

STUDENT BULLETIN

January 25, 1963

The wives of the faculty have prepared a "pantry" of staple foods for married students who are in need. It is located in the furnace room of the student union building. The key for this room may be secured from Mrs. Butterfield during the morning hours. Those who use groceries from this shelf may replace or donate to it as the Lord prospers, but there is no obligation to do so. We pray this will be a blessing to the students.
