#### CLOTHING DRIVE SUCCESS

The Missionary Council wishes to thank the students for their co-operation in making the clothing drive a success. The drive sponsored by the Missionary Society continued the week of March 12th to March 19th.

To the plea for workers, 35 turned out for soliciting and 9 helped to pick up the more than 400 lbs. of clothing for the mission field. These nine students made pickups at 205 homes.

After their labors, the "helpers" enjoyed a snack prepared for them by Dorothea Thompson and her committee.

Minor repairs, sorting, and packing are the next jobs in order. Workers for this area should see their band leaders.

Bruce Mercer, Missionary Society President, says, "Thank you students, for a job done unto Him."

#### OREGON CHOIR TOUR

The Oregon choir tour is over, but the choir will always remember the wonderful time they had. Each choir member feels that the Lord's people are the best people in the world. Everyone received the choir as old friends or as part of the church family. In many (Continued on Page 5 Col. 2)

#### WHERE WILL YOU BE MARCH 26th?

Outside the University Congregational Church at the corner of E. 45th and 16th Ave. N. E. young people were happily talking. As they visited, others appeared, greeted by the young people and went into the building.

The hands of the clock formed a 150 degree angle with one hand on the seven and the other on the twelve. Teachers and students were finding places at the long tables so beautifully decorated for this occasion.

The occasion? Oh, yes, it has not taken place yet but will be the big event on Friday, March 26. Students, their friends, faculty members and their wives will be seated in the banquet room shortly after 7:00 P. M. After a delicious dinner of "Ballard Cuisine" there will be a special program prepared by John Heck's committee.

That is not all. Our speaker is the former C. A. Director of the Northern California District. You will not want to miss his inspiring message.

CONSTITUTIONAL CORNER

With springtime, comes election time at NBC. This year's Student Council has spent much time in re-evaluating and codifying past procedures used in nominations and elections. Last week the council met in a session extraordinaire to provide uniform procedures in the by-laws for both the ASB and Missionary Society elections.

Two plans for nomination were presented. They were the petition method of nomination and the nominations from the floor. The latter was favored.

A list of those eligible for nomination will be posted 10 days before the primary election. Nominations shall be made from the floor in a student body meeting on March 30.

The primary election will be held April 6, five days after the list of those nominated has been (Cont. on next Col.)

posted. At this election four candidates for the combined ticket of president and vice-president and three for Secretary-treasurer shall be chosen as finalists for the final election three days later. This schedule of nominations and elections gives each candidate ample opportunity for campaigning.

The single-transferable-vote system shall be used in balloting for the final election. For a description of this system, see Joseph O'Brien's Parliamentary Law for the Layman, page 205.

Yes, election time is coming soon--quite soon! In last year's ASB election there was no campaigning and it was only in the Missionary Society elections that any campaign interest was shown. Let's start in now and make this year's campaigning the best ever.

The only restriction to campaigning is this paragraph found in our By-laws. "All pre-election activity shall be conducted in a manner conforming to the Christian standards of the Northwest Bible College. They may not at any time interfere with class sessions."

Keeping this in mind, candidates, let's go!!!

JAPANESE FAMILY ARRIVES

Suzuko and Todao Hara and baby, Nobumichi, arrived by boat from Japan March 11. The Hara's have come for ministerial training at NBC.

During World War II Mr. Hara was a pilot in the Japanese Air Force and was a member of the Suicide squad. God preserved his life through the war, subsequent trials of near starvation and other difficulties following the war.

After the war they came in contact with some American Pentecostal missionaries, who led them to know the Lord Jesus Christ as their personal Savior. Two years later they received the baptism of the Holy Spirit.

Since then Mr. Hara has been engaged in evangelistic work in Japan.

It was a step of faith on the part of the Haras to come to the United States because they had to leave their money in Japan.

Students of NBC have been happy to help them in every way possible and welcome them to NBC.

HOLD THOU MY THOUGHTS

Hold thou my thoughts, for as I  
To worship Thee and pray,  
Some vagrant thought, some trifling thing  
Doth lead my soul astray.

Hold Thou my thoughts, for while  
Would listen to Thy Word,  
Some sight, some sound, claims  
Thy message is unheard.

Hold Thou my thoughts, e'en as I  
To lift my heart to Thee,  
The Evil One slips in between  
And steals me, Lord, from Thee.

O hold Thou my thoughts, and  
From all distracting things,  
And aid my praise, my thoughts,  
To rise upon Faith's wings.

--F. B. Stone

FINAL DEADLINE FOR KARISMA

The final copy of this year's Karisma will soon be on its way to the publisher, for March 26 is the final deadline that has been set by the staff. Although this is the last deadline, the work of the staff is by no means finished.

Students who have not yet purchased their copy of the Karisma are urged to do so immediately.
