ATTENTION! APPLIED MUSIC STUDENTS

All students taking applied music lessons during the winter quarter should sign the practice schedules posted on the bulletin board in the "F" Building, THIS WEEK.

**LISTEN TO THIS:** An All-City Christmas Carol Sing is being planned for 9:00 p.m. ( after the evening service ) on the night of December 12 at Calvary Temple, Seattle. The hour of song will be filled with special music provided by churches from all over the city, but the primary emphasis will be the singing of hymns and carols by the choir seated in the audience.

OVERHEARD:

The president of Superior School Photo Service and the Karisma (yearbook) editor talking:

Editor: How did you dig those crazy scratches?

President: It's difficult to ascertain exactly--possibly something in the camera or during processing was to blame.

Editor: Can you lick the bug, Man?

President: Well, we are going to have our lab personnel do their best at retouching the negatives. I'm sure something can be done to correct the flaw, and each student will be able to get their complete order as originally planned.

Editor: Great! I'll clue the clan!
