STUDENT HANDBOOK

1986 - 87

PREFACE

Northwest College of the Assemblies of God is dedicated to the task of preparing young men and women for effective service in the church and in the world. Therefore, the objectives of the College are to develop the social, physical, intellectual, and spiritual areas of life.

Like any other social institution having its own special purpose, a College must maintain conditions conducive to the effective performance of its function. Therefore, the College does have special expectations regarding the conduct of the various participants in the academic community. Conduct which distracts from or interferes with the purpose of the College is not acceptable.

Admission to Northwest College carries with it the assumption that a student will conduct himself as a mature, responsible member of the academic community. It is expected that he will obey the civil law, will comply with the standards of the College, will maintain a high standard of Christian character, and will respect the rights, privileges, and property of others. The student affirms this when he signs the student affirmation on the College application form.

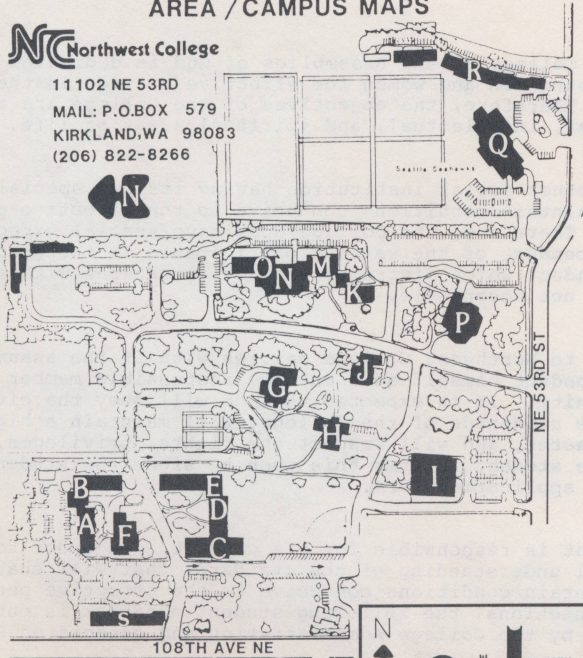

The student is responsible for his conduct. In order to provide students a full understanding of the standards that will enable the College to maintain conditions conducive to the effective performance of its goal and functions, the following student handbook is published and revised yearly by the College Administration and Associated Student Body.

The College expects each student to develop every aspect of his life by practicing the basic principles of God's Word. In his spiritual life, the Christian student seeks to love God with all his heart. Academically, he studies to be approved by both God and man. Socially, he loves his neighbor as himself and physically, he practices a stewardship of his body, possessions and properties of others.

SPIRITUAL LIFE

Prayer and Spiritual Life Emphasis

Prayer rooms in the residence halls are provided for student use. On occasion, entire Chapel periods, class periods or special prayer times may be set aside to encourage students to seek God.

Spiritual Emphasis Week

One week during each semester features a series of services with outstanding speakers. The Fall revival emphasizes commitment. The Spring Missions Convention highlights evangelization.

Chapel

As a Christian College, NC is vitally interested in the spiritual development and maturity of its students and therefore provides a daily Chapel. This gathering together of the entire NC family allows for times of spiritual growth, sharing of needs, and hearing different guest ministers.

Some Chapels will be used for assemblies, elections, student orientation, etc., to meet the organizational and informational purposes of the College and its students.

Chapel Attendance

Chapel attendance is a vital part of the student's spiritual development. Attendance at daily chapel is required of all students. A student is counted absent when not sitting in the assigned chapel seat.

Part time chapel excuse may be requested by students carrying less than 6 credits, and by students whose work involves the chapel hour. The student is responsible to submit the request to the Dean of Students. The application forms are in the Administration Building.

If a student lives in excess of ten (10) miles from campus he may apply for a chapel excuse for days no class is scheduled before the fourth period.

Chapel attendance is taken by row monitors. A student should notify his monitor if he arrives tardy to Chapel. The chapel secretary shall notify students when they exceed 5 absences. After 10 absences a student receives a grade of F. A student who receives 12 absences may be referred to the Citizenship Council for counseling and/or disciplinary action.

A grade of S or F is recorded on a student's transcript depending upon the attendance record. Two consecutive F or three accumulative F during the student's attendance at Northwest College might affect re-enrollment; and an F during the year of a student's graduation may jeopardize eligibility to graduate.

Church Attendance

Students are expected to observe Sunday as a special day of rest and worship. Within five Sundays students are expected to make a choice of a church home they will attend while in College. Students are also expected to attend Sunday School, morning and evening services and to participate in the total church life. Student's record of church attendance will become part of an overall Christian Service report as explained below.

Christian Service

The student at NC is preparing himself to help others through Christian ministry. Concern for others doesn't stand idle until graduation. Therefore, all students are encouraged and expected to participate in some aspect of the Student Ministries program. The Christian Service Report will be distributed during the first chapel of each week. The service record form will be processed through the Dean of Student's Office and transferred to the student's record file in the Registrar's Office during the year of graduation or withdrawal. This information of Christian service will also be provided for student placement evaluation, etc. Serious delinquency will become part of the student's file record for future reference and information.

PRINCIPLES AND PRACTICES OF CHRISTIAN CITIZENSHIP

As an institution of the Assemblies of God, Northwest College has standards for student behavior based on Biblical precepts and principles, the doctrinal statements of the church, and on widely-held practices in the fellowship.

This handbook is published to acquaint the student with the way of life at NC . It will tell him what he can expect of the College and what the College expects of him as he seeks to prepare himself for Christian ministry.

Among the Northwest College's distinctive reasons for existence are the stimulation and guidance of young people toward holy living and broadened spiritual and social maturity.

Christian maturity involves more than adherence to explicit Scriptural statements of right and wrong. It involves a total commitment to the Lordship of Christ and a life of dynamic discipleship. The mature Christian recognizes Scriptural principles that govern conduct and he applies these principles to every area of attitude, conviction, and behavior.

The Scriptures establish basic principles which should guide the development of Christian character and govern all Christian behavior.

These include:

1. The Lordship of Christ over all of life and thought. This involves wholehearted obedience to the moral law of God as taught in the Bible and exemplified in the life of Christ; the careful stewardship of mind, time, abilities, funds; opportunities for intellectual and spiritual growth; and the care of the body as the temple of the Holy Spirit.
2. The responsibility to love God with all our being and to love our neighbor as ourselves. This means that unselfish love should be the motive in all life's decisions, actions and relationships.
3. The responsibility to seek after righteousness, to practice justice in dealings with one another, in social institutions, and to help those in need.
4. The need to exercise freedom responsibly, lovingly, and sensitively within the framework of God's moral law in relationship to the Assemblies of God Fellowship at large and to other communities.
5. Access through Jesus Christ to the forgiveness of God and to the help of the Holy Spirit in doing heartily what God requires. (Romans 14:4-10, 15:1-3, Phil. 1:20-27, I Cor. 8:7-10, Col. 3:23, II Cor. 6:14-18, James 1:27, 4:4, I John 2:15-18).

The College affirms Paul's description of behavior unfitting for a Christian. "The acts of the sinful nature are obvious: sexual immorality, impurity and debauchery (indulgence in sensuality); idolatry and witchcraft, hatred, discord, jealousy, fits of rage, selfish ambition, dissensions, factions and envy, drunkenness, orgies and the like." Galatians 5:19-21a (NIV).

When a student applies for admission, he must indicate that he has made a personal commitment to Jesus Christ as Lord and Savior and that he is willing to live by the community rules adopted by the College. This means abstaining from practices morally wrong such as stealing, use of profane, vulgar language, sexual sins, and dishonesty including cheating.

It means that the student will abstain from gambling, pornographic literature, the possession or use of tobacco or illegal drugs, social dancing, the possession or use of any alcoholic beverage, and other behaviors detrimental to community life. It is recognized that in all things the principles of selectivity and concern for Christian testimony must be exercised.

While attitudes are difficult to detect, they are as important to God as are outward forms of conduct. The College community is responsible to repudiate these and help in seeking forgiveness so that each individual may grow in grace and righteousness.

In keeping with the College's goal of guidance toward holy living the following are attitudes and actions affirmed and encouraged. "But the fruit of the Spirit is love, joy, peace, long suffering, gentleness, goodness, faith, meekness and temperance." Galatians 5:22-23b

The College will promote Christian Citizenship by instruction, corrective confrontation, and discipline, when necessary for the purpose of development of Christian lifestyle in the students.

An acceptable citizenship record also includes financial responsibility to the College and must be maintained in order to qualify for graduation or participation in student offices or extra-curricular assignments.

The College reserves the right to modify and amplify the standards and dates set forth in the Student Handbook and to use it's discretion in the interpretation and enforcement of all ideals and standards of conduct however communicated.

The College Administration also reserves the right to require any student to withdraw who is considered to be out of harmony with the goals and the spirit of the College.

RESIDENCE LIFE

Residence Halls

The purposes of Northwest College are fulfilled in part through the activities of residence hall life. These activities are designed to assist in the development of a mature Christian person.

All single students, except those living at home or have "live-in" positions, will be housed in the residence halls on campus. Any exceptions are filed with the Office of the Dean of Students.

Students are expected to keep their rooms clean and orderly. Walls must not be defaced by nails, pins, paste or markings. The decor of the rooms should always be in good Christian taste.

When leaving a room lights should be off and windows should be closed so that drapes will not be damaged by moisture or wind. Window screens are not to be removed.

Breakage or damage to College property should be reported immediately to the Resident Deans or Resident Counselors. The cost of unreported damage will be assessed to all of the students on the floor or room where the damage took place. Furniture must not be removed from lounges or rooms without permission of the Resident Deans or Counselors.

The use of candles, or any open flame in the residence halls is viewed as a fire hazard and is therefore prohibited.

Food must be stored in appropriate containers. A kitchenette with a microwave is provided in each residence hall area for light cooking. Microwave ovens are NOT allowed in student's rooms.

Due to fire danger and/or property damage, students in all residences are allowed to use only light appliances in their rooms, i.e.; razors, radios, TV's, VCR's, record and tape players, hair dryers, sewing machines, and self-contained appliances such as automatic coffee makers, popcorn poppers and toasters provided they are Underwriter's Laboratories approved and registered with the Resident Deans. Report of careless or improper use of these appliances will result in their removal from the room. Owners of such appliances will be held responsible for any damage caused by them.

Single residence hall rooms are mainly for study and sleeping, storage of miscellaneous items such as auto parts, bicycles, etc., are not permitted. Weights and weight lifting are confined to specified resident areas as approved by the Dean of Students through the Resident Deans.

A student's room is private and is to be so treated by others. Entering another's room or borrowing another's possessions without his permission is wrong, as is damaging the property of a fellow student. Students should learn to become one of a family group without infringing on the rights of others. The student's room, however, is subject to inspection at any time by the Resident Supervisor or College Administration.

Students should use every precaution to safeguard their personal property. Locks are provided on the door of each student's room and keys are assigned to all occupants. School authorities assist in every way possible to locate lost or missing articles, but cannot assume responsibility in this matter.

Rooms should be vacated in good order, all original furniture in place, and the key returned to the Resident Supervisor's office. Defacing or destruction of property will result in discipline and assessed cost of repairs. A \$25.00 per occupant room-cleaning fee will be charged if the

room is left in an unclean condition when occupants vacate. When they are available, single rooms may be arranged at an additional charge. Refunds will be mailed to the student after the close of the quarter if he is not returning, the room condition is satisfactory, and proper check-out procedures have been followed.

Interim Housing

On campus interim housing will be available on a per diem basis separate from the regular semester charges. For information, see the Business Office. Students planning to retain their room for the next semester within the academic year may leave their personal effects in the room at no charge. Students planning to use the room as a resident will be charged.

Resident Personnel

Resident Personnel reside in all residence halls. It is their responsibility to supervise residence and assist students in achieving satisfactory adjustment to College life and residence hall living. They are available for counseling.

Guests

Students may invite a relative or friend to be their guest in the residence hall for two nights each semester without charge if previous arrangements are made with the Resident Dean or Resident Counselor. If the guest is to stay more than two nights, a charge per night will be made. Additional visitors will be charged per night and a double charge will be assessed for unregistered persons. A guest is a person who has not visited campus previously during the semester, and is invited to campus by the student with whom he stays. Guests are expected to comply with College regulations. Persons to whom students are ministering should not be considered as guests.

Courtesy Cards

A courtesy card is provided for each student in the residence hall. The card is filled out at the beginning of students residency and turned in to the Resident Dean. This enables the College to make contact in case of emergencies.

Closing Hours

The residence halls will close at 12:00 midnight Sunday through Thursday; 1:00 a.m. Friday and Saturday. Students are to check in at the stated closing hours. Violators will be disciplined.

Students may not leave residence for any reason between closing time and 6:00 a.m. The use of windows for exits, except for fire, is prohibited.

Visitors are not permitted in the residence halls after closing time.

Late-Ins

Late-ins are recorded on "Log" by the Resident Assistant on duty. It is the responsibility of the student to report to the Resident Dean on the

afternoon of the following school day to provide justification for being late.

Initial late-ins, including unauthorized entry (any entry not known by person on duty), will be handled by the Resident Dean through fines or work detail (student's option). Repeated violations will be referred to the Dean of Students for formal action.

Employment late-ins for men or women are issued upon request and verification of working hours.

Visiting of the Opposite Sex

On-campus or off-campus single students are not permitted to be in the living quarters of the opposite sex or to have members of the opposite sex in their living quarters without appropriate chaperone arrangements and approval from one of the following: The Dean of Students, Resident Deans, or Resident Counselors. The term "living quarters" includes homes where students or friends of students are employed.

A women student under 18 years of age, intending to visit over-night in the home of a member of the opposite sex, must have written permission of her parents or guardians and a letter of invitation from the parents of the person visited. Male students wishing to visit over-night at the home of a member of the opposite sex must have a letter of invitation from her parents. These must be presented to the respective Deans before leaving. Such leaves are restricted to weekends.

Residence Hall Lounges

The lounge of each residence hall serves many functions: a lobby, communication center, and visitor area.

The lounges in the residences are provided as places where students may come for social fellowship and relaxation.

The College encourages a variety of social and cultural opportunities which assist student's spiritual and social development. These interactions help the student toward responsible maturity in public and private relationships.

Crowder Hall lobby is not to be used as a lounge, but a place for meetings and communications.

The Student Union Building accommodates more recreational types of activities. Its co-educational function provides an eating place (Snack Shack) as well as a visiting and play area. Student leaders will provide activities and socials on a planned basis.

Except during residence meetings students appearing in the lounge of their residence must be dressed in acceptable general campus attire.

Refreshments may be served on special occasions and by permission from the Resident Dean or Resident Counselor; otherwise, food is not to be brought into the lounge.

Typewriters are not to be used in student rooms after 11:00 p.m. Typewriters are not to be used in the lounge or recreation room after closing.

Gray-Beatty, Guy-Perks: Students may visit in these lounges during the following times:

Monday-Friday.....	10:30 a.m. - midnight
Saturday.....	9:00 a.m. - midnight
Sunday.....	1:00 p.m. - 5:30 p.m.
	8:00 p.m. - midnight

No visitors of the opposite sex are permitted to go beyond these lounges.

A given lounge may be closed on special occasions.

Conduct in the residence hall lounges should be in keeping with Christian principles of modesty and good taste. Activities that can be embarrassing to participants and observers will not be permitted.

Due to possible damage to property and injury to person, engaging in water fights and similar irresponsible behavior will result in a \$25.00 fine.

Pets

Students are not permitted to keep animals of any kind in residence rooms or student apartments.

Quiet Hours

Realizing the necessity for studies and sleep, quiet hours from 7:00 p.m. to 7:00 a.m. have been established. In respect for other students unnecessary noise in rooms or hallways, such as loud talking and laughing, singing, or playing musical instruments is not permitted. Students shall not linger outside residence halls or cause unnecessary noise after 11:00 p.m. and before 6:00 a.m.

Students are encouraged to listen to radio programs and recordings which are in harmony with Christian standards at room level. The College reserves the right to require use of headphones or to store sets where habitual abuse occurs.

Music

Like language, music is a form of expression. Just as a single word may be morally neutral, a single musical note is neither morally right nor wrong. But words can be combined into either good or sinful sentences. The same is true of music.

Students are therefore asked not to produce or listen to music which does not edify--such as hard rock. As with other areas of life, one's listening habits may need to be changed for the sake of positive Christian influence.

Television

Television sets may be provided and maintained in the television rooms of the respective residence halls by the AMS and AWS. The Residence Hall Councils have the responsibility of regulating the television in regards to hours used and insuring the quality of programs viewed. Whereas many programs now shown on TV and VCR's are not conducive to

spiritual strength, growth, and edification and also realizing that time is a God-given commodity especially significant to the Christian College student, it is expected that each individual student will assume the responsibility of self-discipline in his use of the television with reference to the quality of programs viewed, the rights of others, and the total time spent watching. The College Administration and the Resident Deans have the responsibility and reserve the right to regulate television and VCR's and determine the hours they are used. Television sets are not permitted in the hallways. They are permitted in rooms under the following conditions: 1) All TV sets and VCR's will be registered with Residence Staff, 2) the roommate must approve, and 3) headphones are required after 11:00 p.m. Cable TV is not approved for residence halls. Abuse will result in elimination of privilege.

Laundry

Meter-controlled automatic washing and drying facilities are provided for the occupants' convenience. These are for the use of resident students only. Washed clothing must be removed immediately so that the machines may be available for other students. No clothing, clean or dirty, is to be left in the laundry rooms overnight.

Ironing boards are provided in the laundry rooms and are not to be removed. There is to be no ironing done in private rooms or in the halls.

Storage

Limited storage space is provided for the use of resident students. Any luggage stored here must be clearly marked with the student's name and room number. The College will not be responsible for any loss or damage. No summer or non-student storage is available.

Personals

Borrowing money, clothing, and personal effects or lending the same to fellow students is discouraged. Student personal property is not covered by College insurance.

Married Student Residence Housing

The College provides a limited number of units (36) for married students without children. These housing units known as "The Firs" are on the College campus and under College jurisdiction and management.

Information and applications may be obtained from the Dean of Students Office.

CAMPUS LIFE

Appearance/Dress

Northwest College students are Christian and collegiate in their appearance and dress. Guiding principles include moderation, modesty, neatness, good taste, and propriety. Appearance or dress which identifies with attitudes, philosophies, or segments of society in opposition to Christian principles is not acceptable. Clothes that draw undue attention to the body (such as short skirts and tight, form-fitting pants or dresses) are not permitted. While it is appropriate to be in-style, modesty and good taste should not be sacrificed for the "latest."

Students must always wear some type of footwear in public, and men must wear shirts. Women should avoid excess in makeup and jewelry. Men should have neatly trimmed and groomed hair, not so long as to fall below the collar or to cover the ear completely. If beards or mustaches are worn, they must be neatly trimmed.

Appropriateness to time, place and activity should determine dress, within the guidelines above. Neat and clean street clothing is appropriate for most occasions. Dress-up clothing is appropriate for church and for chapel participation. Mini-skirts are not acceptable wear. Gym wear should be confined to the gym or approved athletic activities. Shorts are inappropriate for class, chapel, library, cafeteria, and the Administration Building. Swimsuits shall not be worn on campus. Grubbies or work clothing are not acceptable for general campus wear and are restricted to the staff dining area in the cafeteria.

The College reserves the right to establish special requirements for students who represent the College off campus.

Hazing

The College does not permit hazing for initiations and engagements if it causes personal injury, damage to personal or College property, or detracts from the testimony of the College or individual.

Marriage

Since the stated purpose of Northwest College is to minister to the whole man and because marriage is a divine institution as well as a matter of individual responsibility, the administration, faculty, and counseling staff of the College will provide counseling for students who are married or preparing for marriage. This counseling shall emphasize the sacredness of marriage, its responsibilities and its privileges. It shall be directed to meet the needs of the individual and his ability to cope with adjustment problems inherent in the union such as age differences, race differences, social-cultural differences, and previous marriage relationships.

Inasmuch as marriage involves new adjustments to life and added responsibilities, students 21 and under are not permitted to marry during the academic school year. Exceptions to this policy will be considered if request is made in writing to the Dean of Students Office and justifiable reasons are given. Violation of this standard subjects the student to immediate suspension.

Telephones

Public telephones are provided for student's personal calls. These are located in the Dicky Plaza, Amundson Music Center, SUB and in the residences. Students are not permitted to use the office telephones for personal use. If a call comes for a student during class hours, the number will be taken and the student notified at the earliest convenience. If the call is for an emergency, the student will be notified immediately.

Students living in the residence halls are asked to advise their parents and friends of the public telephone numbers through which to contact them. In consideration to fellow students telephone calls should be limited to ten minutes and are not to be made after 11:00 p.m. Lounge phones are not for private use. In order to free phones for off-campus calls, students are urged to make inter-dorm communications in the residence hall lounges during regular hours.

Off-Campus Musical and Entertaining Groups, and Speakers

Groups or individuals may be invited to present their ministry or perform a service on campus provided that a need exists on campus for their ministry or service; provided they are not competitive with, nor antagonistic to, the Assemblies of God programs; provided their reputation has been established; and provided that their coming will be consistent with the ministry, purposes, and objectives of the Church and College.

COLLEGE FACILITIES

Northwest College encourages "self-maintenance" by all who use the College facilities. Students are urged to cooperate in the matter of keeping the College premises orderly through (1) responsible and appropriate use, (2) leaving facilities as found or in better appearance and condition whenever possible, and (3) prompt reporting of repair and other maintenance needed.

Office Equipment

The College mimeograph and office equipment are not for student use. Necessary equipment and supplies are arranged by ASB.

Keys to College Facilities

Each student residing on campus will receive a key upon admission to the residence hall. The \$5.00 key deposit is refundable when the key is returned to the Resident Dean or Resident Counselor. Crowder Hall also requires a \$5.00 deposit for the mailbox key. Students are requested to keep their rooms locked at all times, for the College cannot assume responsibility for any loss of personal property. If a student key is lost or stolen, it should be reported immediately to the Resident Deans or Resident Counselor who alone are authorized to have another key made. A minimum charge of \$5.00 will be made for duplicating the key.

Upon receipt of any key, the student will assure the College by his signature that he will neither loan nor duplicate any key to College buildings or rooms. Students violating this policy or found in possession of unauthorized keys will be subject to immediate discipline.

COMMERCIAL ACTIVITIES

College facilities are not to be used for commercial solicitation, advertising or promotional activities without the permission of the College Administration.

Students may sell services on campus (fix hair, shine shoes, etc.) but they are not allowed to solicit sales or products on campus.

Non-students are not allowed to solicit sales in any form on campus except by special permission of the College Administration. In advertising services off-campus, students should not imply College approval.

Distribution of Materials

The Administration at Northwest College encourages pastors to advertise their church activities and services by submitting "blurbs" (short publicity notices) to the Dean of Student's Office for inclusion in the Student Bulletin. This bulletin is prepared and provided for all students bi-weekly for current activities and announcements. An annual Church Directory of the greater Seattle area is also provided each student at the beginning of Fall Semester.

Handbills, leaflets, newspapers, and other such materials may not be distributed by students or non-students on the College campus or in College facilities without the expressed permission of the College Administration.

All such materials must bear identification as to the publishing agency, distributing organization, church, or individual. All posters must be submitted to the Dean of Students Office for clearance. This precaution is taken because the administration desires to have positive influence in the things advertised to the students and to eliminate any cross purposes to the nature of the College and needs of its students.

Any student who violates the provision relating to the distribution or sale of handbills, leaflets, newspaper or related materials shall be subject to disciplinary action.

Posting of Bulletins and Advertising

The posting of all bulletins and announcements is to be cleared with the Dean of Students. Students may post advertisements of services offered or, occasionally, of used merchandise but not of new merchandise for which the student may be an agent or sales representative. Permission to post such ads is not to be construed as an endorsement by the College.

The posting by student organizations of handbills, posters, signs, or announcements is prohibited except on designated bulletin boards.

Purchases

No use shall be made of the name of the College for the purchase of any merchandise or service without a purchase order or authorization from the Business Office.

FINANCES

1. Tuition and fees are due and payable in full by the first day of classes each semester. Students are expected to meet this due date and make payment in full.
2. For students who cannot pay their accounts in full at the first of each semester, a deferred payment system can be negotiated with the Business Office, whereby the fees and one-third of the tuition, board and room charges are paid at the beginning of the semester, one-third mid-semester, and one-third fifteen days before final examinations.
3. Carrying charges are assessed to any unpaid balance after the Friday of the first full week of classes at the rate of one and one-half percent per month.
4. Students failing to meet the payment schedule will not be eligible to continue in classes and a student whose account falls ten days in arrears may be suspended from classes or from school.
5. A student must clear his previous account before starting classes in an ensuing semester.
6. Payment of account policy applies to those qualifying for V.A. benefits.
7. The College reserves the right to assign delinquent accounts to an agency for collection. Failure to respond could effect the individual's credit rating.

ASB Fees

A student body fee is charged on a semester basis at the time of registration. Fees vary semester by semester as established by the Board of Directors. The Associated Student Body Officers budget the use of their monies.

Fees cover the cost of the College yearbook, admission to the all-school socials, cultural events, student-sponsored recreational and athletic activities, and class dues. The wives of married students are admitted to the College sponsored athletic activities at the regular student price. All students are required to pay these fees.

Student Offerings

Through the Associated Student Body many projects are sponsored including missions projects. Each Tuesday morning during Chapel an ASB offering may be received; and each Friday a missions offering is received. It is recommended that the students pay their tithes into these two funds while attending College unless it conflicts with home-district policies. If each student is conscientious in this respect, much can be accomplished during the year.

CAFETERIA

The Administration will make every effort to provide regular meals of a balanced diet with as much variety as possible for institutional type cooking within the allotted budget.

Regular Contract Ticket

Students in the single residence halls are required to purchase a meal ticket each semester which represents a contract with the College. Such tickets are nontransferable. The contract price represents a considerable savings to the student as compared to the cash price (approximately 1/3): twenty meals per week are provided, (there is no Sunday evening meal).

Campus students who receive meals from their employer or who commute to their homes regularly on weekends, may apply for a FIVE-DAY and/or TWO-MEAL TICKET at contract price. This provision is effective the date the application is submitted, and refund is made at the end of the semester. No refunds are made if this provision has not been executed in advance.

Sack Lunches

Sack lunches are available for students because of employment or scheduling that does not permit a time to eat in the cafeteria during the open hours. Sign up for sack lunches should be 24 hours in advance.

Off-Campus Ticket

Off-campus students may purchase a full meal ticket or a "block" of meals at the contract rate.

Special Diet

(Special consideration requested for medical reasons.)

When, because of medical or health conditions, a student is required to have a special diet, he should submit a written notice from his doctor to the Dean of Student's Office. The doctor's statement should provide all information regarding restrictions/requirements. Every effort is made to meet the special requirements of diet when health is a factor. The College reserves the right to charge for special diet revision if necessary.

Restrictions

It is not permissible to remove from the Cafeteria: Dishes, silver, glasses, and related items, or food items not part of a given meal. The exception is trays for the sick which may be checked out by special permission.

CAMPUS COMMUNICATIONS

WCCO VEHICLE POLICE

Students are encouraged to use their privileges and to follow proper procedures in communicating thoughts, opinions, or information regarding any College issue that concerns them. Student officers, student representatives to the Campus Council (see page 10 of handbook--Campus Council), the Resident Deans, the Dean of Students and other College Administrators are available to hear recommendations, opinions, or complaints. It is unnecessary to form a student petition to achieve what is proper and necessary. Northwest College seeks to maintain a family atmosphere and work toward peaceful understanding in the important area of communication (refer page 39 - "Grievances").

CAMPUS SAFETY

Firearms

Firearms are not permitted in the single students residence halls. Married students in "The Firs" will register firearms with the Dean of Students.

Fire Drills

Fire drills will be conducted in all of the College buildings at the discretion of the Administration.

General instructions include the following:

1. Close all windows and doors.
2. Walk--DO NOT RUN--to the nearest exit.
3. The first person to the exit should hold the door open for the others.
4. Move at least 250 feet away from the building in case of a natural gas explosion.
5. Stay outside until a clearance signal is given.
6. If you notice a fire in the building:
 - a. Break the glass rod in front of the fire alarm box.
 - b. Notify the office as to the location of the fire.

Fireworks

The use of fireworks on campus is prohibited. Violators are subject to College suspension.

MOTOR-VEHICLE POLICY

Realizing that the College is responsible to provide and maintain a safe campus for pedestrian and automobile traffic, it is expected that each student-driver will maintain a Christian attitude and courtesy in his driving at all times.

Violations of traffic regulations may result in fines, removal of cars by towing, and/or suspension of the privilege of having a motor-vehicle on campus. The full statement of the Vehicle Code, fines and procedures is available in the Dean of Students Office.

All motor vehicles owned or operated by students must be registered with the College and parked on campus in their assigned zone. A vehicle permit fee is assessed for automobiles, motorcycles, and trucks. Failure to register and affix the vehicle permit on the rear window of the vehicle or the rear fender of a motorcycle will result in a ten dollar (\$10.00) fine.

Fines not paid in seven days will be added to the student's account with a \$2.00 surcharge. Five citations in a semester will initiate disciplinary action. The Traffic-Vehicle Code is in effect 24-hours a day, seven days each week during the academic year.

All fines will be paid in cash to the College and assessed as follows:

Illegal Parking--1st offense \$2.00
 2nd offense \$4.00
 3rd offense \$8.00
 * Thereafter \$10.00

No permit, Speeding, Reckless driving--\$10.00

*Continued violations will call for action by the Citizenship Council.

ACADEMIC LIFE

Academic excellence should be the goal of every serious minded Christian student. Northwest College encourages Christian scholarship. The mind of each student is a tool to be sharpened and used for the glory of God.

The student is expected to relate to the College's standards and the individual teacher's classroom regulations in a positive way. He must be courteous towards his teachers and refrain from conduct which disrupts the learning process.

In cases of unresolved incompatibility with a teacher or with the College's standards, the student is directed to see the Grievance section on Page 39. He shall withdraw from class or from the College rather than promote disunity.

Enrollment/Course Change

Official registration may be effected only in the Registrar's Office. The only authority for an instructor to permit a student in a course is authorization from the Registrar's Office. A student may add courses to his load within the first week of the semester. A student may officially drop a course and receive a grade of "W" at any time through the last class day of the semester if he has met attendance requirements. (See paragraph on Attendance below.)

A student who exceeds the absence limits in a class will receive a grade of "F".

Withdrawals

An official withdrawal from a course must be completed in the Office of the Registrar and is subject to approval of the instructor. Withdrawal from College is also initiated in the Office of the Registrar and is subject to the requirements of signatures of the Financial Aid Officer, Vice President for Business Affairs, and the Dean of Students. Withdrawal is effective only when the signed withdrawal form is returned by the student to the Office of the Registrar. If, due to an emergency, this process is impossible, the student must file a letter of withdrawal with the Registrar within one week after leaving school. The letter must explain the nature of the circumstances.

Attendance

Classes are conducted with a view to helping students develop in knowledge and character, and the student's attendance is assumed. If absences do occur, the student is responsible for work missed. Because classes differ in purpose and character, individual teachers determine the effects of absences upon grades for their classes and publish their specific requirements in course syllabi. Appeals relating to attendance should therefore be addressed first to the teacher.

Class absences necessitated by required participation in some College-sponsored activity are excused through the Vice President for Academic Affairs Office. The faculty or staff member submits a list of students participating and the Vice President for Academic Affairs informs

teachers of times the students are to be excused. Students are authorized to leave class without being counted absent if the instructor fails to appear within the first 10 minutes of the class period.

Probationary Policy

Academic probation places a student under special supervision for the purpose of providing opportunity for academic improvement. It is assigned when a student's grade point average falls below the following levels: Freshman, 1.7; Sophomores, 1.8; Juniors, 1.9; Seniors, 2.0.

When a probationary student's accumulative GPA rises above these minimum levels he is removed from probation. Students on probation:

1. Are under the special supervision of the Vice President for Academic Affairs.
2. Will be requested to adjust academic loads (12 hr. max.).
3. Are restricted from participation in certain extra-and co-curricular activities.
4. May be required to take special classes in Study Techniques.

To be eligible for continued pursuit of a degree program in the College, students must have met the minimum GPA's listed above for admission to the next level of study. Evaluations are made following the end of each academic year. Appeals for enrollment reinstatement must be directed to the Vice President for Academic Affairs.

Working Students

Working students should plan their academic load in view of the following recommended academic load:

Outside Work	Academic Load
34 or more hrs. a week	Max. 10 credits
26 to 33 hrs. a week	Max. 13 credits

Recommended Academic Load

The average number of credit hours per semester is 16. Permission of the Vice President for Academic Affairs is required for a student to carry an academic load of more than 18 hours.

Late Tests

Tests may be made up for two reasons: extreme emergencies or illnesses. Judgment as to whether or not an emergency existed is the responsibility of the instructor.

A student who has been absent must make arrangements with the instructor to make up a test the next day he attends classes.

Final exams may be taken early in case of emergencies (weddings are not considered justification for early exams) and permission must be obtained from the professor.

Requirements for Graduation

For graduation requirements see College Catalog. For additional clarification consult the Registrar regarding the graduation check lists.

All organizations must clear their calendars through the committee and the Administration for coordination and to make the event official. The social-cultural committee is chaired by the ASB Vice President for Student Activities who is responsible for all student social-cultural events.

A variety of cultural events are held throughout the year in order to expand the cultural awareness of the student. Such events feature films and lectures, musical presentations and special guests.

DISCIPLINARY SANCTIONS

The College is concerned not only with the academic performance, but with the personal conduct of each student. Guidelines are provided for all students in the Student Handbook and College catalog. Each student is responsible to read and become familiar with all policies set forth therein. Failure to read the material does not excuse the student from the consequence of violations.

Disciplinary action, up to and including dismissal from the College, may be imposed upon a student for failure in action or spirit to abide by the statement of student conduct as outlined in this handbook, the Citizenship Manual or the standards of the College. The form of disciplinary action will determine whether and under what conditions the violator may continue as a student at the College.

Disciplinary action may be appealed to the Citizenship Council. Disciplinary action taken by the Council may be appealed by the student to the President of the College. All appeals by a student must be made in writing to the Council or to the President within seven days of the notification by the Dean of Students of action taken.

Disciplinary Actions

Jurisdiction

All regulations herein stated concerning student conduct and discipline shall apply to all students attending Northwest College. The College expects that its students will abide by its stated standard of conduct during the interim and vacation periods. It reserves the right to invoke retroactive discipline or refuse continued student status to students who become involved in moral and other major violations of the standards of conduct that involve student life or the College testimony.

GRIEVANCES

Northwest College is interested in providing an atmosphere consistent with its goals of preparing workers for Christian ministries. Policies, rules, regulations, and guidelines are established as a framework within which the big "College family" can live harmoniously and with consideration for one another, and for the ongoing purposes of the College.

The College desires to deal fairly with all persons, whether students, staff, faculty, administration, business associates, or guests.

Should the student have a complaint (or grievance), the College is interested. The student is urged to follow scriptural patterns for the solutions of problems (Matt. 18:15-17). This should become a part of his educational experience and spiritual development.

The following guidelines are considered appropriate:

1. If a student has a grievance against a teacher, the student should first speak to the particular teacher concerning the matter. If no satisfactory agreement is reached, he should take the matter to the Vice President for Academic Affairs.
2. If a student has a grievance against another student, he should try to settle the matter privately. If this cannot be done, the student may take the complaint to the Dean of Students.
3. If a student has a grievance against the College, he has his elected class or student officers to represent him to the administration, but he is also free to voice his own grievance to the proper Administrator.

Principles to Remember

1. Proverbs 16:32 - "He that is slow to anger is better than the mighty and he that ruleth his spirit than he that taketh a city!" Don't do or say things for which you will be sorry, or which will make the solution or reconciliation more difficult. Let the men be "gentlemen," and the women be "ladies," even when the going gets difficult.
2. Mark 11:25 - ". . . When ye stand praying . . . forgive." God is interested in you as a person, and in the kind of person you are becoming. Let God help you find the right approach to the solution of the problem. "More things are wrought by prayer than this world dreams of."

It should be remembered that the College personnel cannot always work instant solutions to all problems, but the student is among friends who care and who will take all reasonable steps toward the solution of all legitimate problems he may encounter.

SERVICES

Insurance

Students are encouraged to continue their insurance coverage under their parents' policy when this is possible. Family policy protection is extended for the full calendar year and generally offers more complete coverage to the student.

Students are required to take out medical insurance offered by the College unless written evidence of other medical insurance coverage is submitted to the Business Office at the time of registration. (Membership card or letter from parents.) Claim forms are available from the Business Office and must be submitted for each separate accident or illness. Students involved in athletics will be expected to carry special coverage when applicable (i.e., soccer, etc.).

Athletic Liability Coverage

All students carrying 10 credits or more or participating in College sponsored group activities involving traveling (sports, choir, public relations, gospel teams, etc.) are required to either:

- (1) Take out group insurance available through the College
or
- (2) Show proof of coverage under another program.

Those indicating coverage under another program but who are participants in any of the College group activities involving traveling, are required to sign a Waiver of Responsibility form verifying that they are covered under another program and declaring that the College is not liable for any cost involved in a claim while traveling for the College.

Soccer

Special insurance coverage is underwritten by the College up to \$50.00 per student (coverage for 16 students only). Other students interested in soccer participation (practice or competition) must either be under their parents or own medical program policy or take out a special policy (available through the College) which gives coverage to soccer players at a premium of approximately \$50.00 for the soccer season.

Unless a student is covered by one of these insurance programs, they are not permitted to participate in the soccer activities.

Liability

The College does not assume the responsibility to provide housing or food service in the case of a major disaster that would render the present facilities inoperable. The College cannot insure against or assume responsibility for loss due to fire, theft, vandalism, or loss of life or personal injury.

Health Services

The services of a registered nurse are available to all students. She will consult with students concerning health matters and render certain health services as may be needed. Her hours are posted on the door of the Health Service Center. Special appointments may be made if the student has a schedule problem.

While the College does not maintain a staff physician, the Resident Deans or the College Nurse will be glad to consult with students needing the services of a physician.

NURSE HOURS: Monday - Thursday 11:00 A.M. to 4:00 P.M.

Counseling Services

The counseling program of the College offers a variety of services. The services offered are preventive, redemptive, and supportive, and include, testing service, vocational counseling, growth groups, academic guidance, pastoral care, and referral counseling.

The services are paid for by student fees. Referral service charges are determined by the student and agency to which referral is made.

For more information regarding this contact the Director of Counseling or the Dean of Students.

Employment

Employment possibilities in this area are very good. Assistance in finding off-campus employment is given to our students by the Off-Campus Employment Service. In order to keep a good job market available, students are requested to inform this office of any changes they make in employment. On-campus employment is arranged through the Vice President for Business Affairs.

Students engaged in any form of employment that extends beyond the closing hours of the residence must make special arrangement with the Resident Deans or Resident Counselor. Those who do not have automobiles must prearrange return transportation with their employers and not with other students.

Women students who take jobs as babysitters, will be allowed to take a special late-in provided the circumstances warrant it and permission is requested in advance from the Resident Dean. Work situations should be avoided that involve a student after 1:00 a.m.

College Snack Shack

The Snack Shack is located in the Student Union Building and serves as an on-campus light-food service for resident students and commuters. It is managed by the College for the benefit of the students. Snack Shack hours are 8:00 a.m. to 1:30 p.m. Monday through Friday. The Snack Shack will be open some evenings for special occasions. The Snack Shack area will be closed during the Chapel hour.

Bookstore

The College Bookstore is located in the Student Union Building and handles textbooks, Bibles, commentaries, concordances, dictionaries, and other books of value in building a Christian worker's library. The bookstore also sells stationery supplies, Gospel recordings, songbooks, College souvenirs and gifts. Bookstore purchases shall be on a cash basis.

Library

A library manual is distributed to each student. It will inform the student of the operation of the library and the services it renders. The NC Library contains over 56,000 volumes. The library hours are as follows:
