COLLEGE CELEBRATES ANNIVERSARY

The date of the traditional Matriculation Service has been changed in order to celebrate the twentieth year of the college. Students, faculty members and their friends will gather on Friday, October 1st at 8 P.M. in Calvary Temple.

Dr. Henry H. Ness, former president, and Rev. C.E. Butterfield will speak on the subjects, "The Past" and "The Future." Rev. Norman Gardner, pastor in Lewiston, Idaho, will represent the alumni association. Prof. D.L. Cox will direct the orchestra. Special music will be provided by the alumni members.

Everyone is welcome.

MISSIONARY RALLY TONIGHT

Rev. John Clement will be the featured speaker at the rally to be held in the auditorium of the college tonight. The Missionary Council is in charge of the rally and invites each student and his friends to be at the rally.

The rally will start at 7:45 p.m. Come early and pray for the moving of God's Spirit in our school.

"I have 3600 pages of collateral to read!" "That's not so bad I have 4800 pages required!" College life is not all study.

A fine athletic program for this year is to be under the direction of Bud Lydin and Dwaine Klien. Every student should enter some phase of athletics for a sound body and a sound mind runs hand in hand.

Every student is urged to take advantage of every opportunity, to work on a committee or class project. School spirit prospers as everyone contributes to school life.

Above all else in college life, never cease to pray. Every phase must be permeated with prayer and the true Christian Spirit. A time reserved for prayer each day will help each one to keep near to "Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that worketh in us."

This Saturday at 3 p.m., there will be a football game with Simpson at Green Lake Field. Everyone come and root our team on to victory.
