LOST: A textbook Knowing the Doctrines of the Bible was lost by Betty Cruson. June Stephens' name is on the fly leaf. If found please return to Betty Cruson or June Stephens.

Brown briefcase belonging to Ron Custer. Last seen in SUB. Please return.

Mr. Roy Hoops of Kirkland visited our Spiritual Emphasis meetings at the chapel in January and his light tan colored trench coat was taken by mistake and he has still not located it. IT HAS HIS NAME ON THE INSIDE (on the right). He has in his possession the coat which was left on the rack (looked very similar to his but does not fit him too well.) If you have a trench coat kindly examine the one you have and see if by any chance this one is his and he has yours. See Dean Pecota or Miss Guy as Mr. Hoops is still hoping to find his coat.

HELP!!! Several records have been removed from the radio station. Many of these records were personal property of people who had loaned them to the station. Would you please return any and all records that have been taken.

FROM THE BOOKSTORE: Sale -- Monday, March 6th to Friday, March 10th. 15% off on everything over a dollar, (except Bibles and textbooks). Lay-aways can be purchased at sale price; however none may be laid away to purchase later than sale date at sale price.

FROM THE BUSINESS OFFICE: The Business Office wishes to remind you that your account must be paid by final examination time in order for you to take your tests. Otherwise special arrangements must be made with Mrs. Hayman.

If you have a National Defense Student Loan and are not planning or returning to school this spring please see the Business Office to make the arrangements for the re-payment of your loan. This is important.
