Clothing collection

From the Homeland Band:

There is a government plane leaving Seattle next Thursday which will take all of the clothing that we have for the Cuban Refugees (free of charge). Please help us by:

1. Bringing any clothing which you wish to contribute to the area by the door of the science room in the ladies' residence. If you have it there by Wednesday we will be able to send it at no cost.
2. Come to the basement of the ladies' residence tomorrow morning at 10:00 and help us sort and pack clothing. There is a lot to do. We need the help of all those who have and will take the time.

Thank you!

Student Accounts

All student accounts must be paid in full before the end of the quarter. There are several who are in arrears in their accounts at this time. Your cooperation in clearing your accounts promptly will be appreciated.

If you do not have funds with which to pay and cannot foresee the possibility of payment before the end of the quarter you should take steps immediately to find the funds from home, banks, or talk to Bro. Robinson about a student loan.
