### BUTTERFIELDS RETURN

#### ???????????????????????????????????? PREPARATION FOR THE BANQUET

Save that nickel, save that dime,  
Its almost all-school banquet  
time,  
You'll want to be there and join  
the group,  
For entree, salad and for soup,  
And if you start to save right  
now,  
You'll see the guest speaker take  
his bow.  
Everyone's going; come and you'll  
rave;  
Start right now to save and save.  
????????????????????????????????????

ALL-SCHOOL BANQUET--MARCH 26.

#### NEW STUDENTS ENROLLED

The students of NBC welcome the new students who have joined our forces for the third quarter. Dorothy Airth, from Vancouver, B.C.; Arlene Barnett, from Everett, Wash., a transferee from Bible Standard Institute in Eugene, Oregon; Weldon Crabb, from Latah, Wash.; Richard Hamilton, from Montgomery, Michigan; Eugene Ness, from Seattle; Paul Taylor, from Tacoma, Wash.; Mary Weaver, from Alderwood Manor, Wash.; and Bob Wills from Seattle, our prayer is that God will make you a blessing while you are with us.

#### TRIP HIGHLIGHTS REVEALED

"Travel east, travel west,  
After all, home is best."

Brother and Sister Butterfield expressed in chapel their joy in being back after a successful tour in Central America the past six weeks. They motored via Los Angeles to El Paso, Texas where they took a bus to Mexico City. From there they flew to Costa Rica.

On their way south the Butterfields stopped over at Guatemala City for three days. There they visited the three Assembly Churches, two of which had been started since their last trip to Central America.

In San Jose, Costa Rica they held meetings with the Spencers for one and a half weeks. From San Jose the president and his wife traveled north to Salvador to attend the Assembly of God Convention at Santana. 75 native pastors attended as delegates. At the Bible School in Salvador the native pastors gave Brother and Sister Hodges a farewell banquet.

In their 3 day stay in Havana, Cuba the Butterfields met Rachel Maser and Maxine Richardson, NBC graduates.

President Butterfield stated (Continued on Page 2, Col. 1)

(Continued from Page 1, Col. 2) that one need particularly impressed him. The church in San-José has never had a piano. For fifteen years they have used a wheezy old reed organ. While Brother Butterfield was there the pastor stated that there was a piano in town for sale for \$300. They investigated but found the piano ruined by termites.

Our president felt the burden of this need and promised to do what he could. In one night he was able to raise from 400 to 500 colonies (about \$75). He said if they would raise enough money to pay for the freight and duty, he would ship one down. This made them very happy for a piano would help them greatly in their singing.

Brother Butterfield would like to enlist the interest and prayers of the student body in helping him to get this piano for them. One evening he told them about our school and assured them that if called upon, we would willingly respond.

SSECCUS YTRAP DRAWKCAB

The girls of the Freshmen class had a new experience when asking the boys to the backward party which was held on February 19, at Calvary Temple. Every girl now knows what the boys feel like when they are trying to approach a girl to ask for a date.

Everyone had to have some article of clothing on backwards before he was received at the door. Dean Graham was master of ceremony for the evening and lead many games. An operation was performed on Sam Vigna, who seemed to have fainted, by Doctor Jim Gulike and intern Keith Cain.

Good refreshments were served by the social committee, and the party ended with everyone feeling he had spent an enjoyable evening.

\*\*\*\*\*

(Continued from Col. 1)

Perhaps the meeting of this need could be helped by the Missionary Society. It takes one month to ship a piano by boat to Costa Rica. Let us do our best to get it there before school is out in order that we might receive a report from them before the term is over.

SCRIPTURAL INTERPRETATION

FAITH

"But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him." Hebrews 11:6

At some time you may have said, "I believe I will make a trip," or "I believe that I will plant a garden." It means that you will have faith to plant or travel. As you have faith for actions, you must exercise such belief in God. By faith Abraham offered his son Isaac as a sacrifice to God believing that Isaac would be restored again if it were God's will that he be slain. By faith some part of the day we meet with God in prayer. We acknowledge our needs by kneeling in prayer. We expect to be heard. Ask, and by asking you shall receive. Seek or enquire with diligence and you will find. Knock, and the Lord will open to you, and fellowship will be restored. An often quoted promise, yet it is the Father's Word. Why should he not give, for the earth and all therein belongs to him. He careth for you. Faith pleases God. By faith the walls of Jericho fell down. By faith the promises of God are obtained. If by faith promises are obtained, let us have faith in God. By faith Moses became a servant of God, David, Gideon, Barak, and Samson wrought victories and subdued the enemy. Our God has not changed. Let us present to him our needs and by exercising faith, and have our needs fulfilled.

Richard Triese

ARE YOU HELPING TO  
 MEET THE MISSIONARY  
 QUOTA?

\*\*\*\*\*

TEST IT AND SEE!

Winter months often seem to be the gloomiest months of the year. They are many times the hardest months financially and the darkest spiritually. They may leave one frustrated, not knowing what to do or not understanding his circumstances.

This situation, to the natural man, is not good, but God is with us. Such a situation may provide an opportunity to prove God when one comes to the end of himself. He can give up completely to God. Will God fail? Does He know what is happening? Most certainly He knows and more than that He meets the situation with victory over all defeat. He loves His own and delights to prove himself to those who trust Him. No situation is too hard for God to meet. He is faithful in all trying circumstances and these circumstances can be the means of knowing Him in a greater and deeper way. Test it and see!

Don Ostrom

AN INVITATION TO PRAYER

Come to the morning prayer  
 Come, let us kneel and pray;  
 Prayer is the Christian pilgrim's  
 staff  
 To walk with God all day.

At noon, beneath the Rock  
 Of Ages rest and pray;  
 Sweet is the shadow from the heat  
 When the sun smites by day.

At eve, shut to the door,  
 Round the home altar pray;  
 And finding there "the house of  
 God"  
 At "heaven's gate" close the  
 day.

When midnight seals our eyes,  
 Let each in spirit say,  
 "I sleep, but my heart waketh  
 Lord,  
 With thee to watch and pray."  
 James Montgomery

CHOIR TOURS

The NBC choir has begun their spring concerts. They sang in Tacoma, on February 21 at Glad Tidings Assembly and 28 at 12th & G Sts. This was good experience for the choir, as they are leaving this Sunday, March 6, for their first tour which will be in Oregon. A Greyhound bus has been chartered for the trip and all the members are happy to have a Christian driver, who is Maryellen Carlson's brother.

Each member of the choir is looking forward to this tour and is praying that the choir will see many souls saved for the Lord through their singing.

THANK YOU LETTER FROM SIMPSON

Dear Mr. Actipis;

The Student Council wishes to thank you on behalf of the students of Simpson Bible Institute for the fine message which you presented in our chapel.

The message was one through which the Holy Spirit worked and I am sure that it spoke to many hearts in the service that morning. Thank you and may we be privileged to hear from you again.

Signed Dave Denyer

ALUMNI ANNALS

A look into the busy life of Doris Johnson, Secretary of The Alumni Association, is more exciting and interesting than a whole volume of adventure stories.

After her graduation, she and a co-worker went to Fairmount where they worked in a small church for four years. God blessed and many souls were saved.

She also worked with Marie Juergensen at the Minidoka Relocation Center in Idaho. There were 10,000 Japanese in the camp. They also toured the United States for six months on behalf of the Japanese people.

Miss Johnson also attended Seattle Pacific College where she earned her B.A. degree.

At the present time she is teaching on the staff of NBC.

We ask God's richest blessing on her busy life, knowing He will use this yielded and willing vessel for His glory.
