

STUDENT BULLETIN

Tuesday, January 25, 1966

PLEASE NOTE THESE WONDERFUL OPPORTUNITIES FOR SERVICE:

1. To qualified students, working this summer at the Rainier School for the mentally retarded. You will work directly with those who are retarded. Room and board provided. For eleven weeks of work you will earn \$660.00. Please see Dean Pecota immediately if interested.
2. VBS and camp work this summer in Montana. Own transportation necessary. See Dean Pecota.
3. Pianist, story teller, song leader at the Orthopedic Hospital-one Sunday a month, possibly two. See Dean Pecota.

BASKETBALL GAME: Tonight at 8:00 against Bethany Church in Seattle. Let's "go, fight win, beat'em."

SOMETHING TO REMEMBER:

1. Dating is permitted only on the week-ends. Some are not paying attention to this regulation.
2. You are requested not to wear blue jeans or work clothes to class or chapel. Ladies, do you realize that the human knee is not one of the most attractive parts of one's anatomy? "Don't let the world squeeze you into its mold" (Rom. 12:1).
3. The use of make-up or excessive jewelry is not in keeping with the standards of the College.

Thanks for your fullest co-operation in these matters.

MEN: President Butterfield will be speaking to the dormitory men (off campus fellows are invited) this Wednesday evening at 9:30 in the lounge of Beatty Hall.

P.E. CLASSES: Both evening sections of women's physical education will meet from 6:30 to 7:30 p.m. tonight and next Tuesday. This change is being made to accomodate basketball games scheduled at 8:00 on these evenings.

LOST: One Northwest College folder. If found please return to Annabell Samy.

K G N C

ATTENTION: All persons who are interested in actual participation of a "campus limited" radio station, write your name and how you would like to participate on a piece of paper and put it in the box in the bookstore. It is important that we have your name.

Note:

To create a greater interest in missions, a list of missionary prayer requests will be given to each teacher to be read Friday in his designated class period. Your cooperation is appreciated.

- 1st Period - Africa, pray for physical strength to combat malaria. Pray particularly for Ralph Hollandsworth, a missionary to Liberia, who is now in the hospital in critical condition with cerebral malaria and many broken bones.
- 2nd Period - Pray urgently for Peru because it could be the first South American country to go communist because the communist guerrillas are living in and having connections with all parts of Peru's national and local society.
- 3rd Period - Hatao Egami, our Japanese missionary is badly in need of workers among Japanese immigrants in Brazil, Bolivia, and Peru. Pray for financial support so he can work freely without financial worries.
- 4th Period - Mary Orphan in Greece requests our prayers for the building of their Bible school where work has been stopped because of the lack of both funds and workers.
- 5th Period - Brother Stafford, missionary to Burma, has contracted a serious kidney disease. Because no missionary who leaves Burma is allowed to return, pray earnestly that a miracle of healing will take place.
