SUPERINTENDENTS' WEEK: January 23-27 is Superintendents' Week at Northwest College. The District Superintendents from the Montana, Southern Idaho, Alaska and Northwest Districts will be on campus at that time. They will be having lunch with the students from their districts, and speaking in chapel. They will also be giving interviews to Junior and Senior ministerial students interested in pastoring or evangelizing in their districts. These interviews are to be conducted during the student's free period, and such an interview can be arranged by signing up for it in the Administration Building. If you have any questions, see Warren Bullock.
