It hardly seems possible, but in four weeks the quarter will be over. This means that you must see Bro. Crowder immediately if you are carrying an account with the College. Please note that the catalog states, "No final examinations may be taken until a satisfactory arrangement has been made with the business office." NOTE: Applications for financial aid must be made at least three weeks before the end of the quarter.

Do we believe that Northwest College is a miracle school? After Bro. Crowder's message last Thursday can anyone doubt it? Do we really believe that these buildings and grounds are the gifts of God? If we do, then this must be shown in our treatment of these facilities. Any defacing, misuse, abuse, destruction, or littering of the property is saying to God. "I have no regard for the things you have given." I can't suppose that any of us would have the audacity to say that!
