ARE YOU THOUGHTFUL?

One of the signs of thoughtfulness is respect for the property of others. This can be shown in many ways, including the matter of littering the campus and grounds with trash. A thoughtless person will throw gum and candy wrappers or papers or peelings or apple cores wherever he pleases. A thoughtful person will be sure to wait until he can find a proper container in which to place them. No thoughtful person would knowingly do anything that would make more work for someone else or create an unsightly mess. This is true of all of our buildings but particularly of the chapel. God's house is not the place to empty pockets or purse of used kleenex, used gum, used anything except money. How about it? Let's make our campus a shining example of thoughtful people.
