

STUDENT BULLETIN

Thursday, May 26, 1966

FINANCES: Please note that Friday, May 27 is the last day to see Dean Pecota about the possibility of a loan to assist you in your financial difficulty. No student should presume to go beyond that date, expecting that you will be able to take care of the matter later. If you have at least a 2.0 current and cumulative GPA and are in good citizenship standing you may qualify for financial help.

FROM THE LIBRARY:

1. The library will be open usual hours this Saturday, and from 9:00 A.M. till 5:00 P.M. on Monday, May 30.
2. Library books may now be checked out only until June 6 (Monday); they can be renewed one day at a time between then and the end of finals. Graduating students must consider their books due not later than Saturday, June 4, and must have all books in and all fines paid before their accounts are considered clear for graduation.
