## Spiritual Life

This last summer I was a member of a Northwest College Summer Ministry Team. It was a tremendous growing experience for me, ministering to kids practically every day. My call to youth ministry has been strengthened and I definitely feel the hand of God upon my life.

Darryn Scheske  
Penticton, British Columbia

## Friendships

Northwest College is definitely a place where I have grown because of the people I have met. I have found that N.C. is the perfect size so that you can know anyone you really want to if you are willing. You will definitely be forced out of your shell living with hundreds of other students. Because of the love and encouragement of those around me I am able to truly be myself and know that I am still loved.

Kim Grindstaff  
Richland, Washington

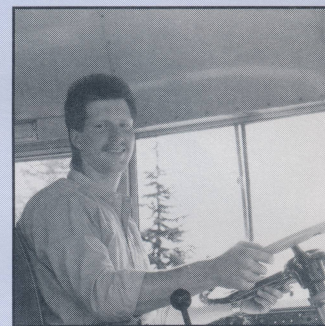

## Academics

Earning a college degree requires hard work and dedication, but at N. C. the task is made easier in an environment which encourages and facilitates learning. Classes are small, and professors are genuinely concerned that all students succeed. With the support of caring staff and the encouragement of enthusiastic classmates, academic success is possible for all. Northwest is an exciting place to learn!

Cathy Gerhard  
Redmond, Washington

## Employment

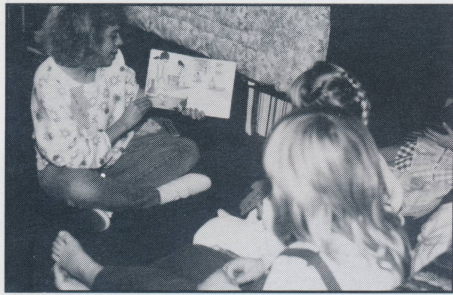

Northwest College has truly been a place of change, growth and preparation for present and future ministry for me. But without working, I could not afford to continue my education at N.C. The Northwest College Job Search program has helped me and many others to find employment to help cover school costs. The location of the college is also an asset because jobs are plentiful in the Seattle area.

Mike Gunnarson  
Billings, Montana

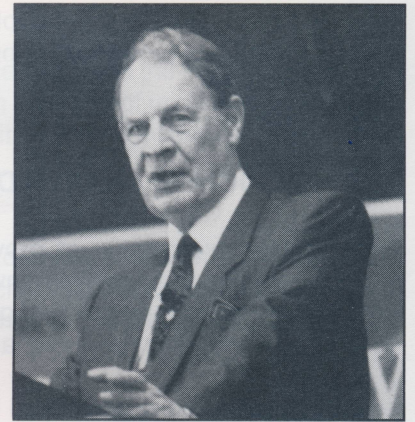

# Spiritual Life

Northwest exists to develop the spiritual life of its students. The opportunities for spiritual development extend from the dorms to the chapel. In the dorms, students are encouraged to participate in devotions and Bible study. In the classrooms, learning is integrated with spiritual emphasis. Northwest has a "Spiritual Formation" curriculum as part of its basic core. The chapel is central to daily life at Northwest. Special speakers, days of prayer and worship, with an atmosphere of openness to the Holy Spirit provide many opportunities for spiritual growth.

Ministry development is an important part of the spiritual life at N.C. Many opportunities for service and development through ministry are available on campus, in the local churches and in the community. Students are expected and encouraged to participate in ministry development while at N.C. Through this they not only provide ministry service but also grow in their relationship with God and prepare for a lifetime of service to Him.

# Friendships

Northwest is a great place to meet new friends and form relationships that last a lifetime. Dorm life, athletic participation, student associations, school and Associated Student Body sponsored social events, along with the rich cultural life of the surrounding communities provide opportunities for social development and fun.

Opportunities for developing social relationship skills and leadership are to be found in the student associations on campus. Northwest students are involved with each other and the community, and in the process they become well-rounded Christians who are better able to participate in, and influence the life of their communities.

## PROGRAMS OF STUDY

### BACHELOR OF ARTS DEGREE

Northwest College offers four-year Bachelor of Arts degrees in nine majors. All are accredited by both the Northwest Association of Schools and Colleges and the American Association of Bible Colleges. The Bachelor of Arts degree at Northwest not only has a strong academic emphasis, but also has at its core in all majors a biblical and theological focus that will prepare you to provide needed ministries in the local church. It is the integration of learning that makes the Northwest College education valuable regardless of your choice of profession upon graduation.

### ASSOCIATE IN ARTS DEGREE

Northwest seeks to provide an opportunity to begin your college studies in a christian environment. The program encourages both academic and spiritual growth in preparation for your future. Such an education is unique and valuable.

Northwest is accredited by both the American Association of Bible Colleges and the Northwest Association of Schools and Colleges. This allows for the transfer of credits to other institutions of higher learning in either biblical or secular studies. Although the A.A. does not specify a major, the student may concentrate in an area of study through electives such as: Biblical Literature, Communications, Humanities, Office Technology, Music, Science and Math, and Social Science.

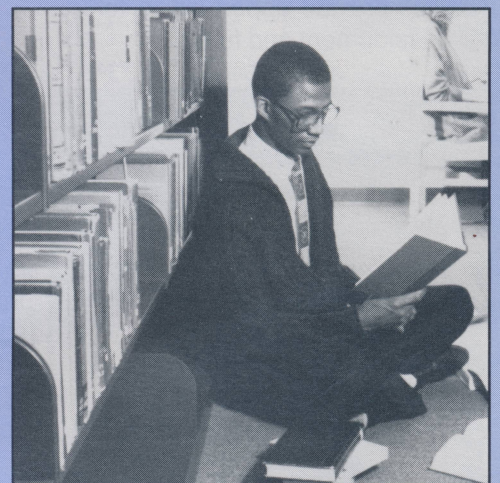

### DIPLOMA

Northwest recognizes that not all students who would desire a biblical and ministerial education will fit into the traditional setting of the B.A. programs. Since it requires three years the diploma program is designed to aid you in ministerial preparation while requiring limited "general education" courses.

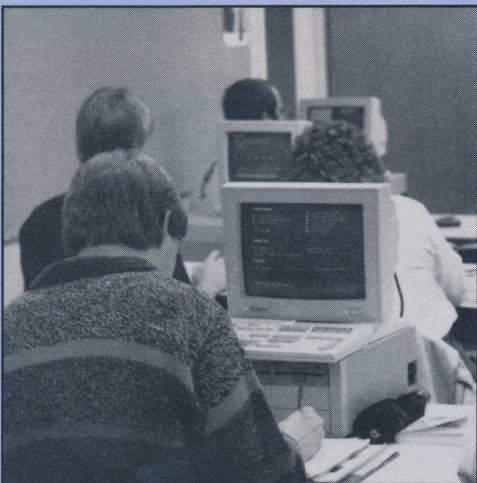

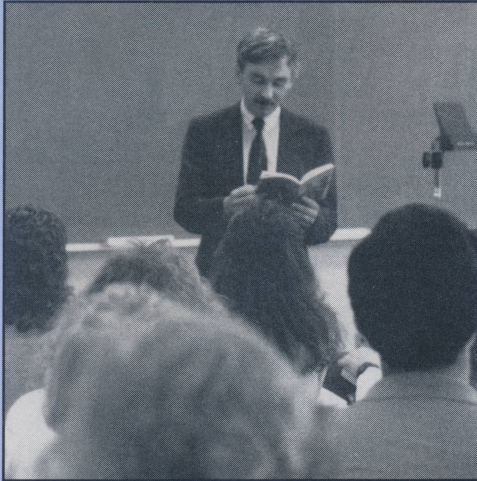

### CERTIFICATE IN CHRISTIAN STUDIES

The Certificate in Christian Studies is a one year program designed to provide you with an opportunity to expand your knowledge of the Bible. It will enrich your Christian life enabling you to better serve in the ministries of the local church.

## BACHELOR OF ARTS MAJORS

### BEHAVIORAL SCIENCE

The Behavioral Science major provides the foundation for entrance into helping ministries such as pastoral care, and provides the basis for graduate professional education such as those necessary for meeting entry requirements for chaplaincy.

### BIBLICAL LITERATURE

The Biblical Literature major aids you in acquiring broad knowledge and provides the skills for further study and communication of the Bible.

### CHRISTIAN EDUCATION

The major in Christian Education provides you with the background necessary for serving the local church in a variety of ministries such as: Minister of Christian Education, Adult Minister, Children's Pastor and others.

### CHURCH MUSIC

The Church Music major enables you to develop your talents for use in the music ministry of the local church. The major emphasizes leadership of the music program, worship, and develops personal music skills.

### ELEMENTARY EDUCATION

The major in Elementary Education provides you with the competency required to work in both public and private schools. The major requirements lead to Washington State Teacher Certification (K-8th).

### MISSIONS

The major in Missions develops your understanding of the Church's mission in world evangelism and equips you to engage in cross-cultural ministries. The major prepares you for meeting the ministry requirements for Assemblies of God missionary appointment.

### PASTORAL MINISTRIES

The Pastoral Ministries major prepares you for ministry as a pastor-teacher by providing training in biblical and theological studies and applied ministry skills. It helps you develop a philosophy of ministry for pastoral service.

### RELIGION AND PHILOSOPHY

The major in Religion and Philosophy provides you with the background necessary for graduate education in a seminary or graduate school of religion needed for military chaplaincy or Bible and theology teaching.

### YOUTH MINISTRIES

The major in Youth Ministries prepares you for ministry to youth by developing and integrating biblical and theological studies, practical ministry skills, and psychological understanding necessary to minister effectively to junior high, high school and college students.

## Financial Aid

Financing a college education requires planning and work. Parental contribution in support of the student is one of the most significant parts of any financial plan. Some save for many years, others include it in their monthly budget to provide for their children's education.

Northwest also provides excellent opportunities for financial aid. A variety of **scholarships** are available through Northwest and other organizations. Since Northwest is accredited by both AABC and NASC our students are eligible for **government grants in aid**. These are significant in the overall financial package for many students who meet the financial need requirements. Also, **loans** such as Perkins Loans, Stafford Guaranteed Student Loans, Parent Loan for Undergraduate Students, and Personally Secured Loans are available for educational cost. Loans for education are an investment in the future of the student and in the future of the church. Federal and State Grants and Loans apply to degree programs only.

## Employment Opportunities

Many students will finance their education by working. The greater Seattle area provides a great number of job opportunities in a competitive salary market. Current student jobs pay between \$4.00 and \$8.00 with an average of \$5.50 based on experience and the type of job. Northwest actively helps in job placement through the JOB SEARCH office.

# N.C.'s Alumni Say...

As a high school graduate I sensed God's call to attend Northwest College. I found Northwest to be the seed bed where, through prayer and spiritual nurture, I became ready to fulfill God's will in ministry. There has been continual growth in character and skill since college, but the place of beginning will always be remembered with thankfulness.

David Delgatty ('67), Pastor  
Assembly of God  
Hamilton, Montana

I genuinely appreciate the years I spent at Northwest College. It was there that the Lord equipped me with the tools, self-confidence and vision to minister where He has called me.

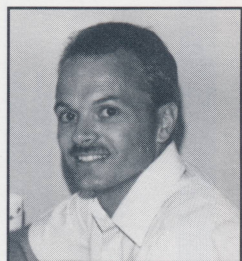

I will always cherish the friendships and memories of dreams shared, those professors who took a personal interest in my life and the classroom time where I gained so much understanding of God and His Word. God has certainly used Northwest College in directing my life.

Cheryl Hutson ('87), Minister of Youth  
Calvary Temple  
Anchorage, Alaska

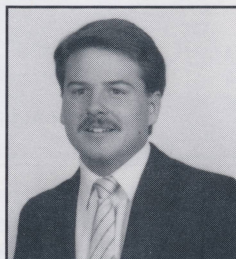

Tools for the missionary task; that's what N.C. gave me. Academics, "hands-on" ministry experience, the example of godly professors, all combined to give me a sure foundation. Not only in my theology, but also in adapting to another culture, language learning, working with others. If I were deciding on a college again there would be only one choice - N.C.!

Keith A. Kidwell ('79)  
Missionary to Taiwan

Northwest College was a foundation-laying time for my personal life and ministry. Active ministry involvement at N.C. and in a local church, combined with the continual feeding in the classroom, provided a rich preparation from which I am constantly reaping fruit.

Greg Wingard ('86), Youth Pastor  
Cedar Park Assembly of God  
Bothell, Washington

Dr. D.V. Hurst  
Northwest College President

I invite you to experience life at Northwest College.

It's designed as a place where you can grow...develop...and become what God has planned for you to be.

Come, join us. Experience the academic life...the social life...the spiritual life. You will find N.C.--its students and faculty--is a place that is alive! Things are happening...exciting and challenging things.

N.C. is a college where ministry begins and grows. The hundreds of current students who are experiencing this right now

will tell you it is so. The thousands of alumni who have experienced it and are in the "harvest field" now will tell you this.

You'll find that life is full of new and exciting experiences. There's always new territory...new frontiers...in personal spiritual growth and development...in knowledge and understanding...in ministry. Some of the most memorable experiences will happen while you're in college. You'll make friends at Northwest that will last a lifetime.

Come...look N.C. over...talk to its students and faculty...enjoy the great campus atmosphere...experience the move of God in your life. You will find it's a wonderful place to start the great life of personal growth, service and ministry that God has planned for you.

D.V. Hurst

## Northwest College is a Decade of Harvest College!

- Students are enlisting as prayer warriors.
- Students are participating in Decade of Harvest evangelism teams helping plant churches.
- Students are preparing to be credentialed ministers and missionaries.

N.C. programs are designed to equip you to be a vital part in the Decade of Harvest.
