

STUDENT BULLETIN

Thursday, May 19, 1966

FINANCE: Please note that Friday, May 20 is the last day to see Dean Pecota about the possibility of a loan to assist you in your financial difficulty. No student should presume to go beyond that date, expecting that you will be able to take care of the matter later. If you have at least a 2.0 current and cumulative GPA and are in good citizenship standing you may qualify for financial help.
