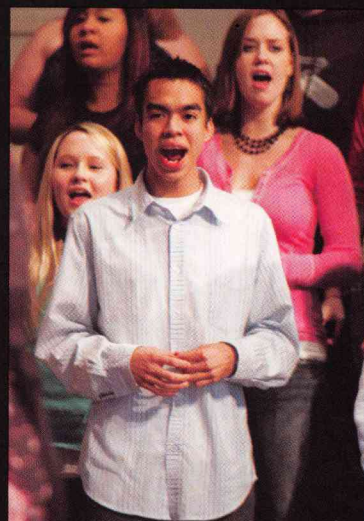

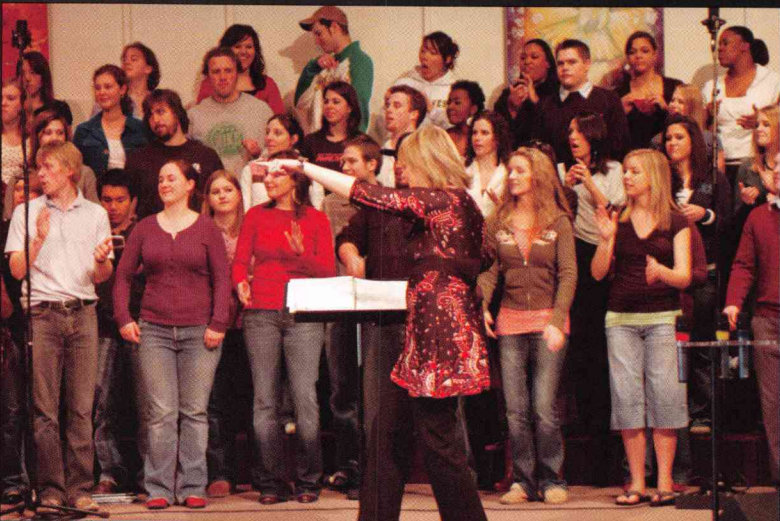

# choirs

“O give thanks unto the Lord; call upon his name: make known his deeds among the people. Sing unto him, sing psalms unto him: talk ye of all his wondrous works.”

Psalm 105:1,2

# jazz & wind ensemble

“It’s easy to play any musical instrument: all you have to do is touch the right key at the right time and the instrument will play itself.”  
- Johanne Sebastian Bach

“Music is the shorthand of emotion. Emotions, which let themselves be described in words with such difficulty, are directly conveyed to man in music, and in that is its power and significance.” - Leo Tolstoy

“It’s the group sound that’s important, even when you’re playing a solo. You not only have to know your own instrument, you must know the others and how to back them up at all times. That’s jazz.” - Oscar Peterson

“Music is a moral law. It gives a soul to the universe, wings to the mind, flight to the imagination, a charm to sadness and life to everything.” - Plato

“Music expresses that which cannot be said and on which it is impossible to be silent.”  
- Victor Hugo

# fall intramurals

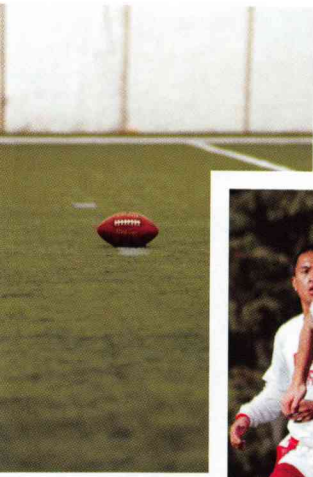

When the leaves begin to turn gold and the sunshine slowly **MELTS** into the darkening sky, you know **FOOTBALL** season is here. Football at NWU is a very **COMPETATIVE** sport. Geared up and hyped up brother floors run like **FURY**, jump over impending **DANGER** and swoop to avoid being **TACKLED**. Yet this is not just a **SPORT** for the boys. The girls, beyond **CHEERING** for their brother floors, are able to **COMPETE** against each other during the powderpuff **GAMES**.

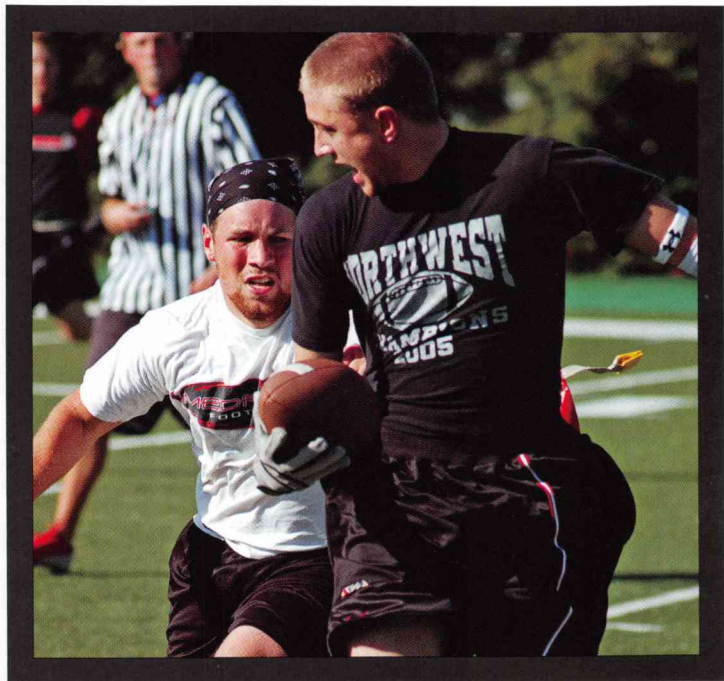

Ryan breaks free and runs for the the end zone!

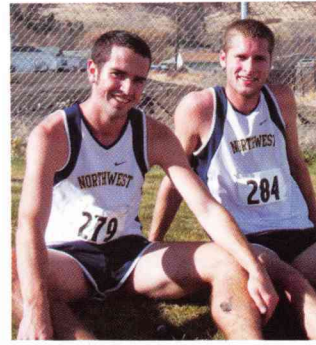

Powderpuff players set up at the line of scrimmage.

Girls of 300 supporting the brotherhood!

Floor PRIDE is won and lost on the football field. You also really see which floors are BONDING, a display of their camaraderie and friendship. All of the sister floors who CHEER us on are such an ENCOURAGEMENT. It's about having FUN together as a team but remembering that you are PLAYING a game to win.

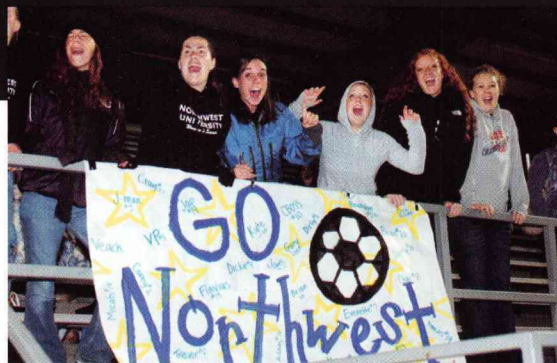

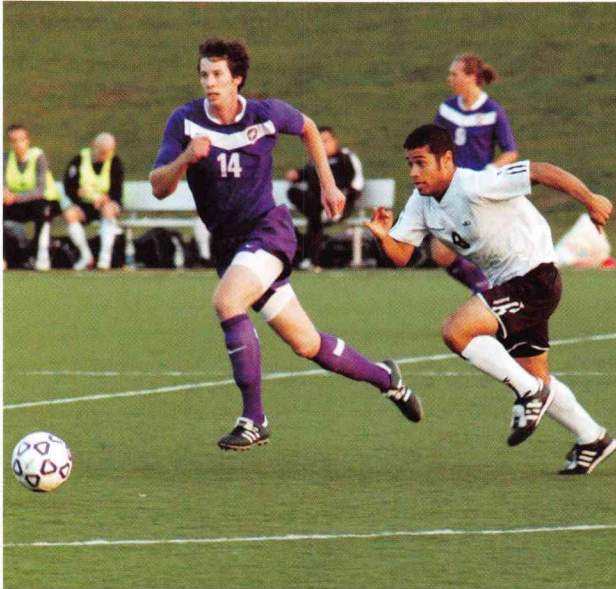

“I always loved RUNNING... You could go in any DIRECTION, fast or slow as you wanted, FIGHTING the wind if you felt like it, SEEKING out new sights just on the strength of your feet and the COURAGE of your lungs.”  
-JESSE OWENS

# cross country

“IN CROSS COUNTRY, THE TEAM WITH THE LOWEST SCORE WINS...THIS MEANS THAT EVEN IF AN INDIVIDUAL WINS THE RACE, IT IS THE TEAM THAT MUST COME TOGETHER TO PRODUCE THE LOWEST SCORE.”  
KJERSTEIN BAILEY

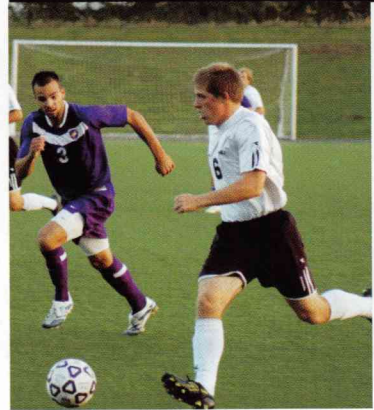

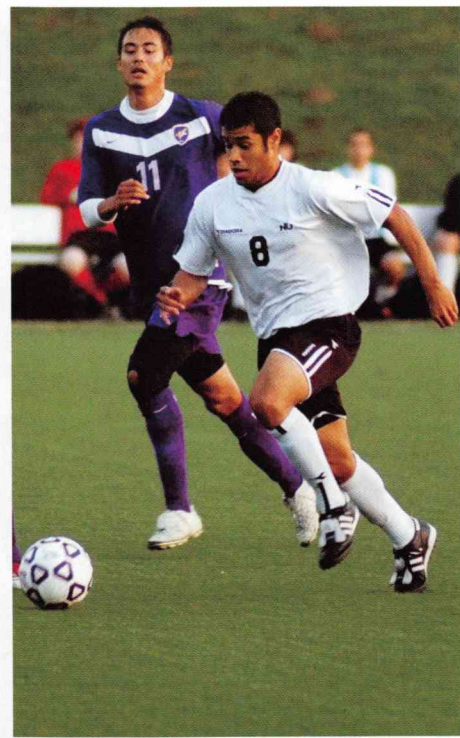

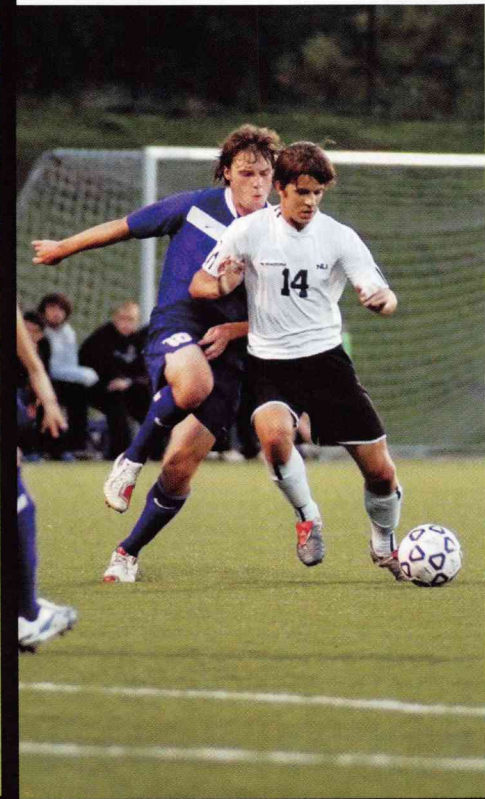

# men's soccer

“A sport where the players actually ENJOY getting hit in the head by a ball.”

-SOCCER ADVERTISEMENT, PUBLISHED FOR THE METROSTARS MAJOR LEAGUE SOCCER TEAM, 1997

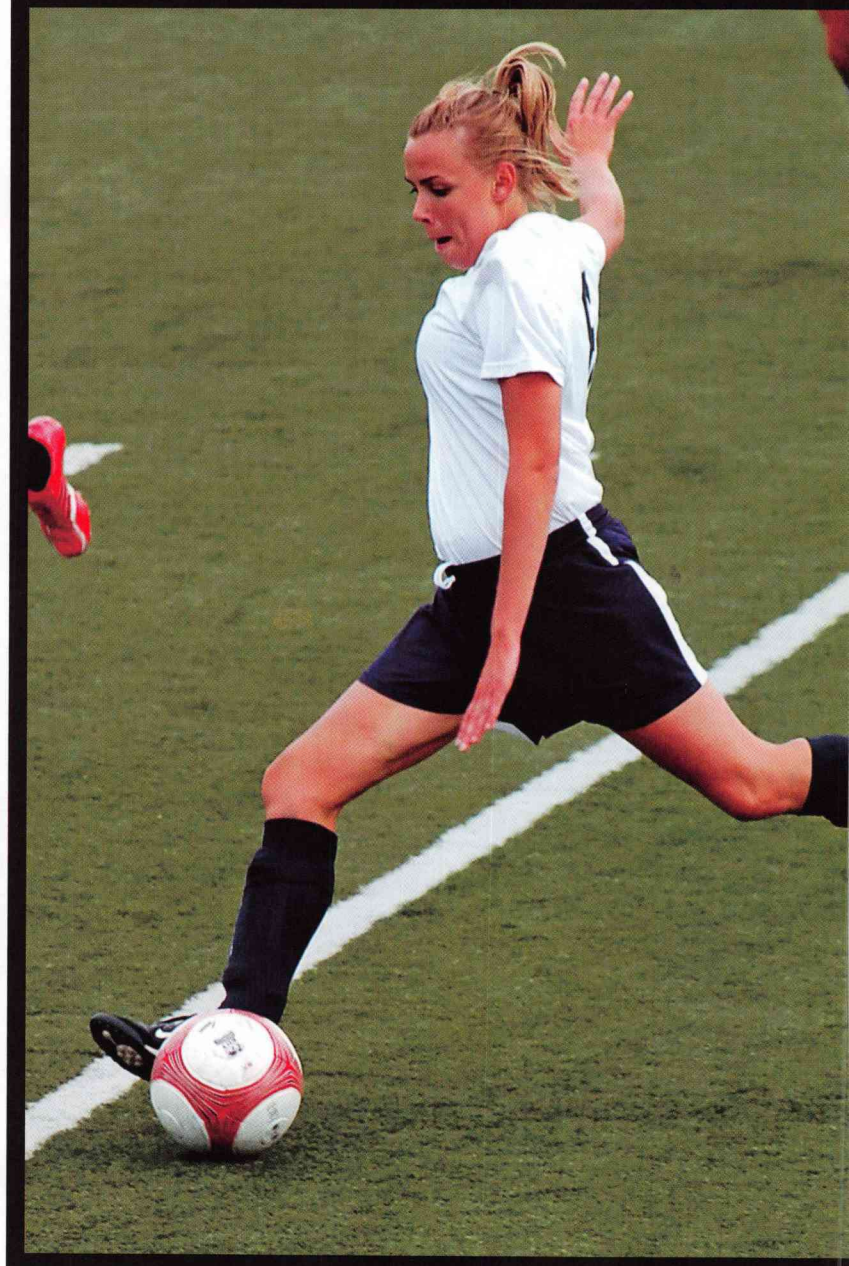

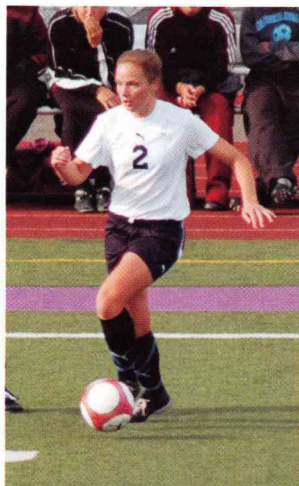

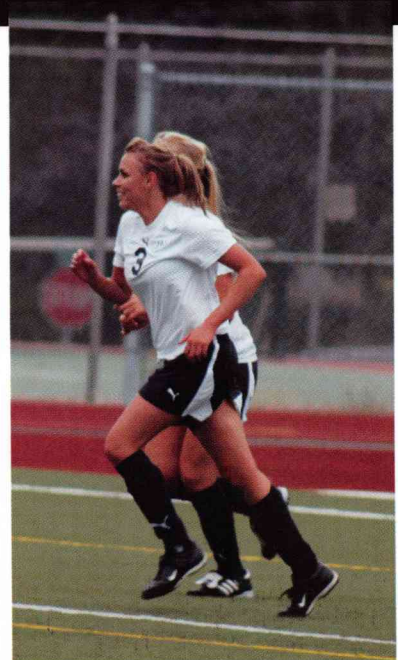

# women's soccer

"PLAYING SOCCER MAKES ME FEEL LIKE I AM PART OF A TEAM BECAUSE YOU NOT ONLY HAVE FRIENDS BUT TEAMMATES THAT YOU HAVE TO GET ALONG WITH."

STACIE SWICORD

“I am a member of a TEAM, and I rely on the TEAM, I defer to it and sacrifice for it, because the TEAM, not the individual, is the ultimate champion.”

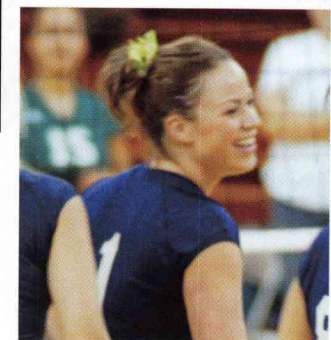

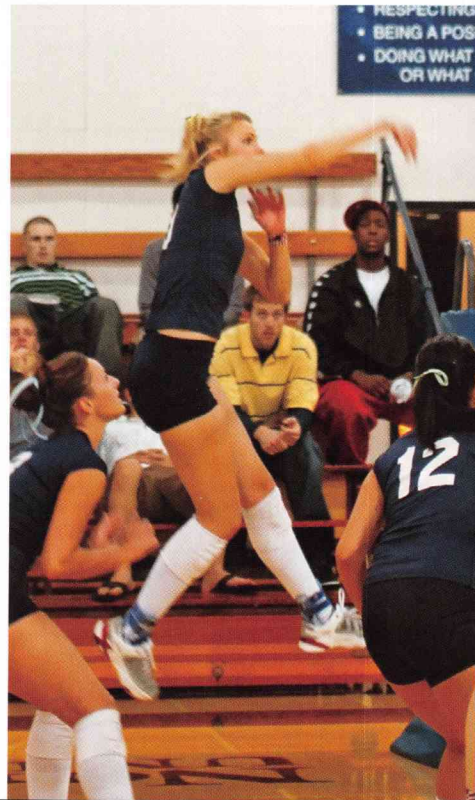

-MIA HAMM

Sports do not BUILD character.  
They REVEAL it.

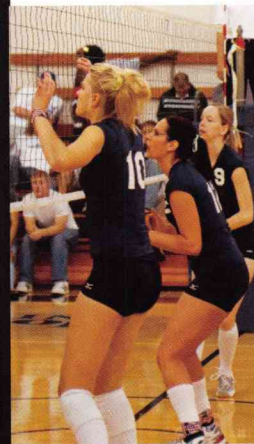

-HEYWOOD BROWN

You are never really  
playing an OPPONENT.  
You are playing YOUR-  
SELF, your own high-  
est standards, and when  
YOU reach your limits,  
that is real JOY.

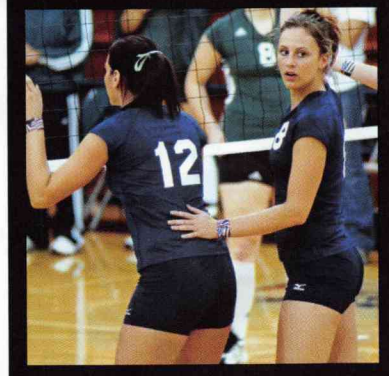

-ARTHUR ASHE

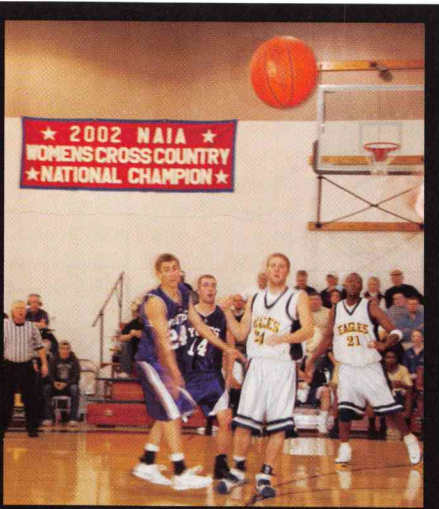

# volleyball

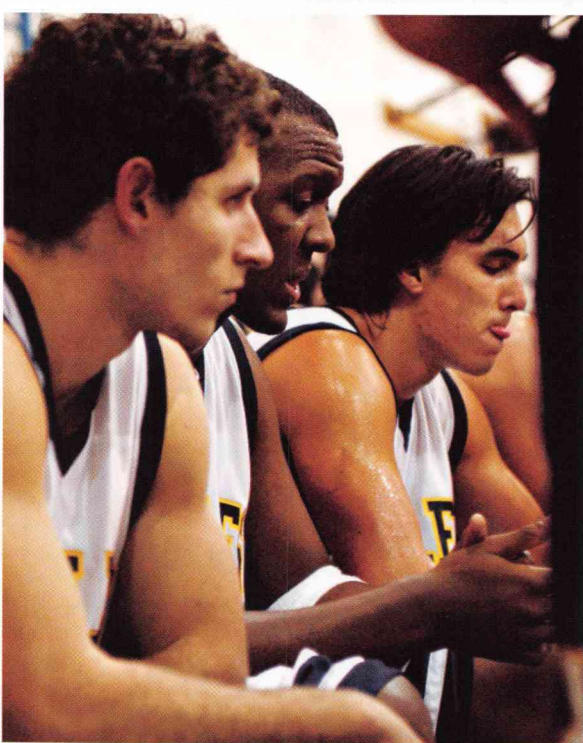

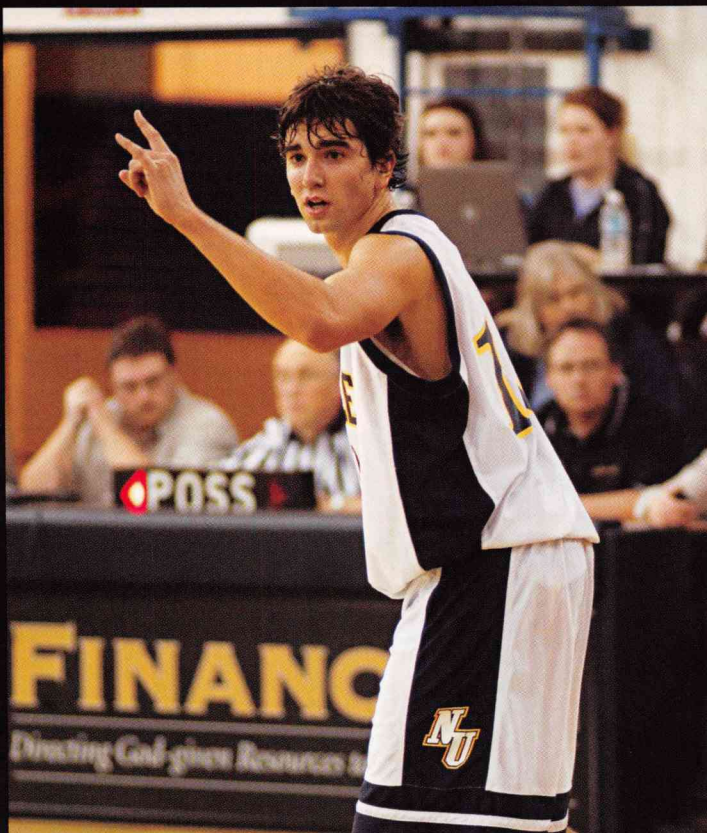

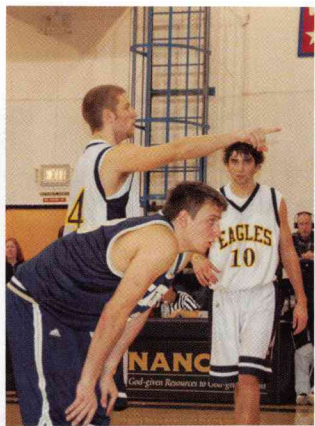

# men's basketball

"One man can be a crucial ingredient on a team,  
but one man cannot make a team."

-Kareem Abdul-Jabbar

“Basketball is like photography, if you don’t focus, all you have is the negative.”  
 -Dan Frisby

“Even when I’m old and gray, I won’t be able to play it, but I’ll still love the game.”  
 -Michael Jordan

# women's basketball

“Ask not what your teammates can do for you.  
Ask what you can do for your teammates.”  
-Magic Johnson

“Great players and great teams want to be driven. They want to be pushed to the edge. They don't want to be cheated. Ordinary players and average teams want it to be easy.”  
-Pat Riley

## **mrs. argue**

Your insight into your husband's life helped us to further recognize him as an amazing administrator and leader at NU.

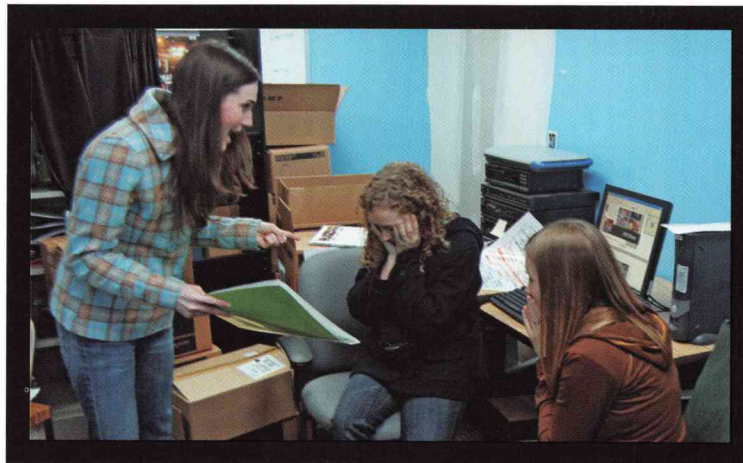

## **tiffany felt & nikki sanstad**

There has not been one day that went by where I did not thank the Lord for your responsibility, diligence and creativity on this yearbook. I could not have continued to maintain my sanity and focus without the support of you both.

## **mike archer**

When I was chosen as the new editor, I was scared, lost and confused. I will never forget at our first meeting, you reminded me to breathe, relax, and enjoy my wedding. Thanks, Mike, for always letting me breathe and relax.

## **john mabbott**

You have poured your time and energy into taking mug shots for the yearbook. If it were not for your help and dedication, we would have several empty pages.
