

STUDENT BULLETIN

February 15, 1963

Tuesday, February 19 is the last day for students now in residence to register for the spring quarter. Enrollment after that date is subject to a late registration fee.

There will be no school next Friday, February 22, Washington's Birthday. Students should remember that absences on Thursday, February 21, and Monday, February 25, are "double cuts". This may be of major significance if a number of absences have accrued in any course.
