

STUDENT BULLETIN

Thursday, December 9, 1965

The wives of the faculty have prepared a "pantry" of staple foods for married students who are in need. It is located in the furnace room of the Student Union Building. The key for this room may be secured from Mrs. Pecota during the morning hours. Those who use groceries from this shelf may replace or donate to it as the Lord prospers, but there is no obligation to do so. We pray this will be a blessing to the students.

Please remember the annual Christmas Concert to be held in the chapel on Thursday, December 9, at 7:30 p.m. The College Choir under the direction of Mr. Pember will present an evening of inspiring music.

There will be an open house after the concert in both residences on all floors. The ladies have decorated their doors and prizes will be awarded in the cafeteria. Refreshments will also be served. It should be an interesting and instructing (How neat is he?) evening.

An All-City Christmas Carol Sing is being planned for 9:00 p.m. (after the evening service) on the night of December 12 at Calvary Temple, Seattle.

The hour of song will be filled with special music provided by churches from all over the city, but the primary emphasis will be the singing of hymns and carols by the choir seated in the audience.
