

STUDENT BULLETIN

Tuesday October 19, 1965

"Firmness is that admirable quality that is merely stubbornness in others."

FROM THE REGISTRAR:

1. This is a second notice. All candidates for graduation should file their applications for graduation with the Registrar not later than October 31. Application forms will be found on the counter in the Administration Building.
2. MEN, PLEASE NOTE-If you don't want to be tapped on the shoulder by Uncle Sam you had better pay attention to this from Uncle Millard.

Do not take for granted because you are in school that you will automatically be classified in deferred status with Selective Service. You MUST have the Registrar send in the SSS 109 Certificate to certify your enrollment in the college. The fact that you may have informed your Board that you are in school is not sufficient.

MOST of our men students have filled out college data sheets, and 109 Certificates have been sent in, but in the event that you did not do so, please see the Registrar.

FROM THE DEAN:

1. Those who are interested in a subscription offer to the Campus Ambassador and C.A. Herald please note the envelopes on the Administration desk.
2. This is the last announcement concerning parking stickers. All vehicles without them will receive a traffic citation.

FROM A STUDENT:

Anyone with a car with room for passengers travelling to Evangel Temple in Seattle on Sunday mornings please contact Eldon Johnson, Beatty Hall, Room 318. Thank you.
