PLEASE NOTE: It seems that in some respects parking of cars is still a problem. Let me repeat some things:

1. NO PARKING in yellow zones - ever!
2. NO PARKING in faculty area - ever!
3. NO PARKING where it says No Parking! That ought to be fairly obvious!
4. NO PARKING in front of parking slab by Ladies' Residence.
5. Fellows: You are asked again to park your car in the Beatty Hall parking lot. Many of the ladies cannot find room in front of their residence.

We ask again your co-operation in this matter - that is, the few of you who have disregarded these regulations in the past.
